FIFA President's Resignation

By: Tin Win

Email: tw853@yahoo.com

Note

This short article was posted on my Face book on 2 June 2015, predicting to be hard for Sepp Blatter to survive period from 13 February 2015 to 14 Sept 2015 as FIFA President.
In fact criminal proceedings were announced against Blatter by the Swiss Attorney General's office on 25 September 2015, and on 8 October 2015, Blatter and other top FIFA officials were suspended from FIFA for 90 days while investigations into payments made to UEFA president Michel Platini were conducted.

Background

FIFA (*Fédération Internationale de Football Association*) President Sepp Blatter, who was re-elected to a fifth term on last Friday, says during a press conference today Tuesday, June 2, 2015, he will resign from his position amid corruption scandal and is promising to call for fresh elections to choose a successor between December and March.

5,9, and in sub of Venus in house 6, lord of house 4, signifying beneficial 6,10,11 houses;

2) 10th CSL Saturn+ is the CSL of 2,4,6,8,10,12 having no planet in its stars. Saturn is in 7, very close to 8th cusp, lord of 6,7,8, in the star and sub of Jupiter in house 4, lord of houses 5,9, signifying beneficial 2,6,10 houses, along with 5,8,12 for scandals;
3) Conjunction of Lagna lord Sun, 3rd & 11th lord Mercury and 6th, 7th & 8th lord Saturn opposed to Neptune in Lagna also supports the above cuspal significations, signifying favorable 6,11 houses, along with 8 for scandals.

Dasa Analysis

Current running Dasa lord Ketu (12 March 2013 to 12 March 2020), as discussed above, signifies beneficial 6,10,11 houses, along with unfavorable 3,5,9 houses indicating end of carrier.

Current running Bhukti lord Moon (13 February 2015 to 14 Sept 2015) is in 3, lord of 12, in the star of own Moon, and in sub of Sun in 8, lord of 1,2, indicating 2,3,8,12 houses for jail. So astrologically it would be hard for him to survive this period as FIFA President.

Good luck!

Actual Development

Criminal proceedings were announced against Blatter by the Swiss Attorney General's office on 25 September 2015, regarding "criminal mismanagement... and misappropriation" in relation to a £1.3m payment made to UEFA president Michel Platini.

While Blatter and Platini denied any impropriety around the payments, major FIFA sponsors Coca-Cola, Visa, McDonalds and Budweiser issued public statements requesting that he resign for the good of FIFA.

On 8 October 2015, Blatter and other top FIFA officials were suspended from FIFA for 90 days while investigations into payments made to Michel Platini were conducted. FIFA's president since 1998, he has appealed the suspension but has been prohibited from all activities related to soccer — including visits to his office at FIFA headquarters — until he is cleared.

Question: Will pigeon be saved from kite thread?
Number: 34 (out of 249)
Date of Judgment: 14-01-2014, Tuesday, Time of Judgment: 09:51:34 PM IST
Place of Judgment: Kankariya-Ahmedabad Long/lat: 23° N 00', 72° E 36'
Aynamsha: $23^0.57'.46"$

Note: 14th January is Utrayan festival (kite festival), most famous in Ahmedabad. One pigeon was injured by kite thread, my daughter calls to bird saving organizations and we are waiting for help. During this time we have try to remove threads from pigeon. At that time question comes in my mind.

Hints
Rule 1: If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12, the life is short (about 33 years). If the cuspal sub lord of the Asc. be the significator of the house 1 or 5 or 9 or 10 the life is long (about more than 66 years). If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 and 1 or 5 or 9 or 10, the life is medium (about 66 years). But if the cuspal sub lord of the Asc. be the significator of the Badhaka and Maraka houses with the above mentioned houses, it is not good for the life. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Asc. or the 8th cusp be the significator of the Badhaka and Maraka houses, their joint period is very critical for life. In the short life case within 33 years, in the medium life case within 66 years and in the long life case above 66 years, also check the 3rd and 8th cusps too.
Badhaka bhava is more danger than Maraka bhava. So when we are checking about longevity first check the Badhaka bhava and then Maraka bhava.

Rule 2: If the cuspal sub lord of the Asc. be the significator of the Badhaka and Maraka houses, the life is short. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Asc. or the 8th cusp be the significator of the Badhaka and Maraka houses, their joint period is very critical for life.

Cuspal Sub lord
Asc Cusp. (Taurus $17^0.46'.40"$) : The sub lord of the Ascendant is Mercury. Mercury is in the star and sub of Moon. Mercury is occupant of 9, owner of 2-5. No planet is in the star of Mercury and Mercury is CSL of 1-2-3-5-6-7-8. Star and sub lord Moon is occupant of 2, owner of 3. Hence Ascendant sub lord Mercury signifies 2-3 and is connected with 9-2-5-1-3-6-7-8. Ascendant sub lord indicates 2 (maraka), 9 (Badhaka) with 1-5-3-8. Thus medium life is indicated.

Joint period:
Running dasa at the time of judgment is Rahu till 19-03-2022. Jointer period of Rahu-Mercury-Jupiter-Saturn is up to 25-01-2014.

Dasa lord Rahu is in the star of own and sub of Jupiter. Rahu is occupant of 6. Rahu is conjoined with Saturn. Saturn is occupant of 6, owner of 9-10. Sub lord Jupiter is occupant of 2, owner of 8-11. Thus dasa lord signifies 6-9-10 and is connected with 2-8-11.

Bhukti lord Mercury. We have discuss about Mercury above.

Antra lord Jupiter is in the star and sub of own. Jupiter is occupant of 2, owner of 8-11. Thus Antra lord signifies and is connected with 2-8-11.

Sookshma lord is Saturn, Saturn is in the star of Jupiter and sub of Venus. Saturn is occupant of 6, owner of 9-10. Star lord Jupiter is occupant of 2, owner of 8-11. Sub lord Venus is occupant of 8, owner of 1-6. Thus Sookshma lord Saturn signifies 2-8-11 and is connected with 6-9-10-8-1-6. Indication of 1-8-11 save this pigeon.

My opinion: Nothing is danger to pigeon.

Outcome: We have removed all threads and keep pigeon in one tub, after bird saving organization member comes and checks it, as per them pigeon is safe and no danger to life.

The famous quote by David Tredinnick - "Astrology is a useful diagnostic tool which enables us to see the strengths & weaknesses in a birth chart" truly sums up the significance of medical astrology in helping mankind stay forewarned of the imminent diseases.
Dr. David Frawley, a famous western astrologer consistent with his specialization in oriental medicine that includes Ayurveda, goes on to medical astrology -humors, diseases, constitution and psychology, and writes in detail in his book "Astrology of the seers".

In this regard Sri K S Krishnamurthy- astrology wizard of our times , has gone a step further and propounded his theory of sub lord through his famous K.P. system to help the astrologers to arrive at correct and accurate results through his set of rules. And medical astrology forms a part of it also. As a student and practicing astrologer, I venture to discuss on an unusual and critical topic called "Lung/Pulmonary Fibrosis" under medical astrology.
Lung/Pulmonary fibrosis (literally "scarring of the lungs") is a respiratory disease in which scars are formed in the lung tissues, leading to serious breathing problems. Scar formation, the accumulation of excess fibrous connective tissue (the process called fibrosis), leads to thickening of the walls, and causes reduced oxygen supply in the blood. As a consequence patients suffer from perpetual shortness of breath.
In some patients the specific cause of the disease can be diagnosed, but in most of others the probable cause cannot be determined, a condition called idiopathic pulmonary fibrosis. There is no known cure for the scars and damage in the lung due to pulmonary fibrosis.
Some people get worse quickly, while others live 10 years or more after they are diagnosed. There are therapies to help you breathe easier. In some cases you may be able to have a lung transplant.
Some people get pulmonary fibrosis when they're exposed to something in their environment, like pollution, certain medicines, or an infection. But most of the time, doctors don't know what causes IPF. That's what "idiopathic" means.
The effect of planets on each sign, house and on each other plays an important role on the health in general and on specific organs in particular. This effect will be felt during particular Dasa Bhukthi and Anthara periods of concerned planets. Some chronic or permanent disabilities occur in accordance with the placement of malefic planets in certain positions. Occasional physical disabilities and disturbances occur due to the astrological factors in time and space. The signs in the zodiac, the planets and the houses considered from the native's lagna and moon sign also have their own peculiarities pertaining to certain organs. To study the health aspect the significance of sign, house and the planets should be super imposed and synchronized.
With this background I would like to discus the above topic with the help of chart of an individual whose birth details are furnished here under.

ANALYSIS OF THE CHART--
1) Lagna- the first cusp- the lagna of the ascendant falls in Sagittarius on 25:33:04 longitude with Jupiter (SGL)- Venus (STL)-Mercury SBL).
Sagittarius is the 9th sign in natural zodiac- a mutable, fire and cadent or apoklima house and also poorvapunya sthana, indicates arterial system and nerves in the body. It also indicates, as a fiery sign, restlessness nature of the native which acts one of the causes for the disease of the native. As a mutable sign, the native tends towards instability and insecurity and is prone to nervous and mental problems, which in turn has caused pulmonary and breathing problems with chronic coughs (Mercury being the sub lord).
The sign lord Jupiter as lord of 1 and 3 is placed in 5th but in 3 degrees orb to 6th cusp signifying the ill health and weak physical system.
The star lord Venus as lord of 5 and 10 is placed in 6th cusp adds further for her ill health.

The star lord of the ascendant cusp- VENUS- lord of 6 (house of sickness) and 10(karma sthana) posited in 6th cusp is the main culprit indicating that the native will not have sufficient immunity and resistance against infectious and chronic diseases. Venus as the constellation lord indicates Fibroid nature (pathologically a benign tumor consisting of fibrosis tissue, one which may develop on the walls of the lungs). The ascendant falls in "POORVASHADA" star(lord VENUS) indicates SCIATICA, RESPIRATORY DISEASES, AND SURFEITS COLD,

The sub lord Mercury as lord of 7th (badhaka sthana lord for Sagittarius lagna) and 9th is placed in 7th (Cancer- 4th in natural zodiac). Mercury is placed in the star and sub of Saturn in 9th and lord of 2nd. Mercury signifies 2,7 and 9, both maraka, badhaka(2,7) and benefic houses(9); the native will have medium span of life (up to 60 to 65 years) with ill health of complicated, chronic in nature and continuous physical sufferings.

2) SIXTH HOUSE/CUSP--

6th cusp falls in Taurus sign, one of the four signs of kapha humor, on 29:44:32 degrees longitude extending to Gemini sign up to 25:33:04 degrees longitude(an airy sign responsible for kapha dosha) with VENUS-SGL-MARS-STL-SATURN-SBL.

VENUS the sign lord which indicates kapha humor, is the lord of 5, 6 and 10 placed in 6th cusp.

Mars the star lord (a malefic and a fire planet) lord of 4,11 and 12 th cusps is placed in 7th cusp (Mercury sign (badhaka sthana) extending to Cancer-4th in the natural zodiac). Mars indicates acute nature of the problem. Mars is the planet that has caused the scar on the walls of the lungs.

Saturn the sub lord of 2nd in 9th cusp (Virgo-Mercurial sign -6th in the natural zodiac) indicates chronic nature of the problem. 9th house indicates the native's fate depending on the past life actions.

Saturn the sub lord of the 6th cusp falls in Mars star and Saturn sub. The 6th cusp sub lord Saturn signifies 2, 9 at planet level, 4,7,11 &12 at its star level and 2, 9 at its sub level. Thus the sub lord of the 6th cusp signifies 4th- lungs and its related problems, 7th- badhaka nature, and doctors and consultations, 12th- hospitalization and treatment, along with 11th- indicating treatment and control over the problems of health.

3) THIRD CUSP- the third cusp falls in Pisces sign (12th in the natural zodiac) falls under the group of kapha humor signs.

Third house/cusp indicates lungs and breathing problems and as watery sign Pisces with its lord Jupiter being in another Kapha humor sign-Taurus- added strength to the problems which lead to main problem of LUNG FIBROSIS.

The 3rd cusp sub lord is SATURN which I have already discussed in the fore paras.

4) FOURTH CUSP--indicates lungs, chest and breathing. The cusp falls in fiery sign ruled by MARS which indicates acute nature of the problems. It is placed in 7th cusp (Cancer sign-4th in the natural zodiac indicating lungs, chest and breathing) bdhaka house. Cancer rasi (8th in the chart) causes more of mental and nervous reactions, general lessening of vitality and influence of others more on the self and its health. The sign lord is a waning Moon is posited in its own sign in the star of Saturn, combust with Sun and in the company of malefic planets -Mars(12th lord), Mercury(badhaka lord) and Kethu and lost its strength as rasi lord and weakened the strength of the chart as a whole. Moon is placed in PUSHYAMI star (lord SATURN) indicates TUBERCULOSIS, RESPIRATORY PROBLEMS, OBSTRUCTIONS IN THE LUNGS, AND COUGH.

Fourth cusp sub lord is Rahu- a first class malefic-signifies-~~4,~~ 1 and 7 at its star level and 5, 6 and 10 at its sub lord level clearly indicates ill health pertaining to lungs and its related problems with intermittent physical sufferings. It's placement in the lagna cusp representing all the malefic planets has also contributed enough damage to the strength of the native's chart.

5) EIGHTH CUSP-- speaks of sufferings, fatal nature of the health problems and incurable

diseases.
8th cusp falls in Cancer sign- a watery sign and a 4th in the natural zodiac indicating lungs, heart, chest and blood. Eighth lord Moon is a planet indicates Kapha humor, placed in Cancer sign 7th cusp.
8th cusp sub lord is SATURN indicates chronic, serious and fatal nature of the disease. I have already discussed about the Saturn in the foregoing para as a co-ruler of 6th cusp.

6)TWELFTH CUSP---indicates hospitalization or isolation- falls in Scorpio sign-8th in the natural zodiac and watery sign on 29:44:32 longitude with MARS- SGL- MERCURY-STL-SATURN-SBL. The sub lord Saturn and its significations have already been discussed above.
The significations of Saturn as a co ruler of 4,6,8,12-all the malefic house connected with disease, clearly indicate that the native is destined to suffer on account of acute, serious, chronic and fatal disease called LUNG FIBROSIS (4,6&7), which made her to be admitted in to hospital (12) with continuous consultations and monitoring of doctors(7).

7) SATURN also signifies 5 and11 indicates that the native will have continuous treatment by doctors /medicines and control over the problems with intermittent reliefs.

8) MERCURY as sub lord of 1 and 7(native and badhaka sthana)made her to experience the physical suffering during the entire period of twelve years(2002 to 2014) due to lung fibrosis.
The period running at the first time of diagnosis of the disease by doctors called "LUNG FIBROSIS/IPF" was in the period of AUGUST 2002 that is during VENUS+ DASA(1,6,10) X SATURN (2001 TO 2004)BHUKTHI(1,5,6,8,11/ 4,7,9,11,12/ 2,9) X VENUS+ ANTARA (FROM4-8-2002TO 13-2-2003).
8)-(A) DATE ON WHICH THE DISEASE BECAME SERIOUS--10 JAN 2010- the period running at that time was---SUN DASA(7,8,9) X RAHU BHUKTHI(4/1,7/5, 6 10) X SATURN ANTARA(7-1-2010to28-2-2010) X SATURN SOOKSHMA(7-1-2010 to15-1-2010). (2,3,5,6,7,9,11,12)
8)-(B) DATE ON WHICH THE NATIVE WAS ADMITTED IN TO HOSPITAL FIRST TIME ON 10 FEB 2010- the period running at that time was--SUN DASA(7,8,9) X RAHU BHUKTHI (3,4/1,7/5,610) X SATURN ANTARA(2,3,5,6,7,9,11,12) (7-1-2010TO28-2-2010) X MARS SOOKSHMA(2,3,4,9,11,12/1,2,3,4,5,7,8,9,11,12) (10-2-2010TO 13-2-2010). The native was on ventilator for 21 days and had treatment.
--DISCHARGED FROM HOSPITAL ON 13MARCH 2010- the period was SUN DASA X RAHU BHUKTHI X MERCURY ANTARA(1,2,7,9) (FROM28-2-2010TO 15-4-2010)X VENUS+ SOOKSHMA(1,5,6,10,2,9) (FROM9-3-2010TO17-3-2010).

9) URANUS - placed in 7th cusp along with VENUS (6th and 10th cusp lord) in Gemini signifies diseases pertaining to arteries and unknown, incurable, acute and of unpredictable in its nature.

10) SATURN ALSO SIGNIFUES 2-7-maraka and badhaka sthanas, 12- hospitalization and moksha sthana, 4th- final termination from the materialistic world and 8th- serious and fatal in nature indicating the fate of the native.
THE NATIVE WAS ADMITTED IN TO YASODA HOSPITAL IN A SERIOUS CONDITION ON 23 DEC2014- THAT IS DURING MOON DASA X MOON BHUKTHI X SATURN ANTARA X MERCURY SOOKSHMA.

The native suffered up to 2014 December 31 and had her LAST BREATH at 19.50.00 hours at Yasoda Hospital in Secunderabadl. The period running at that time was -MOON DASA (11-8-2014 T0 11-8-2024) X MOON BHUKTHI(11-8-2014 TO 12-6-2015)(SIGNIFIES 10,2,7,8,6 &10) X SARURN ANTARA(19-12-2014TO 5-2-2015) (2,5,7,8,11,9,12/2,4,7,9,11,12/2&9)X MERCURY SOOKSHMA (FROM 26-12-2014 TO 2-1-2015) (SIGNIFIES 1,7/2,7,9/2). SUN was transiting in Jupiter sign (Lagna house) on Kethu

star from 16Dec to 29 Dec)- and the native was admitted in to the hospital in ICU on 23 Dec 2014 mid night.

Is the cause of the death of Bobby, drug addiction?

This is my fourth effort of testing KP rules through a single birth chart. It is the natal chart of Bobby Kristina Brown of USA, who died by falling down into a bath tub on 26th July 2015. I kindly request the readers to refer KPEZine Mar. 2015, Aug. 2015 and Oct. 2015 for previous articles of Bobby.

The last article of Bobby was based on a statement of Leolah Brown, the older sister of Bobby Kristina's father, which revealed that her death has not happened due to accident, but it was a murder. The latest news of this demised girl appeared in the web on 27th Oct. 2015 is as below.

"Bobbi Kristina Brown Used Heroin, Smoked Marijuana and Crack 'Often,' According to Friend's Deposition"
https://www.yahoo.com/tv/s/bobbi-kristina-brown-used-heroin-011200557.html

Further, the news item runs as,

"A new lawsuit may shed some light on Bobbi Kristina Brown's alleged drug use in the days before she was found unconscious in her home on Jan. 31.

Bobbi Kristina's friend and former roommate, Danyela Bradley, alleges in a video deposition -- the transcript of which was obtained by ET on Monday -- that the daughter of Whitney Houston and Bobby Brown was regularly using several illegal drugs.

"She smoked marijuana, she probably smoked crack often, and also did heroin," Bradley said of her late friend in the deposition. Bradley's testimony is related to a car accident that she and Bobbi Kristina were involved in just days before the aspiring singer was found unconscious in the bathtub of the Atlanta, Georgia home that Houston left her."

The cause of the death may be natural or accidental or murder or any other reason. Whatever it is the cause, whether it is accepted or not by the court of law as a law suit, the unshakable Post Morton verdict can only be revealed through the concrete rules of KP.

As of today (27 Oct 2015) a new law suit is shedding some light on Bobby's allied drug use in the days before her fatal accident.

Drug Addiction

Among the many different types of astrological patterns in horoscope for drug addiction, I have observed the behavior of planet Venus as the worst case that is the ruler of "pleasure" of human beings in many ways. Venus as the ruler of Sex, Drugs and Alcohol plays double role making the native a great character in the society giving them a brand of popularity especially with success of entertainment, beauty and attraction, while cutting their necks with difficulties to resist their drives in sex or drugs or pleasurable activities in the life.

KP Hints for drug addiction

Venus the ruler of Drugs, Sex & Alcohol, and when connected with

1. Sign Pisces, Rahu, Neptune – Drugs addiction
2. Mars – encouragement
3. House 5 – Pleasure and entertainment
4. House 6 along with 8 & 12 - Diseases

Hints of Medical Astrology

1. The uncontrollable desire for intoxicating and Spirituous Liquors is called Dipsomania. This is a disease of a Watery sign. if the Asc. is Cancer or Scorpio or Pisces and afflicted, the native will be a victim of this disease.

2. The tendency to drink in excessive is due to Cancer, Scorpio, Pisces when strong and predominating the map of birth and the Sun, Moon, Asc, or many planets in the watery signs at birth and afflicted tend to strong drink and dissipation there from.
3. Death by Intoxication - Uranus or Saturn in Cancer, Scorpio or Pisces and afflict Moon Pisces on the Asc.

Encyclopedia of Medical Astrology by Dr. H.L.Cornell
All the above rules have been satisfactorily agreed for the drug addiction in the natal charts of Elizabeth Taylor, Elvis Presley, Marylyn Monroe, and Whitney Houston in my previous articles written on Venus and published in this KPEZine.
Let's see Bobby's natal chart to see whether she was a drug addicted lady and whether the cause of death is drug related accident by applying the rules above.

Birth details:
Bobby Kristina Brown, Female, Thursday 04 March 1993, 11.38 am, Livingstone, New Jersey, USA. Lat. 40.48.00 N, Long. 74.19.00 W. Sid. Time 22:30:32, KPNA 23° 40' 18", Asc. Gemini 05° 58' 18", Balance Dasa Jupiter 05 Y 09 M 16 D, by KPAstro 4.1
http://www.astro.com/astro-databank/Brown,_Krissi

Here in this chart Venus is the lord of 9 & 10 and located in the 11th house (Recovery) in the star of Mercury and in the sub of Rahu. Mercury is the lord of 2 (Maraka) and 5 (Pleasure and entertainment, Free from ill health) in 10 (Retirement from this World). Sub lord Rahu is in 6, in the star of Mercury and sub of Mars in Lagna. Neither aspecting nor conjoined planets for Rahu and it represents only Mars. Mars is a significator for 6, 1 & 12. No planet is in the stars of Venus.

Compatibility of KP rules above

Venus in Pisces sign - Rule Agreed
Venus in Rahu sub - Rule Agreed
Connection with Neptune - No
Connected with Mars - Rule Agreed
Connected with House 5 - Rule Agreed
Connection with 6, 8, 12 - Rule Agreed

Compatibility of Medical Astrology rules

1) Ascendant is in an Airy sign Geminy - Dipsomania is not indicated

2) The tendency to drink in excessive is not agreed with the sign Pisces where Venus is posited, since it is the house of recovery from the ill-health.
Sign Scorpio is strong in this case since it is the house of Mars and where Rahu is.
No planet is posited in the sign Cancer and the Moon, lord of Cancer is a significator for beneficial houses 5 & 11 along with detrimental houses 2, 7 & 8
The Sun or Moon is not in a watery sign, as well as the Ascendant.

3) Death by intoxication is not indicated as in above Medical Astrology rule.
As in the above analyzing, Venus presents in almost all rules as a satisfactory manner for the death by drug addiction. But the agreement with these indications is based only on the DBAS according to KP. In other words dasa periods should be more fit for the event under consideration.

In my earlier research works, I have found that the natives who died by drug related accidents, were under the DBAS of planets connected with Venus as the causative planet. In the case under this study, as at 26th of July 2015, on the date of the death, Bobby Kristina was under Saturn Maha Dasa, Bukthi and Anthar of Jupiter and Mercury Sookshama.

As per the chart erected with KPAstro Ver. 4.1 attached, any of the DBAS is not connected with Venus. Furthermore Venus in this chart is not a death indicator at all but is a life savior with the significations of life saving houses 1, 5, 11.
If the cause of death is alleged drug use, the drug addictive planet Venus should come to the picture as a malefic and also as a death inflicting lord among the DBAS. So I am in the opinion of that the cause of death is not drug use.

My humble pranans to Sri KSK ji and my KP Guru.

On 27th July 2015 Moon dasa starts in the chart of India, and I think this would be useful and interesting to check the effects of this new dasa.
Moon Dasa runs from 27 July 2015 to 27 July 2025.
Moon is in the star and sub of Saturn. Dasa lord Moon is occupant 3, owner of 4. Star and sub lord Saturn is occupant 4, owner of 10-11. Thus das lord Moon signifies 4-10-11 and is connected with 3-4.
This dasa lord Moon does not signify 1-5-9 at all, thus financially this is golden period for India. Also 4-10-11 gives best comfort and name-fame during this dasa. 3-11 indicate fulfillment of more development in Rail-Road and Air transportation. As well as 3-11 give more comfort in telecom sector. Highest FDI investment is expected during these 10 years. GDP growth will be highest since independence.

We will discuss more in Bhukti analysis. In short India is going to become a world master during this Moon dasa.

Analysis of Infertility through K.P and Vedic perspective for prediction of child birth or successful I.V.F.

Looking to need of answering such questions in this modern age of science and technology, it has become vital to know the balance between knowledge of invisible powers in the universe and visible science of astrology. In ancient times, astrologers used to assess the possibility of 'child birth' mainly through '5th houses analysis with other houses and planetary impacts. There were neither scientific techniques to assess the potential of child birth in married couples nor In Vitro Fertility (I.V.F) technique. Time has changed now. Today, research in fields, Medical science as well as astrology, is going on. Shri B.V Raman, a learned astrologer has explained in his book '*Jatak Nirnaya*' about how to assess the capacity of male and female to reproduce through Vedic birth chart. We see in K.P despite 5th cusp connection with 2, 5 and 11 some married couples are not blessed with children. Thus, there is a need to assess potency too with analysis of 5th cusp. I observed in a few cases and found that rule is beneficial for correction while predicting child-birth and also suggesting the best period for I.V.F. I suggest that the following procedure can be adopted while predicting the possibility of the birth of a child.

Step 1: Assess potency of male and female
Step 2: Analysis of 5th house or cusp.
Step 3: Prediction of child-birth or successful IVF

Potency Test Formula

In male, 'seeds' are known as deciding factor to reproduce. In females, a 'Region' is the place as deciding factor to reproduce. While calculating the place of seeds and region in birth chart, either if one falls in weak position, then despite connection of 5th house with 2, 5 and 11, there will be difficulty in birth of child. If position of seeds and region are both weak then there may be infertility. In that case, during D.B.A. of 2, 5 and 11, astrologers can suggest I.V.F.

Way of conclusion

If seeds are placed in odd sign and region falls in even sign then potency is said to be normal. There'll be no problem in child birth if 5th cusp signifies 2, 5 and 11. If either of seeds and region fall in opposite sign or either of them is conjoined with Rahu the there'll be a great difficulty in child birth. But in that case if 5th cusp signifies 2, 5 and 11 then during D.B.A of 2, 5 and 11 I.V.F may be helpful in birth of child of that married couple. In that case, the concern, male or female that has weak potency has to be advised for medical treatment before I.V.F. If both seeds and region fall in negative position then there is no possibility of child birth despite connection of 5th cusp of 2, 5 and 11. From Vedic perspective, we can see the position of 5th house with a way of its lord position, house surroundings, aspects etc. and position of seeds and region in *navansh* table with the help of remaining degrees left in step two as stated already while finding the sign in which seeds and region fall.

Step 1: For Male, find the total of cumulative degrees of planet Sun, Venus and Jupiter in birth chart. In case of Female, Jupiter, Mars and Moon will be considered.
Step 2: Deduct 360 degree if total is more than 360 degree.
Step 3: Find the sign and remaining degrees, minutes and seconds. To find the seed

Step 1:-

Planet	Sign	Degree crossed	Present degree	Cumulative degrees
Sun	Taurus	30	28.57.24	58.57.24
Venus	Cancer	90	14.17.31	104.17.31
Jupiter	Scorpio	210	10.24.23	220.24.23
TOTAL				383.39.18

Step 2: 383.39.18 – 360.00.00 = 23.39.18
Step 3: Seeds are placed in Aries as remaining degrees left in step 2 is less than 30 degree.

Conclusion- If seeds are placed in odd sign i.e. Aries, Gemini, Leo, Libra, Sagittarius and Aquarius, then said to be strong seeds means there is no problem in potency of Mr. X but from the point of view of Vedic rules, 5th house is in weak position in his birth chart which is not required to be described here.

Analysis of potency of Mrs. X in birth chart
Step 1:-

Planet	Sign	Degree crossed	Present degree	Cumulative degrees
Jupiter	Scorpio	210	1.33.10	211.33.10
Mars	Capricorn	270	0.38.01	270.38.01
Moon	Gemini	60	10.37.13	70.37.13
TOTAL				552.48.24

Step 2: 552.48.24– 360.00.00 = 192.48.24
Step 3: Region is placed in Libra at 12.48.24 degrees left in step 2 after crossing 180 degree means completely crossed Virgo

Conclusion- If Region is placed in even sign i.e. Taurus, Cancer, Virgo, Scorpio, Capricorn and Pisces, then said to be strong Region but in present case Region is placed in Libra means there is a problem in potency of Mrs. X. Her 5th house in Vedic chart is in weak position which is also not required to be described here.

Analysis of 5th cusp of Mr. X
Ketu is sublord which represents Saturn and Mars. Ketu is in star of Ketu. Ketu is in sub of Venus. Ketu is positioned in 6th. Saturn occupies 4 and owns 8 and 9. Mars occupies 12, owns 6 and 11. Venus occupies 1 and owns 5 and 12. Thus, 5th house is connected with 5, 11 and 9 that shows child birth is sure but cusp is also connected with 4, 8 and 12 which means there will be a difficulty.

Analysis of 5th cusp of Mrs. X
Sublord of 5th house is Mercury. Mercury is in star of Mercury and in sub of Mars. Mercury occupies 4 and owns 2 and 11. Mars occupies 5 and owns 4 and 9. There is no planet in the star of Mars. Thus, 5th cusp is connected with 2, 5 and 11 but also connected to 4 that shows there'll be a difficulty but her potency test result is weak so as per astrological advice, she should go for medical treatment or I.V.F to have a child during D.B.A of 2, 5 and 11.

Significators of 2, 5 and 11 of Mr. and Mrs. X

Cusp	Planet in birth chart of Mr. X	Planet in birth chart of Mrs. X
2	Moon	Sun, Mercury, Venus
5	Jupiter, Venus	Ketu, Mars, Jupiter
11	Mercury, Sun, Mars, Rahu, Saturn	Moon, Rahu, Saturn, Sun, Mercury, Venus

Ruling planets at the time of judgement on 28th September, 2015.
Mr. X (at 9.06.11 A.M)
Ascendant: sign-Venus. Star- Jupiter
Moon: Sign-Jupiter Star-Saturn
Day lord: Moon

Common fruitful significators for Mr. X are Venus, Jupiter, Saturn, and Moon. Ketu being representative of Moon in RP will be selected.
Jupiter is sole significator of 10th cusp which is 12th to 11th. In ruling planets, Moon is in star of Saturn, which indicates Punarphoo.

Mrs. X (at 8.30.19 A.M)
Ascendant: sign-Venus. Star- Rahu
Moon: Sign-Jupiter Star-Saturn
Day lord: Moon

Common fruitful significators for Mrs. X are Venus Rahu, Jupiter, Saturn, Moon and Ketu (Ketu being representative of Moon, and Moon is in RP). Moon is in star of Saturn which shows Punarphoo.
Running *dasha* of Mrs. X:
Dasha: Saturn (1.8.2011 to 1.8.2030)
Bhukti: Mercury (4.8.2014 to 14.4.17) is left being uncommon or not fruitful planet. Next *Bhukti* is of Ketu (14.4.2017 to 23.5.2018) will be selected.
Antar: remaining fruitful planet, Venus is left being sole significator of the negating 10th cusp. Because of Punarphoo the last *Antar* Jupiter (29.11.2017 to 22.1.2018) will be selected.
Sookshma: Saturn, Ketu and Jupiter are selected already. Moon (6.1.2018 to 11.1.2018) will be selected.

Running *dasha* of Mr. X:
Dasha: Ketu (7.6.2011 to 7.6.2018)
Bhukti: Jupiter (27.05.2015 to 2.05.2016) is left because of strong significator of 4 and sole

significator of 10. Next is Saturn (2.5.2016 to 10.6.2017) is selected.
Antar: Remaining fruitful planet, Venus, Moon and Ketu. Because of Punarphoo the last *Antar* Moon (20.12.2016 to 23.01.2017) will be selected.
Sookshma: Remaining planet among RPs Venus (16.01.2017 to 21.01.2017) is selected.

Overall Conclusion
Period of possibility of child birth for Mr. X is between 20.12.2016 to 23.01.2017 and for Mrs. X is between 6.01.2018 to 11.01.2018. We have to find a common date for the couple. We can see *running dasha* of Mr. X will go up to 07.06.2018. So common possibility of child birth is within January 2017 to January 2018. I would suggest that how can we arrive on a conclusive period for finding possibility of child birth for a couple, that can be analysed in upcoming issues of 'KP-Ezine'

British Nurse suffering from Ebola

Prognosis for longevity

By: Arvind Gupta

Australia

EMail: guptaa@unhcr.org

I was saddened to hear that a British nurse who had contracted Ebola while working in Sierra Leone, and who had initially been thought to have been successfully treated for the deadly infection, is once again "critically ill".

Yahoo news states:
http://news.yahoo.com/british-ebola-nurse-pauline-cafferkey-critically-ill-002413262.html

"It is thought that Pauline Cafferkey, 39, could be only the second recorded case of 'reactivated' Ebola after American doctor Ian Crozier.

Just two weeks ago, Cafferkey was at Downing Street meeting Prime Minister Cameron's wife Samantha and receiving a bravery award."

Pauline was readmitted to hospital on 6th October 2015. She is being treated for Ebola in the high-level isolation unit at the Royal Free hospital in London. She had first been diagnosed with Ebola in December 2014 after her return from Sierra Leone to Glasgow (Scotland).

Being in the humanitarian field myself, and very often being exposed to risks such as those faced by Pauline, I am concerned at her situation. I have tried to assess her condition and longevity using KP and the chart is attached herewith.

I have taken a random number (58/249) plotted on 15 October 2015 at 12:42:36 pm, Canberra (Australia) [149* 08'00" East; 35* 17' 00" South]. The chart has been rotated to the 9th as the person is hardly known to me and very little known to the rest of the world.

MOON:

Is my query about Pauline's condition and longevity reflected in the chart?

Let us examine Moon as "mathi" the mind must show that these concerns are the point of focus in this chart.

Moon is in Venus sign, star of Rahu and Sub of Mars.

Moon is in the 8th. It is strong with no planets in its stars and is the sub lord for 6th.
Star lord Rahu is in the 6th. It represents Mercury (being posited in its Sign) and Sun by Conjunction.
Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces).
Sun is in the 7th (Badhaka) and rules the 6th.
(Note: I do not use orbs here)
Sub lord Mars is in 6th and rules 2 (Maraka) and the 9th.

Clearly, this chart focuses on my questions. 6th being health and illness; 8th being serious

ailment and danger to life; longevity as both 2nd and 7th are brought out; 4th being the end of everything. It also brings out 5th which is related with cure if any.

On this basis, I have taken the chart to be accurate and have proceeded with the analysis.

NOTE:

It is interesting, from an astrological point of view, that all the planets except Ketu are located in houses 6, 7, and 8.

Already, at this point, it is clear that no matter which planet is considered, it would end up in a star or sub that is located in one of these houses. 7th being both Maraka and Badhaka would severely curtail longevity. The 8th would point to serious ailment and danger to life.

What are we judging? The various applicable Rules:

LONGEVITY

1) Ascendant SL signifies 1,3,5,9,10 --- long life;
2) Ascendant SL signifies 1,5,8,9,10,6,12 PLUS Badhaka and Maraka --- medium level longevity;
3) Ascendant SL signifies 6,8,12 PLUS Badhaka and Maraka --- short life;

i) Ascendant CSL links with 2,7, and Badhaka – it indicates death;
ii) Ascendant CSL links with 1,5,11 – indicates cure and release from hospital;
iii) 11th CSL links with 8th – indicates release from hospital AFTER death.

HEALTH ISSUES

I. 6th shows disease; 8th shows defect; 12th shows isolation;
II. Link between 1 and 6 and DBAs connected cause illness;
III. If 6th CSL is connected in any way to the planet SATURN and to 6,8, 12 THEN the native will surely suffer from chronic and incurable disease;
IV. 6th CSL connected with SATURN – the disease is chronic; with MARS – the disease is acute, sudden, painful, and requires surgery; Mercury --- the disease gets complicated; RAHU or KETU --- disease remains undiagnosed.

As per rules crystallised or summarised in various articles written by stalwarts of the KP system, we can pin-point the nature of the disease and the parts of the anatomy affected by the disease by taking the 6th house cusp.

A. The 6th is the house of the disease, 8th house stands for worry and surgery (danger and serious disease) and 12th house shows hospitalization and isolation. Disease is caused only when the significator of the 6th house is also the significator of the lagna. Therefore whenever we want to find out the disease of a person note the sublord of the 6th cusp, find out in whose constellation it is deposited. Find out the sign where lord of the star was at the moment of birth or at the time of query, and also the sublord of the 6th. All these indications put together give a clue to the nature of the disease.

B. The sublord of the 6th cusp is the final deciding factor about diseases. The tendency for disease, and the disease that actually manifests, depends on the DBAS running. Planets connected with the 6th house and lagna will produce disease in their conjoined period.

C. If the sublord of the 6th cusp is in the 12th bhava and becomes a strong significator of 6th and lagna, and is connected with Saturn then the native will

definitely suffer from an incurable ailment.

ASSESSING LONGEVITY

Ascendant:
The Lagna is in Pisces ruled by Jupiter, and the Lagna star lord is Saturn. Its sub lord is Rahu.

Jupiter (Lagna lord) is in the 6th. In KP, the signification of the 6th by the 1st or vice versa clearly indicates disease and illness. Jupiter does not aspect the 1st and, therefore, does not provide that providential assistance which is much needed in this case.

Jupiter conjoins Venus and Mars. Venus is the lord of the 3rd and 8th. While the appearance of 3rd and 8th may indicate longevity, yet Venus being in the 6th with the lord of Lagna and being aspected by Saturn from the 8th is indicative of an incurable, lingering and lasting (chronic and dangerous) disease.

Lagna Star lord is Saturn who is placed in the 8th. It is the lord of the 12th. This causes hospitalization on account of the dangerous disease. It causes it to linger and become fatal. Saturn is in the 8th along with Moon who is the sub lord of the 6th. This completes the circuit of 6,8 and 12 in a very serious manner.

Sub lord Rahu is in the 6th. It represents Mercury (being posited in its Sign) and Sun by Conjunction. Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces). Sun is in the 7th (Badhaka) and rules the 6th. Star lord of Rahu is Sun. Sun is in the 7th (Badhaka) and rules the 6th. Sub lord of Rahu is Mercury. Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces). (Note: I do not use orbs here)

Thus, the Ascendant Sub lord signifies Maraka and Badhaka 7th and disease 6th. It is connected with 4th (the end of everything) and 5. The only positive indication is the 5th which, unfortunately, is pitched against the heavily negative significations of the Ascendant sub lord. This is a sure sign of a very short span of life left after the time this question was taken up for analysis.

In order to be certain that, in fact, longevity is very short, let us also look at the 3rd and 8th houses.

<u>3rd Bhava:</u>

It is in Venus sign, Sun Star, Venus Sub.

Venus is in 6th and rules 3 and 8.
It is in the Star of Ketu placed in 12th. Ketu represents Mars in 6th and rules 2-9;
Sub Lord Saturn is in 8th and rules the 12th.

The 3rd bhava links (significations) are Maraka 2 plus 6,8 and 12. It is connected with 3 and 9. Thus, here the 3rd house shows some longevity.

<u>8th Bhava:</u>
It is in Venus sign, Rahu Star and Ketu Sub.

Ketu is in the 12th. Ketu represents Mars in 6th and rules 2-9;
It is in the Star of Saturn in 8th and rules the 12th.
It is in the Sub of Mercury in the 6th and rules 4-5-7.

The 8th Bhava links (signifies) 8th and 12th and is connected with Maraka 2 and maraka and badhaka 7th. It also connects 5 and 9. However, its strong significations of Maraka, Badhaka and the 8th and 12th bhavas shows that longevity is short bordering on medium.

The conclusive indicator, however, remains the primary cusp for longevity which is the Ascendant. On the basis of this analysis, it is not unreasonable to conclude that the longevity of this unfortunate nurse is not promised for much longer.

11th BHAVA:

Let us also examine the 11th Bhava:

The 11th is in Jupiter sign (Sagitarius); Venus Star; and Saturn Sub.

Saturn (Sub lord) is in 8th and rules the 12th.
Its Star Lord is Saturn itself – thus reinforcing 8 and 12.
Its Sub lord is Venus in 6th and rules 3 and 8.

Note: The rule is that if the 11th CSL links with 8th – it indicates release from hospital AFTER death.

Here the 11th CSL signifies 8 at all the levels of its significations, and 12 (hospital).

Though it is unfortunate, the prognosis has to be that Pauline will not survive for much longer. It is also indicative that her current situation will continue to hold her in the hospital under treatment. She will, however, not survive this treatment.

ASSESSING ILLNESS

Ascendant:

The Ascendant's signification of the 6th and, also the 6th signifying the 1st are sure indications of illness. 8th, of course, points to serious and/or dangerous ailments, and the 12th speaks of hospitalization as well as complications.

We have already assessed the Ascendant above.

Ascendant Sub lord Rahu is in the 6th. It represents Mercury (being posited in its Sign) and Sun by Conjunction. Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces). Sun is in the 7th (Badhaka) and rules the 6th.

Star lord of Rahu is Sun. Sun is in the 7th (Badhaka) and rules the 6th.

Sub lord of Rahu is Mercury. Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces).

The Ascendant Sub lord signifies Maraka and Badhaka 7th and disease 6th. It is connected with 4th (the end of everything) and 5. The only positive indication is the 5th which, unfortunately, is pitched against the heavily negative significations of the Ascendant sub lord.

6th BHAVA:

Let us also look at the 6th Bhava:

The 6th Sub lord is Moon. It is in the Star of Rahu and the Sub of Mars.

Moon is in the 8th. It is strong with no planets in its stars and is the sub lord for 6th.
Star lord Rahu is in the 6th. It represents Mercury (being posited in its Sign) and Sun by Conjunction.
Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces).
Sun is in the 7th (Badhaka) and rules the 6th.
(Note: I do not use orbs here)
Sub lord Mars is in 6th and rules 2 (Maraka) and the 9th.

The 6th is strongly connected with itself, the 6th being health and illness; 8th being serious ailment and danger to life; longevity as both 2nd and 7th are brought out; 4th being the end of everything. It also brings out 5th which is related with cure if any.

Please note: Mars (the sublord of the 6th CSL) is in mutual aspect with Saturn. As per KP Rules, If 6th CSL is connected in any way to the planet SATURN and to 6,8, 12 THEN the native will surely suffer from chronic and incurable disease. This seems to be the case here as well.

Note also: The Sub lord of the 6th bhava is Moon. Its Star lord Rahu is conjoined with Mercury in Virgo (the 7th bhava). Mercury being connected clearly shows that the malady is too complicated at this point in time and will be very difficult to cure. This conjunction between Rahu and Mercury occurs in the 7th which is the deadly Maraka and Badhakasthana. Therefore, leading to a fatal outcome.

Given that the ailment is too complicated, it would not be wise to even try to figure out which part of the anatomy has been affected and what sort of issues it has caused.

8th Bhava:

The Sub lord of the 8th is Ketu. It is in the star of Saturn and Sub of Mercury.

This bhava has been assessed before. It is in Venus sign, Rahu Star and Ketu Sub.

Ketu is in the 12th. Ketu represents Mars in 6th and rules 2-9;
It is in the Star of Saturn in 8th and rules the 12th.
It is in the Sub of Mercury in the 6th and rules 4-5-7.

The 8th Bhava links (signifies) 8th and 12th and is connected with Maraka 2, and maraka and badhaka 7th. It also connects 5 and 9.

The strong signification of the 8th CSL of the 8th and 12th point to the fact that Pauline is suffering from a very serious condition and is hospitalised for that reason. The 8th bhava significations also do not contribute to longevity. Thus, establishing that her end will come because of this serious ailment.

The complex nature of the disease as indicated by the 6th house is also supported by the 8th bhava. Note that the sub lord of the 8th bhava is Ketu who is posited in a dual sign (Pisces) and is aspected by Mercury. The sub lord of the 8th CSL is Mercury showing the complications inherent in this case.

12th BHAVA:

A further look at the 12th bhava provides only confirmatory results.

The 12th CSL is Venus.

Venus is in 6th and rules 3 and 8.
It is in the Star of Ketu placed in 12th. Ketu represents Mars in 6th and rules 2-9;
Sub Lord Saturn is in 8th and rules the 12th.

The 12th bhava links (significations) Maraka 2 plus 6,8 and 12. It is connected with 3 and 9.
The 3 and 9 signification being linked with 12 actually would point to the fact that she cannot be treated at home and has had to travel far (to London from Scotland) where she receives hospital treatment (12th bhava).

RULING PLANETS:

I have taken Ruling Planets at 11:24:36 am on 15th October 2015 in Canberra (Australia). These are:

Ascendant: Star lord Sun; Sign Lord Saturn
Moon: Star lord Rahu; Sign lord Venus
Day lord: Jupiter.

Thus, the RPs are Sun, Saturn, Rahu and Venus. None of them is Retrograde or in the star and sub of any retrograde planets.

Also added to the list would be Mercury as it is conjunct with Sun; Saturn as it is in mutual aspect with Mars; and Venus conjunct with both Mars and Jupiter.

DBAS:

DASA

The Current Dasa is that of Rahu. It runs up to 02 February 2016. Rahu is both a significator and an RP.

Rahu is in the 6th. It represents Mercury (being posited in its Sign) and Sun by Conjunction.
Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces).
Sun is in the 7th (Badhaka) and rules the 6th.

Star lord of Rahu is Sun. Sun is in the 7th (Badhaka) and rules the 6th.

Sub lord of Rahu is Mercury. Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces).
As we have analysed for the Ascendant, this is a deadly period for longevity. The Ascendant Sub lord signifies Maraka and Badhaka 7th and disease 6th. It is connected with 4th (the end of everything) and 5. The only positive indication is the 5th which, unfortunately, is pitched against the heavily negative significations of the Ascendant sub lord.

BHUKTI

The Current Bhukti is that of Mars. It runs between13 January 2015 and 02 February 2016. Mars is both a significator and an RP.

Mars is in 6th and rules 2-9. It is in the Star of Venus in 6 and rules 3-8. It is in the sub of Rahu who is in the 6th. It represents Mercury (being posited in its Sign) and Sun by Conjunction. Mercury is in 6th and rules the 4th, 5th and 7th (Badhaka – as the Lagna is a common sign Pisces). Sun is in the 7th (Badhaka) and rules the 6th.

Thus, both Dasa and Bhukti are deadly to the individual.

ANTARA

The Antara running (and those to come are): Sun, followed by Moon.

Both the Antaras are capable of ending life. As per the DBAS the end seems to come by the 2nd of February 2016. I have not made any further analysis to find the exact Antara or Sookshma.

I hope my prediction will not be fulfilled. I pray that Pauline may recover her health and lead a good life.

Question. When will I get bank loan for home?
Number. 141 (out of 249).
Date of Judgment: 22-06-2015 Monday, Time of Judgment: 14:43:35 PM IST
Place of Judgment. Kanakariya – Ahmedabad Long/Lat: 23° N 00', 72° E 36'.
Aynamsha 23^0.58'.58"

Hints

If the cuspal sub lord of the 6^{th} be the significator of 2, 6 or 11 borrowing from bank is promised during the joint period of the significators of 2, 6 and 11.

Cusp 6th (Pisces 28^0.10'.02"): The sub lord of the 6^{th} cusp is Saturn. Saturn is in the star of own and sub of Mercury. Saturn is occupant of 1, owner of 4-5. Sub lord Mercury is occupant of 7, owner of 9-12. Thus 6^{th} CSL Saturn signifies 1-4-5 and is connected with 1-4-5-7-9-12. Hence, chance of getting bank loan is not seen.

Joint Period

At the time of judgment, the querent is running Venus dasa up to 24-04-2034.

Venus is in the star of Mercury and sub of own. Venus is occupant of 9, owner of 1-8. Star lord Mercury is occupant of 7, owner of 9-12. Thus dasa lord Venus is signifies 7-9-12 and connected with 1-8-9. Hence, chance of getting loan from bank is not seen.

My opinion: I don't think you will get bank loan.

Note: This is horary, thus answer is only for which bank you have apply for, not permanent.

Outcome: Prediction comes correct.

When I will get a Married?

A querent from Bhatinda [Punjab] put up a question regarding her marriage.
Horary number told by the querent: 7
Date of judgment: 24-10-2014
Time of judgment: 9:18 P.M
Place of judgment: Chandigarh
Aynamsha: 24.03.08 (KP Straight line (Adjested))

Moon reveals the nature of query.
Moon is lord of 5 in 7. It is in the star of Rahu in 6 and it is in the sub of Venus in 6 lord of 2 and 7. Hence Moon is linked with 2 and 7. So querent mind clearly shows about her marriage

K.P Rule for marriage
As per K.P astrology if the cuspal sublord of 7th house be the significator of 2 or 7 0r 11 marriage will take place during the joint period of the significators of house 2,7 and 11.

7th Cuspal Sublord
Here 7th cusp sublord is Rahu in 6, and Rahu is conjoined with Venus in 6 lord of 2 and 7. And Rahu is in the star of Mars in 9 lord of 1 and 8 and it is again in the sub of Rahu as explained earlier. It signifies 2 and 7 Hence 7th Sublord is significator of 2 and 7 which fulfill necessary condition of marriage

DASHA ANALYSIS
On the day of judgment it was running Mahadasha of Rahu and Bhukti of Venus from 04-12-2013 to 04-12-2016.

Mahadasha of Rahu
As explained above Rahu is significator of 2 and 7 which is conducive for marriage.

Bhukti dasha of Venus
Venus in 6 lord of 2 and 7 and Venus is not having any planet in its star, hence Venus becomes the strong significator of 2 and 11 being cuspal sublord of 2 and 11, and further Venus is in the star and sub of Rahu, as explained above Rahu signifies 2 and 7. Hence Venus bhukti is the significator of 2, 7 and 11, which is conducive for marriage and Venus is also a ruling planet.

Check Antra dasha
Following Antra dasha was running Rahu / Ven / Moon From 29-07-2014 to 29-10-2014 reject this as it ends within 4 days of this horary.

Rahu / Ven / Mars From 29-10-2014 to 31-12-2014; consider this period.

Antra dasha of Mars
Mars is in 9 lord of 1 and 8; it is in the star of Ketu in 12 and in the sub of Moon in 7 lord of 5. Hence Mars Antra signifies 1, 5 and 7 which is conducive for marriage. Accordingly I

Breast Cancer – A case study

By: Sriyani Ranathunga

EMail - ranatunga_s@yahoo.com

INTRODUCTION

According to the medical news, breast cancer is the second most common cancer for women after skin cancer. But so far the medical science has neither revealed the particular reason for this dreaded disease nor any fixed preventive treatment. The breast is made up of glands called lobules that can make milk and thin tubes called ducts that carry the milk from the lobules to the nipple. Breast tissue also contains fat and connective tissue, lymph nodes, and blood vessels.

The most common type of breast cancer is ductal carcinoma, which begins in the cells of the ducts. Breast cancer can also begin in the cells of the lobules and in other tissues in the breast. Invasive breast cancer is breast cancer that has spread from where it began in the ducts or lobules to surrounding tissue.

The first sign of breast cancer often is a breast lump or an abnormal mammogram and so it can be easy to diagnose by a lab test. But it will be too late to enter into a way to cure. Not only in the case of breast cancer, but in any abnormal condition of the bodily health also, astrology, especially KP astrology comes as the first and foremost tool to reveal the facts.

Lagna CSL Mercury is owner of 9 and12 (Hospitalization, Moksha, Terminal), occupant of 11 (Badhaka House for Libra) in the Star of Moon owner of 10 (Treatments not Effective, Retirement from this world), occupant of 2 (Maraka), and in the sub of Rahu in 8 (Danger to life, Surgery - Especially Surgical Removal). Rahu represents Jupiter and Venus. Jupiter is owner of 3, 6 (Sickness), Karaka for morbid growth and also for cancer disease, in conjunction with Uranus for Fistula. Venus is owner of Lagna and 8 in 10.
8th CSL Sun is occupant of 12 (Moksha, Hospitalization), owner of 11 (Badhaka), in the star of Mars occupant of 10 (Treatments not Effective, Retirement from this World), owner of 2, 7 (Maraka) and in the sub of Rahu as discussed above.

Lagna and 8th cuspal sub lords are the significators for 6, 8, 12, Maraka and Badhaka, indicating a short life span in confirmation of cancer disease.

Bank Employees and KP

By: VSN. Murthy, (K.P. Astro Consultant)

First of all let us know briefly about the "*BANK* and it's *Employees*" before going to read my analysis.

Bank is a financial institution that undertakes the banking activity, (ie) it accepts deposits and then lends money to borrowers. In addition to this activity, various other services are also offered by Banks such as issuing debit & credit cards, providing lockers, ATM services and also online transactions throughout the world.

All banks require employees such as Teller, Customer Service Representatives, Book keepers, Clerks, Loan Officers, and Financial Managers. All employees work together as a team for providing customer services which are assigned to them.

Really it is a great luck to get a job in such financial institutions as mentioned above. It is a white collar job having a very good salary and other facilities.

Astrological key points to be considered at the time of judging the horoscopes of Bank Employees:-

2nd house:- shows the area of career in banking, investments, finance, Revenue department; teaching, consultants, money. Financial situation and attitude towards money and stuff we possess.

6th house:- denotes litigation, loan, disease, disputes, a strong planet in this house points towards the career related to livelihood through service, Subordination, court, loan-recoveries.

7th house:- It is a house of business.

8th house:- This house indicates the money and assets of our spouses or partner generally. In Mundane astrology, 2nd house indicates Bank. Opposite to it is the 8th house. This 8th indicates the transactions of the customers/public. Bank employees receive the amount in the form of deposits and they lend the same to others as a loan in order to get profit. 8th is the 11th from 10th. So I opine that especially the 8th house should be considered while discussing the natal charts of bank employees.

10th house:- This house indicates corporate companies and its employees.; career related to Govt. jobs, politicians, dealing with public life falls under the influence of this house.

11th house:- fulfillment of desire; placement of many planets in this house indicates the income from various sources.

Jupiter:- treasury, administration, financial advisors, bankers, financial institutions, courts, Universities; Commerce and trade; money lending;

Mercury:- Accountants, Cashiers, bank related jobs, Clerks, typists, finance related transactions, Information and Technology, Computers commerce,

Venus:- vacations in the field of finance;

Sun:- Government Officers and workers..

Questions & Answers

By: Tin Win

Email: tw853@yahoo.com

Question- 1: Retrogression in KP Natal Analysis

What is your personal experience about the retrograde plane's behavior in natal charts? Especially when the current running Mahadasa or bukthi or antara lords become retrograde during transit. Prof. Hariharan did a workshop here in Sri Lanka and I got that his experience about this matter is bit different than Prof. KSK. So please share your PERSONAL EXPERIENCE about this not about what KSK has said.

He and his son has invented another theory that when you are judging a natal chart for some question if the relevant cusp's sub (natal sub) is retrograded at the moment of judgment then the matter will not come through. For an example if you are judging a natal chart for marriage and the 7th sub (natal) is retrograded at the moment of judgment then the native will not get married until the current running dasa is over.

Answer- 1:

Retrogression doesn't matter in analysis of natal charts whether DBAS lords are in retro or not. Consideration of DBAS lords in retro is against Prof. KSK's findings.

Retro controversy is in KP horary analysis only. As the result of horary analysis depends on the number given by the querent according to his urge and the time of judgment as per astrologer's urge, it doesn't matter in horary analysis if you don't believe it. "Dr BV Raman has been totally silent on the subject of retrogression in his writings" i.e. he doesn't apply retrogression in his way of astrological analysis. Follow whichever gives YOU the better results based on experience or faith.

In my personal experience, retrogression doesn't matter in analysis of natal as well as horary chart. This reverse motion is only a visual illusion, not moving backward at all, as the slower planet coming backward due to the own motion of the Earth's orbit. Like a train passing a moving car, passengers in the train experience the illusion that the slower car is moving backward due to the speed at which the train is moving. Among divergent views, "retrogression has been mainly considered as an indication of strength (chestabal)" because a planet, when retrograde, is nearer to Earth and can have its greater impact.

Question-2: True or Mean Nodes in KP

Do you use true or mean Rahu in KP? Please explain.

Mean Rahu is used in KP because the True Rahu is True only twice" a month when the Moon crosses the ecliptic and other positions provided for the times in between those two points are just a hypothesis. The Mean Rahu is always retrograde as said in the scriptures of Parasara and Jaimini's teaching. The True Rahu may occasionally be direct and are stationary for several days at a time, as if they are wobbling. The True Rahu can differ from the Mean Rahu by up to 1 ¾ degrees.

Question- 3: Ruling Planets in KP

Could you explain about the use of Ruling Planets in KP.

Answer- 3:

1. The ruling planets are the planets which rule the moment at the time of judgment of any

query.

2. The original 5 ruling planets are listed below in their order of preference:

1) Ascendant star lord
2) Ascendant sign lord
3) Moon star lord
4) Moon sign lord
5) Day Lord (Hindu Day from sunrise to next sunrise)

(It is also to include the Nodes tenanting the signs of the RPs.)

3. The emerging trend is inclusion of more planets as ruling planets, mostly the sub lords of Ascendant and Moon.

4. The ruling planets in retrograde do not prevent the event to take place but will only give the result when they become direct in motion. Generally reject the ruling planets which are posited in the star or sub of retrograde planets if one has faith in retrogression.

5. The RPs are generally used for:

A. selecting the fruitful significators assuming that "the ruling planets at the time of judgment of query would be the same ruling planets at the time of fructification of the event in question";
B. birth time rectification assuming that "the ruling planets of the time of judgment would agree with the ruling planets at birth time"; and
C. fast or short term predictions

6. There has been a lot of discussion on the Ruling Planets, and there are very divergent views on the RPs usage among the KP followers.

7. It is to note that everything can not be predicted by using the RPs because they are supposed to be only the selective tool but not predicting tool. The success of RPs may depend on the urge of both the consultant and astrologers.

Question- 4: Failure of many predictions of BJP win in Bihar Election 2015

sir if u don't mind may i request you to elaborate why most prediction abt bihar failed.

Answer- 4:

Horary prediction can give different results for the same event depending on astrologer, time, place and rule applied. And it can also give different results by applying the same rule depending on astrologer, time and place. Another possibility is astrologers' over confidence on Modi's wave.

Revelations of Medical Astrology
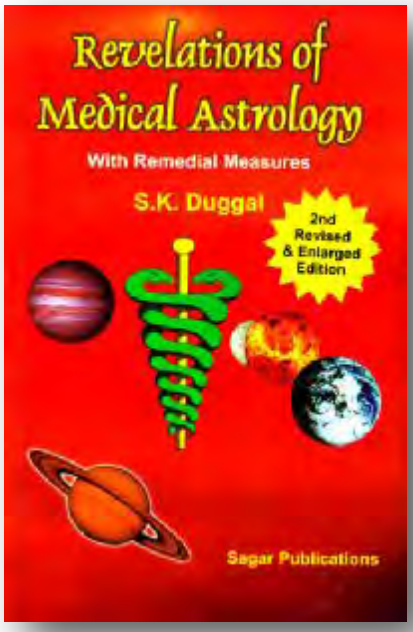
by S.K. Duggal
Sagar Publications, 2009, 371 pages



This is a Vedic medical astrology book which gives identification of various diseases based on planetary combinations in an individual horoscope and also regrouping of diseases in a house. For instance, Saturn in Libra afflicting Mercury induces very obscure spasms in the blood vessels of the kidney which frequently is confirmed only after many tests of the blood samples simply because the condition goes on changing with the movements of the planets. Rahu and Mars prominent in respect to the 6th house reveal one's susceptibility to appendicitis and it will manifest under the directional influences of the afflicted planets. Disease analysis has been demonstrated by over sixty example horoscopes which are useful for further study.

Hillary Clinton for US President

By: Tin Win

Email: tw853@yahoo.com

According to her birth chart, it is astrologically *sure win for Hillary Clinton in the US presidential election 2016*, as shown below analysis indicating the significant signification of house 3 (ability), 6 (win over opponent), 10 (power) and 11 (gain, success) by her 10th cuspal sub lord and concerned major dasa period lords.

Basic Chart
Hillary Clinton, Oct. 26, 1947, 20:00 PM, hr 6 west, Chicago, IL, 41n51, 87w39, NKPA 23:02:18, Asc Gem 06:46:50, Moon Pis 06:09:19, Saturn Dasa balance 14y:11m:22d

10th Cuspal Sub Lord

No Bhukti can offer a result if Dasa lord, the final authority, does not permit. Antra and Sookshma lord Rahu can give her some troubles but she will overcome by significantly favorable Dasa and Antra lords. *We will therefore see the best fight of trio politics professional Hillary, husband Bill and daughter Chelsea.*

Life and death of a couple—Assessment by KP sub lord theory

Life is nothing but the process of completing our accumulated give-and-take accounts that are a direct result of our deeds and actions. The accounts may be positive or negative depending on the positive or negative nature of our actions. To put in Banking parlance, the accounts may be 'Deposit' accounts or 'Loan' accounts. As a rule of thumb, in the current era some portion of our lives are destined (not within our control) and other portion of lives are governed by our own freewill. All major events in our life are by and large destined. These events include our birth, the family we are born into, the person (or persons) we marry, the children we have, serious illnesses and the time of our death. The happiness and pain that we give and receive from loved ones and acquaintances are by and large simply a case of past "Deposit' and 'Loan' (give-and-take accounts) directing the way relationships unravel and play out.

All of us are very curious to know about our life. It means that everybody wants to know how long one may live. To solve out this puzzle we consult astrologers. The determination of longevity is a difficult task and it is dependent upon a large number of factors. Astrology distinguishes between three aspects of the problem that is the duration of one's life span, the actual cessation of the life- force and the manner in which one leaves the mortal coil.
An accident or mishap is an unforeseen, unplanned, unexpected and undesirable event, especially one resulting in damage or harm or even death. The first thing that comes to the individual's mind is that he/ she is having a bad time and/or the planetary positions are not favorable. Everything that happens in the life of an individual is influenced by Planets. Road accidents are no exception and have become quite common these days due to increase in traffic on the roads. A good astrologer can advice better how to avoid these high risks moments of life.

With this background I would like to discuss on the subject -" Death of a young couple by an accident" with the help of their natal charts. The details of the natives are furnished below.

1) WIFE-MrsD.Satyavathi-DOB-9-APRIL1976/ TOB-13.56.55 HOURS/ POB- VISA-KAPATNAM (A.P).

2)HUSBAND-MR.MADHAVASWAMY-DOB-25 OCT 1973/ TOB-2.17.15A.M/ POB-NIDADAVOLU (A.P).

Before proceeding on the subject let us see what K.P system says ---
Sri P.V.K. Punneswara Rao, in his book "Theory and practice of Stellar Astrology K.P system", has clearly explained following rules for longevity--
Assessment of longevity---span of life as K P system----
Up to 33years-----Short Life.
From 33years to 63 years------Medium Life.
From 63 years to 73 years ------ Long Life.

will be Badhaka sthana.
If the ascendant falls in Fixed sign (TAURUS, LEO, SCORPIO, AQUARIOUS)-9th houses will be Badhaka sthana.
If the ascendant falls in common sign (GEMINI, VIRGO, SAGITTARIOUS, AND PTSCES)--7th will be the Badhaka sthana.

MARAKA STHANAS-
Whatever be the sign in which the ascendant falls - 2 and 7 houses are the Maraka sthanas.
Therefore it becomes imperative to judge all these three houses-ASCENDANT- BADHAKA AND MARAKA and find out the significations for assessment of one's longevity.

K.P RULES-
1)IF THE SUB LORD OF THE ASCENDANT OR THE STAR LORD , IN WHICH STAR, THE ASCENDANT SUB LORD IS POSITED,---
A) Is the significator of 6 or 8 or 12--SHORT LIFE IS INDIACTED (Up to 33years of life)
B) Is the signifdicator of 1 or 5 or 9-- LONG LIFE IS INDICATED (63years to 73) (except when it is a badhaka sthana 10th house is considered for long life instead of 9th house i.e., 10th not connected with Maraka and Badhaka sthanas).
C) is the signifucator of the above A and B groups-- MEDIUM LIFE IS INDICATED. (33years to 63 years)
D) THE DEATH MAY OCCUR DURING THE CONJOINED PERIOD OF THE SIGNIFICATORS OF BOTH BADHAKA AND MARAKA STHANAS.
E) If the ascendant is aspected by Jupiter or Saturn, the life span may be increased. If the Saturn is posited in the 8th house and is in exalted position, then also the Life span may be increased.
F) The date of death should never-repeat- never be predicted. We can say that she / he will live for so many years.

2) ACCIDENTAL DEATH--- Sri K.S.Krishnamurthy in his book "Horary Astrology"(page nos.158-159) explains it in his terms as "In astrology, there is nothing like 'Accident'. Astrological dictionary does not have this word because, for every result there is a cause. Therefore, even that which is termed by people as 'Accident' is something which happens when least expected but not without a cause. Anything that is a surprise and an unexpected alone is called as an accident, whether the result is favorable or not."
Therefore, the sub- lord of the 8th house is to be deposited in the constellation of the planet which is the significator of the 8th house.
If the sub lord of either the Ascendant or the 8th house cusp is posited in the star of the occupant or the owner of the 8th or 12th house, there will be an 'accident'.
1) If the significator happens to be also the significator of the 6th house as dusthana, which also signifies 'accident', then he will have fever, etc., following the accident.
2) If the same sub lord is in the star of a planet who is also is the significator of the 12th, he will be admitted in a hospital.
3). The danger of the individual's life becoming fatal is likely if the sub lord is in the star of either the occupant or the owner of the 8th, 7th, or 2nd.
4). The individual will survive the accident if the sub lord is in the star of either the occupant or owner of the 2nd, 7th, and 11th.
5) If the sub lord happens to be the significator of Badhaka sthana and Maraka sthana, he will succumb to death by accident, provided his longevity is not further more promised.
6) Accident will occur during the conjoined periods of dasa - bukthi- antara of 4-8-12 sub lords.
All the three, that is Star, sub and sub sub lord have to signify the relevant houses of 2,7,12 for death and also 8th for accidental death.

OTHER RELEVENT HOUSES CONNECTED WITH DEATH---
1) Rising sign at birth time also play an important role. People born in Aries ascendant are

the most prone to accidents, than Virgo born natives. Aries lagna born natives have excess of energy which they can't control. Aries is impulsive and fast. Pisces ascendant born natives are also prone to accidents as they can't take decisions quickly due to their weak reflex action. Libra ascendant born natives are well balanced and hence they are not generally prone to accidents. The signs most prone to accidents are in fact the mutable signs; these are Gemini, Virgo, Sagittarius and Pisces. The Jupiter ruled signs Sagittarius and Pisces, commonly indicate careless accidents, and the Mercury ruled signs Gemini and Virgo are prone to diseases of the mind. In short, natives born with Ascendants in the fixed signs (Taurus, Leo, and Aquarius) are less prone to accidents. They do not like changes, experimentation and hence they follow a fixed routine which probably is the reason.

2) Planets in the chart Mars and Saturn Rahu Ketu are associated with Accidents.

Mars is the symbol of getting hurt. Mars is the lord of blood and violence, firearms, explosives, weapons.

Rahu gives sudden events in life. So it represents suddenness/sudden accidents in life.

Venus signifies vehicles and so it is important when it comes to accidents by vehicle.

Saturn is responsible for the accidents occurred by iron or machines and animals.

Moon is responsible for the accidents happened by water. Ketu in the 8thth house causes accidents.

Mercury rules transport in our immediate environment including bikes, scooters, cars, etc. For any immediate transport accident we look to Mercury, Gemini, or the 3rd house. For long distance travel we look to Sagittarius, Jupiter or the 9th house.

The position of Uranus and Neptune is also said to be vital when it comes to accidents. Uranus is the planet of surgery and sudden accidents. Usually accidents are of a freak or unusual nature. Uranus in the first house seems to attract accidents. Neptune indicates drowning accidents

3) Terminal houses-We know that the 8th, 12th and 4th houses are most important in a lacerating the secrets of death. Because they are the Terminal Houses or karmic houses, the Fourth, Eighth and Twelfth, corresponding to the Emotional Triplicity of Signs, are concerned with the three most mysterious phases of life; the Fourth- the end of physical man; the Eighth- the liberation of his soul; the Twelfth- his secret aspirations and his disposition in the after-world.

The 'terminal houses' of the 4, 8 and 12 houses emerge as vital to our growth as human beings. They are the houses of Cancer (4th), Scorpio (8th) and Pisces (12th). They are "terminal" only in the fact that you will be working consciously daily, on whatever emotional wounding (provoking emotions) you have in this lifetime. It is a house of water and therefore, symbolizes our emotions.

4) Western Aspects play a vital role in this aspect also. Saturn and Pluto, along with Mars, Uranus, Rahu and Kethu are the universal significators and the Opposite (180 degrees), Quincunx (150 degrees distance), Square (90 degrees distance), Semi Square (45 degrees) and Sesquiquadrate(135 degrees) aspects between these two(SAT & PLUTO) planets and other malefics play a vital role in the case of the accidental death.

ANALYSIS OF THE CHARTS---

1) WIFE-Mrs Satyavathi---

A) LONGIVITY-the lagna of this native falls in CANCER sign-4th in the natural zodiac- one of the terminal group of houses. 11th house is the badhaka sthana for this sign and its lord is Venus.

The lagna sub lord is Jupiter. Jupiter signifies 6 at its star (Kethu) level and 8 and 12 at its sub lord (Saturn) level. It also signifies 9th at star level, and 7th (maraka) at sub level. Jupiter co rules 11- badhaka house and 7th- maraka house.

Thus Jupiter signifies - more of the first group of houses that is 6, 8 and 12 along with 7th maraka and 11th - badhaka houses.

It also signifies 9 and 5 of second group of houses as co ruler.

This indication of both the groups with more of first group of house clearly gives a picture of only SHORT Life i.e. to say up to 33 years of life.

Note- the native lived up to her 28th year (1976 to 2004).

On further analysis, the following additional points are also observed--
1) Lagna lord Moon is placed in 12th cusp in the company of Saturn- lord of 7(maraka) and 8(house of death). Both Moon and Saturn are aspecting 7th house directly by their most malefic 7th aspect.
2) Moon is placed in Saturn star - signifying 7, 8 &12 maraka houses.
3) Moon is in Jupiter sub signifying 6, 8, 7 and 12 indicating short span of life.
4) The Cancer lagna cusp falls in MOON SGL-MECRURY- STL- JUPITER-SBL.
Moon and Jupiter are already discussed above.
Mercury, the star lord, is the lord 3 and 12 placed in 9th cusp- Aries a movable and fiery sign and lord of Gemini- a mutable sign. Aries is being aspected by Uranus directly by 7th aspect. Uranus shows suddenness of exit of the native from life.

2) ACCIDENTAL DEATH-

The native died in a ghastly car accident at the age of 28th year while travelling from Tirupathi to Bangalore during night time.
As per the K.P rule - 8th cusp sub lord in the native's chart is Mercury - a functional malefic as lord of 3 and12.
Mercury co rules 2nd - maraka house, and 8th - house of accidents and one of the houses of terminal group.
Mercury is in Mars sign lord- Kethu star lord and Moon sub lord.
--Mars the sign lord is the lord of 10th (karma sthana) is placed in Gemini sign (mutable sign) but in 11th cusp- badhaka sthana.
Mars aspects 6th cusp (dusthana) by 7th aspect, 7th cusp -maraka house by 8th aspect left a great malefic impact on the native influencing the act of death in sudden and violent manner.
--Kethu star lord is placed in 9th cusp in the company of Mercury (lord 3 and 12), Jupiter (lord of 6) and aspected by Uranus and thereby gave sudden and violent death by car accident. It can be noted that Kethu is in Venus star signifying vehicle - car.
---Moon the sub lord has already been discussed above. It signifies 6,8,7 and12 houses and as a fast moving planet also indicate the nature of death as sudden, accidental, fatal and terminal too. Since 12th cusp is signified it indicates the death was in unfamiliar place (other than his place of stay and away from home).

--Western aspects influencing the 8th cusp-- A) Mercury(functional malefic) is in conjunction(8.24 degrees) with Sun -2nd lord- house of maraka.
B) Mercury is square aspect with Saturn (88.31 degrees) - 7th and 8th lord.
C)Mercury is in opposition to URANUS (182.32 degrees) placed in 4th - terminal house.
D) Mercury is in sesquiquadrate aspect to Neptune (134.05) placed in 4th- terminal house.
All the above aspects are fully malefic and influenced the native to face accidental death.

3) DASA ANALYSIS OF THE ACCIDENTAL DEATH--
The accidental death took place on 21 March 2004 between 8.00 to 9.00 p.m hours on the high way leading to Bangalore (nearby place).

The period running at that time ie.@20.22.00 hours on 21 March 2004 was---
Venus Dasa (2001 to 2021) x Venus bhukthi (2001 to 2005 March) x Saturn anthara (from 8-1-2004 to19-7-2004) x Venus sookshma. (17-3-2004to 19-4-2004).
The dasa lord, the bhukthi lord and sookshma lord Venus signifies 4 &12 as co ruler, 4,7,8,11&12 at its star(Saturn) level and 3,6,7,8,10,11 &12 at its sub(Kethu) level. All the houses are only relevant houses.

The anthara lord Saturn signifies6,7,8 &12 at its star(Jupiter) level and 3,4,6,8,11&12 at its sub(Rahu) level.
Sun was transiting in Pisces -Jupiter sign- on Saturn star from 17 March to 30 March.
All the dasa, bhukthi, antara and sookshma lord signify all the relevant houses for accidental death(4,7,8,11,12) by a vehicle(Venus) at a unknown place(12).

TRANSITS of DASA / BHUKTH & SOOKSHMA lord VENUS, and ANTARA lord SATURN as per the transit chart on the date of Death--21 March 2004-
On the day of death (Sunday) Sun was ruling- (lord of Lagna in2nd in the natal chart) is the badhaka(11th) lord for transit lagna - LIBRA . The lagna rising was Libra - Lord Venus - is the dasa, bhukthi and sookshma lord as per the natal chart on the day of death. In the transit chart on 21March 2004- Venus was in Mars sign (lord 2 & 7 in 8th), Venus star (Lord of 1 & 8 in 7th cusp), Saturn the sub lord (lord of 4 & 5 in 9th).
On the day of death Moon was in Pisces - 12th sign in zodiac- on Saturn star which was anthara lord during the period of the incident.

II) Analysis of the Chart Mr.MADHAVA SWAMY-HUSBAND-

1) LONGEVITY---
The lagna of this native falls in Leo sign- a fixed one. 9th is the badhaka sthana for this lagna and its lord is Mars. The lagna lord Sun is placed in 2nd cusp (Libra) - maraka sthana.
The lagna sub lord is Venus +. No planets are placed in Venus stars and so Venus strongly signifies 3rd and 10th (karma sthana) placed in 4th - terminal house.
Venus is in Mercury star and it signifies 2-maraka sthana, 4- terminal house, 10- karma sthana, along with 11th house.
Venus is in Mars sub and signifies 4th, 8th- house of accidents, and 9th - badhaka sthana.

Thus Venus+signifies both the groups of longevity houses that is to say---
1st-5th-10th- for long life, 8th-9th-for short life along with 4th- terminal house, 2nd - maraka house. These significations clearly indicate that this native is destined to have only medium span of life i.e., up to 33years.
Note- this native lived up to his 31st year 9 FROM 1973 TO 2004).

On further analysis some more additional points are observed--
1) The lagna lord Sun is placed in 2nd cusp- maraka house-LIBRA-Venus being its lord signifies vehicle as the cause of death.
2) Sun is conjoined with Uranus--a planet which causes sudden, drastic and unexpected results including death. Uranus being placed in 2nd -house of family- has taken away his wife in a car accident.
3) Uranus is aspecting 9th- badhaka house (Aries) and its lord Mars (R) placed in 8th- house accidents- clearly indicates as major cause for accidental death.
4) Mars (R) lord of 4th - terminal house- and 9th - badhaka house- aspects Sun - lagna lord - directly by its powerful malefic 7th aspect has given short life only.
5) Sun in Libra-Venus sign indicates vehicles- car. Sun is in Rahu star and Rahu sub signifies -2nd- maraka house, 8th- house of accidents, 12th- house for end of life as terminal house (as Co ruler), 4th - another terminal house and 10- karma sthana indicate that this native is destined to live short life and to have accidental death.

2) ACCIDENTAL DEATH--(DIED ON 21 MARCH 2004)
This native died in a car accident at the age his 31st year.
As per the chart- 8th cusp sub lord is RAHU. Rahu is placed Sagittarius sign but in 4th cusp. Rahu represents Jupiter and Saturn.
Rahu is in Jupiter sign- Kethu star- Jupiter sub.
Both star lord and sub lord Jupiter is the lord of 5 and 8placed in 5th cusp Capricorn but is in 4 degrees orb to 6th cusp and thus signifies 6th cusp also (dusthana).

Jupiter is debilitated and has lost its strength to give 5th results. It aspects Cancer sign- 12th cusp by 7th aspect (a malefic one).
The star lord Kethu is placed in 10th cusp - Gemini-in the company of Saturn lord of 6 and 7 in 10th.

Thus the 8th cusp Sub lord and star lord Rahu signifies 2- maraka, 8th- house of accidents, 12- maraka, 4th- terminal house and 10- karma sthana clearly indicate death by car accident. Rahu also signifies 7th - another maraka sthana through its representative Saturn.

The following additional points are noted as relevant to accidental death---
1) Mars - karaka for accidents-aspects 4th cusp- a terminal house, Mercury (lord of 2nd &11) and Venus- significator of vehicles- (lord of 3 and 10) in 4th cusp by its most malefic aspect of 8th.
2) Venus has a strong influence of Mars as sign lord, as its sub lord and by its 8th aspect also to give vehicular accident.

3) WSTERN ASPECTS INFLUENCING THE EVENT OF DEATH BY ACCIDENT---

A) 9th and 4th lord Mars in 8th cusp is in OPPOSITION to URANUS (172.26 degrees) in 2nd cusp.
B) Mars is in SQUARE aspect to Jupiter (88.26 degrees) in 6th house.
C) Sun lagna lord is in OPPISITION to Mars (9th lord) (179.00 degrees) in 8th cusp.
D) 1) Venus is in 4th cusp is in SQUARE ASPECT to Sun (lagna lord) (46.04 degrees).
2) SESQUIQUADRANT ASPECT to Mars (134.33 degrees).
3) SEMI SQUARE ASPECT to Jupiter (8th lord) (46.07 degrees).
Please note that Mars- 8th occupant, Jupiter-8th lord in 6th, Sun lagna lord in 2nd cusp, Venus lord of 2nd in 4th cusp- all these planets in the natal chart of the native had OPPOSITION, SQUARE, and SEMI SQUARE AND SESQUIQUADRANT ASPECTS which are considered as very bad aspects, contributed for the accidental death of the native.

4) DASA ANALYSIS ON THE DATE OF THE EVENT--
Native died on 21 March 2004 on Sunday.
The period running at that time was--
JUPITER DASA LORD (1999 TO 2015)-Signifies 4, 6, &10 as co ruler, 2,8,12 at its star level and 4, 6, 7, 8, & 10 at its sub level.
MERCURY BHUKTHI (DEC2003 TO MARCH 2006) AND MERCURY ANTARA LORD (3 DEC 2003 TO 29 MARCH 2004) signifies 7th cuspsub lord, 2, 8, at its star level and 4,6,7,8 &10 at its sub level.
Sun was transiting in Pisces - Jupiter sign lord on Mercury star up to 14 April 2004.
SATURN+ SOOKSHMA LORD (11 MARCH 2004 TO 29 MARCH 2004) signifies 4, 7, 6, &10 at its star level and 6, 7, &10 at its sub level.
From the above it is clear that the entire dasa, bhukthi, antara and sookshma lords signified all the relevant houses (viz., MARAKA HOUSES-2, 7, 12 AND TERMINAL HOUSES-4, 8 &12-) of death by accident and VENUS - signifier of vehicles- is also conjoined with buhkthi and antara lord.

TRANSITS of Dasa lord JUPITER, Bukthi and Antara lord Mercury and Sookshma lord Saturn- as per the transit chart on the date of Death--21 March 2004-
Dasa lord JUPITER was in 11th cusp LEO-Sun sign - lagna of the native at birth. Jupiter was transiting on VENUS star- lord of 3 &10 in 4th cusp of the natal chart- karaka for vehicles. Jupiter was in Mars sub- signifying 8th cusp occupant as lord of 4th -terminal house and 9th lord of badhaka sthana in the birth chart.
Bhukthi and Antara lord Mercury (lord 2 and 11 in 3rd cusp) was in the company of Venus and Neptune in 4th cusp in the natal chart.

This Mercury was transiting in Jupiter sign -Pisces sign- lord of 3 &6 placed in Leo 11th badhaka sthana for the transit lagna - Libra. Mercury was in Mercury star and Mars sub. Mercury the star lord was the lord of 9th and 12th (house of final journey and a place away from own house) in the transit chart. The sub lord Mars was the lord 2 & 7(maraka sthanas) placed in 8th cusp- house of accidents and death. Such a Mars was aspecting 11th and 2nd -badhaka and maraka sthanas in transit chart.
Thus the entire dasa, bhukthi and antara lord agree with the transits on the day of death.

The above analysis of the accidental death of a couple proved beyond doubt that K.P sub lord theory with its clearly laid down rules, when applied properly and dexterously, I feel, will help the astrologer to unearth the secrets of any complicated problem in any individual life. I will be failing in my duty if I do not express my humble respects to our astrology legend Sri K.S. Krishnamurthy and my sincere thanks to Sri Kanak Ji for accepting my article for publication.

Shiv Sena Threatens To Pull Out Of Alliance With 'Arrogant' BJP In Maharashtra
A municipal corporation poll may be the undoing of the Shiv Sena-BJP alliance in Maharashtra. The strained relationship between the two parties ran into more trouble yesterday after Sena chief Uddhav Thackeray threatened to pull out of the alliance and Maharashtra CM Devendra Fadnavis retorted, saying BJP will not be intimidated by threats.

Differences between the parties spiked ahead of the Kalyan Dombivali Municipal Corporation (KDMC) elections. The Indian Express reports: "It was set in motion after senior Shiv Sena minister Eknath Shinde submitted his resignation as guardian minister of Kalyan and Dombivali to Thackeray on Friday. However, Thackeray rejected the resignation and publicly warned the BJP to shed its political arrogance. In turn, Fadnavis, who addressed a party rally in Kalyan Friday, told the Sena not to undermine the BJP and that his party was not "wearing bangles".

Trouble started brewing when BJP began campaigning aggressively for the civic elections in Mumbai's suburbs, where the Sena is contesting in 122 seats. Anxious about not letting BJP take over the local bodies in Maharashtra - traditionally Sena strongholds - the party started pointing an accusing finger at BJP's failures in governance. The latter hit back at Sena too, accusing them of misconduct. They also traded accusations of their respective cadres attacking the other.

If coalition (11) cusp sub lord signifies unfortunate activity/circumstances (12), breaking up (8), interruption (1), breaking of coalition/alliance in political parties is possible during DBAS of 1,8,12.
Coalition/Alliance in Political Parties
If 11 (coalition) cusp sublord signifies 4 (relation with family), 11 (supporter/support), 7 (alliance), coalition/alliance in political parties is possible during DBAS of 4,7,11.

Cuspal Sub Lord:
11th Cusp (Leo 0170.53'.40"): The sub lord of the 11th cusp is Mars. Mars is in the star of Sun and sub of Moon. Mars is occupant of 11, owner of 2, 7. Star lord Sun is occupant of 1, owner 11. Sub lord Moon is occupant of 8.. owner 10.

Joint period:
On the Day of Judgment running dasa period is Mars- Venus. Joint period will extend up to 27 March 2016.
Dasa lord Mars is in the star of Sun and sub of Moon. Mars is occupant of 11, owner of 2, 7. Star lord Sun is occupant of 1, owner 11. Sub lord Moon is occupant of 8.. owner 10. Thus Dasa lord Mars is the significator of 1,8,7,11.Hence continuation of coalition / alliance is sure during this Dasa lord. Mars is also in RP.

Bhukti lord is Venus. Venus is in the star and sub of Sun. Venus is occupant of 11, owner of 1-8,. Star lord Sun is occupant of 1, owner of 11. Sub lord Sun is occupant of 1, owner of 11. Thus Bhukti lord Venus is the significator of 11,1,8.Hence continuance of coalition / alliance is sure during this Bhukti, Venus is also in RP.

My opinion: Before 27 March 2016 all Troubled Controversies straining Shiv Sena -BJP will be resolved by both governments and coalition / alliance will be continued.

Q:- WHEN MY PROPERT WILL BE SOLD?
Horary no:23/249
Date of judgment: - 08-07-2014
Time & place of judgment: 19.36.35pm, Mansorover- Jaipur-Rajasthan

Hint
If 10th csl signifies 3,5,10 then propert can be sold during DBA of 3,5,10.
Analysis of 10 cusp :- subload of 10th cusp is Jupiter , jup occupy 3 and owns 9 & 12, jup is in star and sub of sat , sat occupy 6 and owns 10& 11, 10 cusp is connected to 3,6,9,10,11 and 12 , means property will be sold.

Ruling planet :- 08/07/2014, time :- 19.38.04, place Mansrover Jaipur.
Asc: Jup-Sun-Sun
Moon : Ven - Jup-Moon
Day: Mar

Rahu represent Mars, Mars is in RP, so Rahu will be considered in RP, so ruling planets are Jupiter, Sun , Venus, Mars, Moon and Rahu.

Running Dasha:-
Jupiter dashanath is in RP and also signify 3,9,12,6,10,and 11 through its star and sub Saturn.
Jupiter dasha is 27 .01.03 to 27.01.19 so property will be definitely sold during this time period.
Bhukhti of moon :- (30.5.14 to 28.9.15) moon is in RP and also signify 7,4,3,9 and 12.
Antar of Mars :- (9.7.14 to 7.8.14) it is in RP, but does not signify 3,5,10 at all through its own sub and Jup as star.
Next anter is Rahu Punarphoo is there in the chart so it will b left. Next anter is jup which already been selected as dashanath so it will not considered as anter. Next anter Saturn and mercury are not in RPs, they are also left Ketu is not RPs this is also left next anter is Venus it is in RPs and also signify “5” through its sub mars and own star. Venus is also karak of property matters. Venus period is from 15.6.15 to 4.9.15.

If these do not agree with 5 minutes additions or deductions, then leave this and take Asc sub-sub only.
Birth time of the native, if found required to be have difference of more than 15 to 20 minutes :
At the time of birth Asc sub lord should be tally with RP's Moon position of Star-Sub-Sub Sub or anyone from this three. We have to give weightage in order as;, Sub is stronger than Star; Sub Sub is more stronger than Sub. We have to adjust according to availability.

There is doubt in birth time for 1 or 2 hours difference. In this type of situation we have to follow the following procedure to rectified birth time.
First let us take Asc RP. Note the difference of time that required birth Moon tally with RP Asc. We may be found 2 or 3 Moon's position. To find out within these 2 or 3 positions of Moon we have to be check the Birth Asc position will tally with RP Moon. Birth Asc Sub lord or Sub Sub Lord tally with RP Moon, we should move the birth time ahead or previous with-in few minutes with the Moon remaining at the same position.

Hints and background: Monetary gains from work place can be analysed from 2nd Cusp signifies 2, 6, 10 and 11 and then monetary gain will be assured during DBA of 2, 6, 10 and 11. If native works in government sector then Sun or Moon should be connected with DBAS. When native works in private sector then Venus or Jupiter should be connected with DBAS. In the query, Querent was working in private sector and he took voluntary retirement from his job in month of July 2015. He was expecting his due retirement benefits within a week from the date of retirement but unfortunately he couldn't get those benefits on time. Then, the querent asked a question about the date of receiving monetary retirement gains.

Analysis of 2nd Cusp: Sub of 2nd Cusp is Ketu. Ketu represents Mars. Mars occupies 9 and owns 5 and 12. Ketu is in star and sub of Saturn. Saturn occupies 12 and owns 2 and 3. Thus, 2nd Cusp is connected with 2 which means that receiving benefits is sure.

Significators of 2, 6, 10 and 11

Cusp	Planet in occupant star	occupant	Planet in Owner star	House owner
2	-	-	Saturn, Ketu	Saturn
6	-	-	Mars, Jupiter, Venus	Venus
10	Rahu	Sun, Mercury	-	Mercury
11	-	-	Mars, Jupiter, Venus	Venus

Saturn, Ketu, Rahu, mars, Jupiter, Venus, Sun and Mercury are significator planets.

Running Dasha analysis
Dasha - Ketu – 18.7.12 to 18.7.19
Bhukti – Rahu – 18.6.15 to 6.7.16
Antar – Saturn - 5.10.15 to 4.12.15
Running Sookshma – Venus – 26.10.15 to 5.11.15

Venus occupies 9 and owns 6 and 11 in star of Venus.
Next Sookshma Sun occupies 10 and owns 9 in star of Rahu already selected as Bhuktinath so left now
Next Sookshma Moon is not significator planet so left now
Next Sookshma are Mars and Ketu which are already selected as Dashanath and Rahu being representatives of Mars already selected. Next Sookshma is Jupiter which occupies 9 and owns 1 and 4 in star of Venus. So, here there are two options of selecting Sookshma, Venus and Jupiter. Both planets are Karak planets for monetary gains from private sector. Here, Sookshma of Venus preferred because it's also in star of Venus which is strong

Recently, one of my friends gave me Birth Detail of a baby and asked me to see whether there is any malformation of the native by going through Krishnamurthi Padhdhati, which has been given amazing revelations according to my friend. When I prepared the natal chart of the baby, I found some critical planetary combinations of the Ascendant co-rulers, Sun and Saturn in mutual connection exchanging their stars evidencing for some critical Physical Disorder. Also, the native was born in Saturn Vimshottari Maha Dasa.

Birth Details of the Native
Gender: Male, Date: Wednesday, 21/July/2010, Time: 08:38:00 AM, Place: Ragama, Western Province, Sri Lanka, Lon: 79:55:00 E, Lat: 07:01:00 N, SID: 04:22:49, KPNA: 23:54':51", Lagna: Leo 11:09:16, Star: Anuradha, Pada: 2, Dasa Balance: Saturn 12 Years, 06 Months, 07 Days.

Ascendant Lord Sun is in the star and sub of Saturn The Sun generally rules the constitution of the body while Saturn being the Lord of 6th denotes diseases, wounds and danger and is at the end of the Lagna cusp, in the sign Virgo, conjoined with Mars+ (Western Aspect). Mars is the Lord of sign Scorpio that is the ruling point of Generative Organs, Bladder and Rectum.
Moon+, Jupiter+ and Uranus are posited in the Stars of Saturn. Here Moon is the Star and Sub of 6th, in the asterism of Anuradha, which rules over Intestinal Diseases like Constipation and Bowel Disorder. Moon is in the sign of Scorpio signifies Anus, Rectum and the Perineum in the Pelvic Area.
Moon's Sub Kethu+ is a mitigating and blocking planet. Jupiter is in its owned sign Pisces falls in 8th house, conjoined with Uranus in the star of Uttarabhadra, the ruling star of Abdominal Defects. Also, Jupiter in the star of Saturn denotes restriction of flow.
Accordingly, I informed to my friend that the baby is suffering from some Congenital Defect in the Intestinal Track or the Rectum. He agreed, surprised and disclosed the nature of defect as the absence of an Anal opening named "Imperforate Anus".

Signs and Symptoms of the defect
Imperforate anus is a birth defect that occurs in about one of every 5,000 newborns. It is somewhat more common in boys than girls and may include a single abnormality or a combination of abnormalities of the rectum and anus. The rectum is the end of intestine that connects with the anus and the anus is the body's opening to dispel solid waste.
Although there is no known cause for this condition, there are many forms of this birth defect, including:

- The absence of an anal opening.
- An anal opening in the wrong position, usually a very small opening.
- An abnormal connection or opening, called a fistula, between the rectum and the urethra, bladder or vagina.
- In girls, the rectum, urethra and vagina can join together to form a single opening. This is called a cloaca and is very rare.
-

Anorectal Malformations include a wide spectrum of defects in the development of the

lowest portion of the intestinal and urogenital tracts. Many children with these malformations are said to have an Imperforate Anus because they have no opening where the anus should be. Although the term may accurately describe a child's outward appearance, it often belies the true complexity of the malformation beneath. When a malformation of the anus is present, the muscles and nerves associated with the anus often have a similar degree of malformation. The spine and urogenital tract may also be involved. With the success of my initial checking as above, my further analysing ran as below using fundamental principles of Krishnamurti Padhdhati.

Rules followed

- If Lagna Sub Lord signifies 6th and 1st, the native has the proneness to suffer from diseases.

- The 6th cusp is the house for diseases.
- If the Sub Lord of the 6th Cusp be the significator of 6 or 8 or 12 and connected with 1st, the Native may suffer from diseases. *(Horoscope and Disease by C.R. Bhatt).*

- The disease and the affected area or the part of the body is under the control of the Star Lord of 6th Cuspal Sub Lord.

Analysis

- The horoscope under reveal, the Cuspal Sub Lord of 1st is Saturn in 1 (Self) owns 6 (disease), & 7 in the Star of Sun in 11 (recovery from disease), owns 1 (Self), in the Sub of Mercury in 12 (Hospitalization), owns 2 & 11 (recovery from disease).

- The 6th Cuspal Sub Lord Moon is in 3 (Away from home), owns 12 (Hospitalisation) in the Star of Saturn-Anuradha (Governs Bladder, Rectum, Genital Organs) in Scorpio Sign owns by Mars in the Sub of Kethu signifies 5 (Cure from diseases) & 11 (Recovery from diseases).

- As Sub of 6 (Disease), 8 (Surgery) & 12 (Hospitalization) Moon depositing in the Star of Saturn indicates there is something wrong with rectum which denotes by Scorpio Sign.

- Also, Kethu being Moon's Sub Lord indicates the cure from the disease.

Dasa Analysis: At the birth, this child was passing Saturn/Kethu/Jupiter Dasa.

Saturn Dasa: Saturn is in1 (Self) owns 6 (Disease) & 7 aspects 4-8 (Surgery) &11, in the Star of Sun in 11 (Recovery) owns 1 (Self) in the Sub of Mercury in 12 (Hospitalization) owns 2 & 11. Saturn is conjoined with Mars in 1 (Self) owns 4 & 9 aspects 5-8 (Surgery) & 9. Saturn being the Dasa Lord at the time of birth the fatal condition could be present from birth i.e. a Congenital Condition.

Kethu Bhukthi: Kethu is in 11 in the Star of Rahu occupies 5 in the Sub of Venus occupies 1 and owns 3 (Away from Home) & 10. Kethu represents Mercury who occupies 12 (Hospitalization) and owns 2 & 11 (Recovery) and aspects 6 (Disease) and Saturn as discussed above.

Jupiter Anthara: Jupiter is in 7 owns 5 (Cure) & 8 (Surgery) in the Star of Saturn (conjoined with Mars) occupies 1 (Self) owns 6 (Disease) & 7 in the Sub of Venus occupies 1 (Self) owns 3 (Away from Home) & 10.

Conclusion

Anus is under the rule of Scorpio Sign. Mars denotes the diseases of Anus and surgeries,

Saturn indicates imperforated anus. Anuradha Nakshastra governs Rectum.
In this natal chart, Saturn being owner of 6th denotes diseases, wounds, danger and Mars being owner of 9th (Badhaka) in conjunction make the situation complicated to some extent and shows a surgery should be done to overcome the situation.

All above mentioned rules for diseases are satisfied in this natal chart and also Sign Scorpio indicates Pelvic Area of the body, Planet Mars indicates Anus and surgeries, Saturn indicates Imperforate Anus, Anuradha Nakshastra indicates the Rectum.
Considering the above planetary behaviors in the chart as well as dasa analysis above, I trust that this is sufficient enough to prove the Krishnamurti Padhdhati as a systematic, scientific and accurate system for any kind of prediction.

My heartiest pranams to our respected Guru ji Sri K. S. Krishnamurti for his wonderful System.

Long Live Krishnamurti Padhdhati!

Questions & Answers

By: Tin Win

Email: tw853@yahoo.com

Question 1: Rule for Second Marriage

I am a learner in KP astrology. The native is a deversee. (may be male or female). The native comes for prediction for his/her second marriage. How we will proceed to answer his/her question? Is it the similar way as if it is FIRST marriage? OR any special procedure.

Answer 1: KP rules for checking for more than one marriage

Rule 1: More than one marriage is indicated if BOTH the following two conditions are simultaneously satisfied:

1) The sub-lord of the 7th cusp OR its star lord is deposited in a dual sign (Gemini, Sagittarius, Pisces) OR if the sub lord of the 7th cusp is a dual planet Mercury; and
2) The sub lord of the 7th cusp is also a significator of either of the houses 2 or 11 or both.

If any of the above two conditions is not satisfied, then second marriage is denied.

Rule 2: Second marriage is indicated if the sub lord of the 2nd cusp is also a significator of either of the houses 7 or 11. (considering 2nd house for 2nd marriage).

Rule 3: Second marriage is indicated if the sub-lord of the 9th cusp is a significator of either of the houses 2 or 9 or 11. (considering 9th house for 2nd marriage)

Check by ALL three rules, and then GIVE the prediction on more than one marriage.

Question 2: Grade E Significator by Conjunction/ Aspect

I want to ask for horary analysis do we have to consider the aspects of planets also other than nodes. If sub and star lord are against an event then whether conjunction or aspects of planets works? Plz help me solving the query.

Answer 2:

The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not.

Grade A significator is planets in occupant's stars; grade B significator is occupant of house; grade C significator is planets in owner's stars; and grade D significator is house owner. Weak grade E significator is planets conjoined with/ aspected by the above grade A, B, C and D significator planets, and this grade E significator is used as a last resort when signification is not found at grade A to D level by planet's occupation and ownership.

Star lord is stronger than planet and sub lord is the decider. So if sub and star lord are against an event, then conjunction or aspects of planets (grade E significator) can not work.

Question 3: Mahathma Gandhi ji's Chart

How to properly calculate Mahathma Gandhi ji's chart as per the AstroDatabank chart details given below:

Name	*Gandhi, Gen Mo-der: han Mdas*
Birthname	*Mohandas Karamchand Gandhi*
born on	*2 October 1869 at 07:08:12 (= 07:08:12 AM)*
Place	*Porbandar, India, 21n38, 69e36*
Timezone	*LMT m69e36 (is local mean time)*
Data source	*Rectified from approx. time* — *Rodden Rating C* — *Collector: Rodden*
Astrology data	*08°56' 19°56 Asc. 25°47'*

Answer 3:
To get the ADB chart, enter chart details of 2 October 1869, 7:08:12 LMT, TZ hr 4:38:24 east (or around 4:38) (Or TOB 7:59:48 IST, TZ hr 5:30 east; Or TOB 2:29:48 GMT), 21n38, 69e36, which will give the Sid. Time 7:51:36, Asc. Libra 3:50:13 by using New KP Ayanamsa 21:56:56.

Question 4: Retrogression in Natal Charts
What is your personal experience about the retrograde plane's behavior in natal charts? Especially when the current running Mahadasa or bukthi or antara lords become retrograde during transit. Prof. Hariharan did a workshop here in Sri Lanka and I got that his experience about this matter is bit different than Prof. KSK.

Another theory has been invented that when you are judging a natal chart for some question if the relevant cusp's sub (natal sub) is retrograded at the moment of judgment then the matter will not come through. For an example if you are judging a natal chart for marriage and the 7th sub (natal) is retrograded at the moment of judgment then the native will not get married until the current running dasa is over despite 7th sub being a significator for houses 2,7, 11.

So please share your PERSONAL EXPERIENCE about this not about what KSK has said.

Answer 4:
In natal chart analysis retrogression does not matter for DBAS lords in retrograde motion. BV Raman had also avoided to say anything about retrogression and he didn't use it at all.

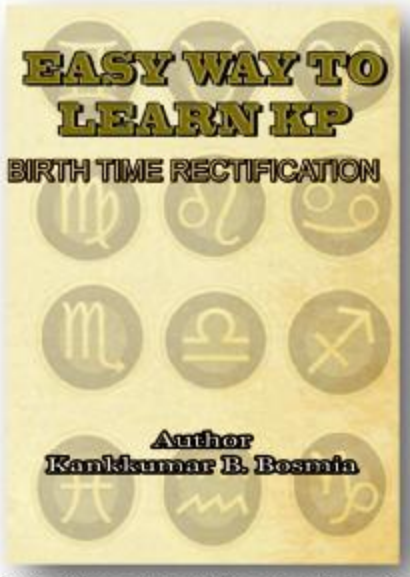
Easy Way to Learn KP: Birth Time Rectification
by Kanakkumar B. Bosmia
Publishing Year: 2015, 286 pages
http://www.kpastrologer.com/bookpurchase.php?id=22



This "Easy way to learn KP - Birth Time Rectification" is the third book published by Shri Kanak Bosmia after the "KP Muhurat- A Novel Technique in KP" and Shri Chandrakant R. Bhatt's "Prashna Jyotish" (translation).

In this book, Shri Kanak Bosmia has demonstrated his well tested RP-based birth time rectification methods with practical calculation of forty five examples for different variations of doubtful birth time, date and even year as shown in the table contents. The basic guide line in his methods is that Moon's position in RP will show the birth Ascendant position and RP Ascendant will show Moon's position at the time of birth. All examples come with full birth particulars and RP details, so that readers can cast the chart themselves and practice what he has done. Verification of different life events in each example will also help readers to learn practical application of KP rules and house grouping.

This is a very useful book for KP followers as a ready reference for birth time rectification!

At the time Republican Convention to nominate their presidential candidate, July 18-21, 2016, Donald Trump will be running Rahu Dasa, Mars Bhukti and Venus Antra. *He has astrologically good chance to be chosen as republican presidential candidate* because Dasa and Antra lords are strong enough for houses 6 (win over opponent), 10 (success, power), 11 (gain) in this regard, as shown below:

Question: Currently I'm working as a software engineer but i have studied mechanical engineering. My work has been going good. Is there a possibility that i do my own business? If so when and what type of business?

Hints (For Job)
If the cuspal sub lord of the 6th or 10th be the significator of 2, 6 or 10 service or earning is promised during the joint period of the significator of 2, 6 and 10.

Hints (For Business)
If the cuspal sub lord of the 10th be the significator of 2, 7 or 10 an independent business or profession is promised during the joint period of the significator of 2, 7 and 10.
If the cuspal sub lord of the 7th be the significator of 2, 10 or 11 gain in business is promised during the joint period of the significator of 2, 10 and 11.

Cuspal sub lord
Cusps 6(Aquarius $04^0.38'.48"$): The sub lord of 6 is Venus. Venus is in the star of Ketu and sub of Mercury. Venus is occupant of 12, owner of 2, 9. Star lord Ketu is occupant of 8. Ketu is aspected by Saturn. Saturn is occupant of 11, owner of 5, 6. Sub lord Mercury is occupant of 12 and owner of 1, 10. 6^{th} cusp sub lord Venus is significator of 8, 11, 5, 6 and connected with 12, 2, 9, 12, 1, 10. Hence service is promised.

Cusps 10(Gemini $05^0.19'.49"$):
The sub lord of 10 is Sun. Sun is in the star of Mercury and sub of Jupiter. Sun is occupant of 11, owner of 12. Star lord Mercury is occupant of 12 and owner of 1, 10. Sub lord Jupiter is occupant of 9 and owner of 4, 7. 10^{th} cusp sub lord Sun is significator of 12, 1, 10 and connected with 11, 12, 9, 4, 7. Hence Business will be promised but signification of 1, 9 12 is not good for business.

Joint Period
At the time of the judgment you are running Dasa of Ketu continue till 26-12-2018.
Dasa lord Ketu is in the star and sub of Venus. Ketu is occupant of 8. Ketu is aspected by Saturn. Saturn is occupant of 11, owner of 5, 6. Star and sub lord Venus is occupant of 12, owner of 2, 9. Thus dasa lord Ketu signifies 5, 9 with 12 not good for business.

My opinion: In my opinion business is not good for you.

Outcome: He started business but no gain. Prediction come correct.

Teaching profession and analysis through KP system

Education in India started many years before 5000 B.C (many years before Sri Rama age) or one can say that Vedic knowledge came along with human civilization.
The following objectives were ascribed to education
*1. Self control
* 2. Development of character.
*3. Generation of sociability or social awareness.
*4.Integral development of personality.
*5.Propogation of purity.
*6.Preservation of knowledge and culture.
Education during those days was free. No outside agencies could interfere in the matters of education. There was perfect autonomy. No external authorities, no external beneficiaries, no politics were permitted to enter the school or college system. A student had nothing to pay in return for his education he received in Gurukul or Ashram. Access to education was dependent not in wealth but on talent only.
GURU in Sanskrit means--GU- invisible darkness and RU- dispelling it.
Teacher will sow the seeds of education and grows in us the tree of knowledge which in later ages bears the fruits of wisdom. That was the sacred duty of our respected teachers in our life.
In Olden days there were “Gurukuls” where children were joined for their educational pursuit till their teenage. But now, the picture is completely changed and we have schools and colleges (also universities) to pursue our education. We join our children in schools at their tender age till they develop into an adult. This is a very important phase in our life, and what we learn during this time will become our character or personality in later age. And the real sculptor who chisels our character is our “Teacher”.
With this background I would like to discuss on teaching profession with reference to K.P System with the help of a chart of a teacher (native) who has been working as a teacher for the past 28 years in Central School.

Details of the native
Smt LEELA G.M. HYDERABAD.

POB-PEDAPROLU (A.P) (LAT-16N05 AND LONG-80E55)

Teaching as profession and K.P system
1) K.P Rule—10th house speaks of one's' profession and if the 10 cusp sub lord signifies 2- for earnings, for expression and teaching capacities, 6- service/ job,11- fulfillment of one's' desire along with supporting house ,4- for primary education and 9-higher education, one will get in to teaching profession.
For good progress in ones' teaching profession- strong Jupiter, Saturn and Mercury are needed as Saturn shows patient effort, Mercury shows grasp and intelligence and Jupiter indicate the wisdom of that soul. Also the strength of Asc. 5th house, 9th house and 11th house need not be emphasized Though 3rd shows tendency to study and 4th shows the academic education 5th and 9th are more important than them. Jupiter and Saturn are the chief significations and if they are strongly connected with 4, 5, 9 and 11 houses one will definitely have sound knowledge in their subject, says our astrology legend Sri K.S.Krishnamurthy.

Analysis of The Chart—
While analyzing the native's profession it becomes essential to study mainly 10-for profession, occupation or business through which one earns his or her lively hood, 6- for service/ job one will undertake during the life time, and 2- for earning one's monetary income and speaking/communicating capabilities, to the run the self and family. In this present context since we are discussing about the teaching profession it also becomes necessary to study the 9th signifying education, higher knowledge and teaching related matters and 5th signifying intelligence, good morals, discriminative powers and qualities of virtue, integrity etc.; essential for teaching profession.

10th cusp and 4th cusp sub lord is Jupiter—No planet is placed in the stars of Jupiter and so Jupiter+ strongly signifies 4th cusp and 10th cusp. Jupiter is the lord of 2 and 11 placed in 10th cusp. Jupiter is in the star of Kethu placed in lagna cusp. Kethu represents Mars and Jupiter. Mars is the lord of 9 and 10 placed in 10 but within one degree orb to 11th cusp. Jupiter is in the sub of Venus, lord of 3 and 4 in 10th cusp.

Jupiter+ as the sub lord of 4 and 10 signifies –
Lagna-Native, 2- capacity to speak, lecture and /or teach along with earnings on account of the same, 3- skill in communications / teaching, 4- house of education, 10-profession as teaching with name and fame, 11- fulfillment of the native's desire to settle in her cherished profession as teaching.
Jupiter (Deva Guru) is the planet of education and teaching of knowledge which removes ignorance and darkness, to share wisdom with others and to uplift the soul of the students and in turn help the society at large.
Jupiter is conjoined with other essential planets like—
-- Saturn-lord of 1 and 12,-a planet of patient efforts and service,
--Mars-lord of 9 and 10-a planet signifying confidence, sincerity, commitment, nobility, honesty, straightforwardness and courage to face the students in the class room,
--Venus—lord of 3 and 4-in 10th-smooth communicative powers, politeness and faithful nature in her profession.

6TH CUSP- sub lord is Venus lord of 3(communications) and 4(house of education) is placed in 10th cusp along with lord 9 and 10, Jupiter lord of 2 and 11, and Saturn lord of and 1 and 12. Venus is in the star of Venus and sub of Moon 9 lord of 6th in 2nd cusp. Thus 6th cusp sub lord Venus signifies 6 and 12 as a co ruler, 3- connected with communications as a teacher, 4-connected with house of education, 10- profession as teacher, 2- earnings by way of her job as a teacher and 6th – job / service as a teacher.

5th, 2nd and 11th cusps- sub lord is Saturn. Saturn is the lord of 1 and 12 placed in 10th cusp. Saturn is in the star of Venus and sub of Jupiter. The star lord VENUS is the lord of 3 and 4 placed in 10th and the sub lord is Jupiter is the lord of 2 and 11 placed in 10th. Thus the sub lord SATURN signifies ----2,5(house of intelligence and wisdom) and 11 as co ruler, at star level and at sub level-1- native, 3- for communications, 4- knowledge of primary education, 10- profession as teaching, and 12-service to the society and sacrificing self to do justice for her profession.

Note- SINCE BOTH JUPITER and SATURN ARE SIGNIFYING THE 10TH CUSP THE NATIVE, THOUGH EARNED NAME AND FAME, SHE REMAINED AS A PRIMARY CLASSES TEACHER ONLY .
NOTE-Sun and Mercury are placed in 12th and both are in SEMI-SEXTILE (30 degrees distance) to Mars the 10th lord, Jupiter the 2 and 11th lord, Saturn the 1st and 12th lord and Venus the 3 and 4th lord, is a very good one which are responsible for her profession. Sun signifies 2, 6 and 10 houses which are main houses of profession, gave her Central Government job in CENTRAL SCHOOL (Kendriya Vidyala) from the beginning of her service.

ANALYSIS OF THE SIGNS INVOLVED IN THE NATIVE'S CHART---
1) VIRGO/GEMINI- natural zodiacal signs for service (6th) and communication skills (3rd)— In the natives chart Gemini falls as a 5th cusp signifying intelligence of the native with it's lord Mercury paced in 12th aspects 6th cusp in the natal chart. Thus an important zodiac 3rd sign Gemini played its role in giving intelligence, communication skills which are essential for her service in educational sector.
Virgo in the natal chart falls in 8th cusp signifying some problems and displeasures the native faced in her service on account of frequent transfers to the tough areas and deprivation of timely promotions & family life . Its lord Mercury placed in 12th cusp signifies the frequent changes in the working environments.

2) SAGITTARIUS/PISCES (9 and 12)- natural zodiacal signs for knowledge, teaching and education related institutions- as per the natal chart Sagittarius sign falls in the 11th cusp and partly 10th , is deposited with Jupiter (lord of 11 and 2), Venus(lord 3 and 4), Saturn (lord of 1 and 12) and Mars(lord of 9 and 10) – all appropriately connected with teaching profession, matters pertaining to knowledge and education.

3) AQUARIUS- house of teaching-is the lagna of the native and it's lord Saturn is placed in Sagittarius another sign connected with teaching profession.
By the above analysis it has become very clear that how beautifully all the relevant cusps and it's sub lords along with the connected signs of the teaching profession are inter connected in this chart of a Teacher.

CUSPAL ANALYSIS
5th Cusp (Capricorn 25-21-32): The sublord of 5th cusp is Rahu.
7th Cusp (Pieces 24-24-57): The sublord of 7th cusp is Rahu.
11th Cusp (Cancer 25-21-32): The sublord of 11th cusp is Rahu.

The sublord of 5th, 7th & 11th cusp Rahu is in star of Mercury and sub of Saturn. Planet Rahu is the occupant of 7. Rahu posited alone in sign of Pieces (Lord: Jupiter) and thus acts an agent of Jupiter. Jupiter® is the occupant of 5, owner of 4 and 7. Starlord Mercury is the occupant of 12, owner of 1 and 10. Sublord Saturn, being posited in self-star, is the occupant of 2, owner of 5 and 6. Rahu (as 5th-7th-11th CSL) signifies 7 and in connection with 2, hence marriage is promised to native; Rahu (as 5th-7th-11th CSL) signifies 5-7 and in connection with 2-5, hence chances of inter-community or love marriage or both or marriage by choice is indicated;

(B) Ruling Planets are: Moon, Mars, Saturn and Rahu.

Note: There is PUNARPHOO YOGA (Moon is in star of Saturn and aspected by Saturn) present in ruling planet's chart, indicating that there may be delay in marriage.

(C) Fruitful (common) Planets among (A) & (B): Moon, Mars, Saturn, Rahu,

JOINT PERIOD RULERS (DBA)

Present Dasha Lord: Saturn (from 18-02-2008 to 18-02-2027)
Saturn is a common (fruitful) planet. Hence Saturn Dasha is taken into consideration.

Present Bhukti Lord: Ketu (from 01-11-2013 to 11-12-2014)
Ketu is not a common (fruitful) planet. Hence Ketu Bhukti is not taken into consideration.

Next Bhukti Lord: Venus (from 11-12-2014 to 10-02-2018)
Venus is the significator of 2 and 7 but not present in 5 direct ruling planets. Should we consider Venus? In RP chart Venus is aspected by Saturn (a strong ruling planet). Thus, Venus can be added by taking as an associated (extended) ruling planet. Further in horary chart, Venus is posited in star of Rahu. Rahu acts an agent of Jupiter. And Jupiter is conjoined by Moon who is the lord of 11th. Thus, Venus signifies 2-7 and feebly connected with 11. And accordingly, Venus Bhukti is taken into consideration.

Now in Dasha-Bhukti of Saturn-Venus (from 11-12-2014 to 10-02-2018), we have to fix Anthra Lord among one of the balance common (fruitful) planets – Moon, Mars and Rahu. As "Punarphoo" is present, I will prefer to select Rahu Anthra (from 29-01-2016 to 21-07-2016) at first and then after Moon Anthra (from 18-08-2015 to 23-11-2015). As there will be no

auspicious marriage dates present during August-September-October 2016 as per Hindu Panchanga, the date of marriage may likely moved to Mars Anthra (from 23-11-2015 to 29-01-2016).

My Opinion: Marriage is promised to native. The possible period of marriage during November 2015 to July 2016. More precisely, it will the period of DBA Saturn-Venus-Mars from 23 -11-2015 to 29-01-2016.

Actual Facts: Prediction comes correct. The native got married by choice to which she likes. Marriage was held on 13th December 2015.

Hence 10th cuspal sub lord signifies 2, 6 and 10. Which fulfills necessary condition for getting service /employment

6th Cuspal Sub lord: 6th cusp sub lord is Rahu in 6 and Rahu is conjoined with Mars and Sat Mars is in 6 and Sat is in 7 lord Of 11 and 12. Hence 6th sub lord signifies 6 and 11 which is conducive for getting employment / service

Will our Netaji go to jail?

By: Shalini Dwivedi
Editor: KP Astro Science
(First Hindi Monthly based on KP System)
6/31, Radhapuram Estate
Mathura (UP)-281004
Mob-9410004486 E-Mail: ssp313@gmail.com

Query: Last month our district witnessed communal violation. Police and administration trapped our Netaji into this matter and raided his house. Several IPC codes were charged against him. If we put political pressure on the govt, will the case be taken back?

Birth details are as follows:
Birth Date: 30.6.1979
Birth Time: 11.48 AM
Birth Place: Farrukhabad (UP)

Hints:
If Rahu or Saturn are the sub lord or star Lord of the 12th cusp and signifies 3, 8 &12th cusp, then the person goes to jail.

12th cusp sub lord:
Saturn 5, 6 (12), Star Lord Venus 2, 9 (9), Sub lord Sun 12 (10). Sub lord of 12th cusp Saturn signifies 12. There is strong possibility of Netaji to go behind the bars.

The present Dasha-Bhukti-Antara is of Rahu-Rahu -Saturn, Which will run up to 08.03.2016.

Dasha-Bhukti Swami: Rahu is in 12. Rahu conjoined with Saturn 5-6 (12). Moon 11 (12). Star lord of Rahu Venus 2,9 (9). Sub of Rahu is also Rahu. Rahu is signify 12 houses, also indicate imprisonment.

Antra lord Saturn which signifies as follows:
Planet: Saturn: 5, 6 (12) . Star lord of Saturn is Venus 2, 9, (9). Sub of Saturn is Sun 12 (10).

My opinion: Saturn is signifies 12 houses hence, I have predicted native's imprisonment assured at present in his birth chart. Rahu occupied in 12 house and Saturn in 3 house in transit. Saturn's enemy aspect on 12 house in transit. Imprisonment implies-separation from family-restrictions to free movement's confinement within four walls, leaving one's own permanent place of residence and life in new environment.
"afflicted the 8th house. Restrictions to free movements confinement within four walls and life is an altogether different place is shown by the 12th house. Therefore 3rd house being 12th to 4th shows leaving the present place of residence."

Actual Fact: Netaji created political pressure. He held strikes and bandhs, but ultimately he had to surrender to the session court on 2.12.2015. The running Dasha Bhukti, Antar, Suksham and Pran dasha was Rahu-Rahu-Saturn-Venus-Rahu. On that day Sun of the star lord of Saturn. Moon in the star of Ketu. Mars in the star of Venus and Venus in the star of Mars. Saturn in the star of self. Rahu in the star of Sun was transiting in the sub of Saturn

My greetings to guru ji sri KSK ji and my dada Shri Ravindra Nath Chaturvedi ji.

Success in interview

Rajasthan Email: abhaijain7474@gmail.com

Querent: Male
Horary: 1/249
Date, time and place of judgement: 27th November, 17:27:46, Gopalpura, Jaipur, Rajasthan.
Query: Success in interview on 8.12.15?
Hints: success in interview can be analysed through 3rd cusp and 11th cusp. If 3rd signifies 3, 6, 10 and 11 then during DBA of 3, 6, 10 and 11 success is sure. In support to confirm we can see that the 11th cusp signifies 3 and 9, success is promised.
Analysis of 3rd cusp:.
In the horary chart, sublord of 3rd cusp is Saturn. Saturn occupies 8 and owns 11, 12. Saturn is in star of Saturn and sub of Rahu. Rahu represents Mars and Venus. There is no planet in the star of Rahu. Rahu occupies 6 and is connected to 8. Mars occupies 6 and owns 1, 8 and 9. Venus occupies 7 and owns 2, 3 and 7. 3rd cusp is signifying 3, 6 and 11. Success is sure

Analysis of 11th cusp:.
Sublord of 11th cusp is Mercury. Mercury is in star of Saturn and in sub of Jupiter. There is no planet in the star of mercury and Jupiter. Mercury occupies 8 and owns 4 and connected to 5, 7 and 11. Saturn occupies 8 and owns 11 and 12. Sub lord Jupiter occupies 6 and owns 10. Jupiter is connected to 2, 6 and 12. 11th Cusp is not signifying neither 3 nor 9.
Guidance:.
I thought success cannot be ensured as in the horary case, 11th cusp is not showing fulfilment of desire through not connecting with 3rd cusp in support. So there was no need to calculate further but the candidate querent was quite intelligent so I also thought there may be doubt in prediction. Shri Kanak Bosmia Ji advised me to check it with DBA too, so I calculated further.

Father's Death from Daughter's chart

By: Sriyani Ranathunga

EMail - ranatunga_s@yahoo.com

While I was studying the past issues of KP-EZine that I consider and greatly believed as the well-known ancient university "Thaksala" in Bharatha, I read the article written on Mars Dosha, by Sri Tin Win ji. There Sri Tin win Ji has mentioned *"All major life events of a native including longevity are to be predicted according to his Natal Horoscope. Therefore, longevity of a native cannot change by marrying anyone including a so-called Manglik as shown below"*.
Though I quoted this, I am not going to write about Mars Dosaha, but there is a universal truth behind the quote that any good or bad astrological indications in one's chart do not affect to anybody else. If something happened to a native, it is due to his own Karma. It is not someone else's Karma.
The reason for this introduction to my article is a query from a mother of a young girl, whose father was died recently and this mother was told by someone that this girl will be maraka for her father and the mother was worried and wanted to read the chart of this girl to see any more misfortune for the family members, especially for the mother. Before I take the birth detail, I consoled the mother saying that any natal planets of any family member's chart cannot harm any other family member, whether it is son or daughter or wife and any fortune or misfortune is depend only on the results of the previous deeds of the native only which is clearly mentioned in the Buddhism as well as in Astrology.
However, being a new comer to KP, I was lucky to have a chance to study such a case to see whether there is such a misfortune for the native to perform the funeral rites of her father in her very young age.

Birth Details of the Native
Gender: Female, Date: Wednesday, 01/June/1994, Time: 5.42 am, Place: De Soyza Women's Hospital, Colombo, Western Province, Sri Lanka, Long 79.52.00, Lat. 06.55.00, SID.Time 22:08:30, KPNA 23:41:20, Lagna: Taurus 12.59.34, Dasa Balance: Rahu 07 Years, 00 Months, 22 Days.

As the case is to see any malefic indication for the longevity of the father of the native, I rotated the chart to the 9th cusp, the Pithru Bhawa as the Ascendant of the father. As per the attached natal chart of the girl, the Ascendant of the father is Capricorn at 07:03:46 that is the reference point of all happenings of the life of father.
Lagna is ruled by Saturn as the Sign Lord, Sun as the Star Lord and Kethu as the Sub Lord. Lagna sub is Kethu in 4 (End of Life) and represents Mars+ the lord of 4 & 11 (Badhaka). Kethu is in the star of Sun (8, 5) Sub of Kethu is Rahu. Rahu is in 10. Rahu is connected toMoon (2, 7), Jupiter (10, 3, 12) in the rotated chart.

Accordingly, what someone had told to the mother that detrimental indication for the father is correct as the longevity rule for the middle life is satisfied. Also the father has had the chance to live beyond the short life margin due to the signification of Lagna Sub Kethu to 5 (LIfe saving house).

Further, as stated by mother of this girl, the reasons for the death of her father were some diseases erupted due to drug addiction. Here, Lagna Sub Kethu is aspected by Saturn (Drug/Alcohol) from the 2nd Marakasthana. Also Venus the planet of entertainment is deposited in the 6th (Drug/Abuse) opposite to Neptune (Drug/Alcohol/No limit). Thus the ro-

tated chart clearly indicates the reason for the death too.
The father of the native has expired on 14th Sept. 2015, during the DBAS Jupiter, Rahu, Jupiter and Mars of the native's chart. As a novice to the field, I wish to make a comparison of the significations of these Dasa Lords for two charts, i.e. Native's and Rotated Chart for Father as below.

	Jupiter (D)	Rahu (B)	Jupiter (A)	Mars (S)
Native	6,6,8,11	6,6,8,11	6,6,8,11	12,12,7,12
Father	10,3,12,2,1	10,3,12,5,8	10,3,12,2,1	4,11(Badhaka), 7

In the Rotated Chart, though Dasa & Anthara Lord Jupiter mainly signifies 10, 3, 12, 2 (Maraka), VMD Lord Jupiter and Badhaka Lord Mars+ are interconnected by virtue of their aspects. Also, 11 (Badhakasthana) is aspected by its Lord Mars+ from the 4th and Saturn+ Lord of Lagna and 2 (Maraka).

Furthermore, Sun the Lord of 8 in the Star of Moon Lord of 7 (Maraka) and in the Sub of Saturn+ (Maraka as above said) is aspecting Badhaka House and 7 (Maraka). Saturn+ and Moon the Lords of 2 and 7 are conjointly deposited in 2 (Maraka).

Bukthi Lord Rahu is aspected by Mars+ (Badhaka Lord) and also Rahu represents Mars+ 4 (End of Life), 11 (Badhaka), Jupiter 10 (Retirement from this World), 3 (Away from Home), 12 (Moksha/Hospitalization) and Venus in 6 (Disease).

Sookshama Lord Mars+ 4 (End of Life), 11 (Badhaka) aspecting 7 (Maraka) & 11 (Badhaka). Mars+ is aspected by Jupiter, a significator of Maraka and Badhaka.

Accordingly, DBAS for both charts clearly indicated their malfunction for the life of the diseased as well as the loss of the Native's father by the Natal Chart of the Daughter.

Thus, the efficacy of KP rules is well worked at all events and times.
My pranams to Guruji Sri K.S.K. and my Coacher Kalyan ji.

Will I get back my hand-Loan?

By: VSN. Murthy, (K.P. Astro Consultant)

#404, Teja Garden Apartments, Prakashnagar,
KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

A client of mine approached me to know astrologically whether an amount of Rs. 50,000/- (fifty thousand only) which is given to his neighbor as hand-loan will be returned or not? If so, when?

He gave me Horary No.5/249. DOJ=28-10-2015; TOJ=01-06-00 PM; POJ=Kurnool (A.P).The horary chart is enclosed at the end of my analysis for the benefit of the readers of this magazine.

Moon indicates the nature of the mind of the querent. In this horary chart, Moon(1-5) is in the star of Venus(5-2,7) and in the sub of Saturn(8-11,12). Moon holds the sub- lordship of 6th and 10th cusps and does not having any planets in her stars. So the question raised by my client is correct.

Lagna CSL Mars(6-1,8) is in the star of Venus(5-2,7) and in the sub of Ketu(12). Ketu is aspected by Mars(6-1,8) and Mercury(6-3,4). Thus Lagna CSL Mars signifies 6 and 2.

11th CSL Rahu(6) is in the star of Sun(7-6) and in the sub of Saturn(8-11,12). So fulfilment of the desire (recovery of money which is given as hand-loan to his neighbor) is clearly visible.

RULE:- If the 6th cusp sub lord signifies 2, 6 or 11 then only one can get back his dues. If the Sublord is Saturn, then there will be delay and some obstacles to recover. If it is Mercury, One will correspond, give notice, send agents and One will recover in instalments. If it is Jupiter and ill deposited, one gets easily through court or by lawful means all the legitimate amount. If Saturn aspects Jupiter, One recovers only a part of it, or part by part. If Mars is the sublord, one threatens the other and recovers. Even goondas may be of real use. If Moon is the sublord, very quickly money is regained. If Venus is the sublord then by compromise and sweet words, one fulfils his desire. If Sun is the sub lord, through the help of the government officials or by litigations one gains.

In this horary chart, the 6th CSL Moon(1-5) is in the star of Venus(5-2,7) and in the sub of Saturn(8-11,12). Moon holds the sub- lordship of 6th and 10th cusps and does not having any planets in her stars. So I told my client that his amount will be returned to him. Immediately he asked me -When?

All the nine planets are appearing in the above table of House wise significators.
So let us take the help of Ruling Planets at the time of judgment. They are as follows:-

Lagna Starlord =Moon
Lagna Signlord=Saturn
Moon Starlord=Venus
Moon Signlord=Mars.
Day lord= Mercury. (Include Rahu and Ketu also as Ruling Planets as Mercury is conjoined with Rahu and Mercury aspects Ketu).

COMMON PLANETS among both the Significators of 2-6-11 and the Ruling Planets are as follows: - Moon, Mars, Mercury, Venus, Saturn, Rahu and Ketu.
At the time of judgment, the querent is running Venus dasa/Saturn bhukthi/Saturn anthra/Mercury sookshma

All the period lords are appearing in the Common Planets list. So I have selected the Mercury sookshma only to fructify the event.
Venus dasa is up to 17-11-2022;

Questions & Answers

Question 1: Aspects on Rasi in KP

I am in need of some clarification on ASPECTS in KP.

I am following the contents of http://groups.yahoo.com/group/k_p_system/files/ "Hindu Aspects with Orb" (14.06.2012), which is similar to Vedic as used in my basic education of Vedic and no question at all.

But in the Placidus Bahawa chart, when a planet aspects a sign, where there is not any cusp in that sign, what are the results of aspecting planet?

I have attached a chart appearing such a condition.

In the chart, 9th house is running from 9th cusp (28.31.21 Cancer) to 10th cusp (01.01.51 Virgo). It means that 9th house is spreading from 28.31.21 area of Cancer sign, throughout whole area of Leo, up to 01.01.51 of Virgo.

In case of planets within the above said area of longitude are usually considered as the planets in the 9th cusp. As of Ur in the chart, it is considered in the whole area of the 9th house.

Now my question is,

In the attached chart Ve, Sa, Me in 3rd house aspect Leo sign by their 7th aspect, where there is no cusp appearing but amalgamated with 9th house. In this case, there may be effects of aspecting planets to that sign Leo or matters or diseases of Leo or its lord Sun.

Can you please shower your kindness in solving this?

Rasi Chart and Cusp Chart

The above South Indian style 'rasi chart' gives the relative rasi positions with boundary lines of 'rasi after rasi' of Hindu zodiac for correct use of rasi-based Hindu aspects. By inserting

the Placidus cusps and placing the planets in the houses, the house-based chart denotes the correct occupation and lordship of planets in finding KP significators. (Example chart in KP Reader I, page 144).

Hindu Aspects

In the solved examples of the KP six Readers, only the Hindu aspects are used without considering the orb, although it is encouraged to study the Western aspects. The Hindu aspects (Drishtis) are counted 'from rasi to rasi', irrespective of the positions of the planets in the rasis and the relative distance between the two planets i.e. not 'from degree to degree' like in the Western aspects. Planets aspect the entire rasis with or without any planet or cusp there, and the closer an aspect on any located planet or cusp is, the stronger the result would be.

Area of a House

It is true that the area of 9th house is from 9th cusp in Cancer, through Leo sign, up to next 10th cusp in Virgo. Whatever planet(s), here Uranus, located in this area is considered in the 9th house. Leo sign without any cusp appearing is called the intercepted sign.

Aspect on Rasi

In the attached chart Ve, Sa, Me in 3rd house aspect Leo sign where there is no cusp but amalgamated with 9th house. In that case, generally some may consider the effects of aspecting planets on that sign Leo.

KP Grade E significator

But remember that whatever aspt or conj. is not a significator, and grade E significators by aspt/conj. are those planets aspt/conj. by grade A,B,C,D significators. Even grade E significators are very weak and used as the last resort only.

Question 2: Aspect of Rahu/Ketu

I do agree with many astrologers that Rahu and Ketu are not planets, therefore no aspect or Dhrsti is available for them. What is your opinion and why . It will enrich our knowledge.

Answer 2:

In KP the shadowy planets Rahu and Ketu (Nodes) do not aspect any planet or any house since they are only the sensitive and powerful intersecting points in the pathway of Sun and Moon and they are not having any physical body which can be seen through a telescope as we can see all the other planets.

The significators of Rahu/ Ketu are the house occupied, conj. planets, aspecting planets,

star lord and lord of the sign where located.
Those who do consider Rahu and Ketu to have aspects, generally consider them to aspect the 5th, 7th and 9th, similar to Jupiter's aspect.
However, none of the astrological treatises ascribed to any of the rishis gives aspects to Rahu and Ketu. Trying to use planetary aspects for Rahu and Ketu would be misleading and a source of confusion when making predictions. (Vault of the Heavens: Treatise on Vedic Astrology by Ernst Wilhelm, page 196)

Question 3: How can astrologer's Moon reflect querent's mind?
Dear Sir,
I fail to understand as to how the position of the Moon in a chart drawn according to astrologers place and astrologers time will reflect the mind of the questioner.

Answer 3:
Such a common practice is not logical, in other words the position of the Moon in a chart drawn according to astrologer's place and astrologer's convenient time will not reflect the mind of the questioner.

Jimmy Carter-Cancer diagnosis

By: Tin Win

Email: tw853@yahoo.com

In August 2015, at age 90, Carter was diagnosed with melanoma which had metastasized to his liver and brain, and he began treatment which included surgery, immunotherapy, and radiation therapy. On December 6, 2015, Carter, now 91, announced that he was cancer-free.

Cancer diagnosis

On August 3, 2015, Carter underwent elective surgery to remove "a small mass" on his liver, and his prognosis for a full recovery was initially said to be "excellent". On August 12, however, Carter announced he had been diagnosed with cancer that had spread elsewhere in his body, without specifying where the cancer had originated.[188] On August 20, he disclosed that melanoma had been found in his brain and liver, and that he had begun treatment with the immunotherapy drug pembrolizumab and was about to start radiation therapy. His healthcare is being managed by Emory Healthcare of Atlanta. The former President has an extensive family history of cancer, including both of his parents and all three of his siblings.[189] On December 6, 2015 Carter said in a statement that his cancer was gone.[2]

Jimmy Carter, Wednesday, 01/Oct/1924, 07:00 AM, Plains, Georgia, USA, 32n02, 84w23, KP Ayanamsa: 22° 42' 59", Star: Visakha, Pada 1, Libra Lagna 03:23:30, Bal. Dasa: Jupiter 14 Y, 8 M, 13 D, calculated by KPAstro 4.1

The main points observed in this preliminary study of 50 brain tumor charts are as follows:

1) Aries (brain ruling sign), Mars (brain ruling sign lord), 1st house (brain ruling house), Jupiter (tumor ruling planet) and Uranus (brain tumor indicator) are significantly connected to bad health indicating houses 6,8,12, Badhaka, Maraka;
2) The 6th (disease pointer) cuspal sub lord considerably signifies 10th house (brain tumor indicator), 1st house (brain ruler) and bad health indicating houses 6,8,12, Badhaka, Maraka, and it is significantly connected to Jupiter (tumor ruling planet) and Saturn (serious disease indicator);
3) The DBAS lords clearly signify both the bad health indicating houses 6,8,12, Badhska, Maraka and life saving or cure representing houses 1,5,11 simultaneously;
4) Any of Jupiter, Saturn, Rahu significantly appears among the DBAS lords.

Name: Male
Question 1: How will be my business in coming year?
Date of birth. 29/12/1973, Saturday; Time of birth. 02-00 A.M. I.S.T.
Place of Birth: Cuddapah-AP Lon/Lat: 14° N 28', 78° E 49'. Aynamsha 23^0 .24'.14'

Hints
If the cuspal sub lord of the 10^{th}(Independent business) be the significator of 2(Money/ wealth), 7(business with others) or 10(Business) an independent business or profession is promised during the joint period of the significators of 2, 7 and 10.

If the cuspal sub lord of the 7th be the significator of 2, 10 or 11 gain in business is promised during the joint period of the significators of 2, 10 and 11.

Cusp 7th. (Aries 09^0.02'.18"): The sub lord of the 7th cusp is Jupiter. Jupiter is in the star of Moon and sub of Ketu. Jupiter is occupant of 4, owner of 3, 6. No planet in the star of Jupiter and Jupiter is CSL of 1, 3, 5, 7, 11. Star lord Moon is occupant of 4, owner of 10. Sub lord Ketu is occupant of 9. Ketu is conjoined with Saturn. Saturn is occupant 9, owner of 4, 5. Thus 7^{th} CSL Jupiter signifies 4, 10 and connected with 4, 3, 6, 1, 5, 7, 11, 9. So self-business is promise. But at same time 1, 5, 9 negative houses for business also indicate.

Joint Period
At the time of judgment (Saturn Dasa from 19-11-2011 to 19-11-2030) you are running the joint period of Saturn-Saturn from 19-11-2011 to 22-11-2014.

Dasa lord Saturn is in the star and sub of Rahu. Saturn is occupant 9, owner of 4, 5. Star and sub lord Rahu is occupant of 3. Rahu is conjoined with Sun and Mercury. Sun is occupant of 3, owner of 11. Mercury is occupant of 3, owner of 9, 12. Thus dasa lord Saturn signifies 3, 11, 9, 12 and connected with 9, 4, 5, 3, 11, 9, 12. So during this dasa period your will find mixed result, ups and down in business. In generally this is not much good dasa for business. In my experience this adverse result start from 22-11-2014.

Outcome: Prediction come correct.

Job change

Mr Sri Harsha from U.K asked the following questions about his job through mail on 6 October 2015.

Immediately I erected a TIME CHART on 6-10-2015 @06.05.03 a.m @ Secunderabad, Telangana state.

The questions raised are
1. Wiil there be any change in my job?
2. If so when?
3. If the job change takes place in the existing company, will it be with additional and different responsibilities?
4. Or will it be total change of the place and position?

Coordinates for judgment---
If the 10th cusp sub lord signifies 5- change of service and 9- change of job/profession by leaving the existing job simultaneously should signify 2-6-10-11 houses to get a new job.

1) Lagna should indicate the query—as per the time chart lagna cusp sub lord Saturn is placed in the star of Saturn—lord of 5-change in the service / job, 6-job, is placed in 2-income and family. So the lagna establishes that the query is related to job and job change and earnings.

2) Moon indicates the mind of querist—moon in the time chart is the lord of 11 is placed in 10 (profession). Moon aspects 5th (change in the service/job). Moon is the star of Jupiter lord of 4 (home) and 7 (immediate boss and organization) in 12 (change in the environment). Moon is in Rahu sub placed in 12. Thus Moon clearly indicates the querist mind about the related matters on his job/profession.

Analysis of the chart—

10 th cusp sub lord is Venus. Venus is the lord of 2 and 9 in 11. Venus is the star of Kethu placed in 6th. It is in the sub of Moon lord 11in 10. Thus Venus signifies 2 and10, 6-job, 9-change in the profession/job, 11- accomplishment of his desire, at its star level, and 10 and 11 at its sub lord level assures his fulfillment of his desire. Here 10th cusp sub lord signifies 9-change in the job, 6- new job, 11- fulfillment of his desire, and 2- income by earnings through his job. So I feel the change will be for good.

6th cusp sub lord is Sun. Sun is the lord of 12 in 1st cusp. It is the star of Moon lord 11 in 10th cusp. It is in the sub of Mercury lord of 1 &10 in 12. Thus 6th cusp sub lord Sun signifies 1-native,10-profession,11-accomplishment, and 12- change in the work environment- may be a foreign place.

2nd CUSP sub lord is Venus signifies 2, 6, 9, 10 and 11 all the relevant houses.

11th CUSP sub lord is Mercury co rules 3(interview and communications 0n it) ,7,11/ 1,10 12 at its star- SUN- level, and 2,9 & 11 at its sub lord-Venus- level.

London: British Prime Minister David Cameron has discovered a new electoral language: Hindi. With the May 7 election too close to call, British Asian votes have become an important factor, which is why both he and rival Ed Milliband, have been wooing British Asians with sharper focus than any previous election. That strategy involves learning a few Hindi phrases.
When asked by NDTV's Rahul Joglekar what he'd say to Hindi-speaking voters in the UK, he responded with, "Phir Ek Bar Cameron Sarkaar (another term for a Cameron government)." This came a day after his party, the Conservative party, released a song in Hindi - Aasman Neela Hai (the sky is blue).
All opinion polls for the May 7 election are predicting a hung parliament, with the two main parties, the Conservatives and Labour led by Ed Milliband, neck and neck. Both know that the Indian vote could swing the election in many important seats. Historically, most immigrant communities have backed Labour, currently in opposition..

These Days U.P. facing District Panchayat Election. District Panchayat president elected on date 7 January 2016. In Mathura fight between RLD-BJP alliances verses BSP. 2 Persons in fight for president post one named Ex. minister's wife Smt. Mamata Choudhary V/S BSP MLA Mr. Shyam Sundar Sharma's son Mr. Lalit Sharma. There is 38 members in Mathura district Panchayat. BJP's one politician asked me that any chance for B.J.P. candidates to win these elections?

Question : Will Mamta Choudhary win the district panchayat election?
Horary No: 231
Date of Judgment: 25.12.2015
Time of Judgment: 12.19.30 PM
Place of judgment: Mathura (U.P.)

Hints : if the cuspal sub lord of 6th, 10th and 11th signifies 6, 10 and 11, then victory is promised during the joint period of the significators.

10th cusp (Sagittarius 02°.57'.27"): 10th sub lord Venus lord of 3-8 and is deposited in 8th house. Its star lord Jupiter is the lord of 1-10-11 houses and deposited in 6th. Sub lord of Venus is Moon, lord of 6th house, and deposited in 4th house. Venus is the significator 1,3,6,10,11 houses which clearly indicates victory of the person.

6th cusp (Cancer 24°.50'.42"): 6th cuspal sub lord Rahu is deposited in 7th house. Rahu is in Mercury sign and conjoint with Mars. Mars is the lord of 2-9 houses and deposited in 7th house. Mercury is the lord of 4-5-7 and deposited in 11th. Rahu is in the star of Sun and sub of Jupiter. Sun deposited in 10th. Sub lord Jupiter is the lord of 1-10-11 and deposited in 6th house.

11th cusp (Sagittarius 26°.58'.36"): 11th sub lord Sun in star of Ketu and sub of Jupiter. Sun deposited in 10.Star lord Ketu deposited in Pisces sign in lagn so Ketu is agent of Jupiter. Jupiter deposited in 6th and lord of 1-10. Sub lord Jupiter is deposited in 6th and deposited 1-10-11. Hence indicates winning in elction.

Joint period:
At this time of quarry running DBA is Rahu-Rahu-Rahu.
Rahu is deposited in Virgo sign. Rahu is deposited in 7th house. Mercury is deposited in 11th and lord of 4-5-7. Rahu is in star of Sun and sub of Jupiter. Star lord Sun deposited in 10th. Sub lord Jupiter lord of 1-10-11and deposited in 6th house.

Number of votes:
Any candidate win if he get support of 20 candidates out of 38. According to Shri Kanakkumar Bosmia, lord 2nd sub Saturn is in own star and sub of Jupiter. Saturn is the lord of 12th and deposited in 9th. Sub lord Jupiter is lord of 1-10-11 and deposited in 6th house. Although 9-12 houses are not the fruitful cusp for the gain, but due to 1-10-11 significators, candidate has full chances to get the majority in the elections.

Running Dashanath Rahu and Bhuktinath Saturn are common significator planets. So, Marriage is sure between the periods 6.3.15 to 18.1.18. Running Antarnath is Jupiter which is not common significator planet so it will be left. Next antar is of Saturn which is already selected as Bhuktinath so it will also be left. Next Antar is Mercury which is not a common planet so it will be left. Next Antar is Ketu from 12.1.16 to 13.3.16. Ketu is also a common so marriage will be solemnised during this time period.

Outcome: Querent daughter's marriage is fixed on 19thfeburary 2016, hence, the prediction came true.

Retrograded Planets and Diseases

Recently I had a chance to read the natal chart of one of my relations, who has been diagnosed as a PLEURISY effected as evidenced by the CT scan report with the remarks of *"There is Pleural Effusion in the left lower hemithorax associated with collapse consolidation of adjacent lung (segmental consolidation)."* (Hemithorax is a type of pleural effusion in which blood accumulates in the pleural cavity.) The native has undergone a surgical procedure called DECORTICATION to remove restrictive layer of fibrous tissue overlaying the lungs, chest wall and diaphragm, allowing the lung to re-expand.

Ruling Planets of Lungs:
As per the Medical Astrology the lungs are ruled principally by Mercury and Gemini Sign. *(Medical Astrology for all by K. Subramaniam).*

The upper lobes of the lungs are ruled by the sign Gemini and the lower lobes are ruled by the Cancer sign. Jupiter also rules Lungs and in the Astral Body Jupiter has direct relation to the Lungs.*

Rules for Inflammation of the Pleura (Pleurisy) *
Jupiter afflicted at birth and especially Jupiter be in Leo or Aquarius.
Sun Square or opposite to Jupiter
Moon in Sagittarius and Jupiter in Gemini
Moon Square or opposite to Jupiter
A Jupiter disease
Jupiter afflicted in Taurus, Gemini or Cancer tends especially to effect the pleura

Also Jupiter presents as the sub of 3 (Breathing), 7 (M & B), 9 – Scorpio (Eruptive diseases) and holds the star lordship for 4(Lungs) 8(Surgery) & 12 (Hospitalization). Jupiter is aspected by Saturn the sub lord of 6 (Diseases), Mercury (1, 4,

7, 10). Nodes Rahu and Kethu represent Jupiter. Rahu is a significator for 12 and Kethu is a significator for 6. Hence Lagna CSL Jupiter is a significator for 6 and 12 and strongly afflicted satisfying some rules given above and the disease of the native is well indicated with Jupiter and Mercury.
But as a researcher of Medical Astrology field, I was not agreed and satisfied with the outcome of a single chart to make a solid conclusion of the disease under study. While trying to find out one more chart of pleurisy affected, my memory ran up to the natal chart of Mahathma Gandhi ji, which once I have analyzed for the research study of Assassination, who have been suffering from Pleurisy.

Chart No. PL 02 -Mahathma Gandhi ji
The Asc. sub lord Venus, also being the lord of Asc. and 8, in Lagna in its owned sign Libra in the star of Jupiter *(Retrograded),* lord of 6 (disease pointer), in 7 (Maraka), Aries sign. The Sub of Venus is Mercury (ruler of Lungs) is in Ascendat cusp, in the star Rahu in 10 Cancer and in the sub of Saturn the lord of 4 (Lungs) in 2 (Maraka) Scorpio sign. Here Jupiter, being the lord of 6 (disease), 3 (Breathing) is opposite to Lagna and Mars, Venus & Mercury. Mars (Maraka & Badhaka Lord) and Venus are in the star of Jupiter. Also Rahu and Kethu are connected with Jupiter, being representatives for Jupiter's sub Moon.
In both cases above one or more rules are satisfied reciprocally, but no exactly a same rule is to be indicated. But some interesting and peculiar points have been found in the both charts as below
Retrograded Jupiter
Connection of Jupiter with natural *Retrograded Nodes Rahu and /or Kethu.*
Dasa lords at the birth are connected with Nodes

Here I have well understood that nodes are not to be treated as retrograded planets, because their natural movement is in the opposite direction as said by Sri C.R.Bhatt in his Nakshatra Chintamani in page 20. But one of the chief significators for Lungs, Jupiter and its retrograded motion in above both cases, and the connection of Nodes are so important to study with the case consideing whether nodes are direct or retrograde.

Controversy of Retrogression
KPEZine April 2008
Ω Retrogression means moving backward. The Sun and Moon never retrograde. Rahu and Ketu always move backward and so they are not considered as retrograde planets. Only the remaining 5 planets, Mars, Mercury, Jupiter, Venus and Saturn, move direct but sometimes they are found moving backward and considered as retrograde planets. (KP Reader VI pp 146, 221)

Ω However, this virtual (not actual) retrogression has been stated in the classic texts, Bhavatha Ratnakara, Brihat Parashara Hora Shatra, Horasara, Jataka Parijata, Jataka Tattwa, Phaladeepika, Sanketanidhi, Saravali, Uttarakalamarita and the articles on the role of "Retrograde Planets in Astrology" in the Astrological Magazine (AM) of Bangalore, March 1967 to November 1974, by Vedic astrologers, Bepin Behari, V.A.K. Iyer, Ajanta Jain, R. Lakshmanan, R. Santhanam, P.S. Sastri, V.K. Sinha, B. Suryanarayan Rao etc. And among divergent views retrogression has been mainly considered as an indication of strength (chestabal) because a planet, when retrograde, is nearer to Earth and can have its greater impact.

Astrology & Athrishta - September 1978 page 33
KP suggests that retrogression in natal Chart is nothing.(See Reader vi, page 145) but in Horary, retrogression is to be tackled carefully. Any planet direct or retrograde in Horary is nothing, but if it is in the star of another retrograde planet it become inactive, hence it brings only a failure. Such planets were not considered as significators earlier, but were dropped.
For retrogression plea, planet should not be haphazardly dropped. Next result can also be

experienced during retrograde motion of a planet, if the said planet is in the close vicinity of Sun and in the Star and Sub Sub of a favorable planet. Therefore retrogration is nothing, but should be tackled carefully.

What our Guruji KSK said
"My friends, we have come up to this- you should continue the research and you may reach to further truth". (KPA 1995 p 7 and 1996 p 63)
"It is therefore to follow whichever gives astrologer the better results based on own rational and experience, also depending on individual case and type of question." (by Sri Tin Win ji, KPEZ Apr.2014 -Q & A)
Keeping all these in mind, with this interesting and important point of the concept of retrogression in this study, I have to chase after some more natives who have suffered from Pleurisy and found limited numbers of such cases in the Astro Data bank (http://www.astro.com/astro-databank/) included in the schedule below together with the two charts discussed above.

Conclusion
With this observation and peculiar innovations therein, I wish to suggest framing a KP rule for PLEURISY as below.
If Jupiter is retrograded or if a Node is a co-ruler of Jupiter
and
If Mercury is connected anyway with a Node
and
If the Birth Maha Dasa lord is in the Sign or Star or Sub of a Node or Retrograded planet,
the native will be susceptible to PLEURISY.

Astrology is an occult science and a powerful predictive tool too. The accuracy of predictions of any astrologer depends on many factors and the correct birth time of the chart of the native plays an important role. We find very often that the given birth time is not accurate due to various reasons and this needs to be addressed before erecting the native's chart. Many eminent astrologers after prolonged research have evolved systems and methodologies in this direction, the latest being Sri Kanak Bosmia's book "EASY WAY TO LEARN KP-BIRTH TIME CORRECTION". The subject of correction of birth was dealt with extensively in this book in a most lucid fashion with many examples with lot of variations of time differences.
Parents of Veldurthi Anil Kumar told me that the birth time of their son is within the span of 30 minutes (ie) 06-15-00AM to 6-45-00AM; of 12-01-1978 at Veldurti which is located 32 K.M. distance from Kurnool,(A.P).

RP.Date:- 04-01-2016; Monday;
RP.Time:-12-32-00 PM;
RP.Place:- Kurnool,(AP).
Lagna:- 356-47-52 = Jupiter-Mercury-Jupiter-Mercury.
Moon:- 191-41-34 = Venus-Rahu-Saturn-Moon.
Daylord:- Moon.
Now total Moon RPs are Venus-Rahu-Saturn-Moon

Punarphoo Dosha :- Moon is in the sub of Saturn.

Given Birth Particulars of Veldurthi. Anil Kumar are as follows:-
Location: VELDURTI, ANDHRA PRADESH, India
Date: 12/Jan/1978
Start Time: 06:15:00 AM End Time: 06:45:00 AM

Proceed further checking of Star lord of Ascendant.

Moon RPs are Venus-Rahu-Saturn-Moon. Venus is I RP Moon thus star lord is OK.

Proceed further checking of Sublord of Ascendant.

We have Venus-Rahu-Saturn-Moon as RPs of Moon. Rahu, Saturn are appeared as common in Moon RPs & Sublord of Ascendant. Rahu is selected as Sublord of Ascendant as per Vimsottari dasa system. In addition to this Rahu is a node. So we have to give preference to it.

Proceed further checking of Subl sub ord of Ascendant.

Location: VELDURTI, ANDHRA PRADESH, India

We have Venus-Rahu-Saturn-Moon as Moon RPs. We have already selected Venus, Rahu, and Moon as Star, Sub and Sub-sublord of Ascendant. Now remaining are Saturn only two. Thus Saturn is selected as Sub-Sub-Sublord of Ascendant.(06-18-39 AM Ju-Ve-Ra-Mo-Sat 06-18-45).

Thus as explained above, astrologically, corrected birth time is 06-18-42 AM.

Rahu is the starlord of Moon in RPs at the time of judgment. Rahu is seen as Lagna cusp sublord of the native.
RULE:-Current Dasalord, Bhukthilord, Anthralord and Sookshmalord of a native will be the Ruling Planets at the time of analysis. (Chennai Nanganallur Krishnamoorthy's rule)
Saturn dasa, Mercury Bhukthi, Saturn Anthra and Mercury Sookshma is running on 04-01-2016 at the time of analysis.
RP.Date:- 04-01-2016; Monday; RP.Time:-12-32-00 PM; RP.Place:- Kurnool,(AP).
Lagna:- 356-47-52 = Jupiter-Mercury-Jupiter-Mercury.
Moon:- 191-41-34 = Venus-Rahu-Saturn-Moon.
Daylord:- Moon.
Saturn(dasanatha and anthranatha) is seen in RPs as Sublord of Moon. Mercury (bhukthinatha and Sookshmanatha) is appeared as Star lord of Lagna in RPs.

RULE:- Lagna Sub should have connection with 4th and 9th Cuspal sublords.(Rajendran, Thiruvallur, Chennai).
In this natal chart, Lagna cusp sub is Rahu and 4th cusp sub is Saturn. Both are in each other subs. Rahu is in the sub of Saturn and Saturn is in the sub of Rahu. Lagna CSL is Rahu & 9th CSL is Ketu. Both are nodes. Ketu is in the sub-sub of Rahu.

RULE:- Sun(Atma karaka), Jupiter(Putra karaka) and Venus(Kama karaka) are the three planets mainly responsible for human births. So any one of them is found as the starlord or sublord of the 9th cusp.(LATE.M.P.Shanmugam's rule)
In this natal chart Venus is appeared as the starlord of the 9th cusp.

RULE:- When the Ascendant sublord is connected with the janmanakshtra (birth star) of the native, then the erected chart is correct. (Page no.21 of Astrology & Adrishta, July 1980)
Here in this natal chart, the Ascendant cusp sublord is Rahu. His birth star is also Satabhisha-1st quarter.
Satabhisha is Rahu's star. So the erected birth chart is correct.

RULE:- If the ascendant cusp sublord becomes the starlord of the Moon, and chart indicated it's correctness or the sublord should receive good aspect from the Moon. (Page No. 59 & 60- - K.P.Year book 2005).
In this natal chart, the ascendant cusp sublord Rahu becomes the starlord of Moon directly. Moon is in the star of Satabhisha which is Rahu's star.

Rectification of Birth Time on the basis of Nakshatra (stars) of relatives:- (Sri. OVN. Murthy's article is published in "Sri Krishna Jyotisha Masa Patrika in Telugu Language—May 2012. Published & edited by Shri. M. Gopala Chary, NELLORE)
1) His wife's birth star is Anuradha (Saturn's star). His 7th Cusp sublord Mars is in the star of Saturn. Thus 7th cusp sublord's constellation lord is tallied with his wife's birth star.
2) His daughter's birth star is Swathi (Rahu's star). His 5th cusp sublord Moon is in the star and sub of Rahu. Thus 5th cusp sublord's constellation lord is tallied with his daughter's birth star.

I am inspired by the said book and have made a small attempt of correcting a birth time of a native who approached me very recently in tune with the rules laid down in that book. I humbly submit my analysis in the form of an article to our magazine K.P E- zine and would like to request the readers to share their views on the subject to enable me to improve further.

+ These planets do not have any planets in their stars.

Astrologer need to select from sublord of Asc. 6th or 8th or 12th as per his experience, it is advisable that first examine all the cusp sub lord and then come to any conclusion.

Cuspal Sub lord

6th cusp. (Pisces $10^0.07'.35"$) The sub lord of the 6th cusp is Venus. Venus is in the star of Moon and sub of Saturn. Venus is occupant of 4, owner of 1, 8. Star lord Moon is occupant of 4, owner of 10. Sub lord Saturn is occupant of 9, owner of 4, 5. Thus 6th sub lord signifies 1, 5 with 8, so desire of cure in back pain and gastric is not seen completely. Indication of 8 give you operation too.

My opinion: you will not sure completely and also operation also seen.

Outcome: prediction come correct.

Questions & Answers

Question 1: Cuapal Sub Lord and Dasa Period Lords (Significators)
Sir, I am referring to the article appearing in Sri. K.M. Subramaniam's books - Sub Lord Speaks Vol. 3 page 168.
Quote "The sub lord gets the power to divert the results of the dasa lord. And therefore a planet of its independent powers over bhava results cannot effect it independently. That particular bhava cusp sub lord having powers to effect results for a particular bhava alone has to be implemented by the dasa lord" unquote.

But in KP it is also emphasised that Bhukti lord will implement the significations of bhavas of dasa lord. Even if the bhukti indicates favourable matters in respect of a particular event, and if the dasa lord does not permit the event, then that event cannot take place during that bhukti period.

In most of the examples in the above books, it is seen that, the materialisation of events during various bhuktis have been dealt with, even though the significations of a particular event not signified by the dasa lord.

It is a bit confusing. I shall be obliged to have your opinion in the matter.

Answer 1:
"The cuspal sub lord of a house indicates whether the matter of the house is favorable (promised) or not. The significators point the time of event. Both dasa, bhukti and gochara (transit) must agree."
-KP Reader V page 224 (Original Edition p 211), KP Reader III pp 226, 362 (Original Edition, Practical Part pp 68, 194)

In KP Bhukti lord can't offer what the Dasa lord doesn't permit.
"No Bhukti can offer a result if Dasa lord does not permit. If the Dasa lord is not a significator of the result which Bhukti lord is to give , Dasa lord, the final authority will not give the ultimate result. Planets from a cabinet. The Prime minister is the Dasanadha. The Bhuktinadhas are Cabinet Ministers. The Antharanadhas are Deputy Ministers."
--KP Reader IV page 195

Example case: Gina Lollobrigida, Italian actress praised as the world most beautiful woman in 1950's, born on 4 July 1927, 2:00 GMT, 41n55, 13e06, New KP Ayanamsa 22:45:18, Venus dasa bal 16y:4m:25d, by KPAstro 4.1

First marriage in 1949 and divorced in 1971.
19 October 2006 (Sat-Ket-Ven DBA), at age 79, she announced a wedding plan to marry his long term (22 years) boyfriend since 1984, 45-year-old Spanish businessman, Javier Rigauy Rafols, on 27 January 2007 (Sat-Ket-Mar). The plan was put to an end on 06 December 2006 (Sat-Ket-Moo) due to media pressure around the event.

Dasa lord Sat is in 6, l/o 9,10,11, in the star of own Sat, and in sub of Ven in 4, l/o 1,6. Dasa does not allow marriage by signification of 1,6,10 negative to 2,7,11, without significa-

tion of legal marriage 7th house.

Bhukti lord Ket is in 7, in the star of own Ket aspected by Sun in 2, l/o 5, Ket's sign lord Jup in 11, l/o 8, and in sub of Mar in 3, l/o 7,12.
Bhukti lord is very favorable for marriage but it is not materialized because Dasa does not allow marriage.

Question 2: Selection of Fruitful Significators
I am a learner in KP Astrology.
I am going through NAVARATNAMALA-2, KP FOR BEGINERS PART-7.
PAGE: 57.

Fruitful significators
for H. No. 2 sig are su,me,ma,ve,ke etc.,
1. Sun and Mercury are rejected as the sub of Ma signifying 1 and 10. without signifying 2,7 and 11.
But if you check the significators, Mars signify 2,.
2. similarly, ma and ke are rejected as sub lord ju is signifying 6.
But ju also signifying 7.
3. ra is rejected as sub lord ju is signifying 6. But Ju is also sinifying 7.

herewith I am attaching the chart as per the birth details given by you.
This is for your kind information and for my clarifications.

Answer 2:
KP FUNDIMENTAL RULE: "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favourable or not." --Krishnamurti Padhdhati, Vol. 2, 1966, Sagar Publications, p 41/ KP Reader III, p 136 (New Edition)/ p 129 (Original Edition)/ KP Reader V p 136 (Original Edition p 129)/ KP Reader VI p 91

Sun is in 2, lord of 2, in the star of own Sun in 2, lord of 2, and in sub of Mars in 1, lord of 5,10.
Mercury is in 2, lord of 3, 12, in the star of Sun in 2, lord of 2, and in sub of Mars in 1, lord of 5,10.
Note: Here it is to consider sub Mars' occupation and lordship only. Taking sub Mars' star Mercury in 2, lord of 3, 12, and considering Mars signifying 2 is the 4-step method originated by K.M. Subramaniam, but it is not KP.
"In order to know what each planet can contribute always consider its sub lord."
-KP Reader III page 362 (Original Edition, Practical Part page 194)

Mars is in 1, lord of 5,10, in the star of Mercury in 2, lord of 3, 12 and in sub of Jupiter in 5, lord of 6,9.
Ketu is in 5, conj. Jupiter in 5, lord of 6,9, in the star of Mercury in 2, lord of 3, 12 and in sub of Jupiter in 5, lord of 6,9.
Rahu is in 11, in Taurus representing Venus in 1, lord of 4,11, in the star of Mars in 1, lord of 5,10 and in sub of Jupiter in 5, lord of 6,9.
Note: Here similarly it is to consider sub Jupiter's occupation and lordship only. Taking sub Jupiter's star Saturn in 4, lord of 7, 8, and considering Jupiter signifying 7 is the 4-step method but not KP.

Question 3: Reunion with Spouse
In VOL-4, page:200/201 of KP says:
For reunion with husband/wife and perfect domestic facility consider houses 2, 7, 11.

In VOL-6, page-250 of kp says:
Husband to return home and join the wife one is to judge the houses 11, 7 and 6.

Which is to follow?.

Both are kp volumes and written by KSK.

Answer 3:
KP Reader IV, page 200/ KP Reader VI, page 246:
For reunion with husband and perfect domestic facility, consider houses 2, 7 and 11.
7th house indicates husband, martial happiness and life with legal husband;
2nd house indicates family and domestic facility;
11th house indicates reunion, cordial relation and permanent tie with married partner.

KP Reader IV, page 145
The sixth house is separation from wife, if already married.
KP Reader IV, page 191
Houses 2,7 and 11 are to be judged for union (marriage)...the 12th house to houses 2,7 and 11 are all detrimental for smooth, pleasant family life with wife.

It is therefore logical to consider *houses 2, 7 and 11 for reunion with husband/wife.*

Your Health in Your Horoscope: Introduction to Medical Astrology

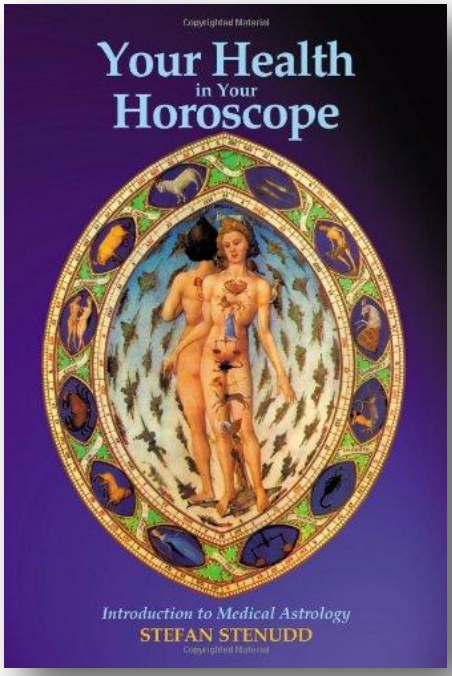
by Stefan Stenudd

Arriba, Malmo, Sweden, 2009, 192 pages



The book by the Swedish author starts with a general introduction to astrology and the horoscope chart, their components and how they are used in astrological forecasting. This introduction actually suffices for the beginner to start exploring the horoscope chart and all its ingredients, not just on health issues.

Next is a thorough explanation of medical astrology, the way to use the horoscope chart in making predictions about health, by method of analyzing a birth chart as well as *transits*, the continued movement through time of the planets.

Learn how your health is described by the Zodiac signs, the movements of the planets, their aspects, and the astrological Houses. This book contains all the basics you need to get started on that exploration. Please, do not trust this book more than your doctor! The ancient tradition of astrology is another way of looking at ourselves than the methods developed by modern natural science. It cannot substitute science any more than science can incorporate astrology. The best use you can have of this introduction to medical astrology is as an alternative perspective on your health. By examining your horoscope you shed light on the complexity of living your life in ways that agree with you the most.

Most diseases have particular traits that connect them to certain planets, Zodiac signs and Houses of the horoscopes. Still, astrology is complex. So, the given traits are suggestions only, examples to give you better understanding of medical astrology at work, regarding a few well-known diseases and health problems. And please trust your doctor more than your

horoscope! The author has had a glance at the horoscopes of a few famous people as examples of how medical astrology can be applied to personal horoscopes.

Short Background

Leonardo DiCaprio began his acting career as a teenage heartthrob and then moved on to achieve international fame with epic romance Titanic (1997), which became the highest-grossing film to that point. Since the 2000s, DiCaprio has received critical acclaim for his work in a wide range of film genres. He has been nominated for six Academy Awards - five for acting and one for producing - and at February 28, 2016, Sunday night's Academy Awards, he finally won the first Academy Award for Best Actor for The Revenant. Leonardo DiCaprio was born on 11/Nov/1974, 02:47 am, hr 8 west, 34n03, 118w13, Los Angeles, California, USA, KP Ayanamsa: 23° 24' 57", Star: Hasta, Pada 4, Lagna: Virgo 09:43:52, Bal. Dasa: Moon 0 Y, 9 M, 3 D, by KPAstro 4.1.

Why So Delay!

The possible astrological reasons for so delay in winning the Oscar only at the sixth nomination are the strong signification of 9th house, 12th to 10 as negation to 10th house (award), and 8th house (delay, dejection) in both the Rahu star and Ketu sub levels of Jupiter Dasa (14 August 2000 to 14 August 2016), and no signification of houses 10 (award) and 11 (fulfillment of desire), as shown below:

Dasa lord Jupiter is in house 6, lord of houses 4, 7, in the star of Rahu in house 3, in Scorpio sign representing Mars in house 2, lord of houses 3, 8, and in sub of Ketu in house 9; Ketu is also the strong significator of houses 3, 9 by being the cuspal sub lord of these houses without having any planet in its stars. Ketu is aspected by Mars, in Taurus sign representing Venus in house 2, lord of houses 2, 9; Venus is also the strong significator of houses 1,7 by being the cuspal sub lord of these houses without having any planet in its stars, signifying favorable houses 2 (money income), 3 (acting ability), 6 (gain of money) and 7 (public relation, popularity).

Winning Oscar Finally

Finally Jupiter Dasa gave him the first Oscar at the end when all Bhukti Rahu, Antra and Sookshma Sun are in the sub of 10th (award) lord Mercury, and transit agrees with dasa while all Dasa, Bhukti, Antra and Sookshma lords are connected, i.e, Jupiter was conjoined with Rahu in favorable Leo sign, which was opposed by artist supporting Sun and Neptune. In addition the dasa period lords are also related with the following planetary combinations which make him a great actor:

1) The 5th (artist) cuspal sub lord Rahu, as discussed above, indicates favorable houses 2,3,10 and is connected with artist supporting planet Mercury and energy giving Mars. Rahu and Neptune are conjoined in the 3rd house of acting ability;
2) The 10th (career) cuspal sub lord Jupiter, as discussed above, indicates favorable houses 2,3,6, and is connected with artist karaka Venus, supporting planet Mercury and energy giving Mars;
3) The artist ruling planet Venus (2,9), artist supporting planets Mercury (1,2,10) and Sun (2,12) are conjoined in the artist ruling sign Libra, and more energy is added by further conjunction of Mars (2,3,8). All these conjoined planets are aspected by the 7th (public relation, popularity) lord Jupiter in 6th house (gain).

Bhukti lord Rahu is in house 3, in Scorpio sign representing Mars in house 2, lord of houses 3, 8, in the star and sub of Mercury in house 1, but very close to 2nd cusp, lord of houses 1, 10, signifying favorable houses 2,3 and 10.

Antra and Sookshma lord Sun is in house 2, lord of house 12, in the star of Jupiter in house 6, lord of houses 4, 7, and in sub of Mercury in house 1, but very close to 2nd cusp, lord of houses 1, 10, signifying favorable houses 2,6,7 and 10.

Transit (28 February 2016, 8 pm, Los Angeles)

Dasa lord Jupiter was transiting in the star of Venus (2,9), and in sub of Mercury (1,2,10).

Bhukti lord Rahu was transiting in the star of Sun (2,7), and in sub of Mars (2,3,8).

Antra and Sookshma lord Sun was transiting in the star of Rahu (2,3,8), and in sub of Venus (2,9).

Another luminary Moon was transiting in the star of Jupiter (4,6,7), and in sub of Ketu (2,3,8,9).

The dasa period lords and luminaries were transiting in the stars and subs of favorable significators of houses 2,3,6 and 10 as the transit agrees with dasa.

In addition transit Jupiter was aspecting natal Jupiter to activate its aspects on houses 2 and 10.

Transit Uranus (Pisces 24:26) was almost exactly opposing natal 11th lord Moon for fulfillment of desire.

Future Prospects

The current running Jupiter Dasa is going to end in August 2016, and then the next Saturn Dasa will go on till August 2035. Better prospects are indicated by Saturn's signification of favorable houses 2,5,6,7,10 for a boost in his career.

Next Dasa lord Saturn is in house 10, lord of houses 5, 6, also the cuspal sub lord of house 4 having no planet in its stars. Saturn is in the star of Jupiter in house 6, lord of houses 4, 7, and sub of Mercury in house 1, but very close to 2nd cusp, lord of houses 1, 10.

Congratulations and good luck, Leo!

Name: Male
Question. Is there any Imprisonment during the running month December 2015?
Number. 131 (out of 249)
Date of Judgment: 14-12-2015, Monday; Time of Judgment: 13:38:57 PM IST
Place of Judgment: Kankariya- Ahmedabad-Gjarat; Lat/Long: 23° N 00', 72° E 36', Aynamsha: 23^0.59'.22"

Hints
If the cuspal sub lord of the 12th be the significator of 3 (away from home), 8 (misfortune) or 12 (restrictions), and connected with Mars or Saturn or Rahu or Ketu, one has to court jail during the joint period of the significators of 3, 8 and 12.

Cuspal Sub Lord
12th Cusp (Virgo 11^0.48'.45"): The sub lord of the 12^{th} cusp is Mars. Mars is in the star of Owen and sub of Rahu. Mars is occupant of 12, owner of 2-7. Sub lord Rahu is occupant of 11. Rahu is conjoined with Mars, Mars is occupant of 12, owner of 2-7. 12^{th} sub lord Mars is significator of 2-7-12 and connected with 2-7-12-11. Hence the imprisonment is sure.

Ruling Planets
At the time of judgment, ruling planets are as under.

	Day lord	Sign lord	Star lord	Sub lord
Day: Monday	Moon	—	—	—
RP Ascendant: Capricorn 18°.16'.53"	—	Saturn	Moon	Mercury
RP Moon: Capricorn 01°.36'.54"	—	Saturn	Sun	Jupiter

Ketu is in Pisces sign, hence represent Jupiter. Thus ruling planets are Moon, Saturn Mercury, Sun, Jupiter and Ketu.

Joint Period
During December 2015 from today joint period are Sun-Jupiter-Saturn-Sun (Moon-Mars-Rahu-Jupiter).

Dasa lord Sun is in the star of Mercury and sub of Jupiter. Sun is occupant of 2, owner of 11. Star lord Mercury is occupant of 3, owner of 9-12. Sub lord Jupiter is occupant of 11, owner of 3-6. Thus dasa lord Sun signifies 3-9-12 and connected with 2-11-3-6. This dasa lord indicate 3-12, hence indicate Jail yoga. Sun is in RP.

Bhukti lord Jupiter is in the star of Sun and sub of Moon. Jupiter is occupant of 11, owner of 3-6. Star lord Sun is occupant of 2, owner of 11. Sub lord Moon is occupant of 3, owner of 10. No planet in the star of Moon and Moon is CSL of 6. Thus bhukti lord Jupiter signifies 2-11 and connected with 11-3-6-10. This bhukti lord indicate 3, hence indicate Jail yoga. Jupiter is in RP.

Antra lord Saturn is in the star of own and sub of Jupiter. Saturn is occupant of 2 owner of 4-5. Sub lord Jupiter is occupant of 11, owner of 3-6. Thus bhukti lord Saturn signifies 2-4-5 and connected with 2-4-5-11-3-6. This bhukti lord indicate 3, hence Jail yoga. Saturn is in RP.

Sookshma lord running is Sun we have discuss about Sun above. Next are Moon-Mars-Rahu-Jupiter. Moon and Jupiter only in RP, but we have taken Jupiter Bjukti and Jupiter is only single time, thus only Moon Sookshma is to be check. Moon sookshma is during 15-12-2015 to 19-12-2105.

Sookshma lord Moon is in the star of Sun and sub of Jupiter. Moon is occupant of 3 owner of 10. No planet in the star of Moon and Moon is CSL of 6. Star lord Sun is occupant of 2, owner of 11. Sub lord Jupiter is occupant of 11, owner of 3-6. Thus sookshma lord Moon signifies 2-11 and connected with 3-10-6-11. This sookshma lord indicate 3, hence Jail yoga. Moon is in RP.

My opinion: 12th sub lord indicate Jail yoga and also dasa support during 15-12-2015 to 19-12-2105, if hearing not during this time no jail yoga and if during this time Jail yoga is sure.

Outcome: Prediction come correct. Hearing not held during 15-12-2015 to 19-12-2105 and till December not going to jail.

Query: Whether my cousin will recover from sickness and comes back safely from the hospital.

This was the question which was pestering my family very much on the day, especially at the particular time, when my cousin was admitted in the hospital for treatment of her chronic lung problem. Here I thought I would get relieved from tensions by peeping in to astrological Time chart and its analysis on the matter of our concern. Hence I would like to discuss and share my experiences only about the outcome of the purpose of her admission in to the hospital and not about the details of her disease. She was admitted in the AICU of Yashoda Hospital on 24 Dec 2014 at 00-36-46 A.M, Secundrabad. I have erected a time chart for the same time and date for my analysis of the case.

What K.P. Rules say in Medical astrology:
Regarding Sickness--
6th house indicates disease.
8th house indicates danger or seriousness of the disease.
12th house speaks of hospitalization or treatment elsewhere.

Regarding the Cure and the final result-
If 5th house signifies that the disease will be well under control and 7thor11th house denotes cure after treatment.
If the 6th cusp sub lord by chance signifies Badhakasthana and Marakasthana, the native succumbs to the disease, provided his / her longevity is not further promised.
Note-The disease will arise during the conjoined period of 1 & 6 or 1 & 8 or 1 & 12 significators.
The cure is available during the conjoined period of the significator of 5 or 7 or 11.

Longevity and Death— (TIN WIN)-
(1)The double role of the 8th house is like that while it represents longevity or life span of the native, it denotes death as well, and it is so confusing or confused that it is to show the adverse effect of the 8th house signification in the analysis of both longevity and running DBAS.
(2) Regarding the role of longevity, houses 1, 8 and 3 are the houses of longevity.

Analysis of the time chart---
The Time chart lagna falls in Virgo and badhaka sthana for Virgo (a dual sign) is 7th house (Pisces). A possibility for recovery:

(1)5th cusp sub lord is Rahu. Rahu is in the 1st house. It represents Mercury. Mercury is the lord of 1 and 10 placed in 4th, negative to 5th cusp (for recovery), end of everything in life and one of the terminal houses, 10th –karma sthana and retirement from the world of materialistic life, shows that the recovery possibilities are bleak. Rahu also co rules 11th house- another house for cure after treatment.

Now let me analyze another important group of houses which speak of the position of the life of the native and they are 2-7 and 12 and badhaka house. 2 and 7 are maraka houses and 12 is the house death/moksha/end of life.

The significator of 2-7 and12 houses are as follows:

(A) 2nd house significations are-MERCURY-VENUS- SATURN.
Mercury is the lord 1 and 10 is in 4th (TERMINAL HOUSE). It is in the star of Venus lord of 2 and 9 in 4th. It is in Moon sub lord of 11 in 4th again.

Venus is the lord of 2 and 9 is in 4th, and it is again in Venus star. It is in Saturn sub, lord of 5 and 6 in 2nd.
Saturn is the lord 5 and 6 is in 2nd and it is in Saturn star and Mercury sub (in 4th).
(B) 7th house significations are- SUN-JUPITER AND KETHU.
Sun is the lord of 12th is in 3rd (negative to one's home). Sun is in Kethu star a malefic in 7th (both Maraka and Badhaka).
Kethu is in 7th house (7th to lagna indicates attending doctor) and represents Jupiter. Jupiter is the lord of 4 and 7th is in 11th in retrogression. Though it is exalted, as a lord of 7th (attending doctor) it lost its strength due to retrogression.
(C) 12th house significations are—SUN and MOON.
Sun is discussed above and it signifies 3, 7 and 12.
Moon is the lord of 11th is in 4. It is in Sun star in 3rd. It is in Jupiter sub lord 4 and 7 is in 11.

SIGNIFICATORS OF 2=MERCURY-VENUS-SATURN
7=SUN-JUPITE-KETHU.
12=SUN-MOON.

Ruling Planets on 24-12-2014 @00-36-46 A.M Secundrabad.
ASC-(Virgo)-Merc-Moon-Rahu/ RASI-(Capricorn)- Sat-Sun-Jupiter.
Day lord-Mercury. Rahu =Mercury and Kethu= Jupiter.
Common and fruitful significators are–MERC-RAHU-MOON-SUN—JUPITER--SATURN.

Dasa running as per the TIME CHART is:
SUN dasa-from 14-12-2014 to 26-11-2018. Sun is in common fruitful significator. It signifies 12 (hospitalization and moksha), 3(Negative to 4th one's home) and 7th(both Maraka and Badhaka).

JUPITER+ bhukti is from 14-12-2014 to 3-10-2015. Jupiter is Moon sign and both are is in common fruitful significator Jupiter+ signifies 7th (Badhaka and Maraka), 10th (karma sthana and negative to 11th) is in 4th (negative to 5- and also terminal house), Jupiter is in Mercury star lord of 1 and10 posited in 4th. Jupiter is in Saturn sub lord of 5 and 6 is in 2nd (Maraka).

JUPITER+ antra lord runs from 14-12-2014 to 22-1-2015 about which we have discussed above.

Sun was transiting in Jupiter sign on SUN star from 11 January to 14 January during the said period.
So the DBA lords signifies 12th (end of life), 7th (Badhaka and Maraka houses), 10th (karma sthana, negative to11th and retirement from worldly life), 4th (negative to 5 and terminal house), and 2nd (Maraka house).
The planets connected are SUN (12), JUPITER (4&7), MERCURY (1&10) and SATURN (5&6 in2).
All these connections gave me a sufficient hint about her remote chances of recovery from sickness and so I became skeptical of her returning home safely.

FACTS OF THE CASE-
The doctors spelt the final verdict on 31st December 2014 night at 20.30 hours after observing the hospital formalities. (Actually she breathed away last by 19.50.00 hours.) Sun was transiting in Jupiter sign in Venus star. Moon was transiting in Mars sign (8th house of the native) and Venus (2nd lord) star Sun sub (12th lord) when she passed away at 19.55.00 hours.

When I looked for longevity of the native from the time chart I have observed that the ascendant sub lord Rahu+ signified 2(maraca house),6(house of disease) 8th(house of death and danger to life) and 4th (one of the terminal houses and house of grave yard and also negative to 5th) clearly showed short span of life and sudden end of life(8th signification).

It has been proved beyond doubt that the K.P sub lord theory is supreme in divulging the secrets of astrology. My humble regards to Sri K S Krishnamurthy and my thanks to Sri Kanak ji.

United States presidential election, November 8, 2016

What Hillary Clinton Would Need to Do to Win
Why She Will Win
Mrs. Clinton has nearly 100 percent name recognition as well as a built-in base of support among working-class women. Republicans will need to catch up, and they face a potentially brutal primary season in which they will be pushed to the right on issues like immigration and education, which could drive independents into Mrs. Clinton's arms in a general election. But demographics are the biggest obstacle for Republicans: Unless the nominee can win over Hispanics and make inroads with women and young voters, Mrs. Clinton starts with a significant edge thanks to population changes nationally and, particularly, in many of the likely battleground states. Mrs. Clinton should also enjoy an enormous financial advantage in a campaign that is expected to cost her $2.5 billion, with the help of "super PAC" donations and nearly universal support within the Democratic establishment.

Who will win election?
If 10th (One's position in politics) sub lord signifies, 10 (One's Reputation), 3 (One's ability), 11 (One's reputation as a Winner) in the DBA of 3, 10, 11 one can win Election.

For President Hillary Clinton
10th CSL is Rahu. Rahu+ (10, [1, 6, 7, 10]), Rahu is agent of Jupiter (10, 2-5) in the star of Sun (3, 10), in the sub of Rahu+ (10, [1, 6, 7, 10]). Rahu is agent of Jupiter (10, 2-5). 10th CSL Rahu signifies 10, 3. So chance is there.

For opponent:
10th CSL is Mars. Mars+(6, 7-12, [10]), in the star of Jupiter(4, 8-11), in the sub of Saturn+(7, 9-10). 10th CSL Mars signifies signify 10,11, so chance is there.

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happen to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happen to be planet connected with Saturn in any manner the report false; but connected with Jupiter, the report will be correct. This is the way to find out a rumor is believable or not.

Cusp 3rd. (Aquarius $10^0.48'.21"$): The sub lord of the 3rd cusp is Saturn. Saturn is in the star of Mercury and sub of Sun. Here 3rd sub lord connected with Saturn, hence rumor/ message is false.

My opinion: Yes, this is rumor is false.

sub lord. If tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is YES. If not, check with Asc star lord and sub sub lord, if tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:

SS lord of Asc SS lord is Mercury.
Rule NOT Satisfied.

Rule - 2:
Note down F-1, star lord if Asc sub sub lord. (Planet A is in the star of B, Please read detailed article by the same author in Feb-Marsr 2007 KP Ezine issue). Now tally planet B with the Moon star lord or sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of the MOON) the answer is in YES. If not, check with Asc star lord and sub sub lord. If tallies (in other words, if B is star lord or sub sub lord of Asc.) the answer is in YES.

Analysis:
Star lord of Asc SS lord is Jupiter.
Rule NOT Satisfied.

Rule - 3:
Lastly check with F-3, (Planet A—sub sub lord of Asc—is in the sub sub of planet B. Planet B is in the star of Planet C. In this case, Planet C is the deciding factor). Now tally Planet C with Moon star lord or sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of MOON) the answer is YES. If not, tally with Asc star lord and sub sub lord. If tallies (in other words, if C is star lord or sub sub lord of Asc.) the answer is YES.

Analysis:
Star lord of SS lord of Asc SS lord is Mars.
Mars is MOON's star lord.
Rule SATISFIED.

My opinion:
1 out of 3 rules satisfied. Hence according to TSP, the answer is NO. This rumor is not true.

Bobby's Death - A further Study

Making a decision or come to a conclusion of any matter in astrology is not "like shooting fish in a barrel". It is so critical and hard task. Sri KSK Krishnamuri ji says in his Reader 6, "The true meaning of the Astrology is the message of the Stars.... The whole world is run according to the well-defined plan. Nothing happens by chance. Astrology doesn't permit one to classify anything as an accident, as it explains the cause and effect of event."

In some cases, especially of the celebrities there may be many ideas of the people which supposed to be the evidences for wrong end or against the astrological decisions, even if the Astrological verdict is clearly indicated. In this situation we have to consider all the rumors and folk talks come around the matter under discuss and to negate or accept them in line with the astrological rules to prove the actual result.

In this fifth attempt of the case study of the death of Bobby, I am trying to eliminate the correct message of stars as the cause of death of this native that is surrounded by many rumors and gossips. The latest news of the death of Booby was appeared in the web on 05th Dec. 2015, under the heading of "Bobbi Kristina Brown's BFF Discloses Details About Her Final Hours"
http://www.starpulse.com/news/index.php/2015/12/05/bobbi-kristina-browns-bff-discloses-de

" Bobbi Kristina Brown's best friend, Danyela Bradely, is opening up about what it was like just before her death. She testified about Brown's drug use and the violence that she allegedly suffered at the hands of her boyfriend, Nick Gordon.

Bobbi Kristina's close friend talked about one incident from Jan. 27 that unraveled between Bobbi Kristina and Gordon. Bradley charges that in one altercation, Gordon "began kicking Bobbi Kristina in the side to the point that she was on the floor screaming and curled up in a fetal position."

According to Bradley, this attack resulted in Brown's tooth getting knocked out. Gordon then yelled for Bobbi Kristina to go upstairs after that, but she was unable to walk and had to crawl.

On the morning of Jan. 31, Bradley said Gordon "returned from being out all night on a cocaine and drinking binge." He "reviewed camera footage of Bobbi Kristina and listened to her conversations."

Bradley then goes on to say that Gordon emerged out of Brown's room wearing different clothes and "got in bed and laid his hand on female guest's ankle and stated now I want a pretty little white girl like you."

This is only a rumor on behalf of the diseased. However if this statement can be proved as a truth, once again I can insist on the decision I have revealed in my earlier attempts in this connection as a Murder Case.

For this purpose I took a random KP Horary No. 54 to decide the matter as per two methods below.

Is rumor is True or False?

KP Rule (Condensed) KP Reader 6, Page 171

If the sub lord of 3rd cusp happens to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happen to be planet connected with Saturn in any manner the report false; but connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Question: Is the rumor of cause of Bobby's death true or false?

Hence what is Bobby's best friend Danyela Bradely had told is TRUE and it is a Murder as I have forecasted earlier.

Gulbarga Theory
As per Gulbarga Theory, if sub lord of horary number furnished happens to be either Moon star lord or lagna star lord among the ruling planets, then query is to be answered in the affirmative, otherwise not.
In the attached Horary chart, the sub lord of the Horary number is Moon. Lagna star lord of RP is also Moon and hence the answer is affirmative in other words the above information of Bobby is true and it is a murder.

Present situation of the lawsuit of the Bobby's death

1) *//Nick Gordon and his lawyers are fighting to halt the wrongful death lawsuit filed by Bobbi Kristina Brown's conservator Bedelia Hargrove, asking the court for a stay of civil proceedings as he potentially faces criminal murder charges in the death of Whitney Houston and Bobby Brown's daughter. As Us Weekly previously reported, the district attorney in Georgia has allegedly convened a secret grand jury with the intention of charging Gordon with murder in the death of his late girlfriend.//* (*http://www.usmagazine.com/*)
2) *A new document filed by Hargrove's attorneys at a Georgia court on Thursday alleges Bobbi Kristina "died due to a violent altercation with [Gordon], after which he placed her in a bathtub, unconscious, after he injected her with a toxic mixture." (http://www.eonline.com/)*

Latest News
While the Fulton County Medical Examiner's office has said that it has determined the cause of Brown's death, those results have been sealed. The Fulton County District Attorney is continuing to investigate the matter.

An astrological friend of mine came with a zeroxed paper (which is published in KP-Ezine September 2012 Page No.49) in his hand came and asked me by showing it "Murthy Garu, Can you justify the matter which is Xeroxed and copied matter from the famous Astrology & Athrishta-September 1967 issue. In it the following matter is published as follows:-

Sir,
What is the correct time of my birth? I should know the correct position of all the cusps and the planets. I am told that I was born on 5-4-1920 at about 4 PM at 20-42N/71-0=1E.
Sd/-Ratilal Thaker
Question put and answered at 2-00 PM Sunday, 9-7-1967 at Bombay.
Lastly the following para is also published in it which is given in with in brackets.

(Students should carry out the research and confirm: The position of Lagna in a sign at the moment of judgment is the position of the Moon in that sign. In the case of Mr. Ratilal Thaker, the position of Lagna at 2-00 PM on 9-7-1967, the time of judgment, agree with the position of Moon in his horoscope for 3-59 PM IST on 5-4-1920)

Note:- Readers are requested to see the paper in KP.Ezine September 2012 Page No. 49 for details.
My analysis is done strictly by following the rules and regulations framed by Sri. Kanakji, in the book "EASY WAY TO LEARN KP - BIRTH TIME RECTIFICATION".

When will I get job?

By: Er. V.K Sharma

#104, City Enclave, Zirakpur,

Mohali (Chandigarh).

A querent from Gurgaon [Haryana] has accompanied his wife to America. His wife was sent to America on two month temporary job visa by an Indian based M.N.C They were worried lot due to rear that they will have to return to India if they failed to arrange another job Visa in U.S.A. Querent asked me to check astrologically if his wife will get another Job Visa I asked her wife to intimate any?

Horary number between 1 to 249. She told the number as 75 on telephone from California [U.S.A] accordingly, I made the horary map for the said number on dated 25-9-2013 at 6:40 PM.

Gulbarga theory
As per Gulbarga Theory if the sub lord of horary number furnished happens to either Moon Star lord or Lagna Star lord among Ruling Planets then query is be answered in the affirmative otherwise not in the Case under consideration sub lord of horary number is Mercury and Lagna Star lord is also Mercury So Answer to the query is affirmative So I assured the querent that Visa will be issued definitely

Ruling planets on dated 25-9-2013 at 6:40PM at Chandigarh
ASC SIGN LORD: JUPITER
ASC STARLORD: MERCURY
MOON STARLORD: MOON
MOON SIGNLORD: VENUS
DAY LORD: MERCURY
AYNAMSHA: KP Straight line (Adjusted) 24.02.14

Ascendant Sub lord shows the efforts of The querent
Ascendant sub lord Mercury in 3, lord of 12 and 3. Star lord Mars in 1 lord of 5 and 10. Sub lord Mercury in 3 lord of 12 and 3. Hence Ascendant sub lord Mercury is significator of 3 [letter, communication, certificate, Visa etc.], 12 [stay in Foreign Land], 10 [occupation/profession] which shows querent effort for getting letter / visa or stay in foreign country for job/occupation.

Rule for getting Visa Papers
All kinds of correspondence like letters, papers, ticket, certificate, means of communication, Visa, work permit etc. belong to third house.
If sub lord of 3rd cusp signifies 3 and 11 one gets the desired result. Also if the 11th cusp sub lord signifies 3 or 11 one gets positive result.
Further 3rd and 11th cusp sub lord should have linkage with house 3, 9 or 12 for getting Visa for foreign country and if it linked with 6th house querent will get Visa Papers with job.

3rd Cusp Sub lord
3rd sub lord Venus lord of 11. Star lord Jupiter is in 12, lord of 6 & 9. Sub lord Saturn in 4, lord of 7 and 8. Hence 3rd cusp sub lord signifies 11, 6, 9 and 12 which means that querent will get Visa Papers for foreign country with Job

11th Cusp Sub lord
11th Cusp Sub lord is Jupiter in 12 lord of 6 and 9. Star lord Jupiter is in 12 lord of 6 and 9. Sub lord Saturn is lord of 7. Hence 11th Sub lord signifies 12, 9 and 6 It is clear from above that querent will get Visa Papers as desired.
As Moon is deposited in 11th house so querent will get visa papers very soon.

After that Sun transits in Virgo[Mercury] sign and Hasta Nakshtar[Moon] 26-9-2013 to 10-10-2013. [Every year sun transits in Virgo sign of Mercury and Hasta Nakshtar of Moon from 26 September To 10 October]

As both Mercury and Moon are Ruling Planets. So I declared that Visa Papers will be issued before 10-10-2013.

Fact of the Case
It was informed by the querent that'She was called for interview on dated 9-10-2013 for job visa and she received 5 year job visa of USA on dated 13-10-2013 by mail and couple was very happy with the accuracy of K.P Astrology.

IT is further elaborated that judgment of query was made on dated 25-9-2013 in the Rohni Nakshtar of Moon and querent got his Job Visa papers on dated 13-10-2013 in Sarvan Nakshtar of Moon. IT further Fortifies K.P THEORY that Ruling Planet on the Day of Judgment tally with the Ruling Planets on day fructifications of event.

Joint period for opponent:
On the 31st December 2015, the running joint period is Mars-Jupiter-Mars-Jupiter.

Dasa-Antra lord Mars is in the star of Moon and sub of Jupiter. Mars is occupant of 1, owner of 8-3-4. Star lord Moon is occupant of 10, owner 12. Sub lord Jupiter is occupant of 1, owner 5. Thus Dasa-Antra lord Mars is the significator of 10-12 and connected with 1-8-3-4 -5. This Dasa-Antra signifies 3-10.

Bhukti-Sookshma lord Jupiter is in the star of Venus and sub of Ketu. Jupiter is occupant of 1, owner of 5. Star lord Venus is occupant of 1, owner of 9-10-2. Sub lord Ketu is occupant of 7. No planet in the star of Ketu and Ketu is CSL of 7. Ketu is in Pisces, hence represent Jupiter. Jupiter is occupant of 1, owner of 5. Thus bhukti-sookshma lord Jupiter is significator of 1-9-10-2 and connected with 1-5-7. This Bhukti-Sookshma signifies 10.

My opinion: The cuspal sub lord of 10th signifies 10 and for opponent 3-10, looks opponent positive. In joint period Dasa-Antra lord indicate 10-11 and for opponent 3-10. For Bhukti-Sookshma lord indicate 3 and for opponent 10. Thus in my opinion you will lost this post.

Outcome: He lost post.

Question 1: Planet Near the Next House Cusp

I am a learner in KP astrology.
I am reading your KP Beginners Lessons from Navaratnamala-2.
ON PAGE 46, Location of planets in Houses is described.
If the orb theory is taken into consideration..... and to give the result of 1st house.
IS IT NECESSARY TO CONSIDER THE ORB THEOTY?.
The significators of houses will change it we consider.
Then predictions also will change.
ON PAGE 52/53:
AN experience of orb theory.....of the next house will be.
If planet/planets are available in the next house, what will be the strength of the signification of planet which is undergoing orb theory.
If a planet is supposed.....or negative to the matters of next house.
In this case, how the strength of signification of planet is considered for both the houses.

Answer 1:

Planet Near the Next House Cusp

1. A planet near to the next house cusp within 3 deg: 20 min orb has been generally supposed to give the results of the next house. It has been experienced by the KP (Reader IV, page 108) and KP astrologers like K.M. Subramaniam, K. Subramanium, T. Rajendra Kumar,) C.V. Tyagaraja Iyer, and also Claudius Ptolemy, Claudius Ptolemy, Liz Greene, Michael McClain and Astrodienst staff writers.
2. In giving the results of the next house, it will be stronger if there is no planet in the next house than if there is a planet in the next house because a planet in the next house is stronger than the planet near to the next house cusp.
3. Another view of giving the results of both the previous and next houses has been experienced by astrologers like Chandrakant R. Bhatt, Anant Raichur, Sunil Gondhalekar, Jean Baptiste Morin, Robert Hand , Kevin B. Burk and Stephen Arroyo.
4. If a planet is supposed to be a significator of both houses, as said above, the result of the next house may not be effective or strong like the result of the previous house as the previous house is detrimental or Vyaya or negative to the matters of the next house. (KP Reader III, KP Reader IV, Bhatt's Nakshatra Chintamani).

Question 2: Retrogression for Natal Chart

In a KP workshop in Sri Lanka, a theory has been invented that when you are judging a natal chart for some question if the relevant cusp's sub (natal sub) is retrograded at the moment of judgment, then the matter will not come through. For an example, if you are judging a natal chart for marriage and the 7th sub (natal) is retrograded at the moment of judgment, then the native will not get married until the current running dasa is over.
Please give your view.

Answer 2:

It is not a proper KP practice at all since it is very clearly said that retrogression doesn't matter for natal chart analysis.

Question 3: Which house for Judiciary?

Which house indicates Judiciary in a country?

In my opinion 6th house, its lord and its karaka Mars indicate Judiciary of a country. Please advise.

Answer 3:

"9th house indicates judiciary in a country!" is a commonly accepted practice as compiled below:

1. Judges, the judiciary, judicial system and matters: ruling planet is Jupiter; ruling house is 9th ; ruling sign is Sagittarius. (the rulership book, by rex e. bill, p 74)
2. Jupiter: judiciary; 9th house: judiciary and all matters connected with it; Sagittarius: judicial system (Practical Mundane Astrology: Basic Principles , by J.C. Luthra, pp 32, 58, 79)
3. Jupiter: judicial world; 9th house: Ministry of Law, law courts; Sagittarius: law (Mundane Astrology , by Manik Chand Jain, pp 7, 25, 39)
4. Jupiter: law, judges, law courts; 9th house: legal; Sagittarius: lawyers (Practical Vedic Astrology, by G.S. Agarwal, pp 22, 72, 116)
5. Jupiter: judicial world, law; 9th house: legal matters, all things connected with law (Mundane Astrology: The Astrology of Nations and States , by H.S. Green, Raphael, C.E.O. Carter, pp 138, 166, 291, 294)
6. Jupiter: law; 9tih house: law and legal system (Mundane Astrology , by Michael Baigent, Nicholas Campion and Charles Harvey, pp 222, 231)
7. Jupiter: judicial system; 9tih house: judiciary system of the nation(A Nation's Prophecy: Mundane Astrology , by Dr. Ravi Rao, pp 52, 91)
8. Jupiter: judiciary; 9tih house: judiciary and litigation (Time Tested Techniques of Mundane Astrology, by M.S. Mehta, . . . Guide K.N. Rao, pp 54, 62)
9. Jupiter: judiciary system; 9tih house: judicial system (Systems' Approach For Interpreting Horoscopes, by V.K. Choudhry, under Mundane Astrology, pp 207, 208)
10. 9tih house: judiciary (Mundane Astrology, by K.B. Gopalkrishnan, pp 72, 125)
11. 9tih house: court, judges (MundaneAstrology, by Jagdamba Prassad Gaur, p 43)

An attempt to detect the impotency, childlessness, barrenness etc. from the birth chart is made which in case of medical science is possible only after through medical investigations and after many pathological tests.
An effort to analyse the diseases of the native with reference to the charts of their kith and kin is also made.

Myanmar President's Swearing-in Chart
Myanmar President U Htin Kyaw's Swearing-in Chart, 30/Mar/2016, 10:09:12 AM, hr 6:30 east, Parliament, Naypyidaw, Myanmar, 19n46, 96e06, Parliament, Naypyidaw, Myanmar, KP Ayanamsa: 23° 59' 37", Lagna: Taurus 24:36:51, Bal. Dasa: Mercury 0 Y, 0 M, 24 D

Longevity of Presidency
The 1st, 3rd and 8th cuspal sub lord (CSL) Rahu is in house 4 and the significator of houses 1,3,8 by being their CSL having no planet in Rahu's stars. Rahu is conjoined with Jupiter in house 4, lord of 8,11, aspected by Saturn in 6, lord of houses 9,10, and in the sign of Leo representing Sun in house 10, lord of 4. Rahu is in the star and sub of Sun. The Maraka, Badhaka, 6, 8th signification indicates short life of presidency up to two and half years.

The opposing Moon from house 7, 7th and 12th lord Mars and Badhaka 9th lord Saturn from house 7 to Lagna, and Lagna lord Venus aspected by Mars and 8th lord Jupiter also confirms short life of presidency.
However the 5-year compressed Vimshottari Dasas Ketu to Jupiter are favorable for success of the Government. So there would be change of president only and the Government could be successful for the full term of 5 years.
According to President U Htin Kyaw's birth chart, as attached, his presidency is expected to end during his Mars Dasa- Saturn Bhukti starting September 26, 2018. Also as per the attached birth chart of the election winning NLD leader Daw Aung San Suu Kyi, her running Mercury Dasa- Saturn Bhukti starting April 6, 2018 would be favorable to take over the Presidency from U Htin Kyaw.

Finance and Economy
The 2nd CSL lord Mars is in house 6, lord of houses 8,12, and the CSL of house 2 having no planet in its stars. Mars is in the star of Saturn in house 6, lord of houses 9,10, and in sub of Rahu signifying houses 1,6,8,10,11. The 2, 6, 11th signification indicates getting sufficient financial resources for economic development, along with mixed results of some disappointments and failures shown by the 8, 12th signification.

Authority
The 10th CSL Mercury is in house 11, lord of houses 2,5, in the star of own and in sub of Moon in house 7, lord of house 3. The same as running Mars Dasa of President U Htin Kyaw, here also the 10th signification for power is missing in the swearing-in chart.

Coalition Partners
The 7th CSL Rahu's signification of 6, 10, 11th houses denote successful coalition with political partners but with some unavoidable problems as shown by 4, 8th signification.

Judiciary and Religious Matters

The 9th CSL Jupiter is in house 4, lord of houses 8,11, in the star of Venus in house 10, lord of houses 1,6, and in sub of own. The 6,10, 11th signification shows success in these areas along with some difficulties and disappointments by the 4, 8th signification.

International Relations

The 11th CSL Jupiter's 6, 10, 11th signification indicates success international relations along with some obstacles by the 8th signification.

Conclusion

Astrologically the new Government would be successful to survive the 5-year full term, and the NLD party leader Daw Aung Sun Suu Kyi could be able to take over the Presidency form U Htin Kyaw in the second half of 2018.

Question: Will Jay Lalita come in power again in Tamil Nadu (TN) assembly election, on 16th May 2016?
Number: 102 (out of 249)
Date of Judgment: 15-03-2016, Tuesday; Time of Judgment: 11:32:59 AM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha: 23^0.59'.35" Dasa days: 365.25

Note: https://en.wikipedia.org/wiki/Tamil_Nadu_Legislative_Assembly_election,_2016

A legislative assembly election will be held on 16 May 2016 for the 234 seats of the Legislative Assembly in the state of Tamil Nadu in India. In the previous election in 2011, the AIADMK, under the leadership of Jayalalithaa, won a majority and formed the government.

I have predicted 89 advance prediction by bellow my rules and get 63 correct means it is 71.59% and not 50-50 in election prediction at all as some KP astrologer has bays about this rule. This is first time in history of KP astrology that someone doing 89 advance prediction by using any one rule.

Hint:
If 10th (one's position in politics) cusp csub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal Sub lord for Jay Lalita:
10th Cusp (Taurus 26^0.40'.32"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 1 owner of 5-8. Star lord Venus is occupant of 6 owner of 3-10. Sub lord Saturn is occupant of 3 owner of 6-7. Thus 10th cusp sub lord Jupiter is the significator of 6-3-10 and connected with 1-5-8-6-3-10. Hence, the wining in election is sure.

Cuspal Sub lord for opponent:
10th Cusp (Scorpio 26^0.40'.32"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 7 owner of 2-11. Star lord Venus is occupant of 12 owner of 4-9. Sub lord Saturn is occupant of 9 owner of 1-12. Thus 10th cusp sub lord Jupiter is the significator of 12-4-9 and connected with 7-11-2-9-1-12. Hence, the wining in election is sure.

Joint period for Jay Lalita:
On the day of election, (16th May 2016) the running joint period dasa is Mars-Rahu-Venus-Jupiter.

Dasa lord Mars is in the star of Saturn and sub of Venus. Mars is occupant of 3 owner of 4-9. Star lord Saturn is occupant of 3, owner of 6-7. Sub lord Venus is occupant of 6 owner

On 14th August 2015, one Mr. V.R. MANI known to me telephoned and asked me whether it is possible to know the condition of his father's health from his natal chart (already erected on 4-8-2014).I said yes. And then he continued and requested me to inform him, whether and when his father, who has been admitted into the hospital for heart surgery, will be discharged, safely and in good condition.

I got the natal chart of Mr. V.R Mani and rotated the same for his father, treating 9th house as his father's lagan. The rotated chart is attached. The birth details are furnished here under.

NAME- V.R.MANI/ DOB—11 DEC 1980/ TOB-7-53-45 A.M/ POB- SECUNDERABAD (TELANGANA)/

ANALYSIS OF THE ROTATED CHART--

6TH CUSP--- 6th cusp from Leo falls in Capricorn sign- with SATURN SGL--MOON STL-JUPITER SBL.

The sub lord Jupiter co rules 3rd-negative to 4th-heart, 6th- disease of the heart, 9th-badhaka sthana for LEO signifying physical and health problems.

Jupiter is placed in Lagna cusp as 5th- recovery and 8th lord- seriousness and problematic in nature.

Jupiter is in Moon star, lord of 12th placed in 5th cusp. Jupiter is in its own sub.

Thus the 6th cusp lord JUPITER signifies 3,6,9,as co ruler, at star lord level signifies -1-native and lagna,5- recovery by treatment, 8th- surgery and suffering, and 12- hospitalization, and at Sub level it signifies 1, 5,and 8th houses.

So the native is destined to suffer due to heart attack, seriousness of the problem, hospitalization and surgery, treatment, cure and recovery.

The dasa lord is Rahu (up to July 2017) signifies 4-home and heart, 3- negative to 4th heart, 10- experiencing the physical suffering due to past karma, 8th - suffering due to heart surgery (Mars in 5th aspects 8th), 12th - hospitalization, and 11th - recovery by treatment. Rahu represents Mars as it aspects Rahu.

The bhukthi lord is Moon (from 7 Jan 2015 to 7 July 2016), signifies 1, 4, 5, and 12 at its Star level, and 2, and 11 at its Sub lord level.

The anthara lord is Jupiter (16 June 2015 to 28 august 2015), signifies 1, 5, 8, and 12 at its star level, and at its sub lord level it signifies 1, 5 and 8.

Sun will be transiting in Moon sign on Jupiter star from 16/7 to 20/7.

So I informed him that his father would have heart surgery and return home safely after the treatment after 17 th August and before 28 August 2015.

FACTS OF THE CASE ARE: The father of the native was discharged on 20 august 2015 and returned home safely. This has been informed by the querist.

Vijay Mallya says he didn't flee from India
Liquor baron Vijay Mallya, who owes crores of rupees to more than a dozen banks and is wanted by the Enforecement Directorate for money laundering, today said that he is not an absconder and he did not flee India.

"I am an international businessman. I travel to and from India frequently. I did not flee from India and neither am I an absconder. Rubbish," Mallya tweeted.

In a series of tweets, business tycoon Mallya defended his actions by saying that as a businessman he need to travel frequently.

The business tycoon said as an Indian MP he fully respects and will comply with the law of the land. "As an Indian MP I fully respect and will comply with the law of the land. Our judicial system is sound and respected. But no trial by media."

"News reports that I must declare my assets. Does that mean that Banks did not know my assets or look at my Parliamentary disclosures?"

"Let media bosses not forget help, favours,accommodation that I have provided over several years which are documented. Now lies to gain TRP?", he tweeted.

The former Kingfisher Airlines boss owes the banks, represented by Attorney General Mukul Rohatgi, a whopping Rs 9,000 crore.

Modi govt allowed Mallya to escape, says Rahul; Cong gave loans, Jaitley hits back

cusp; 5) Runaway person is 7th cusp.
1) If 6th CSL (police) signifies 1 (self effort), and 11(success), police can be able to arrest a runaway person in the DBA of 1,11 significators.
2) If 11th CSL (court order) signifies 6 (victory on enemy), 11 (success) during DBA of 6, 11, one can be arrested by police on court order.
3) If 7th CSL signifies 5 (gain to opponent), 10th (4th from 7th come back home), 6th (12th from 7th – lost of reputation) during DBA of 5,6,10, one can be arrested by police on court order.
In this case Mr. Vijay Mallya is out of country, hence the 3rd rule is used as follows.

Arrest a person:
3) If 7th CSL signifies 5 (gain to opponent), 10th (4th -from 7th come back home), 6th (12th from 7th –lost reputation) during DBA of 5,6,10, one can be arrested by police on court order.
Horary No: 188/249
Question: Will Mr. Vijay Mallya be arrested? If so, when?
Date: 11/03/2016
Time: 15:02:06
Place: Bapunagar- Ahmedabad 23 N 01, 72 E 38
Aynamsha: 23.59.34
Analysis:
7th cusp sub lord is Sun. Sun is in 2, lord of 8, in the star of Jupiter in 8, lord of 1-3-12, and in the sub of Venus in 2, lord of 5-10. 7th cusp sub lord signifies 5, 10 and so it indicates Mr, Vijay Mallya will be arrested on court order by police.

When?
Rulling Planets:
Day lord: Venus
Asc: Moon-Saturn-Ketu
Moon: Jupiter-Mercury-Saturn
Moon in Satrun sub, hence Punaphoo yoga

Running Dasa is Mercury. Mercury dasa end on 09-08-2016. Due to Punaphoo yoga leave Mercury Dasa.

Next consider Ketu dasa from 09-08-2016 to 09-08-2023
Ketu in 2, Ketu is agent of sun Venus and Mercury. Sun in 2, lord of 8, Mercury in 2, lord of 6-7-9, Venus in 2, lord of 5-10. Star lord Jupiter in 8, lord of 1-3-12. sub lord Venus in 2, lord of 5-10. Ketu signifies 5,6,10 and it is also in the ruling planets

In Ketu dasa second bhukti will be Bhukti is Venus from 05-01-2017 to 07-03-2018. Venus is in 2, lord of 5-10; in the star of Mars is in 11, lord of 4-11; and in the sub of Venus in 2, lord of 5-10. Venus signifies 5,10 and it is also in the ruling planets.

For Antra I Select Moon Antara from 7/4/2017 to 13/5/2017.

Moon is in 3, No planet in the star of Moon and Moon is cusp sub lord 3-12; in the star of Mercury is in 2, lord of 6-7-9; and in the sub of Saturn in 11, lord of 2. Moon signifies 6 and it is also in the ruling planets.

My Opinion:
Mr. Vijay Mallya would be arrested on court order by police during 7/4/2017 to 13/5/2017.

Question: Any chance for Left Democratic Front (LDF) as show in opinion poll in Kerala assembly election, on 16th May 2016?
Number: 116 (out of 249)
Date of Judgment: 15-03-2016, Tuesday; Time of Judgment: 12:43:38 PM IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'

Note: https://en.wikipedia.org/wiki/Kerala_Legislative_Assembly_election,_2016

The fourteenth legislative assembly election will be held on May 16, 2016 to elect members of the 140 constituencies in Kerala.
There are 2 major political coalitions in Kerala. The United Democratic Front (UDF) is the coalition of parties led by the Indian National Congress. The Left Democratic Front (LDF) is the coalition of mainly the leftist parties, led by Communist Party of India (Marxist) (CPI-M).

Opinion polls

When conducted	Polling org/Agency	Sample size	UDF	LDF	NDA
February 2016	C-FORE for Asianet News	15778 voters	55-60	77-82	3-5
March 2016	India TV - C Voters	Na	49	89	2

I have predicted 89 advance prediction by bellow my rules and get 63 correct means it is 71.59% and not 50-50 in election prediction at all as some KP astrologer has bays about this rule. This is first time in history of KP astrology that someone doing 89 advance prediction by using any one rule.

Hint:
If 10th (one's position in politics) cusp lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal Sub lord for LDF:
10th Cusp (Gemini 16°.38'.02"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 12 owner of 4-7. Star lord Venus is occupant of 5 owner of 2-9. Sub lord Saturn is occupant of 3 owner of 5-6. Thus 10th cusp sub lord Jupiter is the significator of 5-2-9 and connected with 12-4-7-3-5-6. Hence, the wining in election is sure.

Cuspal Sub lord for opponent:
10th Cusp (Sagittarius 16°.38'.02"): The sub lord of the 10th cusp is Sun. Sun is in the star of Jupiter and sub of Mars. Sun is occupant of 12 owner of 6. Star lord Jupiter is occupant of 6 owner of 1-10. Sub lord Mars is occupant of 8 owner of 2-9. Thus 10th cusp sub lord Sun is the significator of 6-1-10 and connected with 12-6-8-2-9. Hence, the wining in election is sure.

Joint period for LDF:
On the day of election, (16th May 2016) the running joint period dasa is Mars- Jupiter - Jupiter -Sun.

Dasa lord Mars is in the star of Saturn and sub of Venus. Mars is occupant of 2 owner of 3-8. Star lord Saturn is occupant of 3, owner of 5-6. Sub lord Venus is occupant of 5 owner of 2-9 Thus dasa lord Mars is the significator of 3-5-6 and connected with 2-3-8-5-2-9. Hence, the wining in election is sure.

Bhukti-Antra lord Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 12 owner of 4-7. Star lord Venus is occupant of 5 owner of 2-9. Sub lord Saturn is occupant of 3 owner of 5-6. Thus Bhukti-Antra lord Jupiter is the significator of 5-2-9 and connected with 12-4-7-3-5-6. Hence, the wining in election is sure.

Sookshma lord Sun is in the star of Jupiter and sub of Mars. Sun is occupant of 6, owner of 12. Star lord Jupiter is occupant of 12 owner of 4-7. Sub lord Mars is occupant of 2, owner of 3-8. Sookshma dasa lord Sun is the significator of 12-4-7 and connected with 6-12-2-3-8. Hence, the wining in election is sure.

Joint period for opponent:
On the day of election, (16th May 2016) the running joint period dasa is Mars- Jupiter - Jupiter -Sun.

Dasa lord Mars is in the star of Saturn and sub of Venus. Mars is occupant of 8 owner of 2-9. Star lord Saturn is occupant of 9, owner of 11-12. Sub lord Venus is occupant of 11 owner of 3-8 Thus dasa lord Mars is the significator of 9-11-12 and connected with 8-2-9-11-3-8. Hence, the wining in election is sure.

Bhukti-Antra lord Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 6 owner of 1-10. Star lord Venus is occupant of 11 owner of 3-8. Sub lord Saturn is occupant of 9 owner of 11-12 Thus Bhukti-Antra lord Jupiter is the significator of 11-3-8 and connected with 6-1-10-9-11-12. Hence, the wining in election is sure.

Sookshma lord Sun is in the star of Jupiter and sub of Mars. Sun is occupant of 12, owner of 6. Star lord Jupiter is occupant of 6 owner of 1-10. Sub lord Mars is occupant of 8, owner of 2-9. Sookshma dasa lord Sun is the significator of 6-1-10 and connected with 12-6-8-2-9. Hence, the wining in election is sure.

My opinion: 10th sub lord for LDF indicate 3 and for opponent it is 10. In Bhukti-Antra of LDF indicate only 3 and for opponent 3-10-11, thus no chance for LDF to win this election.

Four years ago, my family was approached by mayank's family for marriage, but since both parties didn't get satisfactory answers to each other's will, the conversation broke up. For a few while, they talked and the result was same all the time. During all this while both his family and mine searched life partners for their children, but all in vain. His family met me, but still they weren't much happy with me. Again, there were talks now, all I want to know is he the guy I will be married to? I have read your articles and seeing the surprising result of KP theory, I, out of curiosity, wanted to the answer to my question.

Question: Will I get married to Mayank Pandey?
Horary No.: 5/249
Date of judgment: 12.12.2015; Time of judgment: 11.14.41 AM
Place of judgment: Mathura (77-41, 27-28)

RP details:
Asc.: Aquarius; Asc. sign lord: Saturn; Asc. star lord: Mars
Moon sign lord: Jupiter; Moon star lord: Ketu;
Day lord: Saturn
Ruling planets are: Mars, Saturn, Ketu and Jupiter

Hints:
If the horary number is same with lagan or Moon star, event will be the take place. According to an event we will move Lagan, Moon, Sun or Jupiter. For an event occurring the same day we move Lagna, for an event occurring within a month, we move moon, for an event occurring within a year, we move sun and for any event occurring after a year, we move Jupiter.

Analysis:
The Horary No. I received from the querent, its lord is Mars, so it's a fast moving planet. Hence, it is better to move Sun to confirm the happening of the event. Horary no. lord Mars is Asc star lord in the ruling planets chart also, so the marriage will take place and that too with this same man. Now, we have to see when the marriage will take place.

At the time of judgment Sun was in Scorpio (25.52.27) sign, star of Mercury and sub of Rahu. As discussed above, this is a fixed sign, so the marriage will not take place in first or second step. That is why, we took Sagittarius sign, its lord Jupiter is in our RP, but will have to leave it, because event will not take place in first step. Next signs are Capricorn and Aquarius, whose lord is Saturn. Saturn is also in our RP, but as stated before the event will occur in third step, so we will leave these two signs as well. Although, Saturn is Asc lord, so when Sun will transit through Aquarius sign, then marriage related functions may take place like engagement, tika, pakki etc.

Now next sign is Pisces, so is there any possibility that marriage will take place when sun will transit in this sign? its possible, but we will not take this sign, as we had already left its lord's first sign ,i.e., Sagittarius. When we left its first sign, then how can we take its second sign.

Now next sign is Aries. When sun will transit in this sign, then the matter may be considered again. Lord of Aries is in our ruling planets. Its first star lord is Ketu, which is in our ruling planets. So it is decided that marriage when the sun is in Aries sign and in star of Ketu. Now let us see that on which day marriage will take place. Ketu's first sub lord is Ketu itself, which we have taken as star lord. Next sub lord is Venus, which is not in our ruling planets. Next sub lord Sun and Moon are not in ruling planets. Next sub lord is Mars which we have already taken as sign lord. Rahu is not in our ruling planets, than comes Jupiter and Saturn.

My opinion:
on the day of star of Jupiter or Saturn the marriage is possible to take place. That means when sun will be in the star of Ketu and in the sub of either Jupiter or Saturn than marriage will take place. Sun will enter in Aries sign from 14 April 2016 to 27 April 2016. During this period marriage should take place.

Outcome:
On 4 Jan.2016 Mayank's mother rang up and asked my parents to visit on 6 Jan. 2016 to decide the events or functions of marriage. On 24 Feb.2016. Faldaan Ceremony, on 27 Feb.2016. Engagement Ceremony, 18 April Tilak Ceremony, 21 April 2016 is marriage Ceremony was decided

On 24 Feb. 2016 Faldaan Ceremony. On that day Sun will be in Aquarius sign and sub of Saturn. This means Saturn played its role. On 27 Feb 2016 engagement ceremony took place on this day Moon was in the star of Mars and its in our RP too and on 21 April 2016 marriage will be celebrated on that day Sun will be in Aries sign and in the star of Ketu. Fera will place after mid night, so at that time Sun will be in the sub of Jupiter and moon would be transiting in the star of Mars.

Heartiest greetings to lord Ganesha, Dada Guru sri K.S.K. Ji and My Dada Guru Ji Eng. Ravindra Nath Chaturvedi Ji.

Question: Will BJP come in power first time in Assam assembly election, on 4th April 2016 as show in opinion poll?
Number: 152 (out of 249)
Date of Judgment: 18-03-2016, Friday; Time of Judgment: 11:40:41 AM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'

Note: https://en.wikipedia.org/wiki/Assam_Legislative_Assembly_election,_2016

The legislative assembly election will be held in two phases on April 4 and 11 2016 to elect members of the 126 constituencies in Assam.

Opinion polls

When conducted	Polling org/Agency	Sample size	INC	BJP+	AIUDF	Other
Oct'15- Dec'15	Leadtech-infoelections	2151	36	61	26	3
March 2016	India TV-C-Voter	n/a	44	57	19	6

I have predicted 89 advance prediction by bellow my rules and get 63 correct means it is 71.59% and not 50-50 in election prediction at all as some KP astrologer has bays about this rule. This is first time in history of KP astrology that someone doing 89 advance prediction by using any one rule.

Hint:
If 10th (one's position in politics) cusp csub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal Sub lord for BJP:
10th Cusp (Leo13°.30'.10"): The sub lord of the 10th cusp is Venus. Venus is in the star of Rahu and sub of Mercury. Venus is occupant of 4 owner of 7-12. Star lord Rahu is occupant of 10. Rahu is conjoined with Jupiter. Jupiter is occupant of 10 owner of 2-5. Sub lord Mercury is occupant of 4 owner of 8-10. Thus 10th cusp sub lord Venus is the significator of 10-2-5 and connected with 4-7-12-4-8-10. Hence, the wining in election is sure.

Cuspal Sub lord for opponent:
10th Cusp (Aquarius 13°.30'.10"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Jupiter and sub of Venus. Mercury is occupant of 10 owner of 2-3. Star lord Jupiter is occupant of 4 owner of 8-11. Sub lord Venus is occupant of 10 owner of 1-6. Thus 10th cusp sub lord Mercury is the significator of 4-8-11 and connected with 10-2-3-1-6. Hence, the wining in election is sure.

Joint period for BJP:
On the day of election, (4th April 2016) the running joint period dasa is Saturn-Saturn-Rahu -Moon.

Dasa-Bhukti lord Saturn is in the star of Mercury and sub of Moon. Saturn is occupant of 1 owner of 3-4. Star lord Mercury is occupant of 4 owner of 8-11. Sub lord Moon is occupant of 8 owner of 9. No planet in the star of Moon and Moon is CSL of 3. Thus dasa-bhukti lord Saturn is the significator of 4-8-11 and connected with 1-3-4-8-9. Hence, the wining in election is sure.

Antra lord Rahu is in the star of Sun and sub of Moon. Rahu is occupant of 10. Rahu is conjoined with Jupiter. Jupiter is occupant of 10 owner of 2-5. Star lord Sun is occupant of 4 owner of 10. Sub lord Moon is occupant of 8 owner of 9. No planet in the star of Moon and Moon is CSL of 3. Thus antra lord Rahu is the significator of 4-10 and connected with 10-2-5-8-9-3. Hence, the wining in election is sure.

Sookshma lord Moon is in the star and sub of Saturn. Moon is occupant of 8 owner of 9. No planet in the star of Moon and Moon is CSL of 3. Star and sub lord Saturn is occupant of 1 owner of 3-4. Thus Sookshma lord Moon is the significator of 1-3-4 and connected with 8-9-3-1-4. Hence, the wining in election is sure.

Joint period for opponent:

On the day of election, (4th April 2016) the running joint period dasa is Saturn-Saturn-Rahu -Moon.

Dasa-Bhukti lord Saturn is in the star of Mercury and sub of Moon. Saturn is occupant of 7 owner of 9-10. Star lord Mercury is occupant of 10 owner of 2-5. Sub lord Moon is occupant of 2 owner of 3. No planet in the star of Moon and Moon is CSL of 9. Thus dasa-bhukti lord Saturn is the significator of 10-2-5 and connected with 7-9-10-2-3. Hence, the wining in election is sure.

Antra lord Rahu is in the star of Sun and sub of Moon. Rahu is occupant of 4. Rahu is conjoined with Jupiter. Jupiter is occupant of 4 owner of 8-11. Star lord Sun is occupant of 10 owner of 4. Sub lord Moon is occupant of 2 owner of 3. No planet in the star of Moon and Moon is CSL of 9. Thus antra lord Rahu is the significator of 4-10 and connected with 4-8-11-2-3-9. Hence, the wining in election is sure.

Sookshma lord Moon is in the star and sub of Saturn. Moon is occupant of 2 owner of 3. No planet in the star of Moon and Moon is CSL of 9. Star and sub lord Saturn is occupant of 7 owner of 9-10. Thus Sookshma lord Moon is the significator of 7-9-10 and connected with 2 -3-9-7-10. Hence, the wining in election is sure.

My opinion: 10th sub lord for BJP indicate 10 and for opponent it is 3-10. In Antra dasa BJP indicate 3-10 and for opponent 3-10-11. In Sookshma dasa BJP indicate 3 and for opponent 3-10, thus this is close fight but BJP will not win this election.

Lady Gaga
By the time Lady Gaga celebrates her 30th birthday on March 28, 2016 after her first Saturn return, she appears a different person as seen at the 2016 Oscar night.

And eh, there's nothing else I can say
Eh eh, eh eh
There's nothing else I can say
Eh eh, eh eh
I wish you'd never looked at me that way
Eh eh, eh eh
There's nothing else I can say
Eh eh, eh eh

What makes her a famous singer?
The 2nd house is associated with singing, the 5th house is connected with artistic performance and the 10th house is related to profession. In her birth chart Venus occupies 5th house. Both Venus as well as the 5th house is related to glamour, acting and show business. Her 2nd lord is Jupiter, lord of 2nd and 5th houses. 2nd cuspal sub lord Mercury is lord of 8th and 11th houses, in the star of Jupiter, lord of 2nd and 5th houses, and in sub of own. These 2, 5, 8 and 11th houses indicate success (11) in singing (2,5) to gain money (2) from others (8). Jupiter expands on Mercury's qualities by conjunction in the artist sign of Aquarius

house, which indicates an artistic career, with Rahu's depositor Mars in the 1st as Ascendant and 6th (work) lord. Mars conjunct by Neptune combines energy or passion with fantasy or imagination, and they make her a good artist or singer.
At the age of 14 years during the sub-period of Mercury Bhukti in the main period of Saturn Dasa (Sa-Me) she held her first performance in a New York nightclub. In her chart Saturn is in the sub of Jupiter governing the 2nd house of singing and 5th house of performance (surprise surprise), and 11th (gain, success) lord Mercury is in the constellation of Jupiter.

Fame and Commercial Success
With global album and single sales of 27 million and 146 million respectively, as of January 2016, Lady Gaga is one of the best-selling musicians of all time. Her achievements include 12 Guinness World Records, six Grammy Awards, and a Songwriters Hall of Fame's Contemporary Icon Award—first artist ever to win.
She has earned greater fame and wealth during the Saturn and Mercury main Dasa periods. While Saturn signifies 1 (self effort), 2 (singing, money), 3 (ability, being busy) and 5th (artistic performance, having fun, doing exciting things) in consideration of up to the sub level, Mercury is connected with 2, 3, 5, 8 (others' money) and 11th (gain, success) houses.
What Makes her so Hot?
She is popular for her sexy clips and kissing scenes. Her Ascendant falls in the very intense, mysterious, and sexual sign of Scorpio. In her birth chart Venus as lord of the 7th and 12th houses occupies 5th house, the zodiac sign Aries of Mars (energy, courage) which occupies her ascendant. Venus and the houses 5th, 7th and 12th are connected with sexual instinct and sexual performance. Placement of Venus in Aries adds zest to her sexual instinct.
Her ascendant lord Mars-Neptune conjunction indicates the harder she tries the stranger the result, and this combo and Uranus are around her ascendant, since she was perceived as someone with masculine traits (Mars) and her public persona is a shape-shifter (Neptune) and eccentric to the extreme (Uranus). Saturn-Uranus conjunction in the 1st house blends the old with the new, the traditional with the modern.

Happy birthday, Good luck!

Question: Will Tirn Mool Congress (TMC) come in powner again in West Bengal (WB) assembly election, on 4th April 2016?
Number: 241 (out of 249)
Date of Judgment: 14-03-2016, Monday; Time of Judgment: 13:49:09 PM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha: 23^0.59'.35" Dasa days: 365.25

Note: Election in West Bengal (WB) declare on 04-04-2016. Total seats in WB Vidhan Sabha are 294. In last 2011 election, Tirn Mool Congress (TMC) won this election.

I have predicted 89 advance prediction by bellow my rules and get 63 correct means it is 71.59% and not 50-50 in election prediction at all as some KP astrologer has bays about this rule. This is first time in history of KP astrology that someone doing 89 advance prediction by using any one rule.

Hint:
If 10th (one's position in politics) cusp csub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of the significators of 3, 10, 11, then success is assured.

Cuspal Sub lord for TMC:
10th Cusp (Sagittarius 13^0.21'.32"): The sub lord of the 10th cusp is Venus. Venus is in the star and sub of Rahu. Venus is occupant of 12 owner of 3-8. Star and Sub lord Rahu is occupant of 6. Rahu is conjoined with Jupiter. Jupiter is occupant of 6 owner of 1-10. Thus 10th cusp sub lord Venus is the significator of 6-1-10 and connected with 12-3-8-6-1-10. Hence, the wining in election is sure.

Cuspal Sub lord for opponent:
10th Cusp (Gemini 13^0.21'.32"): The sub lord of the 10th cusp is Mercury. Mercury is in the star and sub of Jupiter. Mercury is occupant of 6 owner of 1-10. Star and sub lord Jupiter is occupant of 12 owner of 4-7. Thus 10th cusp sub lord Mercury is the significator of 12-4-7 and connected with 6-1-10-12-4-7. Hence, the wining in election is sure.

Joint period for TMC:
On the day of election, (4th April 2016) the running joint period dasa is Moon-Rahu-Saturn-Jupiter.

Dasa lord Moon is in the star of own and sub of Rahu. Moon is occupant of 2 owner of 5. Sub lord Rahu is occupant of 6. Rahu is conjoined with Jupiter. Jupiter is occupant of 6 owner of 1-10. Thus dasa lord Moon is the significator of 2-5 and connected with 2-5-6-1-10. Hence, the wining in election is sure.

Bhukti lord Rahu is in the star of Sun and sub of Moon. Rahu is occupant of 6. Rahu is conjoined with Jupiter. Jupiter is occupant of 6 owner of 1-10. Star lord Sun is occupant of 12 owner of 6. Sub lord Moon is occupant of 2 owner of 5. Thus bhukti lord Rahu is the significator of 12-6 and connected with 6-1-10-2-5. Hence, the wining in election is sure.

Antra lord Saturn is in the star of Mercury and sub of Moon. Saturn is occupant of 9 owner of 11-12. Star lord Mercury is occupant of 12, owner of 4-7. Sub lord Moon is occupant of 2, owner of 5. Thus antra lord Saturn is the significator of 12-4-7 and connected with 9-11-12-2-5. Hence, the wining in election is sure.

Sookshma lord Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 6, owner of 1-10. Star lord Venus is occupant of 12 owner of 3-8. Sub lord Saturn is occupant of 9 owner of 11-12. Thus Sookshma dasa lord Jupiter is the significator of 12-3-8 and connected with 6-1-10-9-11-12. Hence, the wining in election is sure.

Joint period for opponent:

On the day of election, (4th April 2016) the running joint period dasa is Moon-Rahu-Saturn-Jupiter.

Dasa lord Moon is in the star of own and sub of Rahu. Moon is occupant of 8 owner of 11. Sub lord Rahu is occupant of 12. Rahu is conjoined with Jupiter. Jupiter is occupant of 12 owner of 4-7. Thus dasa lord Moon is the significator of 8-11 and connected with 8-11-12-4-7. Hence, the wining in election is sure.

Bhukti lord Rahu is in the star of Sun and sub of Moon. Rahu is occupant of 12. Rahu is conjoined with Jupiter. Jupiter is occupant of 12 owner of 4-7. Star lord Sun is occupant of 6 owner of 12. Sub lord Moon is occupant of 8 owner of 11. Thus bhukti lord Rahu is the significator of 12-6 and connected with 12-7-4-8-11. Hence, the wining in election is sure.

Antra lord Saturn is in the star of Mercury and sub of Moon. Saturn is occupant of 3 owner of 5-6. Star lord Mercury is occupant of 6, owner of 1-10. Sub lord Moon is occupant of 8, owner of 11. Thus antra lord Saturn is the significator of 6-10-1 and connected with 3-5-6-8-11. Hence, the wining in election is sure.

Sookshma lord Jupiter is in the star of Venus and sub of Saturn. Jupiter is occupant of 12, owner of 4-7. Star lord Venus is occupant of 6 owner of 2-9. Sub lord Saturn is occupant of 3 owner of 5-6. Thus Sookshma dasa lord Jupiter is the significator of 6-9-2 and connected with 12-7-4-3-5-6. Hence, the wining in election is sure.

My opinion: 10th sub lord for TMC indicate 3-10 and for opponent it is 10 only. In Sookshma dasa TMC indicate 3-10-11 and for opponent only 3, thus this is close fight but TMC will win this election.

Bhuktinath is Moon i.e. neither common effective significator planet nor connected to 2, 7 and 11 so it is left. It will remain from 25.12.13 to 26.6.15.

Next Bhuktinath is Mars that goes up to 13.7.16 and it is also last Bhukti of Dashanath Rahu. Therefore, marriage is promised during Bhukti of Mars.

Running Antar is left which is not common effective significator. Rahu and Mars are already selected. Now we have only two options for selecting most suitable Antar which are common effective significator, between Mercury (4.1.16 to 27.2.16) and Sun (23.5.16 to 12.6.16).Sun is left because it is also an effective class A significator of 6 i.e. 12th to 7th cusp. Mercury is selected because it is effective class A significator of 7th cusp. So, we can say in conclusion that marriage is promised during Mercury Antar i.e. 4.1.16 to 27.2.16. Prediction came true as Marriage was held on 17th January, 2016

Case 2
Male: Ashu
Date, time and place of birth: 18.6.85, 13:05 at Bonli, Sawai Madhopur, Rajasthan

Date, time and place of judgement: 17.7.15, time 22.48.15, Jaipur, Gopalpura in Rajasthan. Analysis of 7th Cusp: Mars is sub of 7th cusp which occupies 10 and owns 3 and 8. Rahu is in star of Mars and Saturn which is in sub of Mars. There is no planet in the star of Saturn. Rahu represents Venus. Rahu occupies 8 and Venus owns 2 and 9. Saturn occupies 2 and owns 5, 6. Saturn is strongly connected to 2, 8 and 10. Thus, 7th cusp is connected to only 2. That means marriage is sure but with substantial delay due to indication of 8. Presently, Native is already running in his 30's which is a proof for assumption.

Significators Planets of 2, 7 and 11

Cusp	Planet in occupant star	occupant	Planet in Owner star	House owner
2		Saturn, Ketu	Venus, Rahu	Venus
7	-	-	Saturn, Ketu	Jupiter
11	-	-	Jupiter	Moon

Significator planets are Saturn, Venus, Jupiter, Moon Rahu and Ketu.
Ruling planets at the time of Judgement on17.7.15, at 22.48.15 in Jaipur, Gopalpura, Rajasthan
Ascendant signlord: Jupiter
Ascendant starlord: Saturn
Moon signlord: Moon
Moon starlord: Mercury
Daylord: Venus

Rahu represents Mars which is not RP so Rahu will not be considered as RP. Ketu represents Jupiter i.e. RP, so Ketu will be considered as RP. Thus RPs are Jupiter, Saturn, Moon, Mercury, Venus and Ketu. Common effective significators planets are Jupiter, Saturn, Moon, Venus and Ketu.

Running Dasha on 17.7.15 (date of judgement)
Dasha of Jupiter (4.4.06 to 4.4.22): Jupiter is common effective planet so during dasha of Jupiter, marriage is sure.

Bhukti of Venus (15.2.14 to 16.10.16): Venus is also common effective significator planet. Marriage is sure between before 16.10.16

Running Antar is Jupiter (25.6.15 to 2.11.15) Jupiter is already selected as Dashanath so it's left.

Next Antar is of Saturn i.e. from 2.11.15 to 5.4.16
Marriage is Sure between this period.
Outcome: Marriage of Native was fixed for 10th March 2016.
Prediction came true, although this is the period of Sukshma Rahu which is not a common planet. Therefore, I have observed that Sukshma Rahu planet may be karak planet but by continuous research this observation may be used with more clarity, still then, readers may also comment to find most suitable sukshma planet for predictions.

Question: When Vijay Malliya return to India?
Number: 135 (out of 249);
Date of Judgment: 18-03-2016, Friday; Time of Judgment: 12:42:26 PM IST
Place of Judgment: Kankariya-Ahmedabad Long/Lat: 23^0 N 00'; 72^0 E 36'
Ayanamsha: 23^0.59'.35" Dasa Days: 365.25

Hints
If the cuspal sub lord of the 11^{th} be the significator (in the star of the occupant or owner) of 2, 8 and 11 return to home is promised during the joint period of the significators of 2, 8 and 11.
Cuspal Sub Lord

11th Cusp. (Leo 18^0.46'.33"): 11^{th} sub lord is Rahu. Rahu is in the star of Sun and sub of Moon. Rahu is occupant of 11. Rahu is conjoined Jupiter. Jupiter is occupant of 11, owner of 3-6. Star lord Sun is occupant of 5, owner of 11. Sub lord Moon is occupant of 9, owner of 10. No planet in the star of Moon and Moon is CSL of 5. Thus 11^{th} sub lord Rahu is the significator of the 5-11 and connected with 11-3-6-9-10-5. Hence back to India is sure.

Ruling planets

	Day lord	Sign lord	Star lord	sub lord
Day. Friday	Venus	—	—	—
RP Ascendant: Gemini 12^0.53'.41"	—	Mercury	Rahu	Mercury

+ These planets do not have any planets in their stars.

Antra lord Mercury end on 18-04-2016. Next bhukti of Ketu from 18-04-2016 to 24-06-2016. Due to Punarphoo yoga, I consider next Venus antra from 24-06-2016 to 05-12-2016.

For Sookshma lord I consider Mercury, as repeat three time in RP. Mercury Sookshma from 02-11-2016 to 25-11-2016. We have discuss about Mercury above.

My opinion: Vijay Malliya come back to India during 02-11-2016 to 25-11-2016.

Questions & Answers

Question 1: Ccriticism of KP

An Article by Mr. Raghunath questioning the basis of KP System and Stellar Astrology is enclosed here with .This is aimed at more advanced people in Stellar Astrology. If it is wished to reply to Mr. Raghunath, his email address is also there in it. This article was published in ACVA Journal and a Vedic Astrologer has forwarded it to me. I am just forwarding it to please go through it.

Anaswer 2:

For the readers' information the link for the referred article of 1998 by T.R. Raghunath is given below:

Does Krishnamurti Padhdhati Rest On a Mistake? T.R...
www.acvaonline.org/library/42raghunath.pdf

and the link for another article of 1996 by the same author is as follows:

Krishnamurti Padhdhati: A New System of Vedic ...
acvaonline.org/library/22raghunath.pdf

These two articles were published in the American Council of Vedic Astrology - ACVA Journal. The ACVA is the brain child of Dr. B.V. Raman and was established in November of 1993 with his blessing.

Regarding criticism of KP, Sri KP Kupu Ganapathi, direct disciple of Prof. K.S. Krishnamurti, said on December 5, 2005:

"*As a matter of fact when our GREATR GURUJI invented his Theory, the great Mr. B. V. Raman himself ridiculed our GREAT GURUJI through his writings in his ASTROLOGICAL MAGAZENE which our GREATR GURUJI reciprocated with calmness and explained and this war went on for more than 15 years and finally Mr. B.V .Raman, had to concede that our GREAT GURUJI has really invented a new System and wished him success. These have all now become history and only people like me and Mr. Raichurji, may some others who were watching this at that time, have complete knowledge in this matter*."

KP is based on long term research of practical charts, but not on slokas of traditional texts and proof of pudding is eating as followed by worldwide because it works. Another thing is that KP is evolving in practice to considering Lagna alone in place of Lagna or Moon which is stronger, more ruling planets, not taking into account of retrogression at all by some astrologers, considering the cuspal sub lord as the strong significator in the case of having no planet in its stars, using orb theory for the planet near the house cusp etc.

"*Never to waste time on controversies or try to explain to non believers. Leave them to their theories and work upon one's own learning*."
-Late Sri Suresh Sahasne (narrated by Bhaskar Jyotish in KPE-zine August 2009)

Question 2: Aspects in KP

Can you please clear my confusion about aspects in kp system? Any source which can teach me aspects is welcome. My studies have halted at aspects.

Answer 2:

In KP only the Hindu aspects are used without considering the orb as done in the solved examples of the KP six Readers, although it is encouraged to study the Western aspects.

The Hindu aspects (Drishtis) are counted 'from rasi to rasi', irrespective of the positions of the planets in the rasis and the relative distance between the two planets i.e. not 'from degree to degree' like in the Western aspects. Planets aspect the entire rasis with or without any planet or cusp there, and the closer an aspect on any located planet or cusp is, the

stronger the result would be.

All planets, Sun to Saturn, aspect the 7th (180°) from the rasi occupied by them. In addition Mars, Jupiter, and Saturn have special aspects as below:

Mars aspects the 4th (90°) and 8th (210°) from the rasi occupied by it.
Jupiter aspects the 5th (120°) and 9th (240°) from the rasi occupied by it.
Saturn aspects the 3rd (60°) and 10th (270°) from the rasi occupied by it.

No Aspects of Rahu/Ketu: The Moon's nodes, Rahu and Ketu, are not physical planetary bodies which can be seen through a telescope as we can see all the other planets. They are the imaginary points of intersection between the Sun's apparent orbital path around the earth, the ecliptic, and the Moon's orbital path around the earth. So logically these imaginary points of intersection, the nodes, cannot aspect any planet or house, and so they are called shadowy planets.

Maharshi Parasara did not mention the nodes' aspects in his classic Brihat Parasara Hora Sastra. In the BPHS translated by R. Santhanam, Rajan Publications, page 255, chapter 26: "Evaluation of Planetary Aspects", verses 2-5: "All planets aspect the 7th fully. Saturn, Jupiter and Mars have special aspects respectively on 3rd and 10th, 5th and 9th , and 4th and 8th ". Sage Varahamihira also did not exclusively touch Rahu/Ketu in his classic Brihat Jataka.

None of the astrological treatises ascribed aspects to Rahu and Ketu. Using the planetary aspects for Rahu and Ketu would be misleading and a source of confusion in making predictions. (*Vault of the Heavens: Treatise on Vedic Astrology by Ernst Wilhelm, page 196*)

Essentials of Medical Astrology

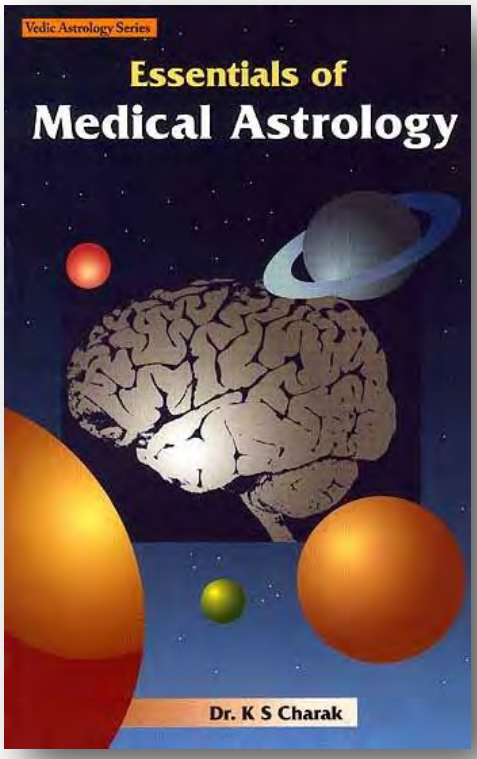
Essentials of Medical Astrology
by Dr. K.S. Charak
UMA Publications, 2007, 204 pages



This '*Essentials of Medical Astrology*' book is written by the medical doctor K. S. Charak mainly based on Vedic principles. In this book a *triology* on medical astrology has been produced, viz.

A. Elements of medical astrology with major stress on the timing of an illness as presented in this book.
B. The actual disease and diagnosis, which has been hinted at in the present book but which requires a lot of further research since it involves a very vast and intricate area.
C. The final outcome strictly according to the principles of astrology. This area has been hinted at in the present work, but greater details demand methods of calculation of longevity which is has not been the aim of this book.

The best and the most popular method of timing the events consists of using the Vimshottari dasha on the birth chart as well as the divisional charts. The Yogini dasha has been applied in this book along with the Vimshttari dasha in order, primarily, to confirm the indications available from the Vimshottari dasha and, secondarily to stress the fact that Yogini is capable of independent application.

The planetary combinations for several diseases and the astrological principles underlying

them, have been described. Their own researches have been included in these chapters with solved examples. However, birth time and place of birth are not provided to study these example charts by other systems of astrology.
In the chapter XV of "Miscellaneous Diseases', diabetes, appendicitis, proneness to injury, tuberculosis, epilepsy, leprosy, dental disease, hydrocoele, haemorrhoids and importance are included.

I have found the technique of composite charts, as mention in this article, to be a more reliable new astrological technique in KP system. Generally this system used in western system. New astrological methods are constantly being developed and promoted by their discoverers, but no other method of relation checking like marriage matching, father-son relation, business partner relations, two country's relations etc by composite chart system. By using composite charts, we can predict very imaging result about relations, then any other system now used by KP community.

The composite chart gives accurate indication with relationships in a new way. This method takes into account the fact that a relationship of any kind like marriage matching, father-son relation, business partner relations, and two country's relations is not simply two or more people or country or organization together. If two people or countries or organizations, involved with each other in some way, we can judge its relations by composite chart.

When I first try with composite charts I was not satisfied and having many doubts. My main doubt is why two chart composite gives result, when there is no much sense to get midpoint of two charts. Later when I check many charts with various kind of relations I was wondering how this composite chart as per KP System developed by me, gives me accurate and amazing result. I have introduced this technique of creating multiple composites, as per KP first time to the KP community. The KP relationship method of composite chart is some complex, but I will try to introduce it in this article in a simplified way.

People who are familiar with mathematics will understand what I am mention in this article. Before someone start criticism on this article let me say, the only test is to try out a KP relationship method of composite chart (KPCC) and then criticize with valid proof of tested examples not copy of old pages.

This article is in two parts. In first part, a complete details of the math's aspects of creating a composite horoscope. The second part of the article is how to read the composite chart. More experienced KP astrologers will find it very easy to follow KP relationship method of composite chart (KPCC).

Part 1: Casting the Chart

The composite horoscope is created by calculating the midpoint between pairs of planets and twelve bhava of the two natal horoscopes, Sun of one and the Sun of the other, Moon of one and the Moon of the other, like this all nine planets and twelve bhavas. The composite Sun is the midpoint of the two Suns; the composite Moon is the midpoint of the two Moons; and so on for all the other planets.

In all horoscope, Sun, Venus and Mercury are generally together, and are always in approximately the same bhava or one bhava before and after. In the composite chart, we found some wonder as a Sun-Mercury opposition or a Venus-Mercury opposition, which are clearly impossible in an ordinary chart.

Part 2: Checking the Chart

After calculating the midpoints of cusps and planets, find out relevant sub lord and check

occupants and ownership in individual chart; if it is positive then matching good.

Part 3: Checking the Dasa

After calculating the midpoints of cusps and planets, and checking of relevant sub lord we have to find out the midpoint date of both. Details are given in the practical part.
Now let me give one math's example practically.

1) MOON SPEAKS OF THE QUERIST MIND
Moon is the lord of 4-5 in 6-service. Moon is in sub of Saturn+ lord of 10 & 11 in 8. So Moon indicates 5-negative to 6th, 6- service, 10- status in profession, 8- worry over his profession.

2) First let me checkup whether there is any promise of the event-----11th cusp sub lord is Saturn lord of 10 & 11 in 8th. Saturn strongly signifies 11- promise, 6- job/service, 3- desire, 8- worry over job prospects, 9- negative to 10 at star level and 2- earnings, 7- institute or office, and 9- negative to 10. Partial fulfillment only. (11, 3, and 2).

3) Coordinates for judgment---if 6th cusp sub lord signifies 2 and 11 promotion is indicated. If connected to 10 only higher status is indicated. Here the 6th cusp sub lord is Jupiter signifies 5,9,10. and 1, 7 and 8 at its sub lord level. So it neither promises any change in the status or financial gains. In fact I feel there is likely to be some change in the present job/ profession (9, 12 and 5 are connected) with change in working environment of his job with long travels, which may cause some tensions.

The present period is Sun x Sat x Sat x Sun.
Sun dasa lord and Sookshma lord signifies 5,6,10 at star level and 3, 4, 5, 6, 9 at sub level not favorable for any beneficial changes. Dasa lord does not indicate 2 or 11 at any levels indicate that he will not have any financial gains in any manner.

Bhukti-Antra lord Saturn + signifies 3, 6, 8,9,10 &11 at star level and 2, 7, 9 at sub level. Since 9 and 5 are indicated by all period lords change may be expected by way of change in the work or department or section.

FACTS OF THE CASE
The native informed me that he did not get any promotion but he was sent to Australia on job works twice in the month of March 2016 and currently in the present month (April 2-16) also.

Choice of Aynamsha in Astrology

By: Tin Win

Email: tw853@yahoo.com

What is Ayanamsa?

In astrology, **Ayanamsa** is the longitudinal difference between the moving Western Tropical (Sāyana) and fixed Hindu Sidereal (Nirayana) astrology zodiacs. The Nirayana values of planetary longitudes can be obtained by subtracting the ayanamsa value for a given date from the Sayana longitudes.

Main Differences Among Ayanamsas

But unfortunately it is not known at which point of time in the past these two zodiacs were exactly coinciding. Due to this uncertainty there are many ayanamsas being used by different practitioners of Nirayana astrology. The main differences among the ayanamsas are:

1) The year of zero ayanamsa or the year of coincidence of both Sayana and Nirayana zodiacs, for instance 285 AD for Lahiri ayanamsa, 291 AD for KP ayanamsa and 397 AD for Raman ayanamsa, and
2) The annual precession rate, for instance 50.2564 sec. per year for Lahiri ayanamsa, 50.23884475 sec. for KP ayanamsa and 50 1/3 sec. for Raman ayanamsa.

The newly introduced Pushya-Paksha (PP) ayanamsa is not based on a "zero year" and an "annual rate" of precession. It is based on fixing a star at a sidereal longitude. The method of calculation is as follows:

1) Take the tropical longitude of Delta Cancri star at the desired date/time.
2) Subtract 106 deg (16Cn0) from it.
3) The result is the ayanamsa of the date/time.

The longitudes of fixed stars can be calculated from the modern ephemeris (e.g. Swiss ephemeris).

Over Forty Ayanamsas

There are over forty ayanamsas such as Aldebaran, Babylonian (Huber), Babylonian (Kugler 1), Babylonian (Kugler 2), Babylonian (Kugler 3), Babylonian (Mercia), J N Bhasin, Chandra-Hiri, Tarun Chopra, DeLuce, Deva-datta, Dhira, Djwhal Khoo (Khul), Drik (Thiru Ganithan), Fagan-Bradley (Fagan), Galactic Center, Hipparchos, Jagannatha, Krushna, KP (Krishnamurti), KP Straight Line, KP Straight Line (Adjusted), KP New Ayanamsa, Khullar, Krushna, Lahiri (Chitrapaksha), True Lahiri (Chitrapaksha), Larry Ely, zeta Pisces, Pushya-paksha, Raman , Rosicrucian, Savana, Sassanian, , Suya Siddanta, Takra I, Takra II, Usha-Shashi, Vakya, Wilhelm Ardra, Yuketswar, Mod. Yuketswar . . . which one to accept, and which one to reject, has been a matter of considerable debate. No definite proof is available in favor of any one of the ayanamsas given ... No amount of mere speculation would be of any use.

Which Ayanamsa is to Choose?

Ultimately it is not a question which ayanamsa is correct, but which ayanamsa gives us the more accurate predictions is more practical. The choice of ayanamsa (out of over forty available) is up to the preference of an astrologer finding best for him, and there is no need to discuss the correctness of ayanamsa which depends on the rules applied by different astrology schools of thought.

For instance the Lahiri ayanamsa is used by majority of traditional Vedic astrologers. The Raman followers have continued using the Raman ayanamsa. But the Raman ayanamsa does not give all the same Jaimini's Karakas, Navamsha, Saptamsha, Dwadashamsha and especially finer divisions of Chaturvimshamsha (1/24), Shashtyamsha (1/60) like the Lahiri and KP ayanamsas because the Raman ayanamsa value is significantly lower than the Lahiri ayanamsa up to "1deg: 26 min". So the Raman ayanamsa is found not appropriate for users of the divisional charts, especially at the detailed levels of 1/24) or 1/60. Nevertheless the Raman ayanamsa is fine for the Raman way of chart analysis which does not rely on divisional charts at all. The newly introduced Pushya-Paksha (PP) ayanamsa values in Jagnnatha Hora 8.0 are only "18 deg. 35 min." higher than the Raman ayanamsa. Most KP astrologers are now using the KP new ayanamsa, and some are still using old or straight line KP ayanamsas. Baskara KB and Khullar KCIL cuspal interlink astrologers are using the KP straight line ayanamsa. The difference between the old KP ayanamsa and new KP ayanamsa is not significant with less than "25 sec." difference. The old or new KP ayanamsa value is lower than the Lahiri ayanamsa value around "5 to 6 min," only. The KP straight line ayanamsa is very close to Lahiri ayanamsa with the lower value of around "30-40 sec." only. The Fagan-Bradley ayanamsa is mainly used by the Western siderealists.

Most Commonly Used Ayanamsas

Lahiri Ayanamsa

Lahiri = B + [T* P + (T*T * A)]/ 3600
where
B = Base = 80890.1535 sec = 22d:28m:10s @ 1 Apr 1900
T = Y-1900,
Y= Calendar year for which ayanamsa is required
P = 50.2564 (Annual precession rate as per modern astronomy for 1900)
A = 0.000222 sec per year (Annual precession rate adjustment)
Here 285 A.D. is taken as the year of zero ayanamsa or the year of coincidence of both Sayana and Nirayana zodiacs.

While the controversy of the correct Ayanamsa was going on, the Lahiri Ayanamsa was adopted in the first KP Placidus house tables of the "Universal Table of Houses (UTOH)", though not so stated.

The Lahiri ayanamsa with a 5-6 min. difference from the KP ayanamsa generally gives the same star and sub lords like all the KP ayanamsas, except in borderline cases.

However, a "1 min." difference in ayanamsa value will make a difference in the dasa balance at birth from 2.70 days for Sun Dasa, 3.15 days for Mars and Ketu Dasas . . . up to 8.55 days for Saturn Dasa, 9.00 days for Venus dasa through the Moon position at birth. Such difference can affect the timing of event at the 4th Sookshma level of Vimshottari dasa analysis.

KP Old Ayanamsa

KPOA = B + [T* P + (T*T * A)]/ 3600
where,
B = Base = 22 + 1320 / 3600 (22d:22m:00s for 1 Jan 1900, @00:00 UT)
T = Y-1900, Y= Calendar year for which ayanamsa is required
P = Newcomb's annual precession rate of 50.2388475 sec per year
A = Annual precession rate adjustment of 0.000111 sec per year for proper "fit" to the originally given ayanamsa values

The KP old ayanamsa was presumed to be constant for the full calendar year, as given originally in "deg, min" only in the K.P. Reader I, pp 56-57, Ayanamsa Table. But it is a common practice in the astrological SWs to use the KPOA values in "deg, min, sec" for any date in the calendar year by applying the above formula.

KP Straight Line Ayanamsa
KP St Ln = T*P/3600
where,
T = Y- 291 (Year of zero ayanamsa)
Y= Calendar year for which ayanamsa is required
P = Newcomb's annual precession rate of 50.2388475 sec per year

While a lot of discussion was going on the KP old ayanamsa, a straight line simple formula was assumed by MC Khare in the Astrology & Arthrishta Oct. 1978 issue pp 6-8, using two figures as given by Prof. K.S. Krishnamurti, i.e. year 291 A.D. of zero ayanamsa and Newcomb's annual precession rate of 50.2388475 sec. The KP Straight Line ayanamsa values are very close to the Lahiri ayanamsa within 30-40 sec.

KP New Ayanamsa
KPNA = B + [T* P + (T*T * A)]/ 3600
where
B = 22+1350/3600 = 22-22-30 @ 15 Apr 1900
P = Newcomb's annual precession rate of 50.2388475
A = (Annual precession rate adjustment of 0.000111 sec per year
Note: 23 March, 291 A.D. is assumed as date of zero ayanamsa.
http://groups.yahoo.com/group/k_p_system/message/1530?threaded=1

There is not any significant difference between the KP old and new ayanamsas. The KP new ayanamsa gives a formula for calculating the ayanamsa correct to the value of seconds and for any date in the calendar year.

The small difference in ayanamsa used by various KP astrologers need not bother a new comer unduly. Generally a slight change in the ayanamsa value does not change the important elements of the 'star lord and the sub lord'. A new comer should go to the essentials, rather than worry about the technicalities of ayanamsa.

Raman Ayanamsa Formula
Raman = T*P/3600
where
T = Y- 937 (Year of zero ayanamsa)
Y= Calendar year;
P = Annual precession rate of 50 1/3 sec per year
http://www.astrologie.cz/zacek/ayanamsa/ayanamsa.htm

Online Ayanamsa Calculator
http://www.astrosage.com/astrology/ayanamsa-calculator.asp
Here the KP Straight Line Ayanamsa is called as Khullar Ayanamsa and calculated by the following formula given by SP Khullar:
AyanKP = (50.2388475/3600)*((YR-292)+(261/365)+(((MN-1)*30+DY)/365))
YR stands for year
MN stands for Month
DY stands for Day

The ayanamsa value calculated by the above Khullar formula is exactly the same as given by the KP Straight Line Ayanamsa formula.

Although Pushya-Paksha (PP) ayanamsa is not based on a "zero year" and an "annual rate" of precession, the following Raman style formula can give almost the same PP ayanamsa values:

PP = T*P/3600, where T = Y- 369 (Year of zero ayanamsa); Y= Calendar year; P = 50.1417 sec (Annual precession rate)

i.e. for the above years 1800: 19-55-53, 1850: 20-37-40, 1900: 21-19-27, 1950: 22-01-14, 2000: 22-43-01, 2010: 22-51-23, 2100: 24-06-35.

American actor, one of Hollywood's hottest male stars since 1983 for his role as Han Solo in the trilogy, "Star Wars," "The Empire Strikes Back," and "Return of the Jedi" made at three year intervals starting in 1977. He became famous also for the "Indiana Jones" trilogy, and for hits such as "The Fugitive," "Clear and Present Danger," and "Air Force One," he is reputed to get $20 million per picture and a 15 per cent cut of the box office gross.

Fate

One can earn money by means of several ways. Whatever it is the way of getting money, it should be written on his forehead at the birth, according to his or her Karmic influence or Karmic rhythm. In the case under study, the native is a famous American actor, one of the Hollywood's hottest male stars and his earning way is his profession of acting. Let's see his Karmic influence through KP, to have such a big income.

At a glance of the chart you can see a favorite traditional astrology yoga called Kaala Sarpa Yoga is indicated with seven major planets are positioning in between Rahu and Kethu. What is KSY? It is nothing but only a traditional faith erected and directed with undue importance and hence KSY or any other Yogas are not considered in KP. As well, no body knows from where KSY has originated as no reference can be found any of the classical text from Parashara to Varahamihira. According to Dr. B.V.Raman, KSY raises the natives to top positions in their respective fields provided of course other Raja Yogas are present. Further Dr. B.V.Raman has challenged to KSY followers to show where in which astrological classic is KSY mentioned. If KS Yoga is a "true", I have no point of selecting this natal chart to discuss at all. However the chart attached will be a good reply for those who follow baseless yogas.

For more detail of KSY pl. refer KPE-Zine July 2011 issue, "Question & Answer section" by Sri Tin win ji. Question- 5: Kala Sarpa Yoga (KPY)

Keeping this in mind let's turn the horoscope. For a conclusion of this native's higher earnings, we have to discuss the matter under "Profession and Finance" and the sub lord of the 10th cusp should denote his profession as well as the gain through that career as per KP

rules. The 10th cuspal sub lord is Jupiter, also being the 5th house (entertainments) Sub Lord, happened to be the lord of 4(Education), 7 (Public relationship/Public reputation) posited in the 10th house (profession, Name and Fame). Jupiter is in the star of Rahu in 11*/12 and in the sub of Kethu in 5th. Star Rahu is in Leo sign at the very end of 11th house and conjoined with 12th house at the orb of 00^0 35' 29''. Rahu is aspected by Sun+ and Moon. The Sun being the star lord of Lagna (self) and 9 (Poorva Bhagyasthana/Fate, Good Luck) is tenanted in the 10th (Profession, Name & Fame, Reputation, Awards, Achievement), in the star of Jupiter that is too in the same 10th house. This sun is conjoined with Moon the lord of 11 (Gain, Success, Income, and Fulfillment of desire). The Moon in this chart, being the Sub Lord of 2 (Inflow of Cash, Richness, Gain, Liquid Assets, Amass Wealth) and Star Lord of 5th (Artistic Talent, Singing, Dancing, Creativity, entertainment, Discriminative Powers and Qualities of virtue) is in its owned Sub division

The Lagna sub lord is Venus, the lord of 9 (Poorva Bhagyasthana/Fate, Good Luck) and 2 (Wealth) is in its Swaksestra Rasi, Taurus, in the star of Mars Lord of 3 & 8 in 11 (Accumulated wealth gain, Reputation) and in the sub of Rahu in 11 conjoined with 12th house. Rahu is in the star and sub of Venus. Venus in mythology is considered to be the Goddess of love. It rules over marriage, beauty, comforts and amusements, ie; all artistic accomplishments and especially music, dance and acting and therefore it is called Maha Lakshami, the wife of Lord Vishnu. For the amass wealth and gain of the native by his profession is promised by the Lagna Sub lord and 10th house***, ONLY if Rahu is considered as a significator for 11th house.***

But the role of Rahu here is contradictory and confusable with its deposition in the longitudinal degree of 11th at a very close orbit of the 12th house. Hence a decision is to be made to see its influence by applying the KP rules as discussed below
According to Computer output of KP Astro 4.1, Rahu is a significator for 12 and not 11 or 11/12, as per rule of Orb.

As mentioned in the above paragraphs, Rahu in this chart in house-wise presents as the star lord of houses 6 (Diseases, Job/Service, Money & Wealth), 10 (Profession, Name & fame, Reputation, Awards, achievement) and as sub lord for 8th (Longevity, Accident, dividends). In planetary-wise Rahu presents as the star lord of Mercury (12-10—1,10), Jupiter (12-10—4,7) & Kethu (12,6) and as the sub of Mars (10-11-1,10-3,8), Mercury (12-10—1,10), Venus (11-9-3,8-2,9)and Fortuna. Almost all these connections are in favor of the native's income of profession, by utilizing the 11th house in place of 12th in each of above significations in accordance with the following facts.

This Rahu is posited within the longitudinal limits of the 11th cusp, but conjoined with 12th house at the orb of 00° 35' 29" and hence it is a significator for house 12 as mentioned in the "KP Reader -2", Page 315. Generally 12th house is considered as a detrimental house. But the same book says in its page 329," that *"No house is unfortunate or evil, unless afflicted, and this is true of the 12th house too"*. The star lord and sub lord of 12th is Venus the lord of 9 (Poorvabhagayasthana) and 2 (Artha/Dhana) in 9 in the star of Mars in 11 and in the sub of Rahu. Also 12th house is aspected by Sun & Moon in 10, being the significators of 11th and hence this 12th house is not afflicted and therefore Rahu should give the results of 10 and 11.

Generally Rahu or Ketu is stronger than any planet. So, if Rahu or Ketu represent any significator planet, then Rahu/Ketu should be given first preference as a significator in place of that significator planet.

What we have learnt about Nodes from the KP literatures.
As regards Rahu and Kethu, they indicate the results of the planet with which they are conjoined
If no planet is in conjunction with them they bestow the results of the planets aspecting

them.
If Rahu or Kethu is neither conjoined with, nor aspected by any planet, it offers the result s of the lord of the constellation in which is deposited.
And Lastly the results of the sign.
So one is to include the results of Rahu or Kethu in particular house along with those of the lords of constellation.
If the lord of the constellation is a benefic one can expect advantageous results. If the lord of the constellation or the planet conjoined with or aspecting be a malefic, only undesirable results will be experienced.

KP Reader -3, page 130, 10th Edition 2005
As mentioned above Rahu is aspected by Moon, the lord of 11 in 10 (10-10-4,7-11) and Sun (10-10-4,7-12). Here Sun is conjoined with Moon. As per rule of conjunction, here Sun should give the results of Moon or Moon should give the results of Sun. Here Moon is in its owned sub division, while both are in the star of Jupiter lord of 4 (Sukaha/Happines), & 7 (Public relationship/Public reputation) in 10 profession. Further Sun is in the sub of Venus a favorable planet for the financial gain of the native and hence the ownership of 12th for Sun is immaterial here for the final results and Rahu have had done its role for the well-being of the native, irrespective of its conjunction with 12th house. So I boldly considered Rahu as a benefic for the career and finance of the native and not to take all significations into account, what the SW output says, without applying the rules.

KP rule for Cine Field – If the 5th cuspal sub Lord is a significator of the houses 5, 6 & 10, one will enter in cine field and be popular. (Profession pg 108, by K.Subramaniam)

In the given chart, the 5th sub lord is Jupiter lord of 4, 7 in 10, in the star of Rahu 11/12, 2, 9 an agent for Sun+ 10, 4,7,12 and in the sub of Kethu in 5 and represents Ma (10,11), Ju (10), Sa (10,9,11,5,6) and thus the rule for cine field is satisfied.
Only 5th house planetary configuration alone is well indicated gain through his cine career as explained below.

House 5th (Cinema) & 6th (Job/Service, Money & Wealth) lord Saturn+ is in association with Venus in 9th in the star of Moon (10,11) and in the sub of Jupiter (12,10), is same as that of 5th house Star and Sub. Saturn aspects 11 (Accumulated wealth Gain). 5th star lord Moon, also the sub lord of 2, signifies 11 & 10. Jupiter the sub of 5th is in 10 and aspects 2 (Wealth), 4 (Fixed Assets, Own Vehicles, Happiness), 6 (Service, Money & Wealth).

KP rules for wealth (House Grouping Part I by Sri Tin Win ji)
If the 2nd sub lord is a significator for,
2, 6, 11 – Amass Wealth/Gain Money
2, 6, 10, 11 – Increase in Bank Deposit
4, 6, 10, 11 – Independent earning
The 2nd sub lord of this chart is Moon, lord of 11, in 10, in the star of Jupiter lord of 4, 7 in 10 and connected with 2 and 6 by its aspects. Moon is in its owned sub. Saturn is in the star of Moon and it is the lord of 5 & 6 in 9. Thus all the above three rules are satisfied with the 2nd house lords.

if the 11th Cusp Sub lord is a significator for 2, 6, 11 gain of money, wealth. If sub lord is connected to Moon/Jupiter easy gain (Ibid)
The 11th sub lord Rahu in 11/12, is aspected by Moon, the lord of 11 in 10 indicated large income from the career.

Other Life events of Ford Harrison
His first wife divorced in 1979, during the Maha dasa period of Mercury (1, 10, 12)and Bukthi of Jupiter(10,12). If Jupiter is a significator for marital matters and at the same time if it signifies 12th, legal divorce is sure as per KP rules.

KP Rule for Multi Marriage.
Second marriage is indicated if the sub-lord of the 2nd cusp is also a significator of either of the houses 7 or 11.
If Seventh Sub Lord signifies house 2, second legal marriage is promised.
The 2nd cuspal sub lord Moon is the lord of 11. It is in the star of Jupiter the lord of 7 and rule is satisfied. The 7th Sub Venus signifies house 2 and both rules are satisfied.

Second marriage took place in 1983, during the main period of Kethu in 5th conjoined with 6th representing Mars (10-11-1,10-3,8), Jupiter (12-10—4,7), Saturn (10-9-11-5,6) and in the Bukthi of Venus (11-9-3,8-2,9)
Separated the same in 2000 during the period of Venus and Jupiter as Dasa and Bukthi.
and divorced in 2001 in the same period.

Third Marriage – If the 7th sub lord is a significator for 9th the third marriage is promised.
By satisfying the rule his 7th Sub lord Venus is owner and depositor of the 9th house and in the sub of Mars in 11th.
On 15th June 2010, he got married for the third time during Sun Dasa (10-10-4,7-12) and Moon Bukthi (10-10-4,7-11)

Separation
If the 7th cusp is connected with
1. 6th - Separation due to partner going away
2. 12th - The native seeks separation
3. 3 & 12 - The native herself/himself going away and live singly
4. 6 & 9 - The partner goes away and lives singly
5. 8th - disharmony, quarrels, but doesn't cause separation but experiences difficulties and no happiness.

Applying the KP separation rules as above.
Co-rulers of the 7th cusp are Jupiter, Saturn & Venus and discussed in the above paragraphs.
Jupiter is connected with 12
Saturn is connected with 6, 9 & 12
Venus is connected 9 & 12

Conclusion
One can clearly understand the efficacy of KP rules for any aspect of the human being, if apply them correctly. The crystal clear planetary behaviors of the attached chart have been mirrored the life of the native.

My heartfelt thanks and Pranams to Sri KSK ji and my KP Guru.

Ruling Planets' guides : Arrival of Mrs. Lavanya, when?

I have been informed that Mrs. Lavanya, from Chennai, along-with her husband, would reach my place by around 8:30, tomorrow, on 9/11/2014, Sunday, in the morning, and they want to return that same evening to Chennai...and asked *is it OK with me, to meet them*....I have to attend to a family function tomorrow by 10:00 am; *since they said they are coming early, I may be able to go that place by around 10:30 at least, I presumed, and answered her it is OK with me*...

Since, at the place where I have my residence, 'the yearly Temple Car Festival' has begun on that day, the 8th , I was up late into the night when all the deities were to come in procession one after another.....but later, while waiting for the Lords to appear, on this night of 8th November, 2014, a Saturday, when the clock was showing 23:20 hours, I could not suppress my urge to investigate *"when the party would be able to meet me tomorrow"*... and I decided to check this through the ever guiding 'Ruling Planets'.

Ruling planets on date 08/11/2014 at 23:20:00 P.M.

	Day lord	**Sign lord**	**Star Lord**	**Sub lord**
Day: Saturday	Saturn	---	---	---
RP Ascendant: Cancer 09˚: 32': 42"		Moon	Saturn	Venus
RP Moon: Taurus 14˚: 59': 57"		Venus	Moon	Jupiter

Ruling planet Day lord, Saturn, as lord of 7(vide the chart), representing the party who is to meet me, is aspecting the lagna lord, Moon, who represents me.....also, Moon was transiting at this time of analysis in its own star....thus the indication given by planets are that : since Saturn aspects both the 7th as well as Moon, there will be some delay in meeting me, by the party, contrary to their agreed time....
When would be the exact time of meeting?
As can be noted, the ruling planets are Moon-Saturn-Venus; the sub lord of RP ascendant, Venus, is conjoined with the Sun (the planet who rules the star position for the cusp 3, of my meeting), in the sign Libra ruled by Venus.

Lagna Transit in Signs & Stars
Location: PALGHAT, KERALA, India
Date: 09/Nov/2014 Day: Sunday Sun Rise: 06:16:56 AM
The Lagna transits in the following signs indicated times (0 - 24 hrs).

Sign Name	LagnaTime
Leo	00:46:27.251
Virgo	02:47:31.645
Libra	04:47:05.050
Scorpio	06:52:02.712
Sagittarius	09:03:01.028
Capricorn	11:10:34.571
Aquarius	13:05:26.457
Pisces	14:49:11.987
Aries	16:30:51.589
Taurus	18:20:29.043
Gemini	20:23:31.115
Cancer	22:34:37.148)

It would be only after 09:03:01.028 *am tomorrow,* the lagna would travel in the sign Sagittarius, the lord of which is Jupiter, who has appeared in the RPs, as the sub-lord for RP Moon and an occupant of lagna as lord of the 9th cusp (3rd cusp to the 7th of the party who would be meeting me); it aspects both the 7th and 7th lord, and hence has the power to precipitate the event. At that time, the lagna should be in Venus star and Saturn sub, the very same planets that were controlling the RP lagna sub and star, in Sagittarius sign. *The exact time when this point rises, here at Palakkad, then should be 10:40 am....the Ruling Planets have revealed to me.*

Needless to say, they met me at 10:41 am only, on Sunday, 9/11/2014.

Note: They explained the delay thus, though they arrived at Coimbatore last night itself, stayed with some relatives there, who confirmed availability of early buses plying to Palakkad, which is only an hours' drive away. When they reached the Inter-state bus stand by 6:30 am there was a serpentine queue to get into the bus and they were put to wait till 9:00 am to board a bus that took them to me.

Rahu is in ruling planet and Bhukti dasa of Rahu is favorable for event.

Running Antra of Mars is from date 10/12/2013 to date 09/02/2014. Mars is an occupant of 2(marak) and owner of 4(end of everything) and 9(Badhak) Mars is in ruling planet. Antar dasa of Mars is favorable for event also.

Jupiter is not in ruling planet so Sookshma dasa of Jupiter is omitted. After this Sookshma dasa of Saturn from date 31/12/2013 to 10/01/2014. Sookshma Dasa of Saturn is favorable for event.

My judgment: Your mother will get Akshar Dham (END OF LIFE) during date from date 31/12/2013 to date 10/01/2014.

A Tribute to Music Icon Prince

By: Tin Win
Email: tw853@yahoo.com

"Today, the world lost a creative icon. Michelle and I join millions of fans from around the world in mourning the sudden death of Prince. Few artists have influenced the sound and trajectory of popular music more distinctly, or touched quite so many people with their talent. As one of the most gifted and prolific musicians of our time, Prince did it all. Funk. R&B. Rock and roll. He was a virtuoso instrumentalist, a brilliant bandleader, and an electrifying performer." - President Barack Obama

The 57-year-old music creative icon Prince was pronounced dead at 10:07 a.m. on April 21, 2016 at his Paisley Park recording studio and home in Chanhassen, Minnesota, after suffering flu like symptoms for several weeks.

Prince has sold over 100 million records worldwide, making him one of the best-selling artists of all time. He has won seven Grammy Awards, a Golden Globe, and an Academy Award. He was inducted into the Rock and Roll Hall of Fame in 2004, the first year of his eligibility.

A Few Comments on the Prince's Horoscope

The 2nd (singing) cuspal sub lord (CSL) Moon is in house 4, in the star of Rahu in house 12, aspected by Mars on the 5th cusp (a creator/creative force for artist, entertainment), lord of houses 2,6 (gain, service), 7 (relationship), and in sub of Jupiter in house 11 (gain, fulfillment of desire), lord of houses 3 (ability, communication), 5 (artist, entertainment), indicating favorable houses 2,3,6,11 .
Restrictive Saturn's position in the 2nd house of finance and self-worth may seem to be an anomaly but many billionaires and millionaires have Saturn in this house as money comes with responsibility. In Prince's chart, his 2nd (money, wealth) CSL Mon indicates gaining houses 2,6,11.
The 5th (artist, entertainment) CSL Venus is in house 6 (service, gain), lord of houses 1 (self effort), 8, 12 (both misery), in the star and sub of own Venus (artist) in house 6, lord of houses 6,8,12.
The Venus (artist) as chart ruler in Aries opposing Neptune-Rahu (mystery) conjunction creates an abundance of appeal in the magic style, and indicates eccentric, gender bender, confident and original look for his art (Libra) with his creativity. This planetary combination also indicates destiny to live in the secretive, reclusive way of two different public and personal worlds. Because of his Moon being in Satabishak, his mind in songwriting and his emotions are mysterious.
Mars on 5th cusp in Pisces is supposed to be good dances. Mercury (singing) in Taurus for voice is complimentary to his whole image.
The 10th (profession) CSL Rahu is in house 12, aspected by Mars on 5th cusp (artist, entertainment), lord of houses 2,6,7, in the star of Mars on 5th cusp (artist, entertainment), lord of houses 2,6,7, and in sub of Moon in house 4 (communication). The 10th cusp is in theatrical Leo sign aspected by Saturn, lord of house 4.
The impact of the fixed stars is arranged at key points of his chart- 10th cusp, Sun and Moon:
Royal Regulus, also called the "little king", is located on the 10th cusp in Leo;

Rigel, star of wealth, emphasizing the fame and glory is in conjunction with the Sun in Taurus;

Fomalhaut, star of talent and success, is conjunct the Moon in the Aquarius.

Marriage and Children

Prince had many relationships with women, was also married twice. In his horoscope the 7th cuspal sub lord (CSL) Saturn is in the star of Mercury, dual planet indicating multi-marriage. His 5th (love affairs) CSL Venus is also in the 6th house, and it indicates quarrels and failure in emotional relationships - hence perhaps their multiplicity. Sun in 8th house conjunct Mercury opposing Saturn probably makes impossible for him to restrain the vulgar sexuality.

Children 5th cusp is indeed in the fertile Jupiter sign, Pisces, but it turned out to be insufficient indication of a happy fatherhood. Because the 5th CSL Venus does not signify any of child getting houses 2,5,11. Prince's Moon in Satabishak is also in his 5th house of children giving the negative effect on that house. Prince had a son, Boy George, who was born with Pfeiffer syndrome and lived only a week.

Death Inflicting Dasa Period

On the day of death (April 21, 2016) Prince was running joint Vimshottari dasa sequence of Mercury- Moon- Saturn- Mercury.

Dasa lord Mercury is in house 7 (Maraka/death), lord of houses 9,11 (Badhaka/faster death), in the star and sub of Moon in house 4 (end of everything/death).

Bhukti lord Moon is in house 4 (end of everything/death), in the star of Rahu in house 12 (Moksha/death), aspected by Mars in house 4 (end of everything/death), lord of houses 2 (Maraka/death), 6 (sickness, injury), 7 (Maraka/death), in Libra sign representing Venus in house 6 (sickness/injury), lord of houses 1 (life saving), 8 (serious ailment, danger to life, accident), 12 (Moksha/death), and in sub of Jupiter in house 11 (Badhaka/faster death), lord of houses 3, 5 (life saver).

Antra lord Saturn is in house 2 (Maraka/death), lord of house 4 (end of everything/death), in the star of Mercury in house 7 (Maraka/death), lord of houses 9,11 (Badhaka/faster death), and in sub of own Saturn in house 2 (Maraka/death), lord of house 4 (end of everything/death).

Sookshma lord is also Mercury as already discussed above as Dasa lord.

Death Inflicting Transit

For time of passing (10:07 am on April 21, 2016), Dasa and Sookshma lord Mercury was transiting in the star an sub of Sun (signifying 6,8,10). .

Bhukti lord Moon was transiting in the star of Mars (4,2,6,7) and in sub of Mercury (7,11 Bdk).

Antra lord Saturn was transiting in the star of Mercury (7,11 Bdk) and in sub of Sun (6,8,10).

Another luminary Sun was transiting in the star of Ketu (2,6,7,8,12) and in sub of Jupiter (11).

Both transiting retro Mars and Saturn were opposing his natal Sun (life-force) in the 8th house and Dasa lord Mercury. Transit Mars was aspecting natal Moon which is also opposed by transit Jupiter (11) and Rahu (12,2,6,7).

Longevity and Mode of Death

Lagna/1st cuspal sub lord Saturn is in house 2 (Maraka/death), lord of house 4 (end of everything/death), in the star of Mercury in house 7 (Maraka/death), lord of houses 9,11 (Badhaka/faster death), and in sub of own Saturn in house 2 (Maraka/death), lord of house 4 (end of everything/death).

8th cuspal sub lord Sun is in house 8 (serious ailment, danger to life, accident), lord of house 10 (retirement from this world/death), the cuspal sub lord of houses 6,8,9 having no planet in its stars. Sun is in the star and sub of Mars in house 4 end of everything/death), lord of houses 2 (Maraka/death), 6 (sickness, injury), 7 (Maraka/death).

The longevity is short and the accidental death is astrologically possible because of Mars's involvement and the dasa period lords' signification of terminal/trigonal houses 4,8,12. Rahu is also opposing the 8th lord Venus in the natal chart. Transit Neptune on the natal Moon which was influenced by transit Mars and Rahu also indicates the possibility of a deadly infection or a drug overdose.

Prince may be gone, but he'll never be forgotten.

May his soul rest in peace!

etc.). If the 2nd House is afflicted, it's harmful for the activities denote by the Cusp. The weakness of the Second House Lord and affliction over Second House may result in Intake of Alcohol, Smoking and other Drugs. The influence of malefic and cruel Rahu, Mars and Saturn can deteriorate the habit significantly.

The sign lord of 2nd cusp, Mercury in 5th (House of Pleasure, Entertainment) is in the star of Venus and in its owned Sub. Star Lord Venus (Ruler of Sex, Drugs and Alcohol) in the same 5th house at the margin of 6th house (Diseases) is connected with Saturn (Drugs, Alcoholism). This Venus is the sub lord for houses 6, 8, & 12. The star and sub of 2nd house is Moon (Eating Habit) is in the 6th (Diseases), connecting with Saturn (Drugs, Alcoholism). Lagna and 7 (Maraka) Sub Lord Jupiter, positioning in the 8th house Pisces (Addictive Sign) is aspecting 2nd house by afflicting the 2ndhouse (Food Habit).

The 5th cusp, the Main House for Pleasure and Entertainments is under the Sub Lord Ruler Ship of Saturn (Alcohol). It is in the star of Mars (Encouragement), the Lord of 4 (End of Life), 9 (Badhaka) in the same 5th House. Saturn is in the Sub of Rahu (Drugs), opposite to 5th house. These three planets **Saturn, Mars and Rahu** are the real culprits with regard to the problem of drug abuse. These planets also obstruct in drug addiction rehabilitation and the native may not get proper help for Drug Addiction Treatment.If any of these planets is having negative relationship with First, Second or Sixth house of the horoscope; and at the same time the second house is also troubled – the chances of the person being addicted to drugs are very strong.
This native was died on 14th Sept. 2015 during Sa/Me/Ve/MeDasa and the Transit is also as below.

Questions & Answers

Question 1: Is Dasa good or bad?

how do we understand that mahadasa of a planet is good?
please explain.

Answer 1:

No planet is wholly benefic or malefic. Similarly no Dasa lord is fully good or bad. For instance, the Dasa of 2nd house significator can be good for money matters but may be bad for spouse's health. The 10th house signifying Dasa can be good for the native's promotion but it may be bad for parents' health.

Generally there are two groups of houses -- 1,2,3,6,10 and 11--- as "gain, victory, etc." and 4,5,7,8,9 and 12 – as "loss, disappointment" (KP Reader III,1971 original edition, Practical Part, pp. 41-42)

Question 2: To get a green card while staying in US?

I have recently started learning KP system of prediction and has already gone through all the issues of KP E-zine including your permanent article 'question and answer' in particular. Few days ago I Have an opportunity to read an article 'foreign going rule: framework for study' where there was a mention of getting a green card.

In fact this article made me little bit confused regarding which houses are to be considered for judging when one can get a green card while staying in united states.

The reason behind it is that one view in the said article suggests to consider houses I, III.IX and XII. Your good self has suggested that the cuspal sub lord of XII should signifies houses III, IX & XII and during the period of III, IX and XII. One another view suggests to consider houses I, VI and XI. Similarly Shri Kanak Bosmia suggests to consider X, V, IX and XI houses. One more view is that the houses I, VI and XI are relevant.

All these different and self-contradictory suggestions may confuse a learner like me to reach up to the correct conclusion. If permitted please consider these details for example horoscope. ABC, 24th of January, 1988 at Jaipur (Rajasthan) at 02:36:45 AM. Kindly guide and enlighten.

Answer 2:

The basic foreign going rule is to consider the houses 3 (leaving the native country), 9 (making long journey) and 12 (landing in new environment). The nature of rule is the same to get a green card from the native country although the green card is issued after the arrival to United States.

But the rule is different to get a green card while staying in United States. In this case the native had already left the native country (3), made a long journey and landed in new environment (12). The green card is permanent residence permit, i.e. to stay on in US for first time 10 years and then renewable, and here the main thing is house 4 for the continued stay in the same country, US. Another required house is 11 (gain, fulfillment of desire), also negation to going to new environment (12th to 12). A supporting house is 6th house (gain in legal process).

Example chart: ABC, 24 January 1988, 02:36:45 AM, Jaipur (Rajasthan), KP Ayanamsa 23:36:01, Lagna: Scorpio 03:17:24, Dasa balance: Saturn 4 Y , 0 M, 12 D.

The native is ruining Venus Dasa- Venus Bhukti from 5 February 2016 to 7 June 2019. Dasa and Bhukti lord Venus is in house 4, lord of houses 7-12, the cuspal sub lord (CSL) of house 8 having no planet in its stars; Venus is in the star of Rahu in house 4, conjoined with Moon in house 5, lord of house 9, the CSL of house 5 having no planet in its stars and Jupiter in house 5, lord of houses 2,5, and in the star of own Venus.

The 4th house signification at all three levels of planet, it's star lord and sub lord, clearly indicate the native's continued stay in the same country during the Dasa-Bhukti of Venus till 11 June 2019. It is also confirmed by the signification of house 2 (12 to 3 = leaving the present staying country. But there is no signification of house 6 or 11; in contrary unfavorable houses 5 (12 to 6), 8 (disappointment) and 12 (failure) are signified. So it is hard to say to get the green card. But he may stay on by other kind of stay permit.

Question 3: Role of Star Lord

I am a learner of KP System.
As far as I know, kp system is sub lord theory.
THE PLANET IS THE SOURSE OF THE MATTER.
THE STAR LORD OF THE PLANET REVEALING THE NATURE OF THE RESULTS OF THE MATTER
THE SUBLORD OF THE PLANET SHOWING AS THE DECIDING FACTOR WHETHER THE MATTER IS FAVARABLE OR NOT.

KM subramanyam has written 3 books on sub lord speaks.
In Most of the articles in these books- the star lord does not reveal the nature of the result. But as the sublord signifies the matter, it is taken as granted that the matter is favorable even though the star lord does not signify the nature of result of matter.
IS IT KP SYSTEM?. How we are going to justify only SUB LORD SPEAKS WITHOUT SIGNIFICATION OF STAR LORD.

Answer 3:

Although Sri K.M. Subramaniam emphasized the role of sub lord in the fruitification of the matter in his sub lord speaks articles, he reminded the role of star lord as follows:

"Whether it is a planet or CUSPAL SUBLORD these are controlled by the relevant sublord & its significations only. As regards to a planet, the matter is seen through the star lord of that planet and the SUB LORD of that planet "decides" the result and how the matter is altered & enjoyed and suffered by the native. While we take the sublord of the CUSP (all know the SUB Lord is a PLANET), we must be more careful, while dealing with the subject. As told above, the CUSPAL SUBLORD is a PLANET...."
- K.M. Subramanium (Sublord Speaks LX , last Article in KP & Astrology 1998)

Question 4: Good and Bad Aspects

In the KPZine of APRIL 2016, you have described about the aspects of planets very clearly. I request you to clarify about good and bad aspects of the planets.

All planets aspect 7th house. Is it good or bad aspect.
Saturn aspects 3rd and 10th house. Which is good and bad aspect.
Mars aspects 4th and 8th house. which is good and which is bad.
Jupiter aspects 5th and 9th houses. which is good and which is bad aspect.

Answer 4:

Only in the Western aspects, the sextile and trine aspects are marked as beneficial, and the square and opposition aspects are considered as evil. Whereas in the Hindu aspects there is

no such classification, and their effects are generally based on the signification of aspecting and aspected planets.

Question 5: Calculation of Compressed Vimshottari Dasa
Is there a software that can give the compressed vimsothari dasas ?

Answer 5:
The paid KPAstro 4.1 can give the compressed Vimshottari dasa for 4 years, 5 years etc.

Question 6: Fortuna
what is fortuna point in kp? please explain.

Answer 6:
Importance was given to the Fortuna at early stage of KP in the original "Krishnamurti Padhdhati Vol 1", Sagar Publications, 1966, pp 472-474, in a “separate chapter” but not in the six KP Readers where it is mentioned here and there a little bit only.

Fortuna = Moon + Lagna - Sun (in longitude) (KP Reader I, p 98)
It is only a mathematical point in the chart. Generally fortuna is supposed to improve the matters indicated by the house occupied by it. Fortuna gives fortune to one in the conjoined period and sub period of the star lord and sub lord in which it is posited. (KP Reader III, pp 178, 191/ 1971 edition, practical part, pp 24, 36)

As per the original Krishnamurti Padhdhati Vol 1, pp 472-474, Sagar Publications, 1966, the results of Fortuna in the various houses are as shown below:

- 1st house: gain in enterprises, lead a happy life, come up by own efforts
- 2nd: gain through property, make profit by business, lead a happy domestic life, enjoy satisfactory bank position
- 3rd: – gain through brother, make profitable short journey, enjoy the good relationship with neighbours.
- 4th: gain through landed property, some hidden treasure and products of earth, minerals, metals, etc.,
- 5th: gain through fortunate investments and children, young people and ambassodors
- 6th: helpful, lucky uncle and aunty, gain through servants , small animals and doing banking business
- 7th: – gain through partners or other sex, contracts and dealings with others; victory over enemies
- 8th: gain by inheritance, insurance business, gratuity, bonus etc.
- 9th: higher studies, long journeys, gain through dealing with foreigners, foreign trade, publication etc.
- 10th: name, fame, reputation, promotion.
- 11th: beneficial friends, helpful brother, profitable business, realization of hopes, fulfillment of desire

12th: lucky in purchases and sales, fortunate in investments, gains from unknown sources
In the horary chart with a KP horary number, since the house occupied by Fortuna itself and the houses occupied and owned by the planets are counted from the horary Lagna, it is more reasonable to calculate Fortuna from the "horary" Lagna. It doesn't make sense to calculate Fortuna from the "natal or time" Lagna at the time of judgment. So please check whether Fortuna is appropriately calculated from the "horary" Lagna by the software used, as Fortuna is found calculated from the "natal or time" chart Lagna by some softwares.

Question 7: Promise of Marriage
I have attached write up on Marriage in the Astro Secrets Part 2 which is very ambiguous.

Where necessary I added sticky notes in the adobe text. Kindly try to clarify my doubts through the ezine so that many other readers can also benefit from your explanation.

Sir, how to find out why a marriage which was about to be settled was prevented from fructifying?

In Horary astrology the querist gives a number and you calculate the nirayana position of the Lagna, Exactly 180° away is the seventh Cusp. The Sub Lord of the 7th Cusp should be the

significator of the Houses 1,6,10 or 12. It shows that the marriage will not take place with the party in question. If the Sub-Lord is not only the significator of 1 or 6 or 10 or 12 but also the significator of 2, then the marriage is stopped due to want of money to meet the expenses. It is mainly due to lack of means. If the Sub-Lord of 1 or 6 or 10 or 12 is also the Sub-Lord of the 3rd House, then the marriage is dropped due to interference of neighbours or cousins or due to any information received by the other party, against the interest of the querist. If the Sub-Lord of 1,6or10or 12 is also the Sub-Lord of the 4th House, then the mother is on the way of fixing the marriage; or it may be due to disagreement in giving a House or estate or vehicle. If the Sub-Lord is also the significator of the 5th House; then the previous love affairs of the querist will be t rought to light and due to his bad reputation for loose living, the marriage will not take place.

If the Sub-Lord is the significator of 1 and 6 then the marriage may be stopped due to ill- health of the querist, being known to the other patty, or the maternal uncle will play foul game or servants may do mischief or the secret enemy of the other party may carry tales against the querist.

If the Sub-lords is also the significators of the 7th, then on hearing that a law suit pending against the querist, the other party will disagree. If the Sublord is also the significator of the 8th House, then the marriage is stopped as the querist does not get as much dowry as he demands from the other party or it may be due to the death of the relative which will be taken as an ill-omen.

If the Sub Lord is also the significator of the 9th marriage will not take place as the party could not come in time and he does not get leave or is in a foreign country and could not come, or one's examination will be taking place or the relations of the other party will stop it.

If the Sub-Lord is the significator of the both 1 and 10 then the wedding does not come, through the interference of elders

or officers or superior or due to his professional status which in the eyes of the other party is inadequate.

If the Sub-Lord of these House 1 or 6 or 10 or 12 is also the significator of the 11th House, the marriage is stopped due to the interference of friend or elder brother.

If the Sub-Lord of the 12th is also the Sub-Lord of 1 then it is certain that there is some tale carrying, and secret enemies hover round making false propaganda. So the marriage does not come up.

Answer 7:

Your observation is correct that as long as the 7th cuspal sub lord signifies any of marriage houses 2 or 7 or 11, marriage is promised whether the cuspal sub lord is the significator of houses 1,6,10 or 12 or not. The significator of houses 1,6,10 or 12 may indicate difficulties in marriage, separation or divorce after marriage .

A Death of KP follower by Sudden Leukemia

A Sri Lankan KP follower and a regular reader of KPEZine, Mr. Wimal Siri Wijesuriya was a retired executive of Sri Lanka Petroleum Corporation. He passed away suddenly although he had not shown any symptoms of being afflicted with any fatal disease. He was of robust health of course; a vegetarian and a keen follower of Lord Buddha. No one could have imagined that this gentlemen would ever meet with such a tragic end . According to his wife, he had lost sensation in both his legs and had been unable to stand or walk, and also had incontinence of urine in the morning hours of the 10th of May 2016. He was soon admitted to hospital, where he passed away the next morning at about 12.24 a.m. The post mortem verdict said that he was suffering from Sudden Leukemia.
In honor of this KP follower, I have tried to analyse his natal chart for the benefit of KP members. The main object of this study is to delineate the planetary reasons for his longevity and reasons for the said ailment that caused his death.

Birth details
Name: Wimalsri Wijesuriya, Male, Date: Sunday, 22/Jul/1956, Time: 04:05:00 AM SID: 23:53:11, Place: Castle Hospital, Colombo, Western, Sri Lanka, Lat: 06:54:00 N Lon: 79:53:00 E, Ayanamsa: 23° 09' 37", Lagna: Gemini, Star: P.Ashada (Puwasala), Pada 4, Bal. Dasa: Venus 01 Y,08 M, 05 D, (SW used KPAstro 4.1)

Longevity
The Ascendant falls in Gemini 08:02:04 co-ruled by Mercury – Rahu+ - Rahu+ as sign, star and sub lords. The Lagna Lord Mercury is deposited in the 2nd cusp (Maraka) in the star of Saturn(R), the lord of 8, in the 5th cusp, and Rahu+ in 6th. The sub division of Mercury is owned by Venus the lord of 12 located in the 12th.
Lagna Star and Sub Rahu+ is stationed in the 6th (Disease), and in the sub of Mars, the lord of 6 (Disease) and 11 posited in the 9th cusp. Rahu is neither conjunct with other planets nor is it aspected by any. Hence it acts for its sign lord Mars and associating planet Saturn. Thus Rahu alone is a significator for 5, 9 together with 6, 8 and, indicating a middle life span up to 66 years. The native died at the age of 59 years.

Disease
According to the post mortem verdict he had been suffering from Sudden Leukemia. It is generally called "Blood Cancer", because it is a cancer of the blood cells.
There are several broad categories of blood cells, including red blood cells (RBCs), white blood cells (WBCs), and platelets. Generally, leukemia refers to cancers of the WBCs. WBCs are a vital part of the immune system. They protect the body from invasion by bacteria, viruses, and fungi, as well as from abnormal cells and other foreign substances. In leukemia, the WBCs don't function like normal WBCs. They can also divide too quickly and eventually crowd out normal cells. WBCs are mostly produced in the bone marrow, but certain types of WBCs are also made in the lymph nodes, spleen, and thymus gland. Once formed, WBCs circulate throughout the body in the blood and lymph, concentrating in the lymph nodes and spleen.

What is Sudden Leukemia
There are two main types of Leukemia. When the onset of Leukemia is acute, it is called

Sudden Leukemia (Sudden onset). The other type is chronic (slow onset), where the disease progresses slowly and early symptoms may be seen. There are further two types of Leukemia within the category of Sudden Onset. One is Acute Myelogenous Leukemia (AML) that occurs in children and adults. The other is Acute Lymphocytic Leukemia (ALL) that occurs mostly in children. Depending on the age of the native under discussion, this can be Acute Myelogenous Leukemia (AML) alias "Adult Acute Myeloid Leukemia". This is a type of cancer in which the bone marrow makes abnormal myeloblasts (a type of white blood cell), red blood cells, or platelets.
In Pathology, Leukemia is a disease characterized by an abnormal increase in the number of White Cells in the bones and marrows.

Astrological aspects of Leukemia

White Blood Corpuscles- These are said to be destroyers of the body and to form a nucleus for mineral deposits. They are manufactured in the Spleen and are principally the work of *Saturn*. During anger and also during diseases and various afflictions, they pass through the wall of the blood vessels and deposit themselves in weakened or diseased tissues and form a nucleus for the increased deposit of mineral wastes of the body, forming tumors, ulcers. *(Encyclopaedia of Medical Astrology by Dr. H. L. Cornell, M. D., D. A.)*

Governing stellar bodies for the main elements of Leukemia
Blood : Sun and Mars
Marrow : Mars
White Cells : Moon

KP Rules for Leukemia
1. Moon produces cancer of the blood. If the Sub Lord of the 6th cusp is Moon, then breast cancer and blood cancer may be produced. (Medical Astrology for all- by K.Subramaniam, Pg 123,124)
2. If the Sub Lord of the 6th cusp is either Moon or Mars and connected with houses 4, 6 and 12 and also watery signs, there will be the disease of Blood Cancer. (Ibid - Pg 129)
3. The presence of Rahu and Neptune in the 4th indicates adulteration of blood.
4. In case of the disease Leukemia, cardinal signs (Aries, Cancer, Libra, and Capricorn), Moon, Jupiter and Saturn are involved. (Horoscope and diseases by Sri Chandrakanth R. Bhatt)
In addition to the above general rules for Leukemia, I have followed the following well balanced and satisfied leukemia rules, introduced by myself in my Leukemia study paper using 25 Leukemia charts, published in KPEZine January 2014 issue.
1. Saturn or Moon is in any manner connected with the 6th, house of disease. -100%
2. Saturn and Moon are connected in any manner like Punarphoo. - 100%
3. Interference of Jupiter with Saturn & Moon or/and its co-rulers (Lord of Sign, Star & Sub) or house of diseases. - 100%

Analyzing the chart
The longevity of the native has already been discussed above and we found that Rahu+, the Star and Sub of Ascendant, is tenanted in the 6th, Scorpio, a watery sign, owned by Mars (Blood, Marrow).
House of disease is in the sign of Scorpio, a sign that denotes eruptive (to develop suddenly) diseases. The sub lord of the 6th cusp is Venus owner of 12 (Blood) & 5 in 12. It is in the star of Mars (Blood, Marrow), lord of 6 (Disease) & 11 in 9. The sub lord of Venus is Mercury+, the lord of Lagna and 4 (4th also governs blood besides other), tenanted in 2 (Maraka), and conjoined with Sun+ (Blood). By being the owner of the 2nd (Maraka), the Moon (White Blood Cells) is tenanted in the 7th (Maraka & Badhaka for Gemini Ascendant borns). Also, Venus is the sub lord for 9th and 12th (Hospitalization, Blood) and aspects Moon (White Blood Cells) and 7 (Maraka & Badhaka). Thus the 6th cusp sub lord is a significator of 1, 6, 12, Maraka and Badhaka, indicating that the native may suffer from sickness or disease especially of the blood.

6th house is occupied by Rahu+, a key factor for malignant types of diseases, is in the star of Saturn, lord of 8 (Capricorn – a cardinal sign) (Chronic Illness, house of death, House of Blood). Also Rahu associates with Saturn. This Saturn aspects 8th, 12th, 3rd, Kethu and Jupiter (Blood). Rahu is in the sub of Mars (Blood, Marrow, 6-Diseases). As per the rules pertaining to nodes, Rahu represents Mars and Saturn.
White blood cells, the main factors of this disease are under the rule of Moon. In this natal chart Moon is the owner of 2 (Maraka), in Sign Cancer, a Cardinal House, positioned in 7 (Maraka & Badhaka), in the star of Venus (12, 6) and in the sub of Mercury in 2 (Maraka). Hence it is clearly indicated that Moon is severely afflicted by its co-rulers and placement causing adulteration of white cells and marrows.
The ruler of Marrow is Mars that in turn is the lord of the house of diseases, in the star of Jupiter, Lord of 7 (Maraka & Badhaka) another ruler of blood and spleen, where White Blood Corpuscles are manufactured. This destructive mineral is a product of Saturn that is present as the sub lord of Jupiter. Mars is in the sub of Venus lord of 12 (Blood, Hospitalization) in the same cusp, but in the sign of Gemini, that also governs blood. Venus is opposite to Moon and 7 (Maraka & Badhaka).
Furthermore, the 8th and 10th (Treatments not effective) sub Saturn is the owner of 8 and conjoined with 6th (Western Aspects), and Venus being the sub of 6 & 12 is a significator 1, 6,12, as explained above, causes one to suffer from serious illnesses or chronic diseases.
Amongst the disease makers pointed out above, Sun, Moon, Mercury, Venus, Saturn and Rahu are signifying the 5th cusp, immunity. But no significator has had any sympathy for saving the life of the native. Why? In the case of Leukemia, the immune system of the body will be badly corrupted and there may not be any respect for life. The 5th cusp of the chart (Immunity) is Libra, lord of which is Venus, and Star and Sub of 5th Rahu+ is connected with Mars and Saturn the disease makers. Thus the 5th cusp is severely afflicted with the native losing the power of immunity.
The above general planetary behaviors clearly indicate the disease. At the same time, I wish to apply some fixed rules for the disease of Leukemia, as introduced and framed by me in my Leukemia Study mentioned above.

Rule 1 - Saturn or Moon are in any manner connected with the 6th, house of disease. -100%
Rule 2 - Saturn and Moon are connected in any manner like Punarphoo. - 100%
Rule 3 - Interference of Jupiter with Saturn & Moon or/and its co-rulers (Lord of Sign, Star & Sub) or house of diseases. - 100%

In this chart Saturn is conjoined with 6th, depositor Rahu is in the star of Saturn and, in turn, Saturn is in the sub of Rahu – Rule 1 is satisfied.
Moon's sign lord Jupiter is in the sub of Saturn. Thus Moon and Saturn are connected – Rule 2 is satisfied.
Jupiter is in the sub of Saturn, while Saturn is in the star of Jupiter. Moon is in the sign of Jupiter. Rule 3 is satisfied.

3. Clinton has much better timing of glory than Trump because of stronger signification at the star level of dasa lords.

The Vimshottari dasa of 120 years for human life span is not reasonable to apply to a nation chart since the life span of USA is already close to 240 years, two circles of Vimshottari dasa period.

Transiting Uranus in Pisces in opposition to the US natal Saturn and transiting Saturn opposing natal Uranus indicate a distinct clash between the old paradigms with fresher ones. The sense of hype is very high, offering many high promises regardless of their actual ability to be implemented as transiting Jupiter over natal Saturn is aspecting transiting and natal Uranus. Exact conjunction of transiting Saturn to the US natal ascendant has the effect of increasing the difficulty of situations and aggravating the anxieties and frustrations of the people. Gloomy public mood is also indicated by all transiting planets being on one side of Rahu-Ketu axis on the election day.

1.For Clinton 2nd and 4th lord Jupiter is transiting in 10th house, and 10th lord Mercury is in

11th house of wishes and gains. .

2. For Trump Uranus is transiting in 4th house, and 4th lord Jupiter is in 10th house of power and success.

3. It is close to call for winner in the presidential election.

Lagna lord Mars in 8th house with 12th lord Saturn and five planets Su, Mo, Ve, Ke and Ur in 12th house are to be concerned for the country.

1. For Clinton 10th house is aspected by its lord Jupiter, and 10th lord Jupiter is on the 6th cusp aspected by 11th and 12th lord Saturn from 8th .

2. For Trump 4th house is aspected by 1st and 8th lord Mars from 8th , and 4th lord Mercury is on 1st cusp aspected by 10th lord Jupiter.

I have found the technique of composite charts, as mentioned in this article, to be a very reliable new astrological technique in KP system. Generally, this technique is used in the western system. New astrological methods are constantly being developed and promoted by their discoverers, but there is yet no other method of checking relations like between marriage partners, relations between father-son, relations among business partners, relations between two countries etc. as may be checked by using the composite chart system. By using composite charts, we can predict very clear results about these relations, compared with any other system now used by the KP community.

The composite chart gives accurate indications about relationships in a new way. This method takes into account the fact that a relationship of any kind like in a marriage, between father-son, between business partners, and between two countries is not simply two or more people or countries or organizations together. If two people or countries or organizations are involved with each other in some way, we can judge their relations by using a composite chart.

When I first experimented with composite charts I was not satisfied and had many doubts. My main doubt was as to why the composite of two charts gives results, when there is not much sense in getting midpoints of two charts. Later, when I had checked many charts involving various kinds of relationships I wondered as to how these composite charts as per KP System and developed by me, gave me accurate and amazing results. I have introduced this technique of creating multiple composites, as per KP, for the first time to the KP community. The KP relationship method of composite chart is somewhat complex, but I will try to introduce it in this article in a simplified way.

People who are familiar with mathematics will understand what I have demonstrated in this article. Before someone starts to criticise this article, let me say, the only test is to try out the KP relationship method of composite chart (KPCC) and then critique with valid proof of tested examples, and not by reproducing copies of old pages.

This article is in two parts. In the first part, complete details of the math's aspects of creating a composite horoscope are provided. The second part of the article shows how to read the composite chart.

More experienced KP astrologers will find it very easy to follow the KP relationship method of Composite Chart (KPCC).

Part 1: Casting the Chart

The composite horoscope is created by calculating the midpoint between pairs of planets and between the twelve bhavas of the two natal horoscopes. Thus, we calculate the midpoint between the Sun of one and the Sun of the other, Moon of one and the Moon of the other. In a like manner, this is calculated for all nine planets and the twelve bhavas. The composite Sun is the midpoint of the two Suns; the composite Moon is the midpoint of the two Moons; and so on for all the other planets.

In all horoscopes, Sun, Venus and Mercury are generally found together, and are always, approximately, in the same bhava or one bhava before and after. In the composite chart, we have seen some astonishing configurations such as a Sun-Mercury opposition or a Venus-Mercury opposition, which are clearly impossible in an ordinary chart.

Part 2: Checking the Chart
After calculating the midpoints of cusps and planets, find out the relevant sub lord and check its occupation and ownership in the individual charts. If it is positive then the matching is good.

Part 3: Checking the Dasa
After calculating the midpoints of cusps and planets, and checking the relevant sub lords we have to find out the midpoint date of both the charts. Details are given in the practical part.

Hint:

If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 the life is short (about 33 years). If the cuspal sub lord of the Asc. be the significator of the house 1 or 5 or 9 or 10 the life is long (about more than 66 years). If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 and 1 or 5 or 9 or 10, the life is medium (about 66 years). But if the cuspal sub lord of the Asc. be the significator of Badhaka and Maraka houses with the above mentioned houses, it is not good for the life. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Asc. or the 8th cusp be the significator of the Badhaka and Maraka houses, their joint period is very critical for life. In the short life case within 33 years, in the medium life case within 66 years and in the long life case above 66 years.

Badhaka bhava is more dangerous than Maraka bhava. So when we are checking longevity first check the Badhaka bhava and then the Maraka bhava.

Cuspal sub lord of composite chart:
Ascendant cusp sub lord of composite chart is Venus. Venus is in the star of Rahu and sub of own in the composite chart. Venus is occupant of 9, and owner of 2-9. Star lord Rahu is occupant of 9. Rahu is conjoined with Sun, Mars, Venus and Saturn. Sun is occupant of 9, owner of 12. No planet is in the star of Sun and Sun is CSL of 9. Mars is occupant of 3, owner of 8. Venus is occupant of 9, owner of 2-9. Saturn is occupant of 10, owner of 5-6. Thus Ascendant cusp sub lord Venus indicates long life.

Cuspal sub lord of composite chart in Suu Kyi chart:
Ascendant sub lord of composite chart is Venus. Venus is in its own star and sub of Rahu in Suu Kyi's chart. Venus is occupant of 4, and owner of 6-11. Sub lord Rahu is occupant of 7. Rahu is conjoined with Sun, Mercury and Saturn. Sun is occupant of 6, owner of 9. Mercury is occupant of 6, owner of 7-10. No planet in the star of Mercury and Mercury is CSL of 8. Saturn is occupant of 7, owner of 2-3. No planet is in the star of Saturn and Saturn is CSL of 2-5-11. Thus Venus signifies 4-6-11 and is connected with 4-6-11-9-7-10-8-2-3-5. Thus Ascendant cusp sub lord indicates 5-11 with 2(Maraka)-7(Badhaka).

Cuspal sub lord of composite chart in U Htin Kyaw chart:
Ascendant sub lord of composite chart is Moon. Moon is in the star of Saturn and sub of Venus in U Htin Kyaw's chart. Moon is occupant of 9, and owner of 1-2. No planet is in the star of Moon and Moon is the CSL of 1-5. Star lord Saturn is occupant of 1, owner of 7-8-9. Sub lord Venus is occupant of 2, owner of 5. Thus Moon signifies 1-7-8-9 and is connected with 9-1-2-5. Thus Ascendant cusp sub lord indicates 1-5-9-11 with 2(Maraka)-7(Badhaka).

Now as per composite chart running Dasa & Bhukit is Saturn-Saturn up to 08-01-2019.

Dasa-Bhukti lord of composite chart in Suu Kyi chart:
Dasa lord of composite chart is Saturn. Saturn is in the star of Rahu and sub of Moon in Suu Kyi's chart. Saturn is occupant of 7, and owner of 2-3. No planet is in the star of Saturn and Saturn is the CSL of 2-5-11. Star lord Rahu is occupant of 7. Rahu conjoined with Sun-Mercury and Saturn. Sun is occupant of 6, owner of 9. Mercury is occupant of 6, owner of 7-10. No planet is in the star of Mercury and Mercury is the CSL of 8. Saturn is occupant of 7, and owner of 2-3. No planet is in the star of Saturn and Saturn is the CSL of 2-5-11. Sub lord Moon is occupant of 10, owner of 8. Thus Saturn signifies 7-6-9-7-10-8-2-3-5-11 and is connected with 7-2-3-5-11-10-8. Thus dasa-bhukti lord indicates 5-11 with 8.

Dasa-Bhukti lord of composite chart in U Htin chart:
Dasa-Bhukti lord of composite chart is Saturn. Saturn is in the star of Saturn and sub of Saturn in U Htin chart. Saturn is occupant of 1, and owner of 1-8-9. Star and sub lord is also Saturn. Thus Dasa-Bhukti Saturn signifies 1-8-9 and is connected with 1-8-9. Thus dasa-bhukti lord does not indicate 5-11 at all. Also, it does not indicate 3-10-11 at all.

Hint:

If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 the life is short (about 33 years). If the cuspal sub lord of the Asc. be the significator of the house 1 or 5 or 9 or 10 the life is long (about more than 66 years). If the cuspal sub lord of the Asc. be the significator of the house 6 or 8 or 12 and 1 or 5 or 9 or 10, the life is medium (about 66 years). But if the cuspal sub lord of the Asc. be the significator of the Badhaka and Maraka houses with the above mentioned houses, it is not good for the life. If the cuspal joint rulers (the sign lord, star lord and sub lord) of the Asc. or the 8th cusp be the significator of the Badhaka and Maraka houses, their joint period is very critical for life. In the short life case within 33 years, in the medium life case within 66 years and in the long life case above 66 years.

Badhaka bhava is more dangerous than Maraka bhava. So when we are checking longevity first check the Badhaka bhava and then the Maraka bhava.

Cuspal sub lord of composite chart:
Ascendant cusp sub lord of the composite chart is Saturn. Saturn is in the star of Moon and sub of Rahu in composite chart. Saturn is occupant of 4, and owner of 8-9-10. Star

lord Moon is occupant of 8, owner of 2. Sub lord Rahu is occupant of 2. No planet is in the star of Rahu and Rahu is CSL of 5. Rahu is in Cancer sign, hence represents Moon. Moon is occupant of 8, owner of 2. Thus Ascendant cusp sub lord Saturn does not indicate long life because of 4(End of everything), and 2(Maraka).

Cuspal sub lord of composite chart in swearing chart:
Ascendant sub lord of the composite chart is Saturn. Saturn is in the star of Mercury and sub of Moon in the swearing-in chart. Saturn is occupant of 6, and owner of 9-10. Star lord Mercury is occupant of 11, owner of 2-5. Sub lord Moon is occupant of 7, owner of 3. Thus, Saturn signifies 2-5-11 and is connected with 6-9-10-7-3. Thus, Ascendant cusp sub lord indicates 5-11 with 2(Maraka)-7(Maraka)-9(Badhaka), and does not indicate long life.

Cuspal sub lord of the composite chart in U Htin Kyaw's chart:
Ascendant sub lord of the composite chart is Saturn. Saturn is in the star of Saturn and sub of Saturn in U Htin Kyaw's chart. Saturn is occupant of 1, owner of 7-8-9. Thus Saturn signifies 1-7-8-9 and is connected with 1-7-8-9. Thus, Ascendant cusp sub lord indicates 1-8 with 7(Maraka).

Dasa lord of the composite chart is Jupiter. Jupiter is in the star of Venus and in its own sub in the swearing-in chart. Jupiter is occupant of 4, and owner of 8-11. Star lord Venus is occupant of 10, and owner of 1-6. Sub lord is also Jupiter. Thus, Jupiter signifies 10-1-6 and is connected with 4-8-11. Thus, dasa lord indicates medium longevity.

Bhukti lord of the composite chart in the swearing-in chart:
Bhukti lord of the composite chart is Venus. Venus is in the star of Jupiter and in its own sub in the swearing-in chart. Venus is occupant of 10, and owner of 1-6. Star lord Jupiter is occupant of 4, and owner of 8-11. Sub lord is also Venus. Thus, Venus signifies 4-8-11 and is connected with 10-1-6. Thus, Bhukti lord indicates 1-8-11. There is, therefore, no problem during this bhukti.

Next bhukti will be that of Sun from 28-12-2019 to 16-10-2020. Sun is in the star of Saturn and sub of Jupiter in the swearing-in chart. Sun is occupant of 10, and owner of 4. Star lord Saturn is occupant of 6, and owner of 9-10. Sub lord Jupiter is occupant of 4, and owner of 8-11. Thus, Sun signifies 6-9-10 and is connected with 10-4-8-11. Thus, Bhukti lord indicates 9(Badhaka)-4(End of everything)-10(Exit from world). This indicates medium longevity.

Dasa lord of composite chart in U Htin's chart:
Dasa lord of the composite chart is Jupiter. Jupiter is in the star of Mars and in its own sub in U Htin's chart. Jupiter is occupant of 3, and owner of 6-10. No planet is in the star of Jupiter and Jupiter is the CSL of 4-10. Star lord Mars is occupant of 2, and owner of 11. Sub lord is also Jupiter. Thus, Jupiter signifies 2(Maraka)-11(Badhaka) and is connected with 3-6-10-4. Thus, dasa lord indicates medium longevity.

Bhukti lord of the composite chart in U Htin's chart:
Bhukti lord of the composite chart is Sun. Sun is in the star and sub of Saturn in U Htin's chart. Sun is occupant of 1, and owner of 3. Star and sub lord Saturn is occupant of 1, and owner of 7-8-9. Thus, Sun signifies 1-7-8-9 and is connected with 1-3-7-8-9. Thus, Bhukti lord indicates 7(Maraka).

Cuspal sub lord of the composite chart:
Ascendant cusp sub lord of the composite chart is Saturn. Saturn is in its own star and sub of Ketu in the composite chart. Saturn is occupant of 10, owner of 4-5. Sub lord Ketu is occupant of 2(Maraka). Ketu is conjoined with Moon. Moon is occupant of 2, and owner of 10. Thus, Ascendant cusp sub lord Saturn does not indicate long life.

Cuspal sub lord of the composite chart in Suu Kyi's chart:
10th sub lord of the composite chart is Rahu. Rahu is in in its own star and sub of Venus in Suu Kyi's chart. Rahu is occupant of 7. Rahu is conjoined with Sun-Mercury and Saturn. Sun is occupant of 6, owner of 9. Mercury is occupant of 6, owner of 7-10. No planet is in the star of Mercury and Mercury is the CSL of 8. Saturn is occupant of 7, and owner of 2-3. No planet is in the star of Saturn and Saturn is the CSL of 2-5-11. Sub lord Venus is occupant of 4, owner of 6-11. Thus, Rahu is connected with 3-10-11. Thus, 10th cusp sub lord indicates 3-10-11.

Cuspal sub lord of the composite chart in U Htin's chart:
10th sub lord of the composite chart is Rahu. Rahu is in the star of Mars and its own sub in U Htin's chart. Rahu is occupant of 11. No planet is in the star of Rahu and Rahu is CSL of 2-7-8-11. Now we will calculate Bhukti during Rahu dasa.

16-01-2009 Rahu dasa start

28-09-2011 Rahu-Rahu bhukti end

28-12-2025 Rahu-Moon bhukti end
18-00-0001
16-01-2027 Rahu-Mars bhukti end

Now, as per the composite chart, the running Dasa & Bhukit are Rahu-Saturn up to 25-12-2016. Next is Rahu-Mercury up to 16-07-2019.

Dasa lord of the composite chart in Suu Kyi's chart:
Dasa lord of the composite chart is Rahu. Rahu is in its own star and sub of Venus in Suu Kyi's chart. Rahu is occupant of 7. Rahu is conjoined with Mercury-Sun and Saturn. Sun is occupant of 6, and owner of 9. Mercury is occupant of 6, and owner of 7-10. No planet is in the star of Mercury and Mercury is CSL of 8. Saturn is occupant of 7, and owner of 2-3. No planet is in the star of Saturn and Saturn is CSL of 2-5-11. Sub lord Venus is occupant of 4, owner of 6-11. Thus, Rahu signifies 7-6-9-10-8-2-3-5-11-4 and is connected with 7-6-9-10-8-2-3-5-11-4. Thus, dasa lord indicates 3-10-11. Indication of 8 shows hurdles in his own party.

Dasa lord of the composite chart in U HTIN's chart:
Dasa lord of the composite chart is Rahu. Rahu is in the star of Mars and its own sub in U Htin's chart. Rahu is occupant of 11. No planet is in the star of Rahu and Rahu is CSL of 2-7-8-11. Rahu is aspected by Jupiter. Jupiter is occupant of 3, and owner of 6-9. No planet is in the star of Jupiter and Jupiter is CSL of 4-10. Star lord Mars is occupant of 2, owner of 11. Thus, dasa lord indicates 3-11-10. Indication of 8 shows hurdles.

Dasa lord of the composite chart in Myanmar's chart:
Dasa lord of the composite chart is Rahu. Rahu is in the star of Sun and sub of Moon in Myanmar's chart. Rahu is occupant of 6. Rahu is aspected by Saturn. Saturn is occupant of 9, and owner of 3-4. No planet is in the star of Saturn and Saturn is the CSL of 4-6-7-12. Star lord Sun is occupant of 2, owner of 10. Sub lord Moon is occupant of 11, and owner of 9. Thus, dasa lord is the significator of 10 and is connected with 3-11. Thus, dasa lord indicates 3-11-10.

Conclusion:
1) Suu Kyi- U Htin composite chart and in both their individual charts longevity is medium, hence relations between the two of them will not continue to be good.
2) Suu Kyi- U Htin composite chart's dasa-bhukti and in both their individual charts longevity is medium, hence relations between the two of them will not continue to be good. Also, both individual charts show signification of 3-10-11. It shows that they are both doing good for the country.
3) Swearing- U Htin composite chart's Ascendant sub lord does not indicate longevity. Thus, he will not complete his term. Indication of 8 and 12 will force him to step down from his post.
4) Swearing- U Htin composite chart's 10th cusp sub lord indicates 3-10-11. Thus, he will do good work. However, dasa-bhukti does not indicate longevity.
5) Swearing- U Htin- Suu Kyi composite chart does not indicate a long longevity.
6) Swearing- U Htin- Suu Kyi composite charts 10th sub lord indicates 3-10-11. Thus she will do very good work for the country.

My opinion:
1) As mentioned above, in all three composite charts, the 10th cusp sub lord does indicate 3 -10-11. It is clear that both will work for the good of the country. But longevity is not well indicated. Therefore, by controversy or misunderstanding, both will separate and their relations will turn bad.
2) Up to 25-12-2016 relations will turn bad, and during the period between 25-12-2016 to 16-07-2019 U Htin will resign from his post due to the bad relations that will exist with Suu Kyi.

Definition

Autism (or ASD) is a wide-spectrum and complex development disorder. This means that no two people with autism will have exactly the same symptoms. Autism was first described as a disease by a Swiss psychiatrist BLEULER in 1990. At that time Saturn was in ARIES sign and it was exactly back square to URANUS in CAPRICORN.

Below is a list of the most commonly found characteristics identified among people with an A S D.:

Symptoms of Autism--

Symptoms of autism typically appear before a child reaches the age of 3 years, and they last throughout life. Children with autism can display a wide range of symptoms, which can vary in severity from mild to disabling. General symptoms that may be present to some degree in a child with autism include:

- Difficulty with verbal communication, including problems using and understanding language,
- Inability to participate in a conversation, even when the child has the ability to speak,
- Difficulty with non-verbal communication, such as gestures and facial expressions,
- Difficulty with social interaction, including relating to people and to his or her surroundings,
- Difficulty making friends and preferring to play alone,
- Unusual ways of playing with toys and other objects, such as only lining them up a certain way,
- Difficulty adjusting to changes in routine or familiar surroundings, or an unreasonable insistence on following routines in detail,
- Repetitive body movements, or patterns of behavior, such as hand flapping, spinning, and head banging,
- Preoccupation with unusual objects or parts of objects,

In a nutshell it could be said that autism is a purely lunar, and a semi-genetic disease. Thus, efforts could be made to combat autism with the help of medical astrology.

People with a form of autism have exceptional skills in specific areas such as music, art, and numbers. People with 'autism' who are called as savants are able to perform these skills without lessons or practice.

Astrological indications—

1. The Ascendant lord and Mars-- represent the body or physical constitutional nature and temperament, structure and appearance, and weak points or susceptibilities. They also represent the nature and circumstances of birth, incarnation or physical embodiment. Modern astrology considers the Ascendant as a prime house along with the sign Aries and its ruler Mars, because it is the cusp of the First House in the natural Zodiac. Thus, the Ascendant rules the body and its physical expression in general, and the head in particular.

In medical astrology, maturation of *brain and blood* remain under influence of the planet- Mars. Although blood has no access into the brain, it has tremendous influence directly or indirectly on it. Thus, afflicted Mars causes disease in brain cells. Mars stands for the grey-matter of our brain in which Mercury influences the intellect. But whether Mercury will be able to remain active in the brain or not depends exclusively on the Sun, as the Sun supplies energy to be activated. Therefore, the Sun, as a King of the planets, plays a vital role in medical science, and as a matter of fact it is the key factor behind the action of every planet. Mars is also the marrow within the bones and *Mars produces blood cells* with the help of Saturn. Medical astrology considers that Mars and Saturn in perfect harmony augment production of quality blood in humans. It is seen that a man with an optimum level of quality blood remains calm and cool in nature and passes a soothing life and,

when the contrary exists, it gives rise to an irritating and eccentric life.
2. Mercury – The nervous system, speech indicator, body's immune system
3. Saturn- Cold and wasting, responsible for toxic / waste removals, chronic disease significators.
4. Moon- Significators of mind, mother, and body fluids etc: Moon will give diseases related to lungs, nervous disorders, sulkiness, depression, weak eyesight, emotional disorders. Bad and horror dreams have been noticed when there is malefic effect on moon.
5. Rahu – Poisonous, pollutants, environmental factors responsible for unknown diseases.
6. Sun+ Mercury combination is very prominent in most nervous disorder diseases.
7. Uranus AND Neptune combination as per western astrology is said to be the cause for such nervous disorders.
8. Second lord, Mercury or Jupiter in trika bhava (6, 8 &12 are trikas), afflicted etc.
9. SIGNS TO BE STUDIED ARE- Gemini, Virgo and Pisces- Gemini is an indicator of nerves and the nervous system. Virgo the natural disease indicator of the zodiac and Pisces as natural sign for hospitalization and inactivity.

With this background I would like to present the natal chart of a child who has been suffering from "Autism" since her childhood. The birth details along with the chart are furnished below.

NAME-FEMALE CHILD.
DOB-8 JULY 1999 / TOB-9.18.50 A.M / POB- HYDARABAD.

K.P RULES ON DISEASE-NATURE-TREATMENT- CURE:
1) If the sub lord of the Ascendant, or of the 6th cusp, is the significator of 6, 8, 12, or the lord of the star in which the sub lord is posited is in any way connected with 6 or 8 or 12, disease is caused.
A) The nature of the disease will be indicated by the 6th house and some relevant signs connected.
B) If the star lord of the 6th cusp in which the sub lord is posted or the 6th cusp sub lord happens to be --
--SATURN or in any way connected with it- the disease will be CHRONIC,
--MARS or in any way connected with it --the disease will be ACUTE,
--MERCURY--or in any way connected with it-- the disease will be COMPLICATED.
2) The disease will be caused during the conjoined period of 1 & 6 / or
1 & 8 / or 1 & 12 significators of houses for disease.
3) The cure is indicated during the conjoined period of the significators of 5 or 7 or 11-- houses for cure.
4) Signs involved are – The LAGNA along with ARIES the first house of the Zodiac, GEMINI –the third house of the Zodiac, VIRGO- SIXTH house of the Zodiac AND PISCES –the twelfth house in the Natural Zodiac.
4) HOUSES/ CUSPS TO BE JUDGED

LAGNA- head and brain problems. The ascendant sign qualifies the resistance to incoming planetary energies. Earth and Fire signs have the greatest resistance. Cancer and Pisces are the most sensitive rising to incoming force; and Air signs conduct electrical force quickly. The medical astrologer has to examine these houses carefully.
The natal placement by sign and house of the planet ruling the natal ascendant sign is essential in assessing the general state of the body.

SIXTH HOUSE- "THE HOUSE OF SICKNESS"---This is the house of general health interest, maintenance and the support of the body. Planets in this house may represent health issues.

EIGHTH HOUSE—"The house of death (RANDRHA STHANA), or all the struggles to overcome the threat of death. This is the area of surgery, drastic measures, chronic ailments, diagnosis and psychological analysis. However it is also the house of transforming and cleansing.

TWELFTH HOUSE—this is the house of spiritual work and sleep. Psychological problems influencing health are sometimes indicated here. Also look here for hidden causes behind apparent issues of health.
Planets in this house may be weakened or take on pathological qualities in reflex to the opposing sixth house. Pathological issues are more typical for planets in this house, especially if the planet is debilitated, retrograde or receiving bad/ malefic aspects.
The ruler of this house may weaken or undermine any natal planets it conjoins with or the house it tenants. This negative effect would be offset if the ruler of the 12th house is dignified and well aspected.

3rd- denotes lower mind, brain and communication capabilities/ problems.
9th – denotes higher mind.
5th-intelligence and thinking power.
12th-hospitalisation or isolation and death.

5) PLANETS TO BE JUDGED
SUN--general resistance power, general vitality of the organs and physical system.
MOON—it governs the mind, mental structure and thinking patterns.
MARS-Blood, Bone marrow and intelligence, driving force.
MERCURY-- motor segment of the spinal cord, entire nervous
System and its disorders, complication in diagnosis, treatment etc.
JUPITER-the karaka for the 5th house and intelligence.
SATURN- chronic nature of the diseases.

ANALYSIS OF THE NATIVE'S CHART

ANALYSIS OF THE RELEVENT HOUSES
1. THE LAGNA CUSP falls in Leo sign at 08-56-35 longitude of the fiery sign, with SUN (SGL)-KETHU (STL)-JUPITER (SBL).

- SUN+ (the lagna lord) is deposited in Gemini sign -3rd in the natural zodiac and 11th by natal chart in Mercury sign- an airy sign
- Signifying nervous system. Leo being a fixed sign tends to ailments causing defects in the generative system. Since it is a fire sign, it also gives resistance. Chronic or organic troubles related to the spine are threatened. Sun is placed in Gemini and aspected by Saturn a malefic and lord of 6th cusp. Thus it got afflicted. The Lagna cusp is afflicted by the aspect of Jupiter (9th lord) – badhaka sthana lord.
- SUN- SGL- signifies 1-lagna and head 5- negative to 6th house, 8th- problems, chronic ailments, 9th- badhaka sthana lord and higher mind, 11th- cure after treatment, and 7th- doctors and treatment. Thus it is clear that the native's lagna has become weak by birth giving rise to a weak constitution with lack of power of general resistance too, negatively affecting the vitality of the organs in general and the head in particular.
- KETHU-STL-is deposited in 6th cusp (Capricorn sign) with Uranus and Neptune and they are aspected by Mercury (lord of 2 and 11 in 12th cusp). Kethu is aspected by Mars (ord of 4 and 9 in 2nd). Kethu signifies 2 and 8 as co-ruler/ 6,9,12 at it STL and 3, 10, 12 at its sub level.
- JUPITER the sub lord of the ascendant as already discussed in the first point above signifies 6, 8, 9 and 1,5,11.
- From the above it is evident that the Lagna cusp signifies –

6-disease/ill health, 8-danger or seriousness of the problem, 9- badhaka sthana indicating physical sufferings, 7- doctors, treatment and maraka sthana, 12- hospitalization and treatment, 5- negative to 6th and control over disease, 1- native, head and its related matters along with physical body, 11-cure after treatment, 3- negative to 4th and terminal house, and 10- physical experience of past karma.
All the above significations indicate that the native is destined to suffer physically and mentally with hospitalization, treatment and control over the problem to some extent.
The disease will be acute during the conjoined periods of 1 & 8, or 1 & 6 or 1 & 12 houses significators.

2) 6TH HOUSE---6th cusp sub lord is VENUS.
Venus is the lord of 3(a cadent house) signifying mental inclinations and abilities, as well as the inherent propensities of the mind and intellect. It is also the lord of 10th- karma sthana denoting the experiencing of the past karma of the native, placed in 12th- ripha sthana, house of loss and impediments, restraints, limitations and a house productive of evil.
Venus is in the star of Kethu (Makha star) which has already been discussed above.
Venus is the sub of Sun lord of 1 in 11th Gemini, aspected by 6th lord Saturn.
Thus the 6th cusp sub lord signifies –4-terminal house, 6th- house of diseases, 10- karma sthana,12-hospitalization, loss and troubles as CO-RULER, at the STAR level, it signifies-3-mental abilities, communication skills, and nervous system, along with 6,10,and 12. And, at its SUB LORD level, it signifies 1- head and related problems and physical body, 11- treatment and control over the health problems.
All the above significations clearly indicate some major ailment pertaining to the head (lagna), lack of resistance power, lack of communication skills, hospitalization and partial treatment and control over the existing problem.

3). 8th HOUSE—its sub lord is KETHU. It co-rules the 2nd cusp.

Kethu is placed in 6th with Uranus (R) and Neptune (R). Kethu represents Saturn-lord of 6 & 7 in 9th cusp (badhaka sthana)-ARIES sign (debilitated). This indicates that the nature of the disease will be chronic.

Uranus and Neptune in conjunction with Kethu -8th sub lord –placed in 6th (house of disease) and aspected by Saturn by 10th aspect (back square (-86 degrees) aspect) clearly indicate that ---

The above combination of Uranus, Neptune, Kethu and Saturn (in Capricorn) has opened new vistas to "Autism" since 1990s and continued for many long years. The children born during the said period with this combination carry this primordial with them and they are considered as entirely a new brand of progeny.

URANUS in 6th house shows an erratic nature in their thinking pattern, nervous disorders, sickness, puzzling medical symptoms, strange and irritable diseases, insanity, treatment by Radium etc:.

NEPTUNE in 6th cusp shows latent psychic tendencies, danger through spirits, chronic and incurable diseases, wasting sickness etc: It also governs and indicates the nervous system, retina, optic nerves, cerebro-spinal fluids etc:

MERCURY IN 12TH (lord of 2 and 11, and as lord of 3 & 6 in the natural zodiac) is conjoined with Rahu (a first class malefic) and is in opposition to Uranus, Neptune and Kethu with an axis of 6-12 cusps. Mercury as a significator of nerves and psychic abilities for resisting and fighting back spirits is fully affected by the connection of all the four malefic planets, giving the native nervous disorders, mental derailment, and related health problems.

4)12TH HOUSE— twelfth cusp sub lord is VENUS which has already been discussed under 6th cusp.

ANALYSIS OF THE RELEVENT PLANETS

SUN- LAGNA LORD—this is the planet which gives general resistance power, general vitality of the organs and the entire physical system for the native.

-Sun is placed in Gemini sign (3rd in the natural zodiac) ruled by Mercury with an element of air. Sun is placed in Jupiter star (a functional malefic as lord of 8th) which is placed in 9th –badhaka house for Leo. Sun is in the star of Saturn who is sub lord of 6 & 7 which is also placed in 9th. Sun is aspected by such a Saturn by its 3rd aspect.

Thus the lagna lord SUN has become weak by placement, by aspect and connection with Jupiter, thereby causing the Geminian vital force to get scattered in several directions and giving rise to nervous disorders, neurological problems, mental illnesses etc:.

MERCURY –LORD OF 2 & 11 IN 12TH

Mercury is the significator of life as it allows air in to the system through the lungs. It stimulates the nervous system. It is a causative as well as a remedial factor for major diseases.

Mercury has direct impact on the grey matter and central nervous system in our head.

Omar V. Garrison notes in "Medical Astrology" (Warner Paper Back Library 1973) that Mercury is able to change the direction and raise or lower the vitality rate of the electromagnetic currents moving in the nerves and cells in the body.

As a fast moving planet, it makes good sense that he governs the speed of our neural synapses and how efficiently we receive and identify sensory data through the afferent nerves. One might liken Mercury to a great communications switch board between the internal and external environment.

Effects of Mercury are similar to those of Uranus though potentially less serious. Such a powerful and vital planet as Mercury, afflicted by the conjunction with Rahu, placed in the 12th cusp, and receiving a direct aspect of Uranus and Neptune, has played a significant role in giving to this native such a chronic, dreadful disease called "AUTISM".

Mercury as lord of the 2nd has fully affected the native's speech and communication.

MARS—Lord of 4 and 9 placed in 2nd

Mars is placed in the 2nd cusp (but within 1 degree orb to the 3rd) in the chart. Mars, although it is a yoga karaka for Leo lagna, has become the lord of badhaka sthana. Such a Mars is aspecting 9th house, 6th house and 10th house. Mars is afflicted by the aspect of Saturn by its 7th aspect as lord of 6 and 7, by Jupiter lord of 5 and 8 (functional malefic) and by Moon the 12th lord.

Mars in medical astrology rules the head, brain, blood and bone marrow. Though blood has no direct access into the brain as per medical science, it has tremendous influence, directly or indirectly, on it (being the lord of the Aries sign). Thus Mars causes diseases pertaining to brain cells. Mars governs grey matter of our brain in which Mercury influences the way the intellect works.

The placement of Mars in Libra sign is detrimental to the planet. Mars, through its reflex effects on Aries (9th), Capricorn (6th) and Cancer (12th) in this native's chart, influences the houses and planets it is placed in through its malefic effects and the body parts pertaining to the signs/ houses.

Thus it is clear from the chart that Mars, though a yoga karaka planet for this native, played its own part in affecting the brain, head, and nervous system leading to Autism.

STAURN—LORD OF 6 AND 7 IN 9TH
Saturn as lord of 6 and 7 is conjoined with Jupiter lord of 8th in 9th house badhaka sthana for Leo lagna and house of debilitation (in Aries on 21:05:11 longitude). It has thus became a powerfully malefic planet in the chart of this native. Such a Saturn aspects Sun-lagna lord, Mars -4 and 9th lord, Kethu, Uranus and Neptune in 6th and has become detrimental to the natives lagna.
Saturn is a planet in medical astrology, where ill health begins. Saturn governs chronic conditions as it rules cold and blue color, whereas Mars governs acute conditions as it rules heat and red color. As such the human body does not do well under prolonged exposure to light of either color.
As per the chart, Saturn is receiving the most malefic aspect of opposition (180 degrees) from Mars, conjunction of Jupiter (14 degrees orb), square to Mercury and back square to Uranus, Neptune and Kethu-all of which are ill-natured aspects.
Saturn in Aries in this chart has thus affected the native's blood vessels of the brain, causing motor nerve anomalies which have resulted in most chronic and dreadful disease called "Autism".

MOON-LORD OF 12 IN 9TH— Moon in medical astrology governs the mind and head. It is the supreme controller of our mind and all its activities, and any of its effects are related to psychiatric diseases as well as freshness too. As Autism is related to lunar diseases, the moon plays a vital role in the natal chart.
Moon in Aries sign, though not detrimental to it, has become malefic by virtue of it lordship of the 12th house and its placement in the 9th- badhaka sthana for Leo lagna. Added to this, Moon is in the company of Saturn (a malefic by nature and as 6th lord), aspected by Mars – another malefic and lord of 9th, and it has become weak by these adverse influences.
Such a Moon in Aries causes swelling of brain, headache, insomnia etc; The natural energy of the Moon is considerably altered in dry and hot Aries sign with the added impact of malefic aspect of Mars and Saturn conjunction.

From the above analysis it has become very clear that the astrological connection is closely tied to the Saturn/Uranus cycle. Saturn rules order and structure, and Uranus is the rebel and radical influence that destroys the status quo. So the cycle of Saturn and Uranus is often found during the periods of radical changes in the thinking pattern. In the present chart, at birth time, Saturn in Aries with Moon was exactly back square to Uranus and Neptune in Capricorn which has triggered strong astrological reasons to give rise to AUTISM.
The period running at birth is VENUS DASA- MERCURY BHUKTHI- VENUS ANTARA- JUPITER SOOKSHMA.
--VENUS D/L and A/ L signifies - -3, 6, 10, 12 at star level and 1 and 11 at sub level.

--MERCURY bhukthi lord signifies 2,6,7,9,11,12 at star level and 2,9,11 and 12 at its sub lord level.
--JUPITER sookshma lord signifies 5, 6, 8, 9 at star level and 5, 8 at sub level.
I feel that there is no fear for this child's longevity since the lagna sub lord Jupiter signifies ---
6-ill health or sickness, 8-problems, troubles, seriousness of the problems, 9- badhaka sthana giving rise to physical problems and suffering, along with 5-control by treatment of disease, 1-Native and 11-treatment for the disease. This combination of significations of the houses indicates that this native is assured of middle life (may be 33 years to 72 years).

I feel I am very much indebted to Sri Kanak Bosmia ji for his generosity in accepting my articles and providing a great opportunity to write such of these articles which enriches my knowledge also. My sincere thanks to Him. My regards to Sri K S Krishnamurthy garu who opened great vistas of astrological window to the students of astrology, through his great sub lord theory in his K.P system.

Prediction for Marriage

As we know, in order to predict marriage, normally we have to see that the 7th cusp should signify 2, 7, and 11. Marriage of a native is solemnised during DBA of 2,7,11. Here I have given a case where I predicted, in October 2015, for marriage of the daughter of someone known to me with the help of her Date of birth chart (natal chart). Interestingly, my prediction missed the mark by a difference of approximately two months because of the difference in the selection of the Antara running on the actual date of marriage and the predicted date of marriage, despite the fact that the prediction was made without any possible errors in applying KP principles. I requested Sh. Kanak Bosmia to examine and justify the reason for this difference in the selection of the Antara for the fructification of this event of marriage.

Case

Querent: Female
Date and time of birth: 8 September 1988
Place of Birth: Chandpol, Jaipur, Rajasthan, India, at 10.00 PM
Date and time of judgement 8 October 2015, at 11.56.58 AM

Analysis of the 7th cusp: Sub lord of 7th cusp is Moon which is in the star of Mercury and in the sub of Rahu. Moon occupies 4 and owns 4. There is no planet in the sub of Rahu. Rahu represents Saturn 6. Rahu is posted in 11. Mercury occupies 6 and owns 3 and 6. Saturn occupies 8 and owns 10 and 11. The 7th Cusp is connected with 11, showing that there is a chance of marriage but with substantial delay. 7th Cusp is also connected with negative significators 1, 4, 6, 10 and 8 which shows difficulties in married life but here, in this case, we are focused only in predicting the period of marriage.

Bhukti of Saturn: Saturn is also a significator of 11. So marriage is certain during Bhukti of Saturn i.e. between 16.5.2014 and 15.7.2017.

Selection of Antara: At the time of judgement, Antara of Venus was going on i.e. from 4.7.2015 to 13.1.2016. However, Venus was already taken as Mahadashanath and also the 7th Cusp is indicating 8. So, I preferred to take the next Antara of Sun i.e. from 13.1.2016 to 11.3.2016. Because Sun is significator of 2 and 7 Remaining Antaras of Mars and Rahu are also significators of marriage but not that of Moon. But, looking at the quality of the significator planet, Sun, presents the best option (better than Mars and Rahu), as it is not connected with any negating significations for marriage. I did not take the help of RPs in this case, which I generally prefer in cases where all planets become significators of an event for which prediction is desired.

Prediction: Marriage was predicted during the Antara of Sun between 13.1.2016 to 11.3.2016.

Actual Outcome: Actual date of marriage was 24.4.2016 during Antara of Moon which was not at all a significator of marriage in this case.

Justification of why prediction went wrong:

Generally we try to justify the difference between the actual outcome and the prediction by criticising the practices of prediction which are normally used by others. The scientific application of KP does not lend itself to such justifications. So, I also reviewed the case. I was of the view that there was no point in solemnising marriage in the Bhukti of Moon if we do not consider 6 fold signification table instead of 4 fold signification table.

Hrithik Roshan- Kangana Ranaut row is quickly becoming one of the biggest Bollywood legal feud of all times. The case is taking new turn everyday and both the actors are doing everything they can, to explain their side of the story. Now this curious case of hacking has taking a new route with Kangana Ranaut's lawyer accusing Hrithik of "Pressurizing his clients through media"

It is to be noted that leaked mails from Kangana to Hrithik's imposter has been doing rounds in media. The mails clearly show Ranaut's 'one sided interest' and 'desperate attempt for attention'.

Now, Rananut's lawyer Rizwan Siddhiqui has claimed those mails to be fabricated and has questioned why Hrithik never filed a police case against the alleged email imposter despite Kangana's sister Rangoli's insistence in her mail to him on May 25, 2014 on filing a joint complaint. "Rangoli had accused him back then of hacking Kangana's email account and of having a relationship with her — through the email.com ID (which Hrithik says belongs to an imposter)— neither of which he specifically denied," Siddique has been quoted saying.

Rizwan Siddique has responded to the mails being circulated in media about Kangana Ranaut's one sided attraction to Hrithik Roshan. According to Siddiqui the mails are just one sided fabricated material Roshan collected after 25th May 2014.

"Mr. Hrithik Roshan knew that my client's id was hacked prior to 25 May 2014 and therefore logically and reasonably, no mails received from her at least after 25 May 2014 should be treated as authentic and genuine, unless verified by my client personally."

Kangana's lawyer has also subtly accused Hrithik of hacking Kangana's id as he never denied his hand or his relationship with her, in reply to Rangoli's mail.

Well, everything happening between the two A-listers is confusing and getting murkier by the day. The questions that needs answers and clarification are increasing. Who is the imposter? Whose email ids were actually hacked? Did both of them have a hand in hacking each other's id? Who is right and who is wrong?

Looks like the answers will take some time to arrive.

Hints

If the cuspal sub lord of 3 (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars, then it is mischievous. If it is Jupiter, it is true. And if the lord happens to be a planet connected in any manner with Saturn, the report is false; but if it is connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3rd. (Aries 070.02'.33"): The sub lord of the 3rd cusp is Mercury. Mercury is in the star of Sun and sub of Rahu. Here 3rd sub lord Mercury is aspected by Jupiter and Rahu is conjoined with Jupiter, hence the rumor/ message is True.

My opinion: Yes, this rumor is true.

Questions & Answers

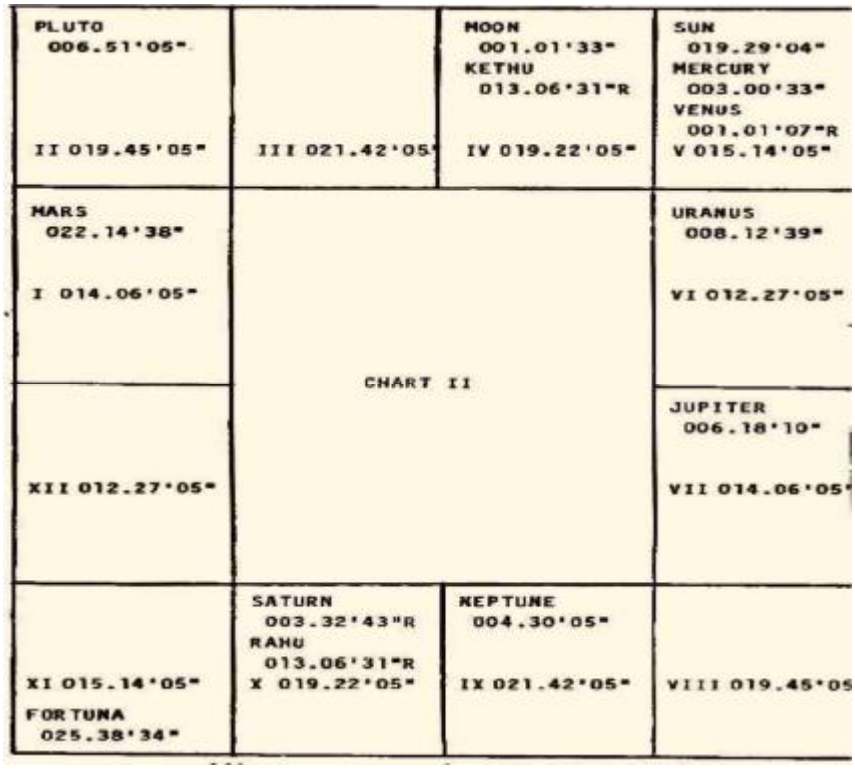
Question 1:

In the chart II of Medical Astrology for All by K. Subramaniam, page 74, it is understood that Saturn and Rahu are the significators of 9th house by being in this house. My question is why 9th house is inflicted, i.e. "The 9th bhava (another mental house) is also inflicted by Saturn and Rahu". (page 76) Please explain.



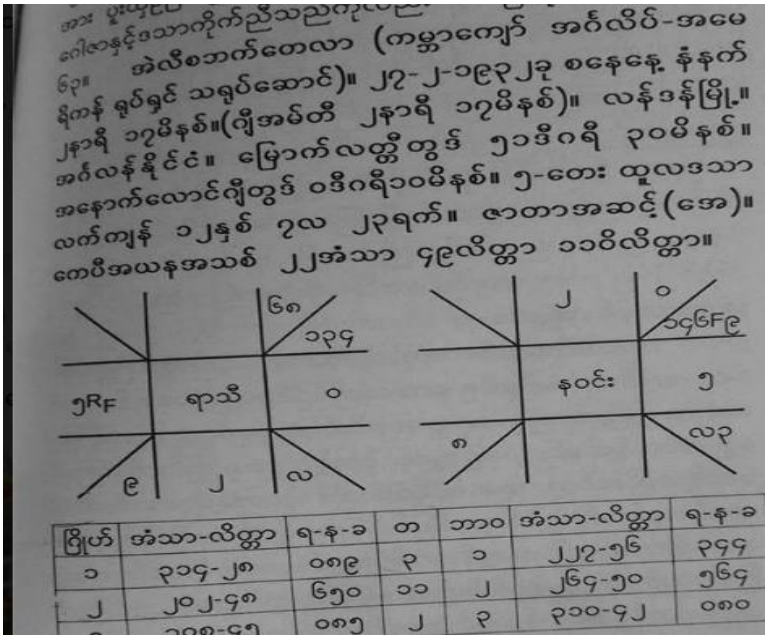
Answer 1:

Here Saturn and Rahu are placed in 9th house, and so it is said that 9th house is inflicted by Saturn and Rahu, i.e. they make 9th house bad. It's from Vedic and Western astrology that a house or planet is inflicted when it is connected with so-called malefic planets, Mars, Saturn, Rahu, Ketu. The emerging trend is not outright considering Mars, Saturn, Rahu, Ketu as malefic planets.

In KP no planet is wholly malefic or benefic, and so there is no such consideration that a house or planet is inflicted by malefic planets Mars, Saturn, Rahu, Ketu .

Question 2: Planetary Combination for a Successful Film Star

Here is famous film actress Elizabeth Taylor's horoscope. I've read in the KP house grouping that for success as a film star the 5th cuspal sub lord should be connected with houses 5,7,9,10,11. But in this horoscope I've difficulty to find the 5th cuspal sub lord Venus' connection with house 5. Clarification is requested.



Answer 2:

In her chart, 5th cuspal sub lord Venus+ is in house 4, lord of 6,7-11 houses, in the star of Me in houses 2, lord of houses 8,10, and in sub of Ra in house 3, conj Ve+ in house 4, lord of 6,7-11 houses, aspected by Sa in house 2, lord of house 3, in Pisces representing Ju in house 8, lord of 2,4, indicating connection with houses 7,10,11 out of required houses 5,7,9,10,11. It does not mean that all required houses should be connected.

Here we can apply a practically tested rule that if a planet has no planet in its stars, that planet is the strong significator of houses for which it is the cuspal sub lord. Venus+ is the strong significator of 5th house by being the CSL of this house having no planet in its stars. Exact conjunction of Venus with Uranus in opposition of 10th house is also a very good planetary combination for her carrier.

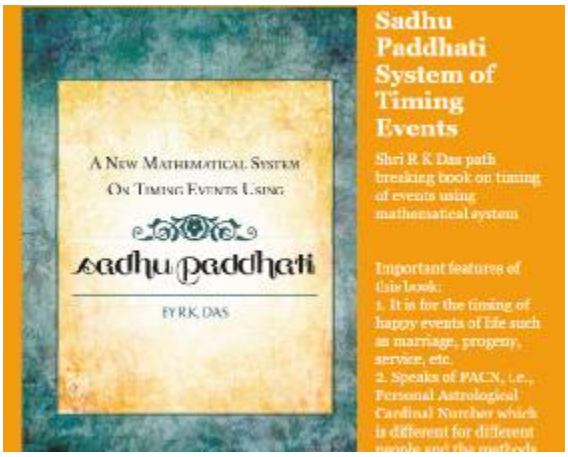
Question 3: Timing of Events without Using Dasa and Transit

I find lot of progress and growth in vedic astrology as seen in the mail forwarded to you. Timing of events by sadhu padhati without using dasa and transit. Are you aware of it ? Is it accurate ?



Answer 3:
New method should be proven by support of at least 100 example charts other than just speculation.

Question 4: KP and 4- Step Method
In timing an event in KP, Sublord of a planet decides the event whether it is favourable or not.

I Have a question to you as below:
Is it that importance should be given to Occupation and Owner ship of the Sublord of a Planet? My question is can we go into the Star lord of the Sublord of a planet (4Step) for examining the fructification of an event?

The example given by Guruji KSK in Third reader(2004 edition) on page 146-147 for a person born on 29-1-1928,0706 PM,13N04,80E15 says that Guruji went upto the level of Starlord of Sublord of a planet in deciding a event(4step) ie,in deciding the death of the father of the native. Sun is a significator of 9th house and is in Sub of Jupiter but Jupiter by ownership or Position did not indicate death of father where as Starlord of Jupiter ie, Saturn which is a Badhakadhipathi for 9th house was indicating the death of father. This clearly means that Starlord of Sublord was also considered for the event fructification.

Basing on the above logic my question is:
Say in a person's horoscope the following are observed:

1.The 7th CSL is a planet D and it signifies both the houses 6,7 or TAKE D Signifies 7.

2.The DASA/Bhukti of a planet A is running at marriageable age where A is in star of B and in Sub of C.

3. Planet C is in star of E and C occupies and owns or signifies houses 1,6 and E Signifies 7,11 and A Signifies 2,7

DOES Dasa/Bhukti of A gives marriage or NOT? According to logic of Ownership and lordship of Sublord of A ie, C is 1,6 it should not give Marriage. According to logic of Star lord of C ie E (which occupies or owns 7,11) it should give Marriage. WHICH IS CORRECT?

PLANET	*STAR*	*SUB*	*SUBSTAR*
A	*B*	*C*	*E*
(2)	*(7)*	*(1,6)*	*(7,11)*

One of my friend says the Marriage will take place in Dasa/Bhukti of A with a person who is having defect(12th house) this means the B indicates 1st house of partner and C indicates 12th house of the partner and A indicates 8th house of the partner(8,1-12). IS THIS CORRECT?

PLEASE CLARIFY MY DOUBT.

Answer 4:

Considering 3-steps: planet, its star and sub is KP and considering 4-steps up to the star lord of sub is 4-step method, which is not KP.

What is commonly and consistently practiced in six KP Readers are KP. Only one example of considering the star lord of sub is not KP and this is 4-step method.

Differences between KP and Four Step Method (Courtesy of Astrovision July 2008 issue, Revised and Updated)

Sr	KP	FOUR STEP METHOD *
1	Basis Based on a long term research of Guruji KSK in both Indian and Western astrology	Basis Based on K.M. Subramaniam's Sublord Speaks -1, 2, 3 articles
2	Signification by a Planet 1)Planet is the source, constellation indicates nature of the results and the SUB is deciding factor whether the matter is favorable or not 2) K.M. Subramaniam considers the sub lord as a decider and its star lord for its signification. (Sublord Speaks LX, last article, in K P & Astrology 1998, p 69, reprinted in *SUBLORD SPEAKS – part 3*, p 141)	Signification by a Planet 1) A planet signifies the event through 4 steps: i) Planet itself, ii) Star lord of the planet, iii) Sub lord of the planet, iv) Star lord of this sub lord, and 3rd & 4th steps are more important. 2) The 4th step is the alleged extension. 3) The SUB lord in 3rd step is also a significator not a decider like in KP.
3	Basic Significators 1) All significators are considered in the order of strength, grade A,B,C,D & E with the astrologer's own judgment based on his experience taking into account of sub lords. 2) Signification at the planet, star and sub levels are simultaneously considered by C.R. Bhatt, K.M. Subramaniam (Sublord Speaks), Umang Taneja, Kanak Bosmia etc. 3) A planet having no planet in its star is considered as a strong significator of the houses for whose cusps the planet is a sub lord. (KP Reader III p 309, KP & Astrology, 1991 July p 1 & November p 8, PS Rao, Vikari Ramamurthi, Kuppu Ganapathi, R. Mukunda Rajan, Kanak Bosmia etc 4) The sub lord is a decider in judging whether a planet or cusp or significator or dasa lord is favorable or not.	Basic Significators 1) Only the primary or strong significators are considered. 2) The house occupied by a planet with no planet in its star or a planet in its own star (KP grade B significator) and the houses owned by the planet when they are empty (KP grade D significators) are 4 step primary significators (upgraded KP grade A significators from B & D). 3) The house occupied by a planet acting as the star lord of another planet, i.e. a planet in the step 2 or 4 (KP grade A significator) and the houses owned by the planet when they are empty (KP grade C significators) are 4 step primary significators (KP grade A & upgraded KP grade A significators from C). 4) The signification of a planet in 1st and 3rd step (sub lord) having another planet in its star is not considered, i.e. useless.

Sr	KP	FOUR STEP METHOD *
4	Planet Having No Planet in its Stars & Planet in its Own Star They are not the same and only a planet having no planet in its star, but not a planet in its own star, is considered as a strong significator of the houses for whose cusps the planet is a sub lord.	Planet Having No Planet in its Stars & Planet in its Own Star They are the same as the house occupied by a planet with no planet in its star or a planet in its own star is a primary significator.
5	Rahu/Ketu Significators 1) Whether Rahu/Ketu is a planet or star lord or sub lord, the followings e been found taken in KP Readers depending on relevance to the event under consideration regardless of their sequence of order ("Rahu/Ketu Rules in KP" ,KPE-Zine, May 2007 issue): i) House occupied by Rahu/Ketu, ii) Planet in conjun. with Rahu/Ketu, iii) Planet in aspect to Rahu/Ketu and iv) Star lord of Rahu/Ketu, v) Sign lord of rasi sign occupied by Rahu/Ketu. 2) Conjunction in the same rasi sign and Hindu aspect without orb are used. 3) No planet, including Rahu/ketu, is wholly benefic or malefic depending on the signification at 3 levels of planet, star and sub by occupation and lordship.	Rahu/Ketu Significators 1) The same rules of primary significators in point 2.2. apply to Rahu/Ketu. 2) Only if Rahu/Ketu is itself the primary significator, then the house occupied, the planets in conjunction or aspecting within the orb of 3° 20′ (extendable to 5° esp. for fast moving planets, if needed), its star lord and sign lord also will become the primary significators. 3) When Rahu/Ketu is the star lord of another planet, i.e. it is in the step 2 or 4, the house occupied and the houses owned by its star lord are considered. 4) Rahu is a blemish planet, which creates problems and does not give the results effectively to the native when it is in the DBA, unless Rahu is a strong significator of the improving houses in all 4 steps.
6	Planet Close to Next Cusp Guruji KSK has taken the result of the Next house ONLY by closeness to the next cusp. (Krishnamurti Padhdhati, Vol. 2, Sagar Publications, 1966, p 281, 5th para; KP Reader IV, page 108 3rd para)	Planet Close to Next Cusp A planet is supposed to be a significator of both the previous house in which that planet is posited and the next house to whose cusp the planet is very close. In this case, the result of the next house may not be effective as the previous house is detrimental or Vyaya or Vrava or negative to the matters of next house. (KP Reader III, KP Reader IV, Chandrakant R. Bhatt: Nakshatra Chintamani).

Sr	KP	FOUR STEP METHOD *
7	KP Grade E to Grade A Significators 1) They are considered as weak significator after grade A,B,C & D and used as a last resort. 2) Conjunction in the same rasi sign and Hindu aspect are considered without using orb. 3) Grade E significators are planets which are conj. and aspected "by" significators A,B,C,D but not planets "aspecting" A,B,C,D. 4) No planet is wholly benefic or malefic depending on its signification at planet, star and sub levels by occupation and lordship. 5) Rahu/Ketu does not aspect any planet or house since it is not a planet having physical body but it is only a sensitive intersecting point in the pathway of Sun and Moon.	KP Grade E to Grade A Significators 1) If a planet is in conjunction with a cusp within the prescribed orb, behind or ahead the cusp, the planet automatically becomes a primary (KP grade A) significator of this cusp in any of 4 steps. 2) Only if the original planet itself is a primary significator, i) if a planet is conjoined with another planet within the prescribed orb, the planet is a primary significator of another planet, ii) if a planet aspects on the cusps within the prescribed orb, the planet becomes a primary significator of these houses whose cusps are aspected; iii) if a planet has the Hindu aspect (throwing or receiving) with another planet within the prescribed orb, the planet is a primary significator of another planet. 3) Ketu's 7th aspect on the cusp is taken. 4) A well known practitioner does not use the 7th aspect of planets.
8	Ruling Planets 1) The RPs in order of preference are: i) Lagna's star lord ii) Lagna's sign lord iii) Moon's star lord iv) Moon's sign lord v) Day lord, 2) Moon's sub lord and Lagna's sub lord are added by some KP followers. 3) If Rahu/Ketu is in conj. or aspect with the RP; or if it occupies the sign owned by the RP, Rahu/Ketu should be included as the RP. 4) The RP in the star or sub of retrograde planet should be omitted.	Ruling Planets 1) The RPs are in the order of: i) Lagna lord, ii) Moon's star lord, iii) Moon's sign lord, and iv) Day lord only. 2) Rahu/Ketu is considered as RP, only if it directly appears in the RPs. 3) The alleged advancement of 4 step is fixing the DBA without using the RPs. 4) But RPs are used to confirm or correct the sub lord of the cusp under judgment. But it is not to recast the horoscope again and to correct only the required sub lord because when one judges the other matter of the same native then again one will confirm the related cuspal sub lord.
9	Retrogression 1) It does not matter in the natal chart analysis but it does not give results in Horary, if it comes as star/sub lords to the significator. 2) A convincing proof is still needed for a claim that retrogression has no effect in Horary.	Retrogression 1) Retrogression is not working in the Horary as well as natal prediction. 2) But retrogression is used in checking the transits of DBA lords, which should not be in the concerned star and sub of retrograde planets for the materialization of an event.
10	Uranus, Neptune & Pluto Pluto, no more a planet since 2006, now called Plutoid, was not even mentioned in KP Readers. No planet is wholly benefic or malefic.	Uranus, Neptune & Pluto Pluto gives adverse results. Negative effect of Neptune is not yet sure on the basis of insufficient cases.

Sr	KP	FOUR STEP METHOD *
11	House Grouping Mostly 3, rarely 4 houses are grouped for an event to happen.	House Grouping More houses are added, for marriage 2,7,11 & 5,8; for foreign 3,9,12 & 5,7 perhaps in order to signify by the strong or primary significators only.
12	More than one Marriage If 7th cusp sub lord is connected to duality & 2nd cusp sub lord signifies 7th	More than one Marriage If the sub lords of 6th cusp & 7th cusp are the same.
13	Cannot Own a House in Life Guruji KSK's 4th cusp sub lord is Rahu.(Astrosecrets & KP Part II, p 252)	Cannot Own a House in Life If 4th cusp sub lord is Rahu, which is allegedly said by Guruji KSK.
14	Child Sex Guruji KSK, "I never had any experience in pin-pointing the sex (of child) before birth..." (KP Reader IV p 236 last para)	Child Sex If the 4th step star lord of child cusp (starting from 5th for mother and 11th for father) sub lord is in odd sign, male child is indicated; if in even sign, female.
15	Promise of Event 1) It is promised, if the sub lord of cusp under judgment is a significator of any of the required houses (2, 7,	Promise of Event 1) It is promised, if the sub lord of concerned cusp under judgment is a primary significator of any of the required
16	Negative House The previous house is detrimental or Vyaya or negative to the matters of next house. (KP Reader III & IV, Bhatt's Nakshatra Chintamani).	Negative House The 1st house is not a negative house for 2nd, but a primary house to get money; 10th is not a negative house to 11th but it is not applicable in marriage matters.
17	Computerized Significators Grade A,B,C & D are not final and to be judged by the concerned subs etc.	Computerized Significators They were supposed to be final as supported by KPAstro 3.0, Astro-Kundli etc. but no more due to changing rules.
18	Fixing DBAS 1) 3 methods of selecting fruitful significators: i) by using RPs; ii) selecting the significators which are in the stars of the cusp sub lord of the concerned houses; iii) selecting the significators whose sub lords are one of	Fixing DBAS 1) The event will fructify only when the DBA lords are jointly the primary significators of all the required houses (2, 7, 11 for marriage), signifying at least one different house each by DBA. 2) Events are found happen without
19	Transit Check An event generally happens during the joint period of the significators when the transit agrees i.e. at the time while Sun, Moon and joint DBAS lords are found to be transiting in the star or sub of the same joint DBAS lords.	Transit Check 1) The event will fructify, only if the star lord for fast moving planets and sub lord for slow moving planets, in which the DBA lords are transiting, are the primary significators of the required houses in the first 2 steps, neglecting negative houses.

Sr	KP	FOUR STEP METHOD *
20	Significators of almost All Houses 3 selection methods and other means mentioned in item 15 can be used.	Significators of almost All Houses It is stuck and the same with significators of a very few houses only.
21	Established Rules Rules are established in the six KP Readers based on Guruji KSK's long term research.	Established Rules Rules are not yet consistently and clearly established, and still have been modified on the basis on-going experimental research like Pluto's negative effect against existing rules, no more reliability of SW supported significators, no written reference book that contain all essential basic rules.
22	Bottom Line Since the techniques and steps are not the same, the results can be different.	Bottom Line Since the techniques and steps are not the same, the results can be different

* See the most comprehensive article "Four Step Theory" (KPE-zine Dec 2007 issue, free download @ www.kpastrologer.com) that covered all basic rules, which may not include the latest modifications.

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happen to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happen to be planet connected with Saturn in any manner the report false; but connected with Jupiter, the report will be correct. This is the way to find out a rumor is believable or not.

Cusp 3rd. (Aquarius $06^0.17'.23"$): The sub lord of the 3rd cusp is Moon. Moon is in the star of own and sub of Venus. Here 3rd sub lord not connected with Saturn, hence rumor/ message is true.

My opinion: Yes, this is rumor is true.

Longevity

The Ascendant is under the co-rulers of Jupiter – Venus – Saturn+ as sign, star and sub lords. Jupiter the lord of Ascendant and also the sub lord of 6 (Diseses) and 12 (Hospitalization, Renunciation, Direct towards Moksha), is in the 10th (Karmasthana, Treatments not effective, Retirement from this world), in its owned star Visakha-1 and in the sub of Saturn+, lord of 2 (Maraka) and 3 (away from home) in 4 (Termination, End of life).

Lagna Star Venus the lord of 5, 6 (Intercepted), & 10 posited in 10 its owned sign Libra and in the star of Jupiter as discussed above and in the sub of own.

The sub lord of the Lagna is Saturn the lord of 2 (Maraka) and 3 (Away from home) in 4(End of life), in the star of Venus as discussed above and in the sub of Kethu in 8 (Danger to life, chronicle illness, Surgery, Bad Luck). Kethu is in its own star and in the sub of Rahu in 2 (Maraka). Kethu represents Sun (2-10-9), while Rahu represent Jupiter (10-1) and Saturn+ (10-4-5,6,10-2,3)

Here Lagna lord is very strong since it is occupying in the 10th, being an occupant of the same 10th. Lagna sub lord Saturn+ is a significator for life saving house 5 and also detrimental houses 10, 4, 6, 2 and 8 by way of its sub lord Kethu. Saturn+ aspects 7 (Maraka & Badhaka), while it is aspected by Sun+ (2-10-1-9), Mars (12-9 -8- 4, 11, 12), Mercury (10- 10 -1 – 7), Jupiter (10-10-1-1) and Venus (10- 10- 1- 5, 6, 10). sub Kethu), and in addition Saturn is connected (by way of aspecting planets) with 1, 9, 11 – 6, 8, 12 – 2(Maraka), 7 (Maraka & Badhaka) and indicates middle life up to 66 years. The native died on 28. 05. 2016 at the age of 45+.

General Health

1) If the sub lord of the Ascendant be in the star of the occupant or owner of the house 1 or 11, health condition of the native is normal. *(Horoscope and Disease by Sri C.R. Bhatt)*

In this chart Ascendant sub lord Saturn is in the star of Venus, the owner of 5, 5, 10 and deposited in the 10th cusp. In other words Saturn is not a significator for 1 or 11, and hence the native will have to suffer from any illness.

Ill Health

2) If the Lagna sub lord be the significator of house 6 (sickness) *or* 8 (danger to life) *or* 12 (Hospitalization), it is not good for health. *(Ibid)*

Lagna sub lord Saturn is in the star of Venus the lord of 6th and in the sub of Kethu in 8, indicates ill health for the native.

Disease

3) If the sub lord of the 6th cusp be the significator of 6 or 8 or 12 and connected with 1 (Lagna), the native may suffer from diseases during the sub period of the cuspal sub lord. *(ibid)*

The 6th cusapal sub lord Jupiter is in the sub of Saturn+. Saturn is in the star of Venus lord of 6 and in the sub of Kethu in 8, indicates bad health for the native.
If the 6th sub lord be connected with Saturn, disease become chronic. *(Ibid)*
Jupiter the 6th sub lord is in the sub Saturn and also Saturn is opposite to Jupiter. Hence the sickness is chronic and it should be a lingering disease.
If the sub lord of the 8th or 12th be the significator of 6 or 8 or 12 and connected with 1, the native suffer from serious illness or chronic disease or the disease which might bring some permanent defect.
The sub lord of the 8th is Rahu, in the star of Mars the lord of 12, and also Rahu is in the Sub of Moon in 12. As per the rules of Nodes, Rahu represents Jupiter and Saturn. Jupiter is in the Sub of Saturn that is a significator for 6th.
The 12th sub is Jupiter and applies same as above.
Thus both 8th and 12th sub lords are connected with 6, 8 & 12 indicate that the disease is chronic.

Nature of disease

1. The 6th Cusp Sub Lord

The 6th cuspal sub lord Jupiter is in its owned star 'Visakha' 1st Pada. As per the Pathological Action of the planets, Jupiter is a planet of Expansive, Growing (Tumor prone), Raising of Blood pressure. Visakha Naksastra pada 1, 2, & 3 govern lower part of the stomach – Genital Organs, Rectum, Descending Colon, Gall Bladder, Kidney, Prostate gland and Pancreas and is also associated with their diseases.

Behavior of Jupiter

Jupiter is closely conjoined with **Mercury+.** It is the sign lord of 7 (Maraka & Badhaka), positioning in the Visakha Naksastra (see above para), in the sub of **Saturn+.** Planet **Uranus** is in the sub Mercury conjoining with **Mars** (12, 4) in Virgo, the ruling sign of abdominal and umbilical region, bowels, intestine, liver and nervous system. General action of **Uranus** upon the human body is to throw off necessary balances and/or disturb normal physical rhythm. Also it produces undiagnosable conditions related to electromagnetic current of the body and **when in Virgo intestinal spasm condition appears due to insufficient current flow and disorders in the digestive system.**

Jupiter is conjoined with the **Sun+** at an Orb of 03° 58' 13". Sun is the lord of 9 in the star of **Rahu** in 2 (Maraka) and its owned sub. It is opposite to Saturn+, causing slow metabolism. Sun rules Blood, Stomach, Bones, Heart, Skin and the constitution of the body. Sun aspects Lagna, 4th cusp (End of Life) and Moon (8, 12).

Saturn - In this natal chart Saturn+ aspects Jupiter from Aries sign, where Saturn is debilitated. It is the lord of 2 (Maraka) and 3 (away from home) and tenanted in 4 (End of everything including life) and holds the sub lordships for Ascendant (Self/Aathma), 7 (Maraka &Badhaka). Saturn is cold, it constricts, limits circulations, restricts, undernourishes, **pave the way for toxic build up and stiffness** and also chronic and lingering when connected with house of disease or disease makers. Saturn is in the star of **Venus** the lord of 6 in 10 and in the sub of **Kethu (Cancer prone planet)** in 8 (Danger to life, Misfortune, Surgery, chronicle illness, Obstacles, Terminal). Kethu is connected with **Rahu** in 2 (Maraka). In addition to Jupiter, Mars and Mercury (as discussed above) are in the sub of Saturn. **Mars** in the 9th the ruling planet of Blood, Marrow, Rectum, Genitals etc. and produces **inflammation and expulsion**.

Rahu in this chart is a representative of Jupiter. It is in the 2 (Maraka) in the star of above described Mars and in the sub of Moon, the lord of 8 in 12. Moon is in the star of Venus lord of 6 (diseases) and in the sub of Rahu mutually exchanging their sub divisions. Rahu is ruthless and its energy is **hardening, poisoning, devouring and swelling. It is the chief indicator of disease Cancer, toxic build-up and abscess.**

Now it is clear that Jupiter alone is not the malefic for the native, but all other planets including Uranus are surrounding and are any way connecting with Jupiter making him more worst. How is that? Let's see.
Sun – Connected with disease sign lord Venus and Rahu in Marakasthana.
Moon – Sign lord of 8 in 12 in Venus's star (6)
Mars – Connected with Moon (6, 8, 12) and Saturn (2 Maraka, 6 Disease)
Mercury – Lord of 7 (Maraka & Badhaka)
Venus – Lord of 6 (Diseases), 10 (Treatments not effective/Retirement from this world), Sub Lord of 4 (Dome, End of life)
Saturn – Lord of 2 (Maraka) & 3 (Away from home) in 4 (End of Life), sub of Lagna & 7 (Maraka & Badhaka), in the star of Venus (6)
Rahu – Depositor in 2 (Maraka), in star Mars (4, 12), Representative for JUPITER and Saturn.
Kethu – Depositor in 8 (Danger to Life, Chronicle Illness, Surgery)
Amongst these, Moon is a significator 6, 8,12 and rules intestine.
Also Jupiter, Mercury, Mars, Sun, and Uranus are connected with the ruling stars or signs or planets, that rules stomach/Intestine and the defected part of the body should be Intestine.
The group of plants, consisting Jupiter, Saturn, Mars. Rahu & Kethu are proven to disease Cancer, as highlighted above.

Death
The native expired on 28 May 2016, during the periods of DBAS Rahu – Mercury – Saturn – Rahu, who are mutually connecting each other as below.
Dasa & shookshama Lord Rahu in 2, acting agent for Saturn (Anthar Lord), the sub of Lagna and 7 (Marka & Badhaka) in 4 (End of Life)
Bukthi Lord Mercury+ is in conjunction with 6th sub lord Jupiter, in the star of same Jupiter and in the sub of Rahu (MD)in 2 Maraka.

Transitions
MD & shookshma Lord Rahu was transiting in the natal 8th cusp over star of Mercury the lord of Maraka & Badhaka, while representing Sun(2-Maraka), Moon (8,12), Jupiter (Disese indicator) & Saturn (2 Maraka, 4-End of life) and in the sub of Venus the lord of 6 (Disease).

Mercury was transiting over the star of Mercury (M & B) and in the sub of Venus (Disese), positioning in the 4th (End of Life).
Saturn was transiting over the star of Mercury the bukthi lord and in the sub of Venus the disease lord.
Luminaruy Sun was transiting over the star of Moon (8,12) and in the sub of Rahu (MD & SD), while Moon was transiting over Mars's star (8, 12) and Kethu's sub in the natal 2nd cusp (Maraka).

Bottom line – a word of Transits
"Generally an event happens during the joint DBAS period of the significators when transit agrees. Particularly at the time of event, Sun, Moon and joint period DBAS lords are generally found to be transiting-
1) mainly in the star or sub of the same joint period DBAS lords;
2) additionally in the star of the significators of the event (other than the joint period DBAS lords) in the horoscope.""

Planetary Combinations for the Sportsman of Century
In boxing terms, his success can be measured by the unprecedented three world titles he won. He was acknowledged as the Sportsman of Century by the Sports Illustrated and BBC.

The Ascendant itself falls on the fixed star Algenubi (28Cn45) whose nature is, as per Claudius Ptolemy (Tetrabiblos, p. 49, trans. Robbins, Harvard UP, 1940), a combination of Mars and Saturn which portray a heavyweight boxer. According to Vivian Robson, the authority on fixed stars (The Fixed Stars and Constellations in Astrology, page 123, London, 1923), Algenubi gives '*a bold , bombastic, cruel, heartless, brutish and destructive nature, but artistic appreciation and power of expression*'. Venus in tight aspect with Ascendant may take the edge of some of these indications.

The grand trine of Sun (4Cap20), Uranus (3Ta31) and Neptune (6Vi51) is a powerful reflection of his career as a fighter, and of his spiritual values, Sun/Uranus providing fame and

Sun/Neptune giving him great endurance in the boxing ring and his strong belief in his chosen religion. Saturn, Jupiter and Uranus in the 10th house of public standing shows a very successful career that was built on hard work (Saturn) and gave him luck (9th lord Jupiter) and fame (Uranus).

The 5th (boxer, sports) cuspal sub lord (CSL) Rahu+ is in house 2 (money), in Leo sign representing Sun in house 6 (victory and success in sports, expertise or professional effort), lord of house 2, being the CSL of 2,5 (sports),10 (fame, success),11 (gain, fulfillment of desire) having no planet in its stars. Rahu+ is in the star of Venus in house 7 (public image, open enemy), lord of houses 4,11, and in sub of Saturn+ in house 10, lord of houses 7,8 being the CSL of house 3 (physical strength, ability), indicating desirable houses 2,3,5,6,7,10,11 for successful boxing carrier and gaining money.

The 3rd (physical strength in sports, courage) CSL Saturn+ in house 10, lord of houses 7,8, being the CSL of house 3 having no planet in its stars, in the star of Sun in house 6, lord of house 2, and in sub of Mars in house 9, lord of houses 5, 10. The 3rd lord Mercury is placed in 6th (victory and success in sports, expertise or professional effort) house in union with Ascendant lord Moon, 2nd lord Sun and 11th lord Venus. The 6th lord Jupiter is aspecting the 3rd lord Mercury. According to BV Raman (How to Judge a Horoscope, Vol. 1, p. 135), *'if the 6th lord joins the 3rd lord, the native becomes either a sportsman or physical culturist or an athletic'*. We could also attribute his courage to the bull-headed 10th lord Mars at the top in 1st sign Aries, but it may have been at a cost, namely the rather subtle damage done to his brain during his career.

Venus exactly on 7th (engagement with world) cusp makes him admired by his fans for hitting people for what he became famous. The significator of his opponent is Saturn, ruler of the 7th house. Retrograde Saturn at Ali's birth was slowing down his speed to loose strength, as if it were retiring. So if Ali can draw his opponents into using their strength to no purpose, as he lies back on the ropes absorbing all they can throw at him, they will tire, which had been proved. We can also see his universal love with his Venus conjuncting the 7th cusp.

All angles and six of the nine planets in movable signs provide speed necessary to fight in the boxing ring. Ali has speed in abundance. The ruler of first house, main significator of Ali himself is the Moon, which was moving exceptionally fast at over 15 degrees a day when Ali was born.

Ali's feet are shown by the 12th house, which is rule by the nimble Mercury closely conjoined with exceptionally fast moving Moon, so fast feet, we see how the famous Ali shuffle, '*Float like a butterfly, sting like a bee, Your hands can't hit what your eye can't see*.'

Activity against Discrimination

When it comes to racial integration, the role he played was so pivotal that led to America electing its first black president.

Regarding to conversion to Islam, his 9th (faith) lord and CSL Jupiter is conjoined with rebelling Uranus in public 10th (Maraka house for 9th) and aspecting 4th (personal belief) lord Venus. This Jupiter is in the sub of 3rd (negative 12th to 4th) and 12th (something new) lord Mercury.

Neptune in the 2nd house indicates the profound devotion Ali found in his life, and the practical level on which he engaged his religious belief. Rebelling Uranus and spiritual Neptune are in a grand trine with self-worth 2nd lord Sun. Mars in the 9th house also aspects the Ascendant (native self).

He took the action of changing his faith two days after becoming the world heavyweight

champion, on February 25, 1964 (Ra-Ve-Mo-Mo), by declaring his conversion to Islam and changing his name to Muhammad Ali from Cassius Clay.

His anti-military position can be seen by his Mars' aspect on the Ascendant, the native's self realization. This Mars ruling the 10th house shows the conflict Ali would face with authority. Mars' conjunction with 7th lord Saturn, his open enemies, is well-expressed that it was not opponent, but the authorities, who immediately stripped of his heavyweight championship title on April 28, 1967 (Ra-Su-Ve-Ju) for his refusal to go to Vietnam war. Ali, a Muslim, cited religious reasons for his decision to forgo military service.

By using his spiritual beliefs in opposing war, he changed society and precipitated a revolutionary stance of equality against discrimination. Uranus here shows a rebel tendency and wants to initiate peaceful movement against discrimination as Venus in his 7th house of relationships opposing his Ascendant.

Marriages, Children and Married Life

Yet sadly his legacy to his family is marred by jealousy, bitterness and division. Muhammad Ali's family is poised to fight over his huge $50 million boxing fortune. Fourth wife Lonnie will act as executor as his nine children, two living 2nd and 3rd ex-wives and brother all set to enter the ring for a slice of inheritance.

The 7th (marriage) CSL Jupiter is in the sub of a dual planet Mercury, indicating multi-marriages. Jupiter is also multi growing planet. Venus on the 7th cusp makes him very attractive to the opposite sex.

Ali was married four times to Sonji Roi, Belinda Boyd, Veronica Porche and Yolanda (Lonnie) Williams, and had two mistresses. He had nine children, seven daughters and two sons; five daughters: Maryum in 1968 (Ra-Mo), twin daughters Jamillah and Rasheda in 1970 (Ju-Ju) with second wife; Hanna in December 1977 (Ju-Ve) and Laila in 1979 (Ju-Ve) with third wife and two other daughters, Miya and Khaliah, from extramarital relationships; two sons: only one biological son Muhammad Jr. in 1972 (Ju-Sa) with third wife and adopted another son Assad Amin in1991 (Sa-Me) with fourth wife.

The 11th (permanent relationship) CSL Rahu+:2,6,5,10,11, in the star of Venus: 7,4,11, and in sub of Saturn+: 10, 7,8, 3, indicating happy married life by signification of houses 2,5,7,11 as well as troubled married life by signification of houses 4,6,8,10.

Parkinson's Disease

In 1984 (Ju-Ra), Ali was diagnosed with Parkinson's syndrome, a disease that sometimes results from head trauma from activities such as boxing; The disease was caused, said his doctor in 1987, by injuries sustained in his 61-event boxing career.

Parkinson's disease is an illness of the central nervous system in brain with a central feature of trembling. For Ali this disease is expressed by the following planetary combinations.
.
The 6th (disease) CSL Moon (brain) is in house 6, lord of 1 (head), in the star of own Moon, and in sub of Mercury (nervous system, communication) in house 6, lord of houses 3 (nerves and nervous system),12 (health, hospitalizations. The 6th lord Jupiter is conjoined with Uranus (nervous system). The 8th cusp is in Aquariurs sign of nervous system.

Mars (vitality and vigor), lord of the 1st house (head, brain) is conjoined with 8th (congenital diseases or diseases of genetic origin) lord Saturn (degeneration) in the first sign of Aries (head). The 6th lord Jupiter and 8th lord Saturn aspect the conjoined Sun, Moon and Mercury in 6th house.

Death

At the time of death on July 3, 2016, at 9:10 p.m., Ali was running Mercury- Rahu- Venus-Mercury DBAS, clearly indicating end of life at all four levels of dasa as follows:

Death by Disease 3 June 2016 at 09:10 AM in Phoenix (respiratory issue, caused by Parkinsonism)

Dasa and Sookshma lord Mercury+: 6 (sickness),3-12 (Moksha, death) is in the star of Mo: 6,1, and in sub of Venus:7 (Maraka, death),4 (end of everything, death)-11 (Badhaka, faster death),

Bhukti lord Rahu+:2 (Maraka),6 (sickness),5,10 (retirement from this world, death),11 (Badhaka), in the star of Venus: 7 (Maraka),4 (end of everything),11(Badhaka), and in sub of Saturn+: 10 (retirement from this world),7 (Maraka),8 (serious ailment, danger to life), 3,

Antra lord Venus: 7 (Maraka),4 (end of everything) -11 (Badhaka) is in the star of Mars:9,5-10 (retirement from this world), and in sub of Jupiter:10,6 (sickmess)-9.

Hints
If the cuspal sub lord of the 12th be the significator of 3 (away from home), 9(abroad/long journey) or 12(Stay in abroad), foreign travel is promised during the joint period of the significators of 3, 9 and 12.

Cusp 12th. (Libra 19^0.38'.29"): 12th sub lord is Mars. Mars is in the star of Venus and sub of Rahu. Mars is occupant of 6, owner of 1-6. Star lord Venus is occupant of 8, owner of 7-12. Sub lord Rahu is occupant of 1. Rahu is aspected by Jupiter. Jupiter is occupant of 9, owner of 2-5. Thus 12th sub lord Mars signifies 7-8-12 and is connected with 1-6-9-2-5. Indication of 9-12 gives you settlement abroad.

Joint period:
At the time of judgment running dasa of Ketu is up to 14-07-2019. Joint period of Ketu-Rahu is up to 02-07-2016.

Dasa lord Ketu is in the star of Mars and sub of Moon. Ketu is occupant of 7. Ketu is conjoined with Sun and Venus. Sun is occupant of 8, owner of 10. No planet in the star of Sun and Sun is CSL of 5. Venus is occupant of 8, owner of 7-12. Star lord Mars is occupant of 6, owner of 1-6. Sub lord Moon is occupant and owner of 9. Dasa lord Ketu signifies 1-6 and is connected with 7-9-5-8-10-12. Dasa lord Ketu signifies 9-12, hence settlement abroad is promised during this dasa.

Bhukti lord Rahu is in the star of Ketu and in its own sub. Rahu is occupant of 1. Rahu is aspected by Jupiter. Jupiter is occupant of 9, owner of 2-5. Star lord Ketu is occupant of 7. Ketu is conjoined with Sun and Venus. Sun is occupant of 8, owner of 10. No planet in the star of Sun and Sun is CSL of 5. Venus is occupant of 8, owner of 7-12. Dasa lord Rahu signifies 7-5-8-10-12 and is connected with 1-9-2-5. Bhukti lord Rahu signifies 9-12, hence settlement abroad is promised during this Bhutki.

My opinion: before 02-07-2016 there is chance for you to settle abroad.

Outcome: Prediction proves to be correct.

ON 9TH APRIL 2016 MRS INDIRA asks "when will our servant cook come back and join her duty?". She gave a horary number -242 at 09-39-00 a.m.
Immediately I erected a horary chart for the number 242 at 09-40-43 is at Secundrabad- Telangana state and the chart is attached.

Coordinates for the judging the query- If the 6th cusp sub lord signifies 2-or 6 or 10 or 11 then the servant cook comes and joins her duty.

Whether the matter in question is promised or not—If the 11th cusp sub lord signifies relevant houses -2-6-8-11 the event will materialize.
Here as per the chart the 11th cusp sub lord is MARS+. No planet is placed in MARS stars and hence Mars strongly signifies 11th cusp. Mars also signifies 2, 8 and 11at star level and 6 and 11 at its sub level. This amply signifies that the question under reference is promised.

Analysis of the chart: If the 6th cusp sub lord signifies 2 or 6 or 10 or 11 the servant cook comes and joins her duty during conjoined period of 2, 6,10,11.
Here as per the chart the 6th cusp sub lord is Mercury. Mercury is the lord of 4 and 7 in 1st cusp. Mercury is in Kethu star and its own sub. Kethu represents Mer , Jup & Sat. Mercury is the l/o of 4 and 7 in 1st. Jupiter is the l/o 1 and 10 in 6th. Saturn is the l/o of 11 and 12 in 9th. Thus Mercury the 6th sub lord signifies 6 and 11 houses. Saturn aspects the 6th house by 10th aspect, 11th by 3rd aspect, will cause some delay in her joining the duty. Saturn is in moon sub causes Punarhphoo dosha confirms the delay.

Significators of 2-6--11 houses
2ND= MOON – MARS/ 6TH= KETHU-JUP- SUN- RAHU./ 10TH=KETHU,JUP/
11th = MARS-VEN-SAT.

RAHU= SUN-JUP-SAT/ KETHU= MARS- JUP- SAT.
SO EFFECTIVE R.PS ARE- VEN (2)-MARS (3) - KETH-RAHU-SAT.

Common fruitful significators (CFS) are= VEN- MARS- KETHU-RAHU- SAT.
Dasa lord is Venus is in CFS. Venus signifies 8 and 11 at STL and 8 at SBL.
B/L IS RAHU+ is in CFS. Rahu signifies 6and 8 at STL and 2, 6, 8 and 11 at SBL.
Under Rahu bhukthi-- Moon A/L is not in CFS.
Next comes Mars+ A/L from- 17-5-2016 to 21-5-2016. Mars is reflected in R.Ps three times. Mars signifies 11as SBL, 2, 8, 11 at STL and 6 and 11 at SBL. SUN will be transiting in Mars sign-(A/L) on Venus star (D/L) from 27/4 to 11/5. So I feel she is expected to come around 27th of this month i.e.: April 2016.

So effective R.PS are- VEN (2)-MARS (3) - KETH-RAHU-SAT.
Results as per sun's transit---

STEP- I

The servant cook has lost her husband suddenly in an accident on 23 March 2016, and since she will be in a great shock of her life, the death will surely cause delay. As such she may not be in a position to report before a lapse of at least a month's time. Actually on the date judgment Sun will be transiting in Jupiter sign on Mercury star up to 14 April 2016. And that too on the date of judgment Saturn is in Moon sub and Moon sub sub giving rise to "Punarphoo dosha" will surely cause delay in her arrival. So we cannot expect her before 24 April 2016.
With this background I shall proceed with the SUN'S transit to check the date----
Transit of Sun will be in Mars sign from 14-04-2016 to 15-05-2016. Mars is in R.Ps, so it is possible for the event to get materialized after 14-04-2016 and before 15-5-2016.

STEP-II: arrival of the period with the help of Sun's transit on the star in Aries –Mars sign

Under Mars sign there are three stars – Kethu-Venus- Sun. Kethu and Venus are in R.Ps.
First let me check for the Kethu. Kethu represents Saturn and Mars which are in RPs . So there are possibilities for the event to get fructified before Sun transits on Kethu star (from 14/4 to 27/4) as Kethu is powerful planet as a node. Sun will be transiting in Mars sign on Kethu Star From 14/4 TO 27/4-2016. So we can expect to materialize before 27 April 2016.

Step-iii: fixing of the date under the particular period of the month with the help of sub and sub sub lord

We have to select sub lord under the Kethu star from the remaining r.ps – Venus (2)-Rahu-sat. [in view of the formalities of the obsequies by the servant cook, she will not be in a position to come out before 23 April 2016-(as per the Hindu customs copletion of 30 days is required)- i have taken for sure that she would report for duty only on or after 24 April 2016 only]. YET I thought I should check the transit of Sun on Kethu star for relevant Sub and Sub Sub from our R.Ps.

DATE	SGL	STL	SBL	SSBL
14/4	MARS	KETHU	KETHU	JUP
15/4			VEN	MARS
16/4			VEN	SAT
17/04			SUN	SAT
18/4			MOON	MERC
19/4			MARS	VEN
20/4			RAHU	SAT
21/4			JUP	JUP
22/4			JUP	MERC
23/4			JUP	RAHU
24/4			SAT	VEN
25/4			SAT	JUP
26/4			MERC	SUN
27/4			MERC	SAT.

So I feel the event has to happen either on – 24 April 2016 OR 25 April 2016. I Preferred 24/4/2016 for the following reasons-
1. The sub lord is deciding authority for the event to happen. Since Saturn has caused some delay I feel it this Saturn as sub lord has to give the event, on 24/4/2016 Sun will be transiting on Mars SGL- Kethu Stl- Saturn Sbl will be preferred and Venus which has reflected twice in r.ps as sub sub lord.

So I feel 24/4/2016 will be an appropriate date for the servant cook to report for duty.

Facts of the case

The servant cook reported for duty on sun day -24/April/2016 at 09-00-00 a.m.- when Moon was transiting in mars sign-Scorpio- Saturn star - Kethu sub - Kethu sub sub.

Solution_3

By ruling planets alone will give the year/ Month and date and no need for dasa/bhukti/ Antara.

Ruling planets on TOJ 9-4-2106@9-40-43 A @ Secunderabad. ---
Mars- (3)-Venus (2)- Sat-Rahu (Jup)-Kethu.

1. Check whether the event is promised or not----
For the promise of the event check whether 11th cusp sub lord signifies 11 and the houses under consideration.
As per the chart 11th cusp sub lord is Mars+. No planets are deposited in Mars stars and so Mars+ strongly signifies 11 as cusp sub lord promise the event. Mars signifies 11 at both star and sub levels assure the event to take place.

2. Checkup the year/month/date with the help of Sat/Jup/Sun/Moon and ruling planets.

1. Whether Saturn transit in Scorpio promises the event or not.
For this check the sign lord in which Saturn is transiting is in R.Ps or not.
Here on 09-4-2016 Saturn is transiting Scorpio- Mars sign lord is in R.Ps. so the event surely has to take place during Saturn's transit in Scorpio.

2. For calculation of the year
Jupiter is to be considered—on 9-4-2016 Jupiter is transiting in Sun sign Leo with Rahu in conjunction. Rahu represents Jupiter and Rahu is in R.Ps. So the event has to take place before Jupiter moves from Sun sign that is before 11-8-2016.

3. For calculation of the month –take the help of sun's transit--
On 9-4-2016 Sun is transiting in Pisces sign – Jupiter SGL -from 30March to 14/April on Mercury star. Mercury is not in R.Ps. so I have to proceed to Sun's transit on to ARIES sign from 14/4 to 15/5 -in Mars SGL. Mars is in R.Ps. Under Mars as SGL I have to check up for the stars available in ARIES sign. Kethu STL-Aswini- Venus STL- Bharani- SUN STL- Krithika are available. Out of these three stars KETHU and VENUs are in R.Ps. Since Kethu as a node which comes first than Venus , on which Sun will be transiting from 14/4 to 27/4 will be considered for checking the period of month and date.

4. For checking the date use the help of Moon and its transit
During the said period of 14/4 to 27/4 Moon will be transiting as per the following information
On 14/4 moon will be transiting in Mercury sign- Gemini-. Mercury is not in R.Ps.
From 15/4 to 16/4- moon will be transiting in Cancer sign _ Moon SGL. Moon is not in R.Ps.
From 17/4 TO 18/4-Moon will be transiting in Leo Sign – Sun SGL. Sun is not in R.PS.
From 19/4TO 21/4- Moon will be transiting in Virgo sign _ Mer SGL. Mercury is not on R.PS.
From 22/4 to 24/4 – Moon will be transiting in Libra Sign- Venius SGL. Venus is twice reflected in R.PS. In LIBRA sign Chitra- MARS- Swathi- Rahu- and Vishaka – Jupiter are the available stars and the event has to take place during 22/4 to 24/4 /2016.

5. Day is to be calculated with the help of star lord on which moon transits

Of the above three stars, Rahu star lord as anode, is powerful and so Rahu as star lord is selected. Moon will be transiting in Venus sign – Libra- Rahu star up to 10.06-47 A.M and on Moon SUB and Mars sub. Of the two subs Moon is not in R.PS and So it is rejected. When the sub lord cannot give the sub sub lord under such a sub lord cannot also give.
Next Moon will be transiting on 23/4 in Venus sign Jupiter star (Rahu and Jupiter are conjoined and Rahu is in RPs). From 10-06-47 am to 13-41-57 p.m. it will be on Jup sub Jup sub sub. Jupiter sub commences after 10-00 a.m. she cannot report for duty as her timings commence from 08-00-00 am.

Next Moon will be transiting ON 24/4 in Libra sign-Jupiter star- Mars sub – Mars sub sub between 07-22-00 am to 08-54-00 a.m.
So I feel she will report for her duty on 24/4/2016 around 08-00-00 to 9-00-00 a.m.

Facts of the case
The servant cook reported for duty on sun day -24/April/2016 at 09-00-00a.m.- when moon was transiting in mars sign-Scorpio- Saturn star - Kethu sub – Kethu sub sub.

Question: When will I get tenant for my property?
Number:151 (our of
Date and time of Judgement : 19-07-2015, at 09.21.23 am
Place of Judgment : Jaipur, Gopalpura, Rajasthan

Hints : Generally we see this question by 4th cusp,6thcusp or 11th cusp.If we take any cusp then it can be crossed check with other.If 11th cusp signify 9and 4 then during DBA of 9 and 4 native will get tenant for his property.9 and 4 are 4th and 11th from the 6th cusp of tenant.

Analysis of 11th cusp: Sub lord of 11th cusp is Jupiter .Jupiter is in star of Ketu and sub of Venus.Ketu represents Jupiter.Jupiter occupies 9 and owns 2,5.Ketu is posted in 4th cusp.Venus occupies 9 and owns 7,12.There is no planet in the star of Venus and it is connected o 3,9 and 10. Thus 11th cusp is signifying 4 and 9.It can be crossed check with 6th cusp also. Sub of 6th cusp is Mercury. Mercury is in star of Jupiter and sub of Venus.Means 6th cusp is also connected to 4 and 9.

Common planets among ruling planets and significators are Jupiter ,Venus and Ketu. Often I prefer to take 5 planets but I observed in horary predictions most of the time 7 planets give better results.

Analysis oF Running Dasa:
Ketu Dasha:30.7.11 to 30.7 18
Jupiter Bhukti ;18.7.15 to 23.6.16
Venus Anter ;1.1.16 to24.2.16
Mahadasha nath and Bhukti nath are common planets so these are selected. Running antar Jupiter is already selected so it is left. Next anter Saturn and Mercury are not common planets so left.
Next Antar is of Ketu which is already selected so it is also left. Next antar is of Venus and not selected so far that's period from 1.1.16 to 24.2.2016 which is common planet so selected now for occurring the event.

Question. Will I get MLA election ticket for Thane district, declare today?
Number. 2 (out of 249).
Date of Judgment: 16-05-2016, Monday, **Time of Judgment**: 13:42:59 PM IST
Place of Judgment: Kankariya-Ahmedabad; **Long/Lat:** 23° N 00', 72° E 36'
Aynamsha: 23°.59'.44"; **Dasa Days:** 365.25

Hint:
One can be selected as a candidate for election, if Asc (tendency of people of country) sub-lord signifies 6 (victory), 10(One's political position), 11 (gain). For the opponent candidate Asc (tendency of people of country) sub-lord should signify 12 (victory of opponent), 4, (Opponent's political position), 5 (gain of opponent).

One can be selected as a candidate for election if 3rd (view of people) sub-lord signifies 6 (victory), 10 (One's political position), 11 (gain). But if 9th (opposite view of people) sub-lord signifies 12 (victory of opponent), 4, (Opponent's political position), 5 (gain of opponent), the opponent will be selected as a candidate.

Cuspal Sub lord
Ascendant (Aries 00^{0}.46'.40"): The sub lord of the Ascendant is Venus. Venus is in the star of own and sub of Ketu. Venus is occupant of 1, owner of 2-3-7. Sub lord Ketu is occupant of 12. No planet in the star of Ketu and Ketu is CSL of 11. Ketu is aspected by Mars. Mars is occupant of 8, owner of 1-8-9. Thus Ascendant sub lord Venus significator 1-2-3-7 and connected with 1-2-3-7-12-11-8-9. Hence Ascendant sub lord Venus signifies positive bhava 11 with negative bhava 12.

3rd Cusp (Taurus 28^{0}.58'.02"): The sub lord of the 3rd is Saturn. Saturn is in the star of Mercury and sub of Venus. Saturn is occupant of 8, owner of 11-12. Star lord Mercury is occupant of 1, owner of 4. Sub lord Venus is occupant of 1, owner of 2-3-7. Thus 3rd sub lord Saturn is significator of 1-4 and connected with 8-11-12-1-2-3-7. Hence 3rd sub lord Saturn signifies 11 with negative bhava any positive bhava but signifies negative bhava 4-12.

My opinion: No, you will not get corporation ticket is sure.

Outcome: Prediction come correct. He did not get ticket.

Query : My daughter has just passed out from convent school, now she has to be admitted in 6th standard. My husband and I want her to get admitted in one of the four renowned school of the city. We are trying for ST. Dominic's, Sacred Heart, Ratan lal Phool Katori and Army Public School. Problem is that most of the Schools have closed their admissions. Now we are trying that any one of these schools may take her entrance test and she gets the admission. Can you please guide us to where we should try for her admission?

Note : In such type of queries where a querier gives you options about his query, KP Gulburga Theory, Ruling Planets, TSP , etc. are useful. Analysis can be done through Horary Numbers. Taken for each of these Schools. I find Habse Guru ji's option Theory best suited for this query. Let us find out the result through this option theory.

Hints :- At the time of analysis of chart through Option Theory, we will add the signs to the Ruling Planets of that time. For Example, Sagittarius and Pisces belong to Jupiter, So we will add no 9 and 12 allotted to them. Sun and Moon have single sign so we will take their sign numbers. Signs to which Rahu and Ketu belong to will be added too. If the options are 9 or less, then we would convert the sign numbers into single digits. If the options are more than 9 then we won't convert them to single digits rather we would directly subtract it .If after summing up all digits and then subtracting it from the options gives 0, then we will choose the last option. Planets involved with the retro gate planets will not be included. In this case we have 4 options in hand-
1- ST. Dominic's
2- Sacred Heart
3- Ratan lal Phool Katori
4- Army Public School

Date of Judgement: 20/3/2016;
Time of Judgement: 12:04 PM
Place of Judgement: Mathura (U.P.);
Asc Lord: Mercury;
Moon Star Lord: Ketu
Moon sign Lord: Sun;
Day Lord: Sun

Here, Ketu and Mercury are in retro Jupiter's star, Hence will not be taken. Thus our ruling planets would be Rahu and Sun.

We will sum up their digits. Sun sign number is 5=Rahu posited in Sun sign, so this sign number is 5 after added 5+5=10 then make a signal digit number =1. so we have 4 options in hand and Ruling Planet number is 1. In this list of schools' name, on first place is ST. Dominics.

My Opinion: The child should be admitted in St. Dominic's.

Actual facts: The native told me that in the final phase St. Dominic's school took entrance exam of 75 students, including their daughter, in which she passed the exam

and got the admission in the school. The native also told me that her husband was trying for A.P.S.(Army public School) and Sacred Heart School. M.L.A. too influenced the student's application. The child was called with her parents to Sacred Heart School on 2nd April, probably for entrance exam.

Heartiest greetings to Lord Ganesha, Dada Guru Sri K.S.K. Ji and My Dada Guru Ji Eng. Ravindra Nath Chaturvedi Ji.

Questions & Answers

Question 1: Signification of Rahu

I'm putting here very basic question that how does 12CSL RAHU signify either of 2nd,3rd,8th,12th house in case relating to imprisonment whereas in case of imprisonment merely its STAR lord who is not retrograde is considered to test applicability of sub Rule 2nd ignoring aspect or conjunction of planet(s) on it or effect of sign in which it is placed.

Should we consider merely effect of STAR LORD of RAHU to judge its signification & all other rules should be kept aside what we have learned till date to judge signification of NODES?

What do rationale of case studies suggest in this regard?
Please kindly enlighten me.

Answer 1: Signification of Rahu

1. It's the same for natal or horary analysis except whether to consider retrogression in horary or not is up to one's belief and practice.

2. The cuspal sub lord (CSL) is also a planet and so it is to be considered at planet, its star and sub levels.

3. KP is the sub lord theory and without considering sub it is not KP. Considering the sub's star lord or sub sub is not KP, which is written and consistently practiced in the six KP Readers I to VI.

4. The signification of Rahu is 1) its occupation, 2) conj. planet(s), 3) aspecting planet(s) without taking opposite aspect (since Ketu is conj. there) and 4) sign lord where Rahu is located.
https://groups.yahoo.com/neo/groups/k_p_system/conversations/messages/18262

5. When a planet has no planet in its stars, the tested rule of the CSL by that planet becoming the strong significator can be applied.

6. Practical analysis of five example charts with Rahu as 12th CSL from "A study of 100 prisoner charts" is given below:

Question 2: Service or Business in Profession
How to decide Service or profession /business of any genuine consultant? Often it is hard to decide one's source of earnings in modern time & it needs great research work done by sincere Astrologers like you & some others if he/she/they have already done research work in this regard. I request you sir to enlighten your sincere followers with thumb K P Rules found by you.

Answer 2:
If the 10th (profession) cusp sub lord signifies house 6 (service, paid job) predominantly, one will earn by service mainly and if it signifies house 7 (business with others) or 10 (independence business), one will earn by independent business.

If the 10th cusp sub lord is connected with a dual planet Mercury or dual sign Gemini, Sagittarius or Pisces, and signifies both houses 6 and 7 or 10, one will earn by service as well as business depending on the running dasa period of significators of 2, 6, 7, 10, 11.

If the 3rd (courage) cusp sub lord signifies 2 (self earning), 10 (independent business) or 11 (gain, fulfillment of desire) one will have boldness to undertake business and come put successful during the joint dasa period of significators of houses 2,10,11.

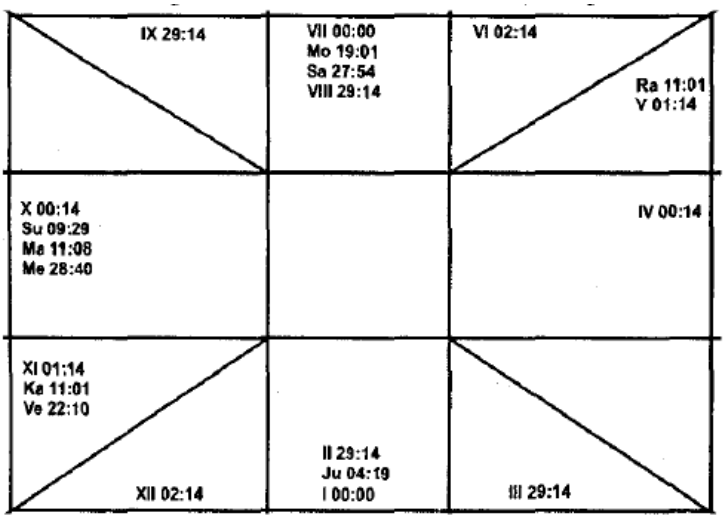
Hints
If the cuspal sub lord of the 10th (independent business) be the significator (in the star of the occupant or owner) of 2 (money/wealth), 7 (business with others) or 10 (business), an independent business or profession is promised during the joint period of the significators of 2, 7 and 10.

If the cuspal sub lord of 7th be the significator (in the star of the occupant orowner) of 2, 10 or 11, gain in business is promised during the joint period of the significators of 2, 10 and 11.

Moon
ln this horary map Moon occupies 7th (business) and owns 10th (profession). It is in the star of Venus which owns the Asc, 2 and occupies 11. So it is the significator of the Asc. (self), 2 (self-earning) and 11 (gain and fulfillment of desire). Thus Moon clearly shows that the query refers to self-earning, profession or business dealings with others and gains there from to fulfill his desire.

Cuspal Sub Lord
10th Cusp. (Cancer 00°.18'): The sub lord of the 10th cusp is Moon. Moon is in the star of Venus and sub of Rahu. Moon occupies 7th (business) and owns 10th (profession). lts star lord Venus is in direct motion. Venus owns the Asc, 2 and occupies 11. So it is the signifi-

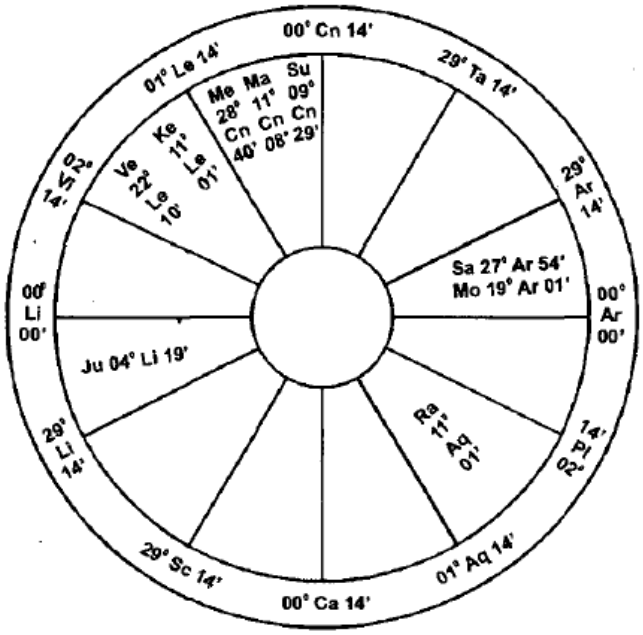
cator of the Asc. (self), 2 (self-earning) and 11 (gain and fulfillment of desire). As it is the significator of 2 and 11, an independent business is promised.



7th Cusp. (Aries 000.00' .00"): The sub lord of the 7th cusp is Ketu. Ketu is in the star of own and sub of Saturn. Ketu is conjoined with Venus. So Ketu represents Venus and it has to give the results of Venus. Venus owning 2 and occupying 11. Hence the cuspal sub lord of 7th cusp Ketu is the significator of 2 and 11 and it shows gain in business.

11th Cusp. (Leo 01°.14): The sub lord of the 11th cusp is Venus. Venus is in the star of own and sub of Saturn. Star lord Venus owns the Asc. , 2 and occupies 11th. Sub lord Saturn occupies 7th. The 11th cusp a! sub lord Venus is the significator of 2and 11 being in its own star. Hence the querent's desire will be fulfilled.

7th House: Moon, the owner of 10 (profession), is conjoined with Saturn, delaying planet in 7 (business). It is in conjunction, So this position denotes that the querent
has to have patience for a long time. But Moon is the significator of 2 and 11and Saturn is the significator of 10 and 11. So the querent's desire will be fulfilled in the long run.



Ruling Planets
Day-. Sunday; Day lord - Sun
Asc.- Virgo 12° .42; Sign lord – Mercury; Star lord - Moon

Moon - Aries 19°.01'; Sign lord – Mars; Star lord - Venus

Ketu is in Leo sign, so represent Sun. Ketu is conjoined with Venus so also represents Venus. Venus aspects on Rahu, so Rahu represents Venus. no planets are in the star or sub of retrograde planets. Thus the ruling planets are Sun, Moon, Mars, Mercury, Venus, Rahu and Ketu.

Joint Period

At the time of judgment (Balance dasa of Venus for 11 Y 5M 210}, the querent is running the period of Venus, significator of 2, 11 and also in the ruling planets. The joint period of Venus, Rahu and Mercury is current from 14-7-1970 and continues up to 17-12-1970. Rahu is the significator of 7th; Mercury is the significator of 10th and both are in the ruling planets. So the querent will begin his business activities during this period. Actually he started his business in the month of November 1970.

The dasa lord Venus is the cuspal sub lord of 11 and this period continues up to 17-1-1982. So the querent will continue his business activities throughout this period. He has to pass the sub bhukti of Rahu, Jupiter, Saturn, Mercury and Ketu in the dasa of Venus. Rahu, Mercury, Ketu and Venus are in the sub of Saturn. So the querent's progress will be slow and steady. Jupiter is in the sub of Venus and Saturn is in the sub of Moon. So their bhukti (17-3-1972 to 17-1-1978) will be favourable to make progress in business. Ketu is the sub lord of the 7th cusp and its bhukti starts from 17-11 -1980and continues up to 17-01-1982. As Ketu has to give the results of Venus owning 2 and occupying 11, it will be better than other bhuktinath. It was learnt from the querent in the month of December 1974 that he was conducting his business in a small scale with a slow progress. And lastly it was learnt from the querent in the month of August 1981 that his business had slow progress.

Stellar Astrology and Events in Life
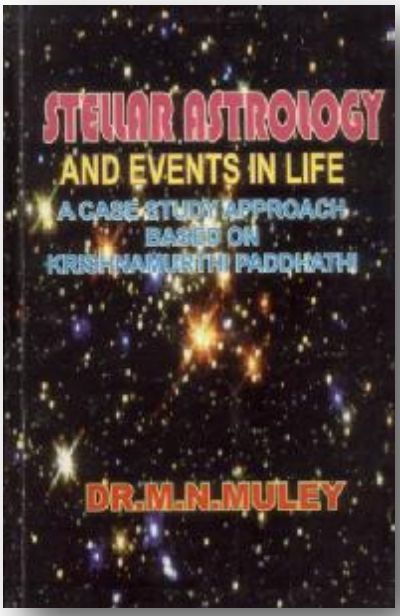
(A Case Study Approach to Krishnamurthy Paddhati)
By Dr. M.N. Muley
CBH Publications, 2016, 271 pages
Note: "Paddhat" is as spelled in this book, not typo error of "PadhdhatI".



Although Krishnamurthy Paddhati is mentioned in this book "Stellar Astrology and Events in Life",
many things are different from Krishnamurti Padhdhati (KP) as written and consistently practiced in the six KP Readers, for instance –

- Division of planets into three categories, namely natural benefic, malefic and separative planets;
- Rahu/Ketu's 5,7,9 aspects;
- Rahu/Ketu extend their influence to the next house up to 7 degrees;
- Conjunction of planets in the same sign within 10 degrees orb;
- Using sub sub here and there;
- Invalid statement: "Any number, given within 2234, gives greater accuracy and correctness in predictions";
- Using the unreliable technique for rectifying birth time: "Connection between Asc.sub lord and Moon star lord", which is very rarely found in live practical horoscopes;
- etc. . .

The northern Indian style charts are used and the KP ayanamsa for the year is applied which is around one minute lower from the KP new ayanamsa.

Question: When will I be able to go back to Uganda?
Number: 92 (out of 249)
Date of Judgment: 10/12/2015, Thursday; Time of Judgment: 14:04:57 PM IST
Place of Judgment: Kankariya-Ahmedabad Long/Lat: 23° N 0', 72° E 36'.
Ayanamsha: $23^0.59'.22"$

Hints
If the cuspal sub lord of the 2nd (9th from 6th) be the significator of 9 (abroad/long journey) or 12 (Stay abroad), and be connected with 2 or 6 or 11, foreign travel for job is promised during the joint period of the significators of 3, 9 and 12.

Cuspal Sub lord

2nd cusp (Virgo $09^0.05'.04"$): The sub lord of the 2nd cusp is Venus. Venus is in the star of Rahu and sub of Saturn. Venus is occupant of 3, owner of 3-10. No planet in the star of Venus and Venus is CSL of 2-8. Star lord Rahu is occupant of 1. Rahu is conjoined with Mars, hence represents Mars. Mars is occupant of 2, owner of 4-9. No planet in the star of Mars and Mars is CSL of 10-12. Sub lord Saturn is occupant of 4, owner of 6-7. Thus 2^{nd} sub lord Venus signifies of 1-2-4-9-10-12 and is connected with 3-10-2-8-4-6-7. Thus job abroad is sure.

Here in this case there seem to be some problems with the employer. Thus we have to check 6^{th} sub also.

6^{th} cusp (Capricorn $12^0.18'.07"$): The sub lord of the 6^{th} cusp is Rahu. Rahu is in the star of Sun and sub of Jupiter. Rahu is occupant of 1. Rahu is conjoined with Mars, hence represents Mars. Mars is occupant of 2, owner of 4-9. No planet in the star of Mars and Mars is CSL of 10-12. Star lord Sun is occupant of 4, owner of 1. Sub lord Jupiter is occupant of 1, owner of 5-8. Thus 6^{th} sub lord Rahu signifies of 4-1 and is connected with 1 -2-4-9-10-12-5-8. 6^{th} sub lord indicates 2-10 along with 1-5-9.

Joint Period
At the time of judgment, Saturn dasa is running up to 21-07-2023. Current joint period is Saturn-Moon-Rahu up to 10-12-2015.

Dasa lord is Saturn. Saturn is in its own star and sub of Rahu. Saturn is occupant of 4, owner of 6-7. Sub lord Rahu is occupant of 1. Rahu is conjoined with Mars, hence represents Mars. Mars is occupant of 2, owner of 4-9. No planet in the star of Mars and Mars is CSL of 10-12. Dasa lord Saturn signifies 4-6-7 and is connected with 4-6-7-1-2-9-10-12.

Bhukti lord is Moon. Moon is in the star of Saturn and in its own sub. Moon is occupant of 4, owner of 12. Star lord Saturn is occupant of 4, owner of 6-7. Bhukti lord Moon signifies 4-6-7 and is connected with 4-12.

Running antra is Rahu and ends today. The next antra is Jupiter from 10-12-2015 to 25-02-2016.
Antra lord Jupiter. Jupiter is in the star of Sun and sub of Moon. Jupiter is occupant of 1, owner of 5-8. Star lord Sun is occupant of 4, owner of 1. Sub lord Moon is occupant of 4, owner of 12. Antra lord Jupiter signifies 4-1 and is connected with 1-5-8-4-12.

My opinion: I don't see any chance. 6th sub lord indicate 1-5-9 and Antra lord does not signify 2 or 6 or 10 at all. Thus you will not go to Uganda for this job.

Outcome: Prediction has come correct.

Postmortem: If we check the classic rule, Antra signifies 12, thus going abroad is sure, but in my experience many times I have failed. Thus I have pondered over it and have tried to work with my own new rules. There are many reasons to go abroad. For example, to meet a child, for shopping, for higher education, for contract job, for marriage, etc. we can't use one rule for all. I have used separate rules for each reason for going abroad and have got very good results. Readers may try it and give me feedback.

Suicidal Death of Mother from Son's chart

By: Sumanadasa Namarathna
(Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace
No.22/1, Udugampola Road, Marapola, Veyangoda,
SRI LANKA Email: sunaparantha@gmail.com

Once a young boy from my area came to me and asked for a Horoscope Booklet for his future use, since he had never seen such a material due to his mother's demise. When enquiring about his mother's death, he told that his mother had committed suicide when he was in his tender age. This event was a good opportunity for me to test and prove the efficacy of Krishnamurti Paddhaty by applying assiduously the directions and dictates of our Guruji Sri KSK, for the benefits of all KP enthusiasts and beginners.

Birth detail of the boy
Name: Son, Male, Date: Sunday, 19/Jan/1986, Time: 06:24:00 AM SID: 14:06:43, Place: Veyangoda Old Maternity Home, Western, Sri Lanka, Lat: 07:09:00 N Lon: 80:03:00 E, Ayanamsa: 23° 34' 20", Lagna: Capricorn, Star: Bharani, Pada 2, Bal. Dasa: Venus 14 Y, 03 M, 25 D, (SW used KPAstro 4.1)

According to KP, the chart of the boy should indicate the loss of his mother. Hindu sages have attributed the fourth house to the mother. The 12th house shows loss and impediments restraint and limitation. When applying these two factors into sub lord theory of KP, it says, if the sub lord of the 4th cusp be a significator of 4 and 12 houses, loss or separation of mother is indicated.
The forth house of the boy's chart is under the co-rules of Mars, Kethu and Saturn being Sign, Star and Sub Lord. The sub Lord Saturn, by being the lord of Lagna and 2 (Family, Maraka) is tenanted in the 11th, that is the Badhakasthana for the Capricorn born native. Saturn is in its owned star and in the sub Rahu, posited in the 4th cusp and act as a representative for the 4th and 11th lord Mars deposited in the 10th cusp. This Mars is in the star of Jupiter the lord of 12 and 3 in Lagna. Accordingly, 4th sub Saturn is a significator for 4 and 12 of the boy's chart and separation or death or loss of the mother is well indicated.

Let's rotate the chart of boy to 4th hosue as Ascendant to see the planetary indications of his mother's life. Below is the summary of ill-significations of the 9 planets in the rotated chart under four fold signification table.

Planet	Signification	Planet	Signification	Planet	Signification
Sun	12	Mercury	10, 6	Saturn	8, 10, 11
Moon	2, 7, 4	Jupiter	7, 8, 10, 12	Rahu	7
Mars	7, 12, 8	Venus	10, 2, 7	Kethu	7

2, 7 = Maraka, 11= Badhaka, 4 = End of Life, 6 = Disease, 8 = Danger to life, 10 = Retirement from this World, 12 = Moksha, Fulfillment of one's desire to be free
It is not necessary to mention the significations of Sub Lords of above planets, since all the subs are invariably present as ill-dignified significators through out the natal (rotated) chart.

As per the above table, all the planets are signifying detrimental houses in the chart. Among them Ascendant lord Mars, Jupiter that is in the star of Mars and Sun the sub lord of Badhakasthana are signifying the 12 house. According to my personal point of view, the

12th house is most important to study in such suicidal death, since 12th house speaks of secret working and hidden things especially the mental working on unseen matters. The sub lord of 12th is Venus, lord of 2, 7, the house of conjugal life with married partner and is an indicator of marriage. The Moon, the controller of mind is the sub lord of the 3rd house, which speaks of mentality, courage, bad thoughts. Moon is tenanted in the rotated Lagna cusp, Aries owned by Mars that is in the 7th, house of marriage and aspect each other by their 7th aspects. Now we can see some mysterious connections among the houses 12, 3, 2 & 7 indicating some mental suffering or imbalance in the married life.

The boy doesn't know the exact reason for the death of his mother, but he had come to know that there had been some family problems among the parents. If the cause for suicidal death is a family problem and also if the revelation of the above paragraph are truth, annulment of the marriage should be indicated by the 2, 7 & 11 even in this rotated chart.

Significations of subs of 2, 7, 11
7th Cusp Sub lord Jupiter 7,10,1,8,9,12
11th Cusp Sub lord Sun 10, 5
2nd Cusp Sub lord Venus 10, 5, 2,7
All these three sub lords are occupying in the 10th house, aspected by 10th lord Saturn from 8th cusp and by Mars 1, 8 lord from 7, resulting any misfortune in the married life is indicated.

Now let's see KP rules for suicidal death.
1. If the sub Lord of the 8th cusp deposited in the constellation of a planet, who is a significator of Maraka Or Badhaka and also the 8th house, and further if the lord of the constellation is connected with Mars, then suicide is indicated. - AA Dec 1978 p38
2. When the 8th house is occupied by the lord of Lagna, or the planet in 8 happens to be posited in the star of the lord of Lagna, OR the lord of 8 is in conjunction with the lord of Lagna, the indication is that the native himself will be the cause of his own death. - Reader 2 pg 299 (12th Edition Sept 2009)
3. The sub lord of the 8th cusp should have some kind of connection with Mars and Ketu. (KP EZine 2011 Dec)
4. Moon should also be afflicted with airy sign connection with Saturn and Mars aspect or conjunction as this combination produce negative thoughts to a native. (Ibid)
5. If there is any kind of relationship or connection between/among the co-rulers of the Ascendant and the 8th cusp, then the native only will be the cause of his/her own end. (Ibid)
6. The assassin is represented by the 7th house of the native. It is a well-known fact to all of us that the 7th house represents all the persons who have dealing with the native. When the sub lord of the 7th cusp is deposited in the constellation of a planet signifying Maraka or Badhakasthanas and also the 8th house of the native, then the native will be assassinated in the hands of assassin. (Ibid)
Applying the above rules with the rotated chart (attched)

Rule 1 - Sub lord of the 8th cusp is Venus in the constellation of Sun, which is not a direct significator of Maraka or Badhaka. But Sun is the sub lord of 11 Badhakasthana, while connecting with Saturn being the sign lord and sub lord of Sun. Further Sun is aspected by Mars the lord of 8 and Lagna and also aspected by Badhaka lord Saturn from 8th house.

Rule 2 - The 8th house is occupied by Saturn. It is not the lord of Lagna, but Saturn is the sub lord of Lagna instead. And the lord of 8 (Mars) is the lord of Lagna.

Rule 3 – Sub lord of the 8th cusp, Venus is aspected by Mars and Kethu and both of them are tenanting in the house of Venus. (Some kind of connection as in the given rule is completely satisffied.)

Rule 4- The Moon in Lagna is opposite to Mars and Kethu, both are in sign Libra an Airy sign and is afflicted.

Rule 5 – The co-rulers of the Ascendant are Mars, Kethu and Saturn and the 8th cusp co-rulers are Mars, Saturn and Venus. Mars and Saturn are matched as per the rule. Kethu and Venus both are in the sub of Saturn that is the sub lord of Lagna and hence the rule is completely satisfied.

Rule 6 – The 7th cusp sub lord (Assassin) is Jupiter. It is in the star of Mars the lord of Lagna (Athma/Self) and 8. Mars is a significator for 7, Maraka by deposition. Hence the Assassin is the self or death by own hands (suicide)

In summing up all the rules are directly or indirectly or whole or partially satisfied with the planetary positions in the rotated chart.

Other combinations

Venus the lord of 7, Maraka also the sub lord of the 8th is in conjunction with Sun that is the Sub lord of Badhakasthana. Hence Sun gives the 8th house result as well as the badhaka results by way of its sublordship of 11 and by virtue of Saturn the lord of Badhaka in 8, that is the sub lord of Sun.

Saturn the lord of 10 (Retirement from this world) and 11 (Bdhaka) in 8 (House of Death/ Danger to life/ Accident/Suicide) is the Sub lord for 1(Self), 4 (End of Life), 10 (as above). The Sun (10-10-5-5), Jupiter (7-10-1,8-9,12), Venus (10-10-5-2,7) Rahu (7-1) a representative of Moon (10-1-2,7-4), Mars (10-7-9,12-1,8), Kethu (1-7) a representative of Moon, Mars & Venus and Neptune (7-9) are in the sub of Saturn. Thus except Mercury, all other eight planets are connected with Saturn and 8th house aggravating the risk of life of the native. Hence Saturn is to be labeled as the most dreaded planet in this rotated chart that played a vital role for the end of the native's life.

Uranus the planet of unexpected in this chart is in 8th house in the constellation of Mercury (Thinking/Reasoning) in association with Saturn. When Uranus is in the 8th house it indicates transition from the physical to the spiritual world may be after long and fitful sufferings or due to sudden unexpected end. If Uranus in the 8th is not well aspected, it gives worry, difficulty, peculiar diseases and death.

Transition

She has committed suicide on the 15th of May 1991 when Venus, Jupiter, Mercury and Kethu were operating as DBAS respectively. On that day luminaries Sun and Moon were transiting in the sign of Venus (2 & 7 Maraka, 10 – Retirement from this world) that is the Dasa lord at the time of death. Venus was transiting over the star of Rahu (1, 7) the representative of Mars (1, 8) and Moon (10-1-2,7-4). Bukthi lord Jupiter was transiting over the 4th house owned by Moon and was aspecting by Anthar Lord Mercury, which was transiting over the star of Shooksma lord Kethu. This Kethu the death pointer was transiting over Mercury's (Anthar Lord) Gemini sign in conjunction with Mars (lagna and 8 lord), in the Star of Jupiter (Bukthi Lord) and in the sub of Venus Maha Dasa Lord.

This immense study of the fate of this mother, compiled without knowing a bit of birth detail of her own and by seeing only through her son's chart, is dedicated to the great founder of KP system Sri K.S.Krishnamurti Guruji, for his uncontested inventions among the other schools of astrology.

Also my bow head Pranams to my KP Guru ji Sri Tin win ji for his methodical guidance granted towards me.

A Case Study of Assassins of National Heroes

1) Galon U Saw, plotter of assassination of Myanmar's national hero General Aung San

Galon U Saw, Wednesday, 16/May/1900, 07:30 PM, hr 6:30 east, Oakpho, Myanmar, 17n21, 95e45, KP new Ayanamsa: 22° 22' 34", Star: Jyeshta, Pada 3, Star Lord: Mercury, Lagna: Scorpio 16:40:30, Bal. Dasa: Mercury 5 Y, 11 M, 6 D, by KPAstro 4.1.
https://en.wikipedia.org/wiki/U_Saw

The 12th (murder) cuspal sub lord (CSL) Jupiter+ is in house 12 (murder, death), lord of houses 2 (Maraka)-5, the strong significator of houses 4,6 (cruel activities),10,12 by being their CSL having no planet in its stars, in the star of Saturn (cruelty, selfishness) in house 1, lord of houses 3 (courage)-4, and in sub of own Jupiter+.

Maraka 2nd lord planet Jupiter as well as sub lord Jupiter in 12th house is in conjunction with 1st cusp, Badhka 9th lord Moon, Rahu (wickedness), Uranus (unexpected explosion) @18Sc45 especially in the sign Scorpio (cruelty, danger, death as 8th sign). This conjunction and 12th cusp is further aspected by 6th lord Mars (cruel and violent murder) which is conjoined with 8th (danger, death) lord Mercury in own sign Aries. Again this conjunction in Scorpio is in opposition to Sun in 6th (cruel activities) house. Star lord Saturn (cruelty, selfishness) is also in opposition to the 4,6,7,8,12th significator Venus in 7th house and also 8th cusp. The 4,8,12 are terminal houses leading to a fatal accident.

All these evil planetary combinations of 12th CSL's signification of 6,8,12th houses and connection with cruel planets Mars and Saturn made Galon U Saw a very cruel and cunning plotter of assassination of General Aung San.

The unnatural death is indicated for him by 1st and 8th CSLs' signification of Badhaka, Maraka, 8, 12th houses with connection to Mars as well as 6th lord Mars' conjunction with 8th lord Mercury, Mars' aspect on Ascendant and Moon and Saturn's aspect on 7th and 12th lord Venus in 8th house.

1st CSL Mercury is in house 5, lord of houses 8 (danger, death),11, in the star of Venus in house 8, lord of houses 7 (Maraka),12 (Moksha, end of life), and in sub of Mars+ (unnatural death Karaka) in house 5, lord of houses 1,6.

8th CSL Venus is in house 8, lord of houses 7 (Maraka),12, in the star of Rahu in house 1, conjoined with Moon in house 1, lord of house 9 (Badhaka) and Jupiter+ in house 12 (Moksha, death), lord of houses 2 (Maraka)-5, the strong significator of houses 4 (end of everything),6 (sickness),10 (retirement from this world),12 by being their CSL having no planet in its stars, in sign Scorpio representing Mars+ (unnatural death karaka) in house 5, lord of houses 1,6, and in sub of own Venus.

In this chart Mars is the dominating force for bad side to be an assassin and good side to become a rich national leader from an ordinary layman without university education. Transit Mars @19Ta36 was aspecting natal Ascendant cusp, Moon, Jupiter, Rahu, Uranus conjunction in Scorpio and also natal Saturn on the day of assassination (10 July 1949),

Observation

1. 12th CSL's signification of Badhaka, Maraka, 6,8 or 12th houses and connection with cruel planets Mars and Saturn indicates a very cruel assassin;
2. Mars plays the dominating force in making a cruel assassin;
3. First two levels of Dasa and Bhukti are more clear indicators of timing and these dasa lords are related to the murder houses 6,8 or 12 and planets Mars, Saturn;
4. Calamity with unnatural death by hanging is unavoidable for assassins during the joint dasa period of significators of Badhaka, Maraka, Moksha and 8th house.

Sanction of government Pension

On 29 September 2015, my land lady telephoned and asked me a question, when her servant maid gets her pension sanctioned by the government for which she has applied (under Govt. schemes for Physically Disabled people), in Dec 2014. And she gave a horary number 55/249 at 13:45:38 hours. Immediately I erected a horary chart for the given number at my residence (Secundrabad).

Since the query pertains to the servant maid of the querist, and so the chart is to be rotated to 6th house of the lagna of the querist (Gemini).
Before proceeding with the analysis of the chart, I thought I should check whether the querist mind speaks of the issue she has raised. To check this aspect, I have to look the position of the Moon in the original chart which I have rotated for the servant maid.
The Moon in the original chart is the lord of second (money income) placed in the 10th (government organization). Moon is in the star of Mercury lord of 1&4 in 4th. Moon is in Saturn sub (lord of 7&8) in 6th (servant) and 8th (sudden gains by way of pension to her servant and worry about it).
So I am satisfied that the querist Moon speaks of her mind about the issue she has raised.

Coordinates for the subject
6-servant, 8- sudden gains by way of sanction of pension by government, 2-monetoray income, 3-receiving govt.order of sanction, 10-governament exchequer, 11-fulfillment of desire to obtain pension.

K.P. RULE
If the 8th cusp sub lord signifies 2-3-6-10-11 the event will get materialized during the conjoined period of the significators of 2-3-6-8-10 &11 houses.

Analysis of the chart--
As per the rotated chart 8th cusp sub lord is Mars +.Mars is the lord of 1 and 6 placed in 9th cusp but within the orb of 3 degrees to 10th house- government.
Mars is in Ketu star and Jupiter sub. The star lord Ketu is placed in 4th, and its lord Mercury. Ketu represents Moon lord of 9th in 5th expenditure to government exchequer (8th to 10th). It also represents Mercury lord of 8th and 11th in 11th.
The sub lord Jupiter is lord of 2 and 5 in 10th. Thus the sub lord of 8th Ketu signifies 1-native, 3- fulfillment of receiving the govt., sanction order, 8- sudden gains by way of pension and 11th- fulfillment her desire.
The 11th cusp sub lord is Rahu+ strongly signifies relevant houses of the event-8, 10, &11 - promises the event.

When will it be sanctioned --- During the conjoined period of the significators of 2-3-6-8-10-11 houses.

Dasa lord is Mercury up to 17 AUG 2016. Mercury signifies 11AT STL, and 2,,10 at sub level. So it is OK.

Bhukthi lord is Saturn from 08 Dec 2013 to 17 August 2016. It is in CFS. It signifies 3at Star level and 8 and 11at sub level. So it is O.K.

Antra lord is RAHU runs from 13-11-2015 TO 8 -4-2016. Rahu+ is in C F S and signifies 2 and 11 as sub lord, 10 &11 at Star level and 8 &11 at its sub lord level.
Sun transits in Saturn sign _ Kumbha on Rahu star from 19/FEB TO 4 MARCH.
Under RAHU+ antra period, Rahu as A/L, Saturn as B/L and Mercury as D/L are already considered. Jupiter is not in CFS.

Next is Venus sookshma period is from 15-2-2016 to 4 11-3-2016. Venus is in CFS and signifies 11,8 at star level and 3 at its sub lord level. So I feel that her pension will be sanctioned during the period of 15 Feb 2016 to 11 MARCH 2016.

Facts of the case are

Dear Respected readers of this esteemed magazine,
I am to state that the rectification of birth time of a male is done in three methods as shown below:-
The RBT arrived in first method is 07-57-02 PM.
The RBT arrived in second method is 08-27-06 PM.
The RBT arrived in third method is 07-57-38 PM.
Mutual aspect of Saturn and Moon is considered as Punarphoo yoga in second method whereas Mutual aspect of Saturn and Moon is not considered as Punarphoo yoga in third method.
It is clearly visible for us that RBT arrived in first and third method is same with a little difference in seconds which is negligible.

Firstly the birth time is corrected by taking the birth particulars from the book 'PRASHNA JYOTISHI' – (Page no. 61. Example 4.) translated by Shri. Kanakji.
The Ruling Planets (19-07-2016/05-54-16 AM.IST/Kurnool, Andhra Pradesh) are taken by me
Male; Date of birth:- 23-11-1911, Thursday; Place of birth:- 22-46N/73-40E;
It was said that the ascending sign at the time of birth is Gemini and the approximate time is between 7-30 PM IST to 8-30 PM IST.
RP.Date=19-07-2016;
RP.Time=05-54-16 AM.IST;
RP.Place=Kurnool(AP);
Lagna:-091-38-02=Moon-Jupiter-Rahu-Jupiter;
Moon:-261-23-41=Jupiter-Venus-Jupiter-Moon;
Daylord:-Moon.

Note:- There is no Punarphoo yoga in this time chart. Rahu is conjoined in Leo with Jupiter which is appeared in Moon 4 RPs and it is in the sub of Jupiter which is in total 9 RPs. So Rahu should be included in the list of Moon Rps. Then Moon RPs are Jupiter-Venus-Jupiter -Moon and Rahu.

Secondly the same Example is taken including Ruling Planets particulars also.
While rectifying, Punarphoo is considered.

We have Venus, Jupiter, Venus, Saturn and Rahu as Moon RPs. The remaining planet Venus in Moon RPs. should be automatically selected.
Astrologically corrected birth time is 07-57-38 PM.

Note:- We have got the corrected birth time of both in first and third methods as 07-57- 02 PM and 07-57-38 PM respectively. From this we can clearly understand that the mutual aspect of Saturn and Moon should not be considered while rectifying birth time as "Punarphoo yoga".

Arrest Zakir Naik the moment he returns to India: Sena
Mumbai: Shiv Sena on Monday demanded that controversial Islamic preacher Zakir Naik be arrested the moment he returns to India from Saudi Arabia and his "Peace TV" network dismantled.
The NDA ally also likened Zakir Naik's "social work" to the activities of Jaish-e-Mohammed chief Masood Azhar.
Mumbai-based Naik, who is expected to be back in the city this afternoon, has been facing the heat following reports that his alleged "provocative" speeches had inspired some of the militants who carried out Bangladesh's worst terror attack in a cafe in capital Dhaka.
The preacher has dismissed the allegations against him.
"The way fanatics like Pakistan-based Azhar Masood openly spew venom, people like Zakir Naik carry out through their social work in the name of peace by covert means...Naik has been nurturing anti-nationals for the last several years and the lessons in peace preached by him have been unmasked after the Dhaka carnage," the Sena said in a stinging editorial in its moutpiece "Saamana".
Taking a dig at the state and central governments for allowing the preacher to carry on with his activities, Sena said Naik should have been thrown into the same cell as Mumbai attack convict Ajmal Kasab long back.
"Peace TV is in reality Preach TV. The Narendra Modi government at the Centre and the Devendra Fadnavis government in Maharashtra should show some courage and destroy all machinery of this channel," it said.
"The government can bring back black money when it wants to, but for now, the government should immediately destroy the financiers of Naik because the game he is playing will destroy our nation. Arrest him as soon as he returns to the country," the Sena demanded.
Notably, the Bangladesh government yesterday banned the broadcast of Naik's Peace TV after reports that his "provocative" speeches inspired some of the Bangladeshi militants, who killed 22 people, mostly foreigners, at an upscale restaurant in Dhaka on July 1.

In addition to this Rahu is a node, more powerful than other planets. So Rahu should be selected as Sublord of Moon. (2) Due to Punarphoo yoga, Mercury should be selected as Sublord of Moon. (3) Due to Punarphoo yoga, using our commonsense, it is better to select Saturn as Sublord of Moon because it comes first than Mercury after Rahu in VMD series.

Astrologically corrected birth time is 11-07-09 AM.

BABA VANGA – verification of PAST EVENTS
(a) When she was 7 years old her father remarried.

Add 7 years to her date of birth. (31-01-1911 + 00-00-0007=31-01-1918). Then you will get the actual remarriage date of her father. 31-01-1918 = Rahu/Jupiter/Saturn/Venus.
Rahu = 20-11-1914 to 20-11- 1932
Jupiter=02-08-1917 to 26-12-1918
Saturn=27-11-1917 to 15-04-1918
Venus =16-01-1918 to 08-02-1918

K.P. rule for second marriage is as follows:-
Second marriage is indicated if the following two conditions are simultaneously satisfied:-
(i) The sublord of the 7th cusp is deposited in a dual sign or in the constellation of a planet in or owning a dual sign or if the sublord of the 7th cusp is Mercury; and
(ii) The sublord of the 7th cusp is also a significator of either of the houses 2 or 11.
If any one of the above two conditions is not satisfied then second marriage is denied.

Rotate the chart to 9th as Ascendant for her father. From 9th to 7th is 3rd which falls in Gemini Sign (05-06-51=Merc/Mars/Sun).
3rd (9th to 7th) cusp sublord Sun is not deposited in a dual sign. Sun's constellation lord Moon is also not in a dual sign or owned a dual sign. 3rd cuspal sublord is not Mercury. Here the first condition is not satisfied. Sun is an occupant of 2nd but close to 3rd cusp (11th cusp) which falls in Capricorn sign.
But Sun's sublord is Mercury who is a dual signlord as well as a dual planet which is placed in Sagittarius sign (dual) nearer to the second cusp. Thus through Mercury, the sublord of Sun is in dual sign and it signifies 11.

Kanakji's Rule:- If the 9th CSL signifies 2,9 or 11, second marriage is promised.
After rotating the chart to 9th as Ascendant, 9th cusp will become the 5thcusp which falls in Cancer 19-00-41=Moon/Mercury/Ketu). So 5th cuspal sublord Ketu is an occupant of 11th and it is in the star of Jupiter which signifies 11 and 2. So second marriage took place for her father.

Dasa lord Rahu(5) is in the star of Venus (3-6,11) and in the sub of Saturn(4-3,4). Thus Rahu signifies 11th. So it is OK.
Bhukthi lord Jupiter(11-1,2) is in his own star & sub.
Anthra lord Saturn(4-3,4) is in the star of Ketu(11) and in the sub of Jupiter(11-1,2).
Sookshma lord Venus(3-6,11) is in the star of Mars(1-5,8)

(b) Mysteriously lost her eyesight when she was 12 during a massive storm.
31-01-1923=Rahu/Mercury/Mercury/Rahu.
Rahu =20-11-1914 to 20-11-1932.
Mercury=02-11-1922 to 22-05-1923
Mercury=02-11-1922 to 14-03-1923
Rahu =15-01-1923 to 03-02-1923.

As per K.P., 2nd house is right eye and 12th is for left eye.
6th is for disease, 8th is for danger, 1 2is for left eye and loss of vision.
K.P. rule: If 12th cusp sub lord is in 6th house of disease, and if the sub lord is in the constellation of a planet occupying or owning 6 or 8 or12—it is definitely be concluded that one will lose eyes and eyesight, when the significators of 2 and 12 conjointly operate.

H.No.	A	B	C	D	E	F
2nd house.	.....	.....	.....	Venus	Mercury, Rahu	Venus
12th house	Moon, Mercury, Rahu, Ketu	.....	Saturn	Moon, Mercury, Rahu, Ketu.	.....	Saturn.

Moon and Venus are seen in the above table as 2nd & 12th significators.
All the DBAS (related to eye sight) Rahu and Mercury are also appeared in the above table.
Note- if Saturn is placed in Ketu star or aswini star it shows danger to eyes and eyes sight.
As per natal chart---2nd cusp falls in Taurus sign- 2nd in natural zodiac signifying right eye and 12th cusp falls in Pisces sign natural zodiac sign denoting left eye.
2nd cusp sub lord is Rahu+ in Aries; Mars sign- 1stcusp. Rahu+ is in Venus star (lord of 2 and 7th in 11- badhakasthana) and Saturn sub +(lord of 11 & 12 in 12th- loss and badhaka lord.).
Rahu+ also represents Mars is the lord 1stand 8th in 9th. As there is no planet in Rahu Star, it holds the cuspal sublordship of 2nd & 8th . (c) On 10th May 1942 Vanga married Dimitar Gushterov, Bulgarian soldier from the village of Krandzhilitsa near Petrich during the conjoined dasa period of Jupiter/Venus/Jupiter/Sun.
Jupiter = 20-11-1932 to 20-11-1948
Venus = 01-10-1940 to 02-06-1943
Jupiter = 09-02-1942 to 18-06-1942
Sun = 05-05-1942 to 12-05-1942

Marriage Rule in K.P.: If the sublord of the 7th cusp signifies 2,7 or 11, then marriage is promised to the native.
In this natal chart, 7th CSL Saturn+ (12-11,12) is in the star of Ketu(7) and in the sub of Jupiter(7-9,10). Saturn+ is the cuspal sublord of 1,6,7 & 12 having no planet in its stars. Thus 7th CSL Saturn signifies 2,7 and 11. So marriage is promised to this native.

Marriage took place during the conjoined period of Jup/Ven/Jup/Sun.
(2= expansion family through marriage; 7= wife/husband; Kalatram; 11= fulfillment of desire; 12=bed comforts; 1=native)
Dasa lord and Anthralord Jupiter (7-9,10) is in his own star and sub.
Bhukthi lord Venus(11-2,7) is in the star of Mars(10-3,4) and in the sub of Venus(11-2,7).

Saturn=20-11-1948 to 20-11-1967
Mars =25-05-1961 to 03-07-1962
Venus=04-05-1962 to 11-05-1962
Rahu =28-03-1962 to 08-04-1962
Rotate the chart to 7th as Ascendant of her husband.
2&7=marakasthanas; 11=badhakasthana; 12=Mokshasthana; 6=disease; 8=danger; 4=end of everything;

Dasa lord Saturn (6-5,6) is in the star of Ketu(1) and in the sub of Jupiter(1-3,4).

Anthralord Venus (5-1,8) is in the star of Mars(3-2,7) and in the sub of Venus(5-1,8).Venus aspects 12.
Sookshmalord Rahu (7) is in the star of Venus (5-1,8) and in the sub of Saturn (6-5,6).

Thus all the DBAS lords are signifying all houses which indicate the maraka, badhaka, mokshasthana, etc.

(e) Vanga died on 11th August 1996 from breast cancer. During the conjoined period of Venus/Moon/Rahu/Ketu.
Venus=20-11-1991 to 20-11-2011

Rahu =16-06-1996 to 15-09-1996
Ketu = 08-08-1996 to 13-08-1996

As 1st cusp sub lord Saturn does not have any planet in his stars being the sublord of 1, 6, 7, and 12 cusps, he becomes a self-strong significator for 1st, 6th, 7th, and 12th.
(1- native, 6- disease- died out of sickness, 7- maracasthana, 12- hospitalization and loss of life).
At star level- (kethu) signifies 7- maraka, 11- badhaka, 12- death,
At sub lord level-7-,9 and 10 –karma sthana.
The significations of 1,9 and10 gave her long life— That is why she lived for 86 years.

4th (breast and chest) cusp is adversely influenced by the aspect of Mars – lord of 8th, 4th lord Mercury which is conjoined with 8th lord Mars and 11th and 12th lord Saturn.

Moon lord of 4th sign Cancer is deposited in Mars star and Saturn sub. Both are malefics and connected to 8th and 12 houses.
(2 and 7 are Marakasthanas; 11 is badhakasthanas; 12 is Mokshasthana; 4 is end of everything; 10 is exit from world.)

Dasa lord Venus (11-2,7) is in the star of Mars (9-1,8) and in the sub of Venus (11-2,7).

Question 1: Relocation of Original Birth Chart

A boy known to me was born in his native country on 15 Sept 1992 and left the country in April 1996 to settle in Canada with his parents. He lived in Canada till Aug 2010 and then moved to UK for higher studies. He became a physician and works there up to present. He is still unmarried and his parents wanted me to see his chart.

According to his chart and current running Venus Maha Dasa, his life saving is in the threat. Now my doubt is how will this birth Maha Dasa effect in his life since the native has been was away from the birth place for more than 20 years.

As far as I remember you may have mentioned once that if a person is living out of the mother country for more than 10 years, there will be different effects to the life of the native.
In such a case if the DBAS are changing, kindly guide me how to proceed such a matter and how to select the DBAS.

The birth chart is attached for yr kind perusal and also to check my finding of detrimental effects during currant MD Venus.

There is a popular opinion among the traditional astrology followers that when there is a bad period according to the horoscope, it may be nullified if the native leave his mother country for a sufficient time. However I don't accept such opinion, but the parents asked me the same.
Since this native was out of the mother country for a long time, I would like to study the same for my educational purpose.

Answer 1:

Shri K.P. Kuppu Ganapathi contributed the article "A Research Study on Relocation Astrology and KP" in KP Year Book 2006, page 14-19, quoting--"One should not always calculate

the ascendant for the place of birth unless the native is permanent in his birth place." (KP Reader V) - - particularly KP Reader V p. 162/ 1971 edition p. 155 - - and also mentioning the Western “Astro Carto Graph”for choosing the location of various countries in order to move for prosperity of the native.

The validity of applying the Relocated Chart in place of original birth chart for a native who has settled in a different place from the original birth place for a long time has not yet been significantly proved, except two example charts in the above mentioned research article and Sonia Gandhi's Relocated Chart. Moreover this idea of relocated chart doesn’t work for the relocated charts of Indira Gandhi and Tony Blair.

Regarding the Solar Return Chart or annual horoscope, the place where a native is originally born is always used in Eastern astrology, but the place where a native is on his current birthday is used in Western astrology. But the idea of Western astrology of traveling to a most favorable location from place of residence around the time of the next Solar Return in order produce the most beneficial attainment of a native's desires is not commonly acceptable even by Western astrologers like David Frawley, Noel Tyl as per experience.

Sonia Gandhi's Relocated Chart gives much better indication of her successful political events more than the original birth chart as shown below:
a) elected leader of Congress Party in Me/Ke/Su/Sa DBAS (14/03/98)
b) elected to parliament in Me/Ve/Mo/Ve (06/10/99)
c) unexpectedly led her party to win the general elections in 2004 - Me/Ma/Sa/Sa (18/05/04)
d) resignation in DBAS Me/Ra/Me/Ve (22/03/06)
e) if so she may be crowned in Me/Sa (01/11/09 to 11/7/12, ie in the next election in 2009.

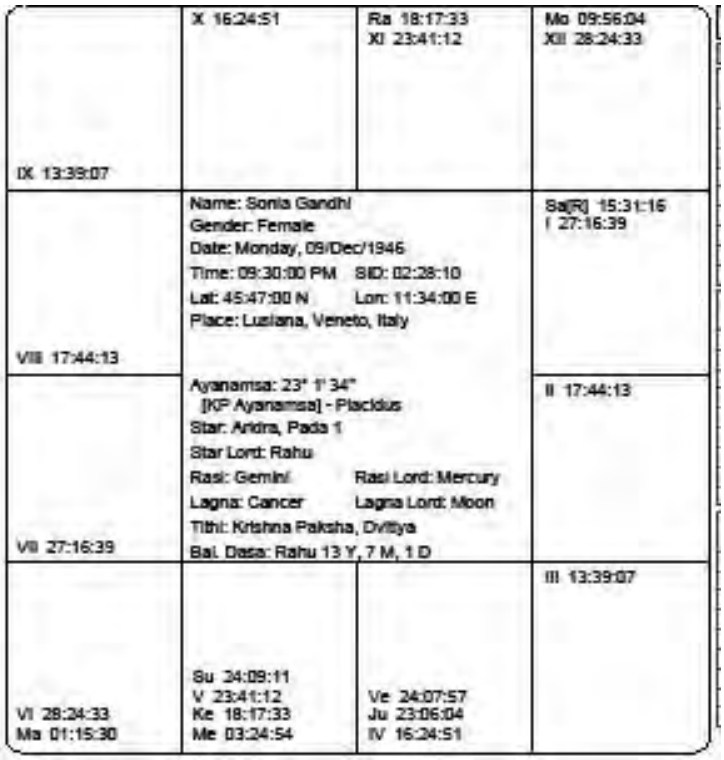
The Native’s Chart under Study
Since the native under study lived 14 years in Canada and then has settled in UK already for 6 years in UK, it is not conclusive to try the relocated chart for a new location in Canada or UK. So it is better to use the original birth chart as provided above.

Regarding current running Venus Dasa, marriage is indicated at this age by signification of houses 2,7, with a lot of negotiation 3,9 and obstacles 1,8,12 for happening of marriage. Houses 1,9 are good for life saving since 11 is Badhaka.

Venus+ is in house 12, lord of houses 1-8, the strong significator of houses 1,3,7 by being their cuspal sub lord having no planet in its stars; This Venus+ is in the star and sub Mars in house 9, lord of houses 2-7.

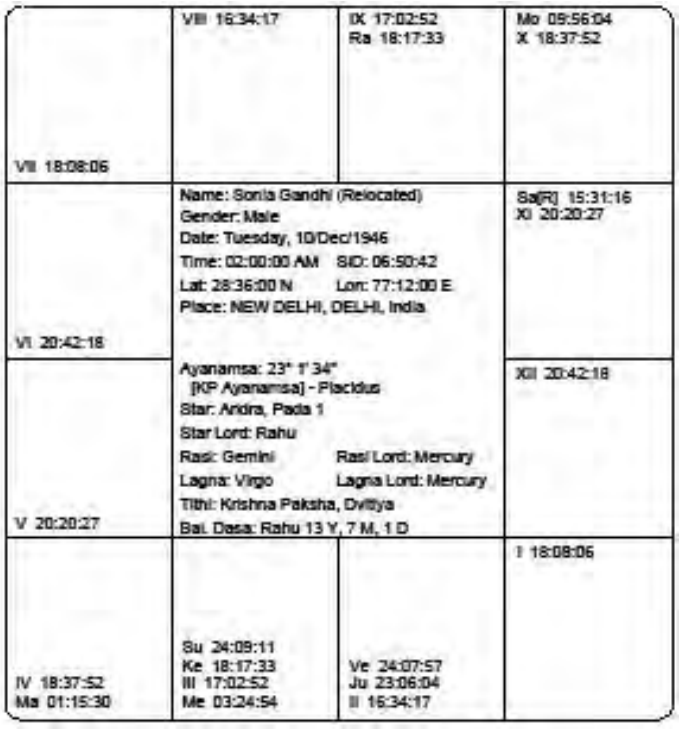
For research purpose the relocated chart for a location of settlement in Canada or UK can be tried.

For original place of birth, Smt. Sonia Gandhi, DOB Monday, 09/Dec/1946, Monday, TOB 09:30 PM, TZ 1 hr East of GMT, SID: 02:28:10, POB Lusiana, Veneto, Italy, Lat: 45 N 47, Lon: 11 E 34, 27:16:39, Asc. Cancer 27° 16' 39", using KP New Ayanamsa 23° 1' 34":



By converting the TOB to GMT, it becomes (9:30 PM minus TZ 1 hr East of GMT =) 8:30 PM GMT, 09/Dec/1946, Monday. Then by further converting the GMT TOB to the IST, it becomes (8:30 PM GMT plus hr 5:30 East of GMT =) 2:00:00 AM IST but next day of DOB 10/Dec/1946, Tuesday, or by adding (5:30 minus 1 =) 4:30 to the original TOB 9:30 PM it becomes 2:00:00 AM IST next day of DOB 10/Dec/1946, as shown below:

Smt. Sonia Gandhi (Relocated), DOB 10/Dec/1946, Tuesday, TOB 02:00:00 AM IST, hr 5:30 East of GMT, SID: 06:50:42, POB New Delhi, Delhi, India, Lat: 28 N 36, Lon: 77 E 12:00, Asc. Virgo 18° 8' 6", using KP New Ayanamsa 23° 1' 34"



Food for Further Thought

Since "One should not always calculate the ascendant for the place of birth unless the native is permanent in his birth place." is written in the “Transit” book (KP Reader V), a relo-

cated chart can be tried of for transit analysis a native who has settled in a different place for a long time.

Question 2: House for Sportsmen
Pl. guide me which houses are to be considered for Questioner become sportsmen or not?

Answer 2:
If the 5th cusp sub lord signifies house 3 (physical energy for sports, bravery), 5 (sports), 6 (gain from sports, victory over opponent), 10 (profession, success) or 11 (gain, fulfillment of desire), a native can be a successful sportsman during joint dasa period of significators of houses 3,5,6,10 or 11 .

Question 3: Autism
What are the important astrological combinations for Autism in detail way?

Answer 3:
The autism is a chronic and incurable disease, so 8th house, 10th (12th to 11) house and 12th (12th to 1) house would have to be involved. But its period of ups and downs is predictable from the horoscope of a patient.

The autism disease is controlled by the Moon by stimulating mind to hyper-stimulation, which is more than normal and has passive adverse-effect on the body. Other planets to be involved are Mercury (learning and speech), Saturn (restrictions of thinking), Ketu (excess inertia) and Uranus (unusual ways of thinking, no concern over emotion). Jupiter-Ketu combination is also found in many autism charts.

If the 6th cuspal sub lord signifies house 8, 10 or 12 and is in connection with inter-related Moon, Mercury, Saturn, Ketu or Uranus, a native may be diagnosed for autism disease during the joint dasa period of significators of houses 8,10 or 12.

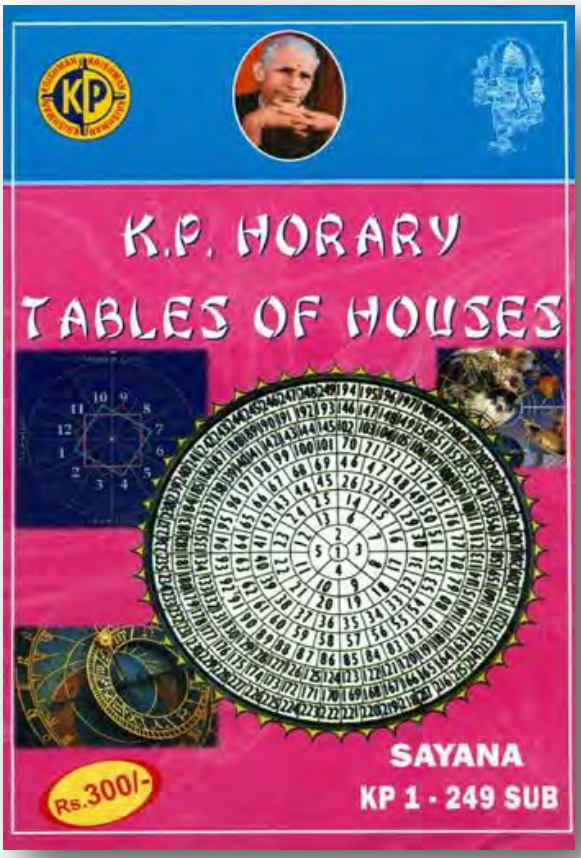
K.P. Horary Tables of Houses: Sayana

By: Tin Win

Email: tw853@yahoo.com

K.P. Horary Tables of Houses: Sayana, KP 1-249 Sub
Sayana, 0 Degree North to 60 Degree, 0-24 Hours
(Based on Krishnamurti Padhdhati)
Krishman & Company, Mylapore, 2013, 365 pages



The Tables of House Cusps (Placidus) have been prepared for all the Six House Cusps (I, II, Ill, X, Xl & XII) in SAYANA (tropical) for all the Northern latitudes from 0 degree to 60 degree at intervals of 1 degree and for all sidereal times ranging from 00—00 hours to 24-00 hours with intermediate positions at every 4 minutes of Sidereal Time. These tables have been prepared to give correctness of values to the nearest seconds by the use of appropriate Trig-onometrical formulae on a computer.

These Tables have been prepared in Sayana (tropical) degrees to facilitate easy adoption by astrologers following different systems. The longitudinal degrees for all these House Cusps are in Sayana and their Nirayana (sidereal) equivalents can be easily obtained by deducting the appropriate K.P. Ayanamsa. While practitioners of other Systems are free to deduct the ayanamsa of their choice.

K.P. followers are advice to deduct the K.P. Ayanamsa only to obtain correct and accurate results in the art of prognostication. To facilitate this, A Table of K.P Ayanamsa is included in this book. An illustration of how the longitudinal positions in respect of the six and the other remaining cusps are to be obtained is also worked out in this book.

This is to help beginners and others who are not well conversant with K.P. System, but who

otherwise want to learn this system as a hobby, if not a profession.

Question: Will Mrs. Hillary Clinton win the presidential election on 08-11-2016?
Number: 205 (out of 249)
Date of Judgment: 02-08-2016, Tuesday; Time of Judgment: 14:31:32 PM; IST
Place of Judgment: Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha: 23^0.59'.54" Dasa day: 365.25

I have predicted 94 election outcomes in advance using my rule given below, and I have been correct in 66 cases. This means my rule provides an accurate outcome of up to 70.21% at least and not just a 50-50 outcome for election predictions as some KP astrologers argue. They have a clear bias against this rule. This is the first time in the history of KP astrology that someone has provided 94 advance predictions by using the same rule.

Hint:
If 10^{th} (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) then success is assured in the DBA of the significators of 3, 10, 11,.

Cuspal Sub lord for Hillary Clinton:
10^{th} Cusp (Sagittarius 09^0.26'.13"): The sub lord of the 10^{th} cusp is Saturn. Saturn (R) is in its own star and sub of Jupiter. Saturn (R) is occupant of 9 owner of 11-12. Sub lord Jupiter is occupant of 6, owner of 1-10. Thus 10^{th} cusp sub lord Saturn (R) is the significator of 9-11-12 and connected with 9-11-12-6-1-10. Hence, winning in this election is assured.

Cuspal Sub lord for opponent:
10^{th} Cusp (Gemini 09^0.26'.13"): The sub lord of the 10^{th} cusp is Jupiter who is in the star of Sun and sub of Moon. Jupiter is occupant of 12 owner of 4-7. Star lord Sun is occupant of 11, owner of 12. Sub lord Moon is occupant and owner of 11. No planet is in the star of Moon and Moon is CSL of 1-7-8-12. Antra lord Jupiter is in the star of Sun and sub of Moon. Jupiter is occupant of 6 owner of 1-10. Star lord Sun is occupant of 5, owner of 6. Sub lord Moon is occupant and owner of 5. No planet is in the star of Moon and Moon is CSL of 1-2-6-7. Thus, Antra lord Jupiter is the significator of 5-6 and is connected with 6-1-10-5-2-7. Hence, winning in this election is assured.

Sookshma lord Venus is in the star of Ketu and in its own sub. Venus is occupant of 6 owner of 3-8. Star lord Ketu is occupant of 12. Ketu is aspected by Mars. Mars is occupant of 8, owner of 2-9. Thus, Sookshma dasa lord Venus is the significator of 12-8-2-9 and connected with 6-3-8. Hence, winning in this election is assured.

Joint dasa period for opponent:

On the day of election, (08 November 2016) the running joint dasa period is Saturn-Sun-Jupiter-Venus.

Dasa lord Saturn (R) is in its own star and sub of Jupiter. Saturn (R) is occupant of 3 owner of 6-5. Sub lord Jupiter is occupant of 12, owner of 4-7. Thus, Dasa lord Saturn (R) is the significator of 3-5-6 and is connected with 3-5-6-12-4-7. Hence, winning in this election is assured.

Bhukti lord Sun is in the star of Saturn(R) and sub of Jupiter. Sun is occupant of 11, owner of 12. Star lord Saturn (R) is occupant of 3 owner of 5-6. Sub lord Jupiter is occupant of 12, owner of 4-7. Thus, bhukti lord Sun is the significator of 3-5-6 and connected with 11-12-4-7. Hence, winning in this election is assured.

Antra lord Jupiter is in the star of Sun and sub of Moon. Jupiter is occupant of 12 owner of 4-7. Star lord Sun is occupant of 11, owner of 12. Sub lord Moon is occupant and owner of 11. No planet is in the star of Moon and Moon is CSL of 1-7-8-12. Thus Antra lord Jupiter is the significator of 11-12 and is connected with 12-4-7-11-1-8. Hence, winning in this election is assured.

Sookshma lord Venus is in the star of Ketu and in its own sub. Venus is occupant of 12 owner of 2-9. Star lord Ketu is occupant of 6. Ketu is aspected by Mars. Mars is occupant of 2, owner of 3-8. Thus, Sookshma dasa lord Venus is the significator of 6-2-8-3 and is connected with 12-2-9. Hence, winning in this election is assured.

My opinion: 10th cusp sub lord for Hillary Clinton indicates 10-11 and for the opponent it indicates only 11. Dasa lord for Hillary Clinton indicates 10 and 11 and for the opponent only 3. Thus, I think Hillary Clinton will win this election.

Kethu and Abortion

Some time ago a lady came to me with the horoscope of her daughter who had had eight miscarriages, wishing to see whether there was any fertility in the future. According to her, six miscarriages out of eight occurred after more than 90 days of pregnancy, and the rest occurred before completion of 90 days of pregnancy. Since the incident is merits a most important discussion for KP enthusiasts and beginners, a deep analysis has been undertaken for the benefit of KPEZine readers.
Before commencing the analysis of the natal chart, I wish to give some hints relating to progeny as well as sterility.

KP rules for Progeny
(a) "Whether, one is promised children or not is to be judged from the 5th cusp. One will be able to produce children, if the following three conditions are simultaneously satisfied:"

1) The sub-lord of the 5th cusp is not retrograde.
2) It is not posited in the constellation of a retrograde planet.
3) It is a significator of either 2nd, or 5th or 11th cusp.

If any one of these conditions is not satisfied, one will not be able to produce a child at all. - *KP Reader 6, Page 192*
Note: Retrogression is applied to horary analysis only.

(b) 1. 2nd house denotes increase in the number of the members of family as a result of the birth of a child.
2. 5th house is considered for child birth. It indicates the first conception or pregnancy, progeny or child.
3. 8th house signifies sexual urge. 10th house indicates achievement of any undertakings.
4. Being 10th from 8th the 5th house indicates the result of sex. Thus 5th house stands for child or child birth.
5. 11th house indicates fulfillment of desire.
6. 11th is 5th from 7th. The 5th for female and 11th for male is important.
Thus, in a female chart 5th cuspal sublord is the guide, and in a male chart 11th cuspal sublord is the guide for child birth.

(c) Consider the houses 2, 5 and 11 for child birth. Cancer, Scorpio and Pieces are fruitful signs and important for assessment of child birth matters. Jupiter is the natural significator (Karaka) of child birth.

KP Rule for Sterility

- If the sub lord of the 5th cusp (in females) or 11th cusp (in Males), be the significator (in the star of the occupant or owner) of 1, 4 or 10 (being 12th from 2, 5 & 11 respective;y) or connected with 1, 4 or 10 and also connected with barren signs (Aries, Gemini, Leo, Virgo or Capricorn); Saturn (Delaying), Rahu (Restricting), and Kethu (Abortive), child birth is not promised.

Jupiter is the natural significator of child birth. In females, Moon is fertility and Mars is menstruation. In males, Venus is fertility and Sun is vitality. All these along with both the 5th and 11th may be examined.

KP Rules for Abortion
A common planetary pattern has not yet been found in KP. But interference of Mars and Kethu with relevant planets and cusps is a well-known factor in KP. However, that, too, has not yet been found to be working satisfactorily in all such cases.

Below are some rules in Medical Astrology.
Mars and Uranus for Abortion – *The Rulership Book by Rex E. Bills*

1. Scorpio sign rules the womb and afflictions in this sign, and especially by malefics Uranus and Mars in Scorpio at birth.
2. The affliction of Saturn in Scorpio also tends to abortion and to hinder and retard the growth of the foetus.
3 .Moon in the 4th or 7th house at birth and afflicted by Mars.
4. Saturn's influence tends to abortive births and especially when in Scorpio at birth or afflicting the Scorpio sign by aspecting or planets in Scorpio.
5. Mars in an angle at birth, occidental of the Sun and oriental of the Moon.

Encyclopedia of Medical Astrology by Dr. H.L.Cornell (M.D., LL.D.)

1. Kethu in Cancer Sign – Paranoia of pregnancy, Miscarriage, Weak Uterine Walls
2. Kethu in Scorpio – Miscarriage
3. Kethu conjunct Moon – Infertility
4. Rahu in Scorpio – Tendency to miscarry

Points to ponder:-
Abortive Planets: Rahu, Kethu, Mars, Saturn
Barren Signs: Aries, Leo, Virgo, Capricorn

Now let's discuss the natal chart.

Birth detail :
Name: Miscarriages, Gender: Female, Date: Saturday, 11/Nov/1978, Time: 01:24:31 am, SID: 04:32:59, Place: Horagasmulla Govt. Hospital, Western, Sri Lanka, Lat: 07:13:00 N Lon: 80:00:00 E, Ayanamsa: 23° 28' 18", Lagna: Leo, Star: Uttara Bhadra, Pada 1, Bal. Dasa: Saturn 16 Y, 03 M, 18 D, (SW used KPAstro 4.1)

The 5th cuspal sub lord Venus is the lord of 3 & 10 in the star of Rahu, another malefic planet for progeny that is in the 1st cusp, a negative place for adding a new member to the family, ie 12th to 2. Also Rahu is posited in Virgo, a barren sign. Rahu is aspected by Moon, the lord of 12 (loss) in 7 (Marakasthana) and also in association with Kethu, a habitual abortive planet. Venus(R) is in the sub of Mars, another malefic for progeny. It is the lord of 9 (Badhakasthana) and 4, negative house for progeny ie; 12th to 5th. Mars is in the star of Saturn and in its own sub. Saturn, another foetus destroyer, is the lord of 6 (Diseases), 7 (maraka), and tenants in the Lagna. Cusp wise, 1 is a negative place for progeny and sign wise it is the Barren Leo. Further, Venus is not a significator of either 2 or 5 or 11 houses, but it is a significator of 1, 4, 10 indicating the dissatisfaction as in rule *(a)*3. Also these significations have proved the Sterility Rules as above and therefore the native is not promised children.

Significators of 2, 5 & 11
Mercury+, Jupiter, Kethu and Sun are the significators for child birth in this chart. Mercury+ is a "D" grade significator being the Lord of 2 & 11 and it is deposited in the 4th

(Negative for progeny) cusp. It is in the star of Saturn (3-1-3,10-6,7) and in the Sub of Jupiter (1- 12- 6, 7 – 5, 8). Therefore Mercury+ is not a fruitful significator.

The Sun is in the sub of Mercury+ (2,11) and it is in the star of Jupiter the lord of 5, 8 in 12. Here 2,11 & 5 are "D" grade significations only and this ownership and significations are not so fruitful as per my personal practical experience. On the other hand Sun being the lord of barren sign is connected with Uranus a destroying planet. As mentioned above Jupiter, the lord of 5, is severely connected with house 12 (loss) and Saturn (3-1-3,10-6,7). Kethu, although present as a representative for Jupiter for 5th, it has been connected with 12th twice by way of Jupiter and Moon and is also a deposied in the 7th, Marakasthna and marked as an abortive planet.

Accordingly all the significators are giving adverse effects in child birth.

Abortions
The native has experienced eight abortions and six of them occurred after more than 90 days of pregnancy. How do we consider such issues?

"So when there has been an abortion or miscarriage after 3 months from conception, the fetus is counted as one issue of child because during that time the sex of child is already clear physically, and baby moves from being an embryo to the fetal period, now called a fetus whose heart beat can be heard with a fetal Doppler. - "KP-Ezine Oct 2013 issue, Q & A by Sri Tin Win ji

Hence we have to count all the six miscarriages as child births. Now let's see the details of abortion in the table below.

Above, three issues have happened during the main period of Mercury. It is the ruler of Virgo, a barren sign. Although Mercury is the owner of 2 and 11, it is not capable of giving children due to the significations of its star lord, sub lord and connected planets. Also, the transitions of DBAS of the above three issues are not connected with fruitful signs or significators. The karaka planet for abortion, Kethu has appeared with almost all the DBAS & CSLs concerned.

Abortion 4 : 4th Child – on 2012.05.26 CSL 11 :Kethu
Abortion 5 : 5th Child – on 2013.02.04 CSL 1 :Venus(R)
Abortion 6 : 6th Child – on 2014.11.27 CSL 3 : Venus(R)

Above three miscarriages have happened during the Maha Dasa of Kethu. Here Kethu is in the star of Jupiter (also known as Puthrakaraka), the lord of 5 and 8 and deposited in the

12th cusp. Hence Kethu is a significator for 5th house of progeny in general and the first child of the native. It is in the sub of Moon, the lord of 12 tenanted in the 7th cusp at a close orbit to the 8th cusp. Moon is in the star and sub of Saturn the lord of 6, 7 and in 1. Hence Moon is not a fruitful significator for the matter under discussion in line with KP fundamentals. Hence deposition of Kethu in the star of Jupiter, the lord of 5th, and also in the house of Jupiter, cannot be considered as beneficial significations.

Let's see what KP says about the Sub.

A. *Hence planet is the source, constellation indicates nature of the result and the SUB is a deciding factor whether the matter is favourable or not."* (Krishnamurti Padhdhati, Vol. 2, 1966, Sagar Publications, page 41; KP Reader III, page 136/ Original 1971 Edition, Theory Part page 129; KP Reader V page 126/ Original 1971 Edition page 129; KP Reader VI page 91)
B. *"The planets deposited in a particular constellation can indicate only the nature of the event i.e. which house matter the planets indicate due to the lord of constellation by its occupation. It does not mean that a planet deposited in a constellation should necessarily be favourable and contribute for the benefit of the matters signified by a bhava occupied by the lord of constellation. For example, Guru and Sani were in the same constellation. Guru is in the "beneficial sub", whereas Sani is in an "adverse sub". So during Guru period one enjoys the results of the bhava occupied by the lord of constellation whereas during the period of Sani he faces just diametrically opposite results in the same matter. If in the Guru sub period, a child is born, during Sani the same child dies. It means Guru and Sani are in one constellation and the lord of constellation is in 5. Guru was in a favourable sub and Sani was in an unfavourable one."* - (Krishnamurti Padhdhati in Guruji's self written biography dated June 30, 1969 in R. Eshwara Manu's "Astrological Tables for All")

In order to know what each planet can contribute always consider its sub lord.
-KP Reader III page 362 (Original Edition, Practical Part page 194)

Accordingly, in connection with the above three abortions, it is not necessary to go for more detailed tables as all these miscarriages have happened during the Maha Dasa of Kethu+, that is a habitual destroyer of foetus as well as a first rate malefic and anti-materialistic planet.

If the native conceived once again what will happen?
The native is under Kethu+ Maha Dasa from 2012.03.01 to 2019.03.01 and she has lost two more conceptions during the year 2015 and 2016 as per the information available. If she conceives again within this period of Kethu+, the same thing will happen as in the case of previous issues.

Why?
No Bhukti can offer a result if Dasa lord does not permit. If the Dasa lord is not a significator of the result which Bhukti lord is to give, Dasa lord, the final authority will not give the ultimate result. Planets from a cabinet. The Prime minister is the Dasanadha. The Bhuktinadhas are Cabinet Ministers. The Antharanadhas are Deputy Ministers. --KP Reader IV page 195

Why Donald Trump Will Loose the US Presidential Election 2016?

By: Tin Win

Email: tw853@yahoo.com

This is revisit of Donald Trump's horoscope after giving prediction of Hillary Clinton's win in both the presidential candidate nomination and presidential election in the KP-Ezine of December 2015 issue (Hillary Clinton for US President) and June 2016 issue (Hillary Clinton vs Donald Trump for US President), and Donald Trump's win in the presidential candidate nomination but not in the presidential election in the KP-Ezine of January 2016 issue (Donald Trump for US President) and the same June 2016 issue.

Donald Trump was born on June 14, 1946 at 10:54 am, hr 5 west, in Jamaica, New York, USA, 40n41, 73w48, with 6 Leo 57 rising Ascendant as per KP ayanamsa 23:01:10 .

The political furor in Donald Trump's climbing up and increased popularity by representing the patriotic values and a radical sea change of ideas on all fronts, can be seen by the following planetary patterns and timing in his birth chart:

a. the conjunction of the Ascendant lord Sun, Uranus (unpredictable and revolutionary events) and powerful Rahu in the 10th house (power, carrier, achievement and fame), and opposite the Moon in sensitive Scorpio, encouraging radical behavior;
b. the birth on the day of Full Moon (Poornima) with Sun and Moon along the Rahu-Ketu axis that makes him sometimes behaving like a lunatic (Maansagari and Sarawali);
c. the Moon trine Mars in Leo right on top of his Leo ascendant;
d. the odd conjunction of 10th lord Venus (gentleness) and 6,7th lord Saturn (power) in 11th house (gain, fulfillment of desire), in the Moon sign Cancer, which is also another indication of his highly emotional nature;
e. the location of 4th (homeland, business and property affairs) lord Mars (warrior, aggression and malice) placed right on top of his Ascendant and aspecting Moon in the 4th house;
f. the 3rd (ability) and 11th (gain) lord Mercury square Neptune in 2nd (wealth) house which is in line with multiplying wealth with a very high self-esteem.
g. the running auspicious Rahu Dasa- Mars Bhukti till October 7, 2016; and
h. the Dasa-Bhukti lords' transit in the favorable star of Venus (11,10) and Saturn (11,6,7,8) respectively.
i.

Astrology is not a stasis proposition but also reflects the timing of our live events. There are good times, there are bad times.

Unfortunately for Trump this currently running auspicious Rahu mahadasa is coming to an end on Oct 7th this year, one month before the presidential election date on November 8th 2016. Trump will be entering 8th (troubles) and Badhaka 9th house lord Jupiter mahadasa starting October 8th. Jupiter is not a good planet in Trump' s birth chart to become US president. Until the election day on November 8th, Trump will be in Jupiter Dasa, Jupiter Bhukti, and Jupiter Antara.

Jupiter as dasa period lord at all three levels of DBA will bring more harm than good. In Trump's birth chart Jupiter is the losing 5th (12th to 6) and 9th (12th to power 10 as well as 3 for opponent) lord. This Jupiter is in the star of Mars in losing 12th house, lord of another losing 4th house (success 10th for opponent 7), and in the sub of Rahu (6,10,11, 4,5,9,12)..

Also Trump has some difficult transits, in the month of August and up to September 15th

the Ascendant lord Sun will be transiting through Leo sign with Rahu and badly aspected by transit Saturn, not good at all. Saturn will transit his natal Moon in Scorpio sign and aspect natal Sun in Taurus sign and Jupiter in Virgo that is never a good transit.

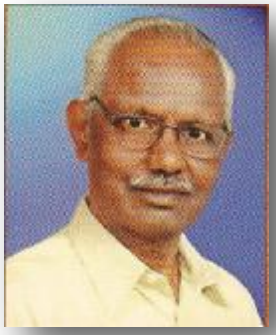
Now to the transits to Donald Trump's birth chart on the election day, November 8th 2016:

Three dasa levels DBA lord Jupiter (5,9) will be transiting towards Donald Trump's birth chart Jupiter in opposition to Uranus-Sun in 10th , in the star of Moon (4,12), transit Sun in the star of Jupiter (5,9)) and transit Moon in the star of Mars (12,4) are not favorable to win the presidential election. Transit Jupiter and natal Jupiter will form an exact conjunction in the beginning of December 2016. That conjunction comes only every twelve years, so it is a moment of significant luck and success. He is surely back at what he does best, which is his own business.

The down turn influence of the royal star Regulus (5 Leo 42)- Mars located on the Ascendant and the Uranus (24 Taurus 52) in 10th house in opposition to the 12th lord Moon on the Trump's profound changes of ups and downs including bankruptcies would be activated by transit Mars (4,12) opposing natal Regulus-Mars, (Vivian E. Robson: The Fixed Stars and Constellations in Astrology, 2005, pages 195)

Trump's possible trouble indicated by his natal Mars located in the 12th house (loss, sacrifice) in the sign Leo would be also surfaced.
Although Jupiter is situated for a time of building further assets and monetary success, this Jupiter is not a strong significator of 10th (power) house as the 10th cuspal sub lord to make Donald Trump US president, the most powerful political figure in the world during this time.

In my opinion, Donald Trump is going to lose the US presidential election 2016.



Daughter's marriage - when? Through natal chart in K.P. System.

On 23 MARCH 2015, one of my friends came to me and told me that he was finding it very difficult to solve the problem of his daughter's marriage due to various issues created by her like love affair, inter caste, delay in consultations etc., and sought my astrological help by furnishing the birth details of his daughter.

The birth details furnished are—
DOB- 22/12/1988 / TOB- 2- 26-5 A.M / POB- Secundrabad -Telanagana State.
The chart was erected on the same day (23-3-2015) which is attached here with.
Before proceeding with the marriage and its related issues let me furnish below what the K.P. rules say:

K.P. Rules on marriage and its related matters--
Rule no.1- Marriage: if the 7th cusp sub lord signifies 2 or 7 or 11, marriage is promised during the conjoined period of the significators of 2, 7 and 11 houses and when the transits also are in harmony. (Page No.124 of K.P Reader no.4)

Rule no.2- Love marriage: If the sub lord of the 5th cusp is deposited in the constellation of a planet who is the significator of houses 7 and 11, then materialization of love affair is promised. If it signifies 6 or 12, it will never materialize. If it signifies the 6th the other party falls out and if it signifies the 12th then the native himself/herself will drop the idea. (Page 191- K.P.READER NO. 6)

Rule no.3- Inter caste / Community marriage: If the 7th / 5th cusp sub lord is tenanted in the constellation of a planet /*sub of Rahu or Kethu or Saturn* who signifies 7 or 2 or 11 or 9 (inter religion), then it may end up in inter caste / community / unconventional marriage. (K.P. Ezine-July 2007 –page no.12 to 13 by Sri Tin Win).

As per the *"Principles of cuspal interlinks " by K. Bhaskaran*-(page no.138-point no 81), "supposing that the sub lord of the 7th cusp is a resident of any of the following stars- Krithika, Mrigasira, Arudra, Punarvasu, Uthara, Chithra, Swathi, Vishaka, Utharashada, Sathabhisham, Poorvabhadra, then the partner may belong to different caste and community or to a different sect of the same caste or community.

Analysis of the Chart---
Seventh cusp sub lord is Jupiter+. Jupiter+ is the lord of 3 and 6 placed in 8th cusp. No planet is in the star of Jupiter and Jupiter is the CSL of 5-7-11. It is in the star of Sun who is the lord of 11 in 2nd house. It is within one degree orb to 3rd cusp also. Jupiter is in sub of Saturn who is the lord of 4 and 5 placed in 3rd house.
Thus 7th cusp sub lord Jupiter+ strongly signifies 2, 5, 7 and 11 *promising the marriage.*
2. *Love affair and love marriage*--- 7TH cusp sub lord Jupiter+ signifies 5 and 11 as co ruler indicating fruitful love marriage. 5th cusp sub lord also co rules the 7th cusp as sub lord promising the love affair and marriage also.
3. *Unconventional marriage and inter caste marriage*—7th cusp sub lord Jupiter is in the star of Sun and sub of Saturn, which indicates unconventional and inter caste marriage.

+ These planets do not have any planets in their stars.

Saturn aspects 5th cusp by its 3rd aspect with a close orb will surely cause delay and some problems in settlement of marriage. It will also cause some delay in giving progeny.
7th cusp sub lord Jupiter+ also signifying 3rd cusp and 11 indicates clearly that the native will marry her lover who will be from friends circle and resides in a very close place.

Dasa Analysis--- Marriage will take place during the conjoined period of the significators of the houses - 2, 5, 7 and 11.
As per the chart the significators are:
2nd house=KETHU-MERC- VEN-MARS.
5TH HOUSE=RAHU-VENUS-SATURN.
7TH HOUSE=MARS
11TH HOUSE=SUN- SAT- KETHU- JUP.
Common Planets are--KETHU-VEN-MARS-RAHU-SAT-MERC-JUP-SUN.

- Kethu is in Venus sub signifies 2.
- Venus is in Moon sub signifies 8 AND 10.
- Mars is in Sun sub signifies 2&11.
- Rahu is in Kethu sub signifies 2 &11.
- Saturn is in Saturn sub signifies 3, 4 & 5.
- Mercury is in Mars sub signifies 2 & 7.
- Jupiter is in Saturn sub signifies 4 & 5.
- Sun is in Rahu sub signifies 4 & 5.

So, as per the above information, KETHU, MARS, RAHU, MERC AND SATURN are favourable and others are secondary in preference.
The dasa lord RAHU is up to Sep 2016. Rahu signifies 5 at star level and 2 and 11 at its sub level.
Under RAHU dasa the bhukthis available are –MOON up to 26-08-2015. Moon is not a significator.
Next bhukthi is MARS from 28-08-2015 to 12-09-2016. MARS is a fruitful significator and signifies 2 & 11 at star level and 2 & 7 at its sub level.
Under Mars bhukthi –the available antara lords are – Mars and Rahu which are already taken as bhukthi and antara lord.
Next antara lord is Jupiter and is from 14/11/2015 and 4/1/2016. Sun transit does not agree.

Next comes Saturn antara from 4-1-2016 to 5-3-2016. Saturn signifies 3 & 11 at star level and 3 and 5 at its sub level. Sun transits in Saturn sign (Saturn is A/L) Rahu star (Rahu is D/L) from 19 FEB TO 4 MARCH. Saturn which causes delay and problems will be the only one to give the marriage.

So I informed my friend that the marriage is expected to take place during the conjoined period of Rahu-Mars-Saturn from19-2-2016 to 4-3-2016.

Facts of the case --- My friend has informed me that he has performed the marriage of his daughter on 28 Feb 2016 and it was an inter caste marriage as predicted. The under signed also attended the marriage reception on 4 March 2016.
When my friend expressed his happiness at the final outcome and thanked me, I told him he should owe his thanks to Sri K. S. K. who has invented such a wonderful theory of astrology known as K.P. Sub lord theory. I express my highest regards to such an astrology wizard who has created wonders in the astrology. My heat felt thanks to Sri Kanak ji for accepting my article for publication.

Rumor/Message True or False
UN Secretary General as a female

Note: I have read on one of the gambling websites of UK about the UN Secretary General's election. The nomination of males and females are half-half, (I don't like to support this kind of gambling activity, thus I have not given the name of the website). As per gamblers' choice, a female should be elected as the next UN Secretary General in the coming elections. My interest is to check whether it is true that this time a female candidate would be elected.

Number. 14 (out of 249).
Question: whether it is true that this time a female candidate would be elected?

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happens to be a planet connected with Saturn in any manner the report is false; but if it is connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3^{rd}. (Aquarius $06^0.17'.23"$): The sub lord of the 3rd cusp is Saturn. Saturn is in its own star and the sub of Jupiter. Here 3^{rd} cusp sub lord is connected with Saturn, hence the rumor/message is false.

My opinion: Yes, this rumor is false.

Bhabi Ji Ghar Par Hai: Superb! Shilpa Shinde to return as Angoori Bhabhi?
Indian TV fans are talking about the return of their favorite actress Shilpa Shinde on &TV's superhit show Bhabi Ji Ghar Par Hai. But is she really coming back?

Indian television fans are talking about the return of their favourite actress Shilpa Shinde on &TV's super hit show *Bhabi Ji Ghar Par Hai*. The actress was much loved as the gullible Angoori Bhabhi on the show, but exited in a rather unpleasant manner after a fallout with the makers. Shilpa Shinde was replaced by Shubhangi Atre, another talented actress who did impress us on *Bhabi Ji Ghar Par Hai*. Although Shubhangi got the tone right and even her look, Shilpa's charm is being missed by some die-hard fans.

So, everyone was happy with the rumors of Shilpa's return as Angoori Bhabhi. But it seems, Shilpa will be playing just a *bhabhi* (sister-in-law), and not Angoori. The actress has signed a web series in which she will be a new Bhabhi. (ALSO READ: Episode Review of Bhabi Ji Ghar Par Hai: Shubhangi Atre impresses as the new Angoori Bhabhi, but Shilpa Shinde is being missed!)

Some reports in the media suggest that Shilpa will be doing a web show for *Happii – Fi*, which is the digital initiative of SABGROUP. This will also be a comedy show and Shilpa as the new Bhabhi will be the main protagonist. Web series is a new format but has been explored in India by biggies like Yash Raj Films, TVF Play and many others, with some success.

Let's see how Shilpa's new Bhabhi is appreciated by webizens and whether her TV fans switch to online for! Shilpa was actually in a soup when the producers of *Bhabi Ji Ghar Par Hai* had allegedly sought a ban on her through the Cine and TV Artists' Association (CINTAA). The actress had taken the help of Raj Thackeray's political organisation

Question – Is rumor about Bhabi Ji Ghar Par Hai: Shilpa Shinde to return as Angoori Bhabhi true?
Number. 179 (out of 249).

Hints
If the 3rd cuspal sub lord (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happens to be a planet connected with Saturn in any manner the report is false; but if connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3rd. (Aquarius $27^0.31'.02"$): The sub lord of the 3rd cusp is Venus. Venus is in the star of Ketu and sub of Mercury. Here 3rd cusp sub lord is connected with Venus, and the star lord Ketu is aspected by Mars. If it is Mars, then it is mischievous. It is not connected with Jupiter, hence the message is false.

My opinion: Yes, this message is false.

Date of birth- Not known. / Month—not known. / Year of birth-1955 /
Place of birth-- REPALLE-GUNTUR DIST A.P.

NOTE- The native states and confirms that he is born in Chitra star -4th pada and thereby gives an important clue " that he is born in Libra moon sign" and also during Dussera festival period.

As per the Hindu almanac---normally Navaratri begins on 16th day of October only. As such I thought , as per the native's statement, if he is born in Chitra star, he ought to have been born either at the ending position of Kanya rasi or the beginning of Tula rasi, because the first two padas fall in Kanya (Virgo) sign and the last two padas fall in Tula (Libra sign). Since the native also gave a clue stating that he was born in Chitra star in 4th pada only, the Moon Rasi should be Tula only.
Chitra star enters in Libra sign at 00-00-00 longitude on –
As per K.P Ephemeris Moon enters in Libra sign on 16 October 1955 at 05-30 at 180-00-51 degrees longitude, that is in Chitra star pada-3. Third pada of Chitra star extends from 180-00-00 to 183-20-00-- and the moon comes to 183-20-00 degrees on 16 -10-1955 at 9 hours -49 minutes-17seconds.
From here that is from 09-49-17 am hours the 4th pada of Chitra star starts and ends with 186-40-00 degrees at 16-25-51 hours.
So the transition time of Moon on 16-10-1955 on Chitra -4th pada starts from 09-49-17 hours A.M and ends @ 16-25-51 hours.

So, as per the above, MOON will be in Chitra star in Libra sign on---
At- 09-49-17 A.M hours in --VENUS SGL- MARS STL- VENUS SBL- MOON SUB SUB.
And ends at 16-25-51 hours with- VENUS SGL- MARS STL- MOON SUB – SUN SUB SUB.

Based on the above information, the date arrived at is 16-10-1955- and is fixed for finding MOON's exact position as per Kanak ji's method of CBT Rules.

Who's the New CM of Gujarat? Vijay Rupani or Nitin Patel?
TINA is an important term in politics. Many leaders continue to occupy positions simply because 'There Is No Alternative'. But in Gujarat, that's clearly not the case. As Anandiben Patel steps down, there are at least three strong contenders, who are in the race to succeed her. In her Facebook post, the outgoing Chief Minister has written that she wants to create space for a "young" leader. BJP national president Amit Shah has said that the final decision will be made by the party's Parliamentary Board meeting. Let's look at the profile of the top three (politically) young contenders for the Chief Minister's post.

Vijay Rupani

This 60-year-old state BJP chief is the top contender for the CM's post. His conciliatory approach got him the state presidency and administrative skills got him several key portfolios in the Anandiben cabinet. Given the volatile situation in the state, amid agitations by Patidars and Dalits, these skills may help him get the top job as well. The party leadership feels that the new leader should be able to reach out to the protesting communities and an amiable Rupani can do that. To maintain law and order, his administrative skills will be helpful.
Rupani, who is a law graduate, enjoys support of Prime Minister Narendra Modi and is a known confidant of BJP president Amit Shah. And he's an RSS loyalist too. He belongs to the Jain community and hails from Rajkot, the heartland of Saurashtra. While OBCs and Dalits are up in arms, making a Chief Minister from a non-OBC community can help in avoiding a tricky situation.
While Anandiben was about to announce her resignation, a media savvy Rupani tweeted this, in a way hinting at his ambition as a pan-Gujarat leader:

Today, August 2, happens to be Rupani's birthday. Will Amit Shah gift him the CM's post?

Nitin Patel

60-year-old Nitin bhai is not only a seasoned politician but also a successful businessman. These are the two things Gujarat needs right now. A leader who can navigate the state through this political crisis and put it firmly back on the business track.
After Narendra Modi left Gujarat for Delhi in 2014, Nitin Patel had openly expressed his willingness to be the Chief Minister of the state. Although he was denied that chance, he went on to become second-in-command to Anandiben Patel.
He belongs to the powerful and upset Patidar community, but he's not been very popular among protesting youngsters of his own clan, which can work against him.

Question: Who will become the New CM of Gujarat? Vijay Rupani or Nitin Patel?

Who will become the Chief Minister?
If 10th (One's position in politics) cusp sub lord signifies 10 (One's Reputation), 3 (One's ability), 11 (One's reputation as a Winner) in the DBA of 3, 10, 11, one can win election.

For the New CM of Gujarat: Vijay Rupani
My Analysis:
In this chart 10th CSL is Venus (4,2-7), in the star of Ketu (11). Ketu is agent of Ma+ (7, 1-8). Venus is in the own sub of Venus(4,2-7).
Venus signifies the 11th house. So, in my opinion, there is chance for Vijay Rupani to become the new CM of Gujarat.

For Opponent:
For the New CM of Gujarat: Nitin Patel
10th CSL is Venus (10,1-8) is in the star of Ketu (5). Ketu is agent of Ma+ (1, 2-7). Venus is in the own sub of Venus (10,1-8).
Opponent's 10th CSL Venus signifies 10. Therefore, there is a chance for Nitin Patel to become the new CM of Gujarat. Because the 10th CSL does not clearly indicate the result, we need to check the DBAS.

For the New CM of Gujarat: Vijay Rupani
Period lords are Sa-Ma-Mo up to 12/8/2016.

Sa (7, 10-11) is in the star of Sa (7, 10-11), and in the sub of Ju (5, 9-12).

10,11 = OK and Saturn is in RP also.

Ma+ (7, 1-8) is in the star of Sa (7, 10-11), and in the sub of Me (5, 3-6).
10,11,3 = OK and Mars is in RP also.
Mo+ (4, 4) is in the star of Sa (7, 10-11), and in the sub of Ma+ (7, 1-8).
10,11 = OK and Moon in RP also,

For the New CM of Gujarat: Nitin Patel
Period lords are Sa-Ma-Mo.

Sa (1, 4-5) is in the star of Sa (1, 4-5), and in the sub of Ju (11, 3-6).
11,3 = OK and Saturn is in RP also.
Ma+ (1, 2-7) is in the star of Sa (1, 4-5), and in the sub of Me (11, 9-12).
11 = OK and Mars is in RP also.
Mo+ (10, 10) is in the star of Sa (1, 4-5), and in the sub of Ma+ (1, 2-7).
10 = OK and Moon is in RP also.

In checking the DBA lords, they clearly indicate in favour of Vijay Rupani for the New CM of Gujarat.

Birth details of a male-DOB-29/July/1982./ TOB-12-05-42 P.M/ POB-Hyderabad-Telangana. (chart is attached)

K.P rule for marriage--1. If the 7th cusp sub lord signifies 2 or 7 or11, marriage is promised during the conjoined period of the significators of 2, 7 & 11 houses.
As per the chart, the native's 7th cusp sub lord is Jupiter. Jupiter signifies 1,3,6 and is in the star and sub of Rahu signifying 1,3,6,8,9,10,12.
From the above it is clear that the 7th cusp sub lord Jupiter does not signify any one of the three relevant (2 or 7 or 11) houses for marriage, and so it is construed that there is no possibility of marriage for this native.
Somehow, I could not venture to inform the same to his parents and kept silent on the issue. Suddenly, when I received an invitation for his marriage, I was surprised and checked the grade E level significator by conjunction and aspect of grade A to D significator.
It is found that the 7th CSL Jupiter is closely conjoined with Mars, lord of houses 2,7, which is the grade C and D significator. Thus the 7th CSL signifies 2,7, and marriage is promised. So when the grade A to D significators do not I signify the required houses, it is essential to check the grade E significators as the last resort.
In addition, with all curiosity, I thought of re-examining his chart for marriage prospects through the rules of Sri K. Subramaniam (which are furnished below). Prof. Vaikari Ramamurthy in his article" sub sub lord also speaks" (K. P year book 2003) stressed the importance of the role played by the sub sub lord in divulging secrets of the events. Hence post analysis is as given under.

Idea of Sub Sub Lord
Sri K. M. Subramaniam in his book "ASTRO SECRETS PART VIII" (SEE PAGES 50-57) states (quote)"of late, the sub sub lord is being probed and thought of, in addition to the sign, star, sub, and now it is understood that the sub sub lord is also playing an important role in giving the result of the cusp." He made a categorical statement (quote) "when sub lord fails , sub sub lord comes to our rescue". He further states that the sub sub lord indicates and stressed its role in deciding and discharging the results of a particular cusp, in an example given in his article on Marriage on page no.53.

He has formulated the following modified rules on the matter of "Marriage"—
1. If the 7th cusp sub lord is in the constellation of the significators 2, 3,5,7,9 and 11th houses the marriage will take place. Though the sub lord shows the above indication, if the sub sub lord of the same 7th cusp signifies 1.6,4,10 and 12 houses the marriage will take place but not in a proper time or will occur in an unsatisfactory manner.
Sub sub of a cusp plays a vital role in giving the result of the Cusp or refusing the result of the Cusp.
2- A. if the 7th sub is in the constellation of a planet signifying 2,3,5,7,9 and 11 houses the marriage will take place and if the sub sub lord of the 7th Cusp also signifies 2 or 7 or 5 or 3 or 11 the marriage will be celebrated pleasantly and married life will also be harmonious.
B. if both 7th sub lord and sub sub lord signify the house 6,4,10 and 12 houses without connection to 2, 7,11th house the marriage will not take place in one's life.

+ These planets do not have any planets in their stars.

C. though the 7th sub signifies 2,7,5,3 and 11 and the sub sub signifies 1, 6, 10, 12 the marriage will take place. But it will take long time or the married life will not be harmonious. They seem to be a couple but the union between them will not be amicable.
D. though the 7th sub lord signifies 1,6,10,12 houses, if the 7th cusp sub sub lord signifies 2,3,5,9,11 houses, the marriage will take place.

In light of the above rules on marriage, I would like to analyze the chart of a male (referred above) here under—
I have seen that as per the original K.P Rule as formulated by Sri K.S.K the marriage for this native has not been promised.
So I thought I would apply the above new rules on marriage formulated by sri K Subramaniam, and see how far it would work for me to arrive at the marriage prospects of the native by taking the houses of 2,3,5,7,9 and 11---(2- addition to family, 3- marriage negotiations and one of the progressive houses, 5- love and romance, progeny, 7- partner by marriage, 9 - bhagya sthanam, 11- friendship and fulfillment of one's desire.)

As per the chart the 7th cusp sub lord is Jupiter and the SUB SUB LORD IS SUN+. Since no planets are placed in Sun's stars, Sun+ strongly signifies 7th as sub sub lord level at first stage.
Sun+ is placed in Saturn star and Mars sub. Sun+ at its star level signifies 5 and 11, and at its sub level signifies 2 and 7.
So as per the rule no. 2-D- though the 7th cusp sub lord Jupiter signifies 6,4,10 and 12, since the 7th cusp sub sub lord SUN signifies 5,11 and 2and 7 the marriage has to take place.

Significators of 2, 3, 5, 7, 9 and 11 houses are----2nd house=mars, mars./ 3rd house= kethu, moon, jup./ 5th house=sun, sat./ 7th house=mars, mars./ 9th house=kethu, ven, rahu, jup, merc, merc/ 11th house- sun.

Sun and Mercury are conjoined very closely within 4 degrees orb.
The dasa lord, Mercury, running at present is up to May 2023. Mercury signifies 9th (stranger and girl comes from faraway place) at both levels.

The bhukthi running is Rahu up to May 2018. Rahu signifies 9 and its representatives Mercury (9), Jupiter (3, 5, 9), Saturn (5, 11). So Rahu is o.k

The running antara lord Jupiter is from 16-3-2016 to 16-7-2016. Jupiter signifies 3, 9 at STL and 3, 5, 9 at SBL. Sun will be transiting in Mars sign Kethu star (Kethu represents Jupiter) from 14/4 to 27/4.
The sookshma lord is Mercury which runs from 21/4/2016 to 9/5/2016.

So from the above, it is clear that the 7th cusp sub lord Jupiter, while promising marriage by grade E significator has,at its sub sub lord Sun level has given the marriage.

Facts of the case are—This native got married on 24 April 2016 at Gudivada at 23.34 hours.
I express my sincere thanks to Sri K.M. Subramaniam for his wonderful findings of the role played by the sub sub lord in divulging the secrets of unsolved puzzles involving vexed questions of marriage and on other topics also. My thanks to sri Kanak Ji for accepting this article for our K.P.Ezine.

Question 1: Sub Lord in KP

Dear Sir, Have you received any mail from Viswanath ji in connection with his lecture, where he spoke about the Star Lord and Sub Lord? In his view the Star Lord is much more preferable than the Sub Lord, referring to Punneswara Rao ji.

Speech of MK Viswanath as Chief Guest at Universal College of Astrology, Hyderabad, on 28 . . .
https://drive.google.com/open?id=0BwKNE6enMK0YTXFTQ0g2WWFaclU

In connection with the KP Sub Lord Theory, you have written about the consideration of Sub Lord many times in the Yahoo KP discussion group and also in the KP-Ezine. But some KP astrologers, including K. Hariharan, are propagating the star lord emphasized 2-step (planet and its star lord) idea although many are following the 3-step up to sub theory as invented by Guruji KS Krishnamurti.

So could you comment on the REALITY of the Sri KSK's sub lord theory in the Q & A section of the KP-Ezine, for the benefit of new comers to the KP.

Answer 1: It isn't KP without considering the signification of sub lord! Because KP is the sub lord theory, nothing else!

1. Considering planet and its star (2 steps) is stellar method, considering up to its sub (3 steps) is KP method and considering up to sub's star (4 steps) is 4-step method.

2. Considering the sub lord of a planet as a decider for good or bad result is the KP sub lord theory.

"Planet is the source, constellation indicates nature of the results, and the SUB is deciding factor whether the matter is favourable or not." (Krishnamurti Padhdhati, Volume 2, Sugar Publication, Jan 1966, p 41; KP Reader III, V, VI) "This discovery has crowned me with success." (KP Reader III , pp 136-137/ 1971edition, theory part pp 129-130, KP Reader V, pp 136-137/ 1971 edition 129-130 & KP Reader VI, pp 41, pp 81-82)

Then judge each planet. The planet signifies a matter. Whether it votes for the progress and properity or due to the "sub lord" it is not capable doing good, further it does harm to that bhava signified by the planet, is to be studied.

"This discovery has crowned me with success."

(KP Reader III pp 143-145 (Original Edition, Theory Part pp 137-139); KP Reader V pp 143-145 (Original Edition pp 137-139; KP Reader VI pp 80-82)

The planets deposited in a particular constellation can indicate only the nature of the event i.e. which house matter the planets indicate due to the lord of constellation by its occupation. It does not mean that a planet deposited in a constellation should necessarily be favourable and contribute for the benefit of the matters signified by a bhava occupied by the lord of constellation. For example, Guru and Sani were in the same constellation. Guru is in the "beneficial sub", whereas Sani is in an "adverse sub". So during Guru period one enjoys the results of the bhava occupied by the lord of constellation whereas during the period of Sani he faces just diametrically opposite results in the same matter. If in the Guru sub period, a child is born, during Sani the same child dies. It means Guru and Sani are in one constellation and the lord of constellation is in 5. Guru was in a favourable sub and Sani was in an unfavourable one. (Krishnamurti Padhdhati or Guruji's self written biography dated June 30, 1969 in R.

Eshwara Manu's "Astrological Tables for All")

"In order to know what each planet can contribute always consider its sub lord." (KP Reader III page 362 (1971 Edition, Practical Part page 194)

As regards to a planet, the matter is seen through the star lord of that planet and thee SUB LORD of that planet 'decides' the results and how the matter is altered and enjoyed and suffered by the native. While we take the sublord of the CUSP (all know the SUB Lord is a PLANET), we must be more careful, while dealing with the subject.
Finally, I like to bring to the knowledge of the students of K.P. that the Sublord of a planet tells the fructification of certain matters, shown by the Sublord and the result either good or bad in terms of the signification of the sublord. The quality and quantity of the result is simply assessed through the signification attained by the SUBLORD of the planet ruling the relevant CUSP. This is final in the KRISHNAMURTHY PADDHATI. (K.M. Subramaniam: THE SUBLORD SPEAKS LX, K.P. & Astrology Year Book 1998, pp 69-71, SubLord Speaks Volume 3, pp 141-148)

The sub lord of the significator is the deciding factor regarding the matters of star lord. If the sub lord is harmonious to the matters indicated by the star lord, the significator gives favorable results. If the sub lord is detrimental to the matters indicated by the star lord, the significator gives unfavorable results. (Chandrakant R. Bhatt: Nakshatra Chintamani, p 23-24)

Can we call Vedic astrologer like Dr. B V Raman who uses two steps of planet and its star in the `How to Judge a Horoscope' and "Notable Horoscope'as KP astrologers?

3. Choice of fruitful significators is done by using the sub's signification.

When majority of planets are connected with the houses 2, 7 and 11, select the useful ones which agree with ruling planets at the time of judgment. If a planet is in such a position that its sub lord is connected with the houses 2, 7 and 11, then this planet is useful. But if the sub is lord of 1, 6, 10 and is the significator of 12 house, marriage cannot take place. (KP Reader IV, p 118)

In choosing fruitful significators for marriage, reject those planets which are in the sub of planets in 1, 6 and 10, as these are the 12th houses to the houses 2, 7 and 11, and select the planets that are on the sub of the planets signifying 2, 7 and 11. (KP Reader IV, p 150) To select the strongest significators, reject the planets that are not in the sub of lords of 2, 5 and 11. (ibid p 235)

If a planet is in such a position that its "sub" lord is connected with the houses 2, 7 and 11, then this planet is useful (for marriage). But if the "sub" lord is the significator of 1, 6, 10 and 12 houses, marriage cannot take place. (KP Reader IV p 118)

Venus is the sub lord of the 7th house. Venus in 12 in the star of Jupiter in 2 and "sub" of Saturn in 9. Saturn rules houses 7 and 8.
So, according to Krishnamurti Padhdhati, we should hastily declare that Venus in 12 is bad. Actually, he signifies houses 2, 9, 7, 6, 8 in order of strength. Also Venus owns house 11 and is posited in 12. Hence even though matters appear unfavourable still Venus brings out success. (KP Reader IV p 173)

Moon in the constellation of Jupiter in 11 indicates that Moon is connected with 11th house matters. But whether Moon will be favourable or not is to be decided by only the "sub" lord. Here Moon connected with 11th house, being deposited in the "sub" of Mercury in 6 is evil for marriage and married life. But, as regards profession it is good as houses 6 and 11 denote promotion, success in competition, etc. (KP Reader IV p 183)

Now reject those planets which are in the "sub" of the planets in 1, 6 and 10, as these are the 12th house to the houses 2, 7 and 11, and select the planets that are on the sub of the planets signifying 2, 7 and 11. (KP Reader IV p 150)

4. Many cases have been found that the matter is promised or materialized by the signification of sub lord only without signification of the planet and its star lord.

5. Punneswara Rao ji has considered the sub lord of planets in analyzing a chart in his book "Theory and Practice of Stellar Astrology (K.P. System), New and Enlarged Edition 2008, Uni-

versal Astrological Book Trust.

In Stellar astrology, a planet deposited in a particular star gives the results of the lord of star and acts an agent of the star lord. A planet transiting in a sign is the source of the event, the lord of the star in which the planet is transiting signifies the nature of the event according to its nature, occupation and lordship, while at the same time the sublord decides whether the event is favourable or not according to its lordship. (p 34)
1) If a planet is connected with relevant houses and becomes the significator of the house(s) concerned and if also posited in the subs of any of significators of the concerned houses, then the planet gives more dependable results. (p 36)
According to KP system, , , , planet is the source, the constellation indicates the nature of result and the sub is a deciding factor whether the matter or event is favourable or not. (p 42)
We have to find out which subs are good and which subs are bad. Then we have to apply the same to Dasa Bhukti system. Whenever any planet transits through these subs, either good or bad as indicated by the subs must happen through the sources indicated by the transiting planet according to its nature. (p 44)
2. 9th house indicates higher education. 9th house sublord Ketu is directly connected with 9th. Ketu is in the star of Rahu and in the sub of Jupiter. Rahu is connected with 9th house. Jupiter is connected with 4 and 11. Therefore the native is assured of higher education. (p 55)
etc. etc.
5. Horary can't give what is not promised in the birth chart according to past karma, and it is one reason of horary's failure sometimes.

Question 2:
What is the use of Latitude-Right Asc. and Declination in Astrology, any good book on it?

Question 3: Signification of a Planet
My doubt is In KP System if a planet say Venus is having no planet in its stars and becomes cuspal sublord of houses 2,6,10 and also appears as Cuspal starlord of houses 4,8,12 and if it owns houses 2,9 and is posited in 11th house then can we take the signification of 10th CSL VENUS as signifying houses 2,6,10,4,8,12 for the purpose of analysis of 10th CSL? Also if the houses 2,9 are vacant then can we take significations of 10th CSL or 2nd CSL or 6th CSL as VENUS Signifying

2,6,10,4,8,12,2,9,11 along with the stellar and house significations of the planet in which star VENUS is located? ALL THE ABOVE IS PRESUMED AS CORRECT BIRTH TIME.

Answer 3:
Venus signifies houses 2,9,11 and 2,6,10 by sublordship along with the signification of Venus' star lord by occupation and lordship.

Question 4: K.P. Muhurat
Any thoughts about how to make auspicious time according to KP. If I remember right Guruji KSK has mentioned something about this matter in KP Reader 6. Or KP Reader 4?

Answer 4:
It has been given in general for various events under "Lucky Timings" in KP Reader V pp 206-218/ new edition pp 219-233.

KP & Astrology 2016
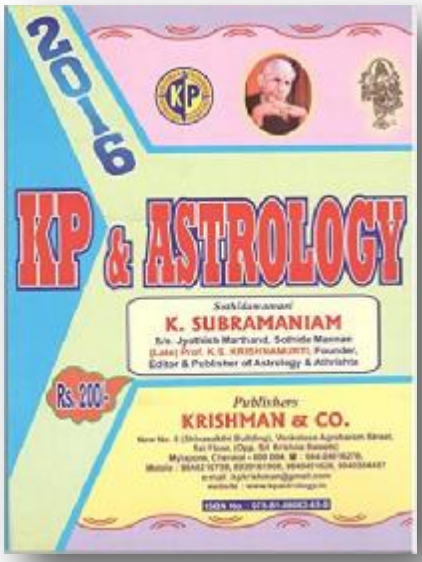
Editor K. Subramaniam, Krishman & Co., 264 pages



Regarding the article "7th Cusp Sub Lord is the Key for a Happy Married Life and . . .", it is controversial and so advisable to see "KP reader IV pp 152-153" under the heading of "Life with Wife" saying with a solved example chart that "In order to ascertain whether married life will be pleasurable or painful, judge the sub lord of 11th cusp. No doubt, the 7th house indicates wife; yet for harmony, happiness and pleasure which are indicated by the 11th house, one is to judge the sub lord of the 11th cusp." The rationale is the 11th house representing permanent tie of friendship or relationship among the couple.

The findings of the article "Denial of Marriage" are the sub lords of all the nine planets not signifying any of 2,7,11 marriage houses and all the star lords and the sub lords of 2,7,11 cusps being posited in the barren signs.

"Ruling Planets Never Fails" is not true since the ruling planets cannot always help anybody as per experience and practice.

In the article "Chart That Fails Us – Why Astrological Predictions Fail?", observations on failure of horary prediction are the inconclusive charts forcing us to take sides, involving our own self interest in the outcome making us subjective again, interruption in working on the chart since breaks are bad omen, casting the chart wrong and recasting it and retrogression effect of the principle cusp sub lord or the 11th cusp sub lord being not conclusive.

It doesn't need to worry about Punarphoo other than possible delay for marriage by mere connection of Moon and Saturn.

On the article of "Pluto Effect- 4 Step Theory, Is it a Feasible Pregnancy?", it doesn't need to worry about the effect of Pluto which is not yet proven by the sufficient number of practical

charts. Since Pluto was found late and short lived as a planet its effect has not yet been studied by empirical research, and so it is not mentioned in KP and the same in this year book's transit of slow moving planets excluding Pluto.

Some articles are not clear what the author would like to say, for example "Muhurtha for A.P State ", "Dasha and Transit Upholds the Promises of Horoscope?" etc.

Baluchistan: Is there any chance for one more separation in Pakistan?

Short History:
As we know since last month, we are continuously hearing media news about the Baluchistan Issue. I realized that we need to check this issue in a different way. Hence, I tried with my new rule for examining separation (break up) within a state or country.

Hint:
Partition of a country or state
If 7th (undergoing separation) CSL signifies 8th (being apart), 6th (separation, division), 11th (gain to supporter/fan), then alone we can see any separation/division during DBAS of the significators of 6-8-11.

Birth Date: 14/08/1947; Thursday Birth Time: 00:00:00 AM
Birth Place: Karachi; Long/Lat: 24^0 N 52', 67^0 E 03'
Aynamsha: 23^0.02'.08" Dasa days: 365.25

Cuspal Sub lord
7th cusp (Libra 23^0.20'.40''): The cuspal sub lord of the 7th house is Saturn. Saturn is in the star of Mercury and sub of Venus. Saturn is occupant of 4, owner of 10-11. Star lord Mercury is occupant of 4, owner of 3-6. Sub lord Venus is occupant of 4, owner of 2-7. No planet is in the star of Venus, and Venus is the CSL of 2-3. Thus 7th cusp sub lord Saturn is the significator of 4-3-6 and is connected with 4-10-11-2-7-3. Saturn indicates 6-11, hence Partition is sure.

Joint Period
At the time of judgment, balance dasa is Venus up to 15-11-2027. At this time the joint period of Venus-Rahu is running up to 15-01-2018.

Dasa lord Venus is in the star of Mercury and in its own sub. Venus is occupant of 4, owner of 2-7. No planet is in the stars of Venus, and Venus is the CSL of 2-3. Star lord Mercury is occupant of 4, owner of 3-6. Thus, dasa lord Venus signifies 4-3-6, and is connected with 4-2-7-3. Dasa lord indicates 6, so partition is sure during this dasa.

Bhukti lord Rahu is in the star of Sun and sub of Mercury. Rahu is occupant of 1. Rahu is in Taurus sign, hence represents Venus. Venus is occupant of 4, owner of 2-7. No planet is in the stars of Venus, and Venus is the CSL of 2-3. Star lord Sun is occupant of 4, owner of 5. Sub lord Mercury is occupant of 4, owner of 3-6. Thus, dasa lord Venus signifies 4-5, and is connected with 1-4-2-7-3-6. Bhukti lord indicates 6, so partition is sure during this bhukti.

My opinion: There can be a separation (break up) in Pakistan, and Baluchistan would become an independent country before 15-01-2018.

Mirror Effect of KP

SRI LANKA Email: sunaparantha@gmail.com

A neighboring lady wanted me to make a natal chart for her daughter, since the original Palm Leave Horoscope has been misplaced. She is, however, not sure of the exact birth time and she could only remember that the Lagna was Leo (Simha). Further, she told me that the birth occured about 11.50 am on the particular day. When the chart for the given time is erected, the Lagna falls in Virgo (Kanya). Due to her unwavering insistence that Leo was the Lagna, she sought the assistance of the record room of the hospital, where all the births and deaths are recorded, and according to the record room the birth occured at 11.13 am. She is not willing to accept this as the correct time of birth. As per my observation, the Lagna appeared as Leo for 11.13 am and I told her that it is not difficult to check the correctness of the time by applying the ruling planets theory of Krishnamurti Padhdhati. Also if the time is correct, it should disclose any life event of the daughter using Leo Lagna that appears at 11.13 am. The most recent life event affecting her was the death of her father by heart failure. This happened on the 14th of April 2016.
The chart erected for the time given by the hospital has reflected the said sorrowful event faced by the daughter. I further fine-tuned the time to 11. 13. 43 am with the help of the ruling planets. Below are the birth details.

Name: Daughter, Female, Date: Friday, 28/Jun/1991, Time: 11:13:43 AM SID: 05:26:22, Place: Negombo, Western, Sri Lanka, Lat: 07:13:00 N, Lon: 79:50:00 E, Ayanamsa: 23° 38' 53", Lagna: Leo, Star: Poorva Ashada, Pada 4, Bal. Dasa: Venus 03 Y, 03 M, 01 D, (SW used KPAstro 4.1)

To check the correctness of the birth time, using the most recent life event as reference, the 9th cusp (Bhava) should be scrutinized. If separation from father is indicated from the natal chart of the daughter, in accordance with KP rules, the birth time could be considered as correct.

Why 9th Bhava?
"Hindus attribute the 9th house to father because the ninth house of the Zodiac Dhanus (Sagittarius) is ruled by Guru, the preceptor and spiritual teacher. In ancient times, the father was invariably the spiritual preceptor or "Guru" of the children to whom he did initiate Brahma Upadesam and transmit his siddhis or physic powers. Counting the 9th house as the 1st, we find that the fifth therefrom indicate the native. Some persons advocate the 4th house and the 10th house for father. It is incorrect. Always take the 9th house for father." – KP Reader 2, page 304

KP Rule for separation from father
If the 9th cuspal sub lord is a significator of 8, 12, separation from father is indicated. – KP House Grouping – Part 1, by Sri Tin Win ji, KPE-Zine Oct. 2007

KP Rule for short life of father
If the 9th cuspal sub lord is a significator of 8, 10, 3, Badhaka, short life of father is indicated. – Ibid
The 9th cuspal sub lord is Rahu who is in 5 conjoined with Moon the lord of 12. Rahu is in Sagittarius sign representing Jupiter the lord of 5,8. Rahu is in the star of Venus and in the

sub of Kethu. Venus being the lord of 10 and 3 is in 12. Sub Lord Kethu is in 11 conjoined with Mercury the lord of 11 & 2.
Since both the above KP rules are satisfied, the birth time is considered as correct.
Now we can go further to see whether the cause of the death of father is also indicated in the daughter's chart (Rotated).
Cause of the death of the father is insufficient blood pumping due to heart enlargement as per the post mortem verdict. Commonly, it is known as heart disease. There is no doubt about this marvelous KP system to guide us to see the cause of death even in the daughter's chart.

General Rules for Health

a. If the Sub Lord of the Lagna be the significator of 1 or 11 health is normal;
b. If the Sub Lord of the Ascendant be the significator of 6, 8, 12, it is ill-health;
c. If the Sub Lord of the 6th, be the significator of 6, 8, 12 and connected with 1, native may suffer from disease;
d. If the sub lord of the 8th or 12th cusp be the significator of 6, 8, 12 and connected with 1, the native suffers from serious illness or chronic disease. *(Horoscope and diseases, by Sri C. R. Bhatt, page 82)*

Heart Disease

a. In Medical Astrology, the 4th house rules over the heart and breasts. The 5th sign of the natural zodiac, Leo, governs heart in general. The Moon rules over the heart. Sun rules diseases of the heart. Mars controls the blood circulation. The Watery signs Cancer, Scorpio and Pisces rule over the blood. If Mars and 4th (Heart) house are connected with the 8th house or Saturn, karaka for longevity, in any manner, they may inflict death upon the person due to heart disease. Planet of Expansion is Jupiter. *(Condensed from Medical Astrology for All by Sri K.subramaniam)*
b. All the FIXED signs Taurus, Leo, Scorpio & Aquarius tend to affect and influence heart and its action for good or ill. Abnormal increase in the size or part of an organ (Swelling/ Enlarge/Expansion/Hypertrophy) is a Mars disease due to the tonic or plus action of Mars.
c. Also, Jupiter presides over the Hypertrophic processes. Its influence tends to an enlarged heart by the formation of fat and adipose tissue.
(Encyclopedia of Medical Astrology by Dr. H.L.Cornell MD, DA)

(1) Generally, Leo, Sun, 4, 5 houses and 6th CSL are connected with 6,8,12, Maraka & Badhaka, houses.
(2) 1st (physical constitution) and 6th (physical disorder/ disease) cuspal sub lords are found connected by their significations.
(3) Mars, a 'trigger' planet causing sudden things to happen like a cardiac arrest, also representing muscular parts, blood, and circulatory system of the body, is connected to Leo, Sun, 4,5 houses and 6th CSL.
(4) 6th CSL is connected to Leo (Sun), 4,5 houses and 6th CSL.
(5) Uranus, so-called ruler of unexpected, shocking and traumatic things taking place, is connected with Leo (Sun), 4,5 houses and 6th CSL.

Scrutinizing the Rotated Chart

Let's see whether this health problem of the father, and the planetary causes for the disease, are reflected in the daughter's chart by rotating it to the 9th cusp to represent the Ascendant of the father.

In the rotated chart, Ascendant falls in Aries sign, the lord of which is Mars+ (Ruler of Blood, Karaka for unnatural death), who also possesses lordship of the 8th house, with no planets in its stars is deposited in the 4th (Ruling sign of Heart/End of Life) in conjunction with Venus the lord of 2 and 7 (Marakasthanas). Ascendant sub Lord is Rahu, in the star of Venus and in the sub of Kethu+ (Moksha), and Rahu is conjoined with Moon the

lord of 4 (Ruling sign of Heart/End of Life). Venus the lord of 2 & 7 (Marakasthana) is in the 4th (Ruling sign of Heart/End of Life).. The sub lord Kethu (the planet of Mitigating, Blocking & Disturbing) is in 3 in conjunction with Mercury, lord of 3 & 6.
The sub lord of the 6th house of the rotated chart is Saturn(R) (Karaka for Longevity) and Saturn is also the cuspal sub lord for 2 (Maraka), 6 (disease), 8 (Critical Illness, Danger to life) and 12 (Hospitalization, Moksha or salvation, Renunciation, end of everything) having no planet in its stars. By being the lord of 10 (Karmasthana, Paralok Sadhana, Treatment not effective, Retirement from this world) and 11 (Badhakasthana for Aries born), Saturn is posited in the 9th (Fate), in the star of Moon (4,9) and in the sub of Mars (1,4,8) . Moon and Mars, as discussed above, are responsible for heart and blood.

General Health
Lagna cusp sub lord Rahu (2,4,6,7) is not a significator for good health at all as described above. In addition, the sub lord of 6, 8 & 12th cusp is Saturn lord of 11 (Badhaka), in the star of Moon for 4,9 and in sub of Mars for 1, 4, 8 indicating that the life of the native is in danger from chronic disease.
This is supported by the reasons given below:

A) Mars (lord of watery & fixed sign Scorpio) the lord of 8th is in the 4th and in opposition to the 6,8,12th CSL Saturn;
B) Jupiter the planet of enlargement is in Cancer (Heart) sign causing heart enlargement. It is the lord of 9 (Fate) and 12 (Moksha), in the star of Mercury (3, 6), and in the sub of Venus (2,4,7);
C) Connections with 6, 8, 12, Maraka & Badhaka
Leo Sign : Sign lord Moon is for 12 and it is occupied by Mars for 8, Jupiter for 12 and Venus for 2,7.
Sun : Sun (Heart & Blood) in 2 Maraka is in the sub of Saturn which is the cuspal sub lord of 6, 8, 12 having no planet in its stars and hampers the function of the heart by restricting the circulation of blood.
4th House: This is occupied by Venus, the lord of 2 & 7 (Maraka & Badhaka) and Mars for 8 is alost on the 4th cusp.
5th House : 5th CSL Moon is in the star of Venus for 2,7 and in sub of
Mercury for 6.
6th CSL : Saturn is the 11 Badhaka lord and also the strong significators of 2 (Maraka), 6 (disease), (8 (Death), 12 (Moksha) by sub-lord-ship of these houses having no planet in its stars.

Dasa, Bukthi, Anthar and Shooksama lords on the date of the death are Mars, Venus, Jupiter and Mercury.

Dasa lord Mars the lord of Lagna and 8 in 4 was transiting in its own sign Scorpio the 8th house of the rotated chart, in the star of Saturn (2,6,8,10,11,12) and sub of Rahu (4,12).

Bukthi lord Venus, the lord of 2, 7 (Maraka) was travelling in the 12th house in the star of Saturn (2,6,8,11 Bdk,12) and in the sub of Jupiter (12).

Anthara lord Jupiter, the lord of 9 & 12, was travelling in the sign Leo (Heart), the 5th house of the rotated chart in the star of Venus (2,7) the Bukthi lord and in its own sub.

Shooksma lord Mercury, the lord of 6 (disease) was transiting in the Lagna house in the star of Venus (2,7) and in the sub of Rahu (4,12).

Thus all the DBAS lords are in mutual connection with each other, together with Badhaka lord Saturn. Death came during the conjoined dasa period of significators of primarily Badhaka (11), Maraka (2,7), Moksha (12), along with houses 4 = end of everything including

life, 6 = disease, 8 = serious ailment, 10 = retirement from this world or life danger to lifeording to the KP death rule.

The death of the father of this daughter is clearly mirrored by her natal chart. It is the KP, the sub lord theory which can pin point the death of father from his daughter's natal chart.

Which Ayanamsha will work for Donald Trump's horoscope, KP or Lahiri?

KP Ayanamsa

Donald Trump (KP Ayanamsa): 14/Jun/1946, Friday, 10:54 AM, hr 5 west, Jamaica, New York, USA, 40n41, 73w48, KP Ayanamsa: 23° 1' 10", Asc. Leo 06:56:52, Mercury Dasa bal.2 Y, 3 M, 23 D.

By using the KP ayanamsa for Donald Trump's chart, the running dasa sequence on the election day, Nov 8, 2016, will be Ju-Ju-Ju-Me.

Dasa-Bhukti-Antra lord Ju is in house 2, lord of houses 5,9, in the star of Ma in house 12, lord of house 4, and in the sub of Ra in house:10, Conj Su+:in house 10, lord of houses 1,2, Aspt by Ju in house 2, lord of houses 5,9, Sgl Ve+:in 11, lord of house 10, being the significator of houses 6+,12+.by sub-lord-ship of these houses having no planet in its stars, in short:
Ju: 2, 5-9, is in the star of Ma:12,4, and in sub of Ra:10, Conj Su+:10,1,2, Aspt Ju:2,5,9, Sgl Ve+:11,10,6+,12+.
Me:11,3-11 is in the star of Ra: 10,1,2,5.9,11,6+,12+, and in sub of Ve+:11,10,6+,12+.

Since the DBA lord Ju is indicating the main losing houses 5th (12th to 6= win over opponent), 9 (12th to 10= power) and 12 (loss), he would lose the presidential election.

Conclusion

If the KP ayanamsa works for his chart, he will start clearly loosing in the presidential election campaign after Jupiter Dasa begins on October 7, 2016, i.e after the second presidential debate on October 9, 2016.

If the Lahiri ayanamsa works for his chart, he can win the presidential election.

Good luck!

Horary number given is 92/249 on 5-july-2016 in the morning hours.
The horary chart is erected on 5-7-2016 @7-03-55 AM @ Tarnaka Secunderabad, Telangana state.

What does K.P rule say in this regard----if 11th cusp sub lord signifies 11th and relevant houses under consideration that is 3rd-publication, printing, writing and communicating, or 11th –accomplishing one's desire, or 6th- success in one's attempt of getting published against competition, and connected to either Jupiter or Mercury, the event of publishing is assured during the conjoined period of the significators of 3,6 and 11 houses.

Points to be remembered---A).11th cusp sub lord should not be in retro motion or B).in the star of a planet which should not be in retro motion.

Analysis of the Chart---

1. 11th cusp sub lord and 3rd cusp sub lord are one and the same that is Saturn. No planets are posited in Saturn's stars. Thus, Saturn strongly signifies 3 and 11 at the sub lord position itself. Saturn as the lord 6 and 7 in 4th cusp, is in Mercury star and Mercury sub. Mercury is the lord of 2 and 11 in 11th cusp. Mercury is not in retro motion. Thus, Saturn+ signifies 6 and 11 at its star level and 11 at its sub lord level.
2. 6th cusp sub lord is Rahu. Rahu is in lagna with Jupiter. Rahu is in Venus star and Jupiter sub. Venus is the lord of 3 and 10 in 11th cusp with Mercury. Sub lord Jupiter is lord of 5 and 8 in lagna cusp. Thus, Rahu signifies 3 and 11 at its star level and 1,v5,v 8 at its sub level. Rahu represents Jupiter, Saturn and Sun. Jupiter and Saturn are already discussed above. Sun is the lord of the lagna and is posited in 11th with Mercury, Saturn and Moon.

From the above analysis it has become clear that the article in question will be accepted for publication in the magazine for August 2016.

Dasa analysis--
Dasa Lord Jupiter is up to 2023 and Jupiter signifies 3 and 11 at its star level and 6 and at its sub lord level.
Bhukthi lord Venus is up to Feb 2018. Venus signifies 3 and 11 at its star level.

Sun will be transiting in sun sign Leo in Kethu star (Kethu represents Jupiter dasa lord and Saturn) from 17/8 to 31/8.

Sookshma Lord Saturn runs from 19/7/2016 to 11/8 /2016. Saturn signifies 6 and 11 at its star level and 11 at its sub lord level.

I feel that failure can be attributed to the following reasons
Under Jupiter dasa, Venus bhukthi, Rahu anthara period since Rahu and Jupiter sookshma periods had already elapsed, I chose Saturn as sookshma lord in my analysis.

1) The sookshma lord Saturn is in Mercury star and Mercury sub which signifies only 6 and 11 but not 3rd house (printing and publications). Though not mandatory, it is an important and a main house.
2) Apart from this, Saturn as sookshma lord signifies 2nd a negative to 3rd house at both star and sub levels. This may be an important reason for negation of the event.
3) Moon was transiting, on 10 august 2016, in Sun sign Venus star Rahu sub and Sun sub sub up to 10:51:32 am (time of the release of the magazine by email). Sun is not among the fruitful significators.

On 12 August 2016 when I re-examined the past analysis, and its post- mortem, I thought of arriving at the correct prediction of the event.

A re-look in to the past analysis and present correction--
And from analysis of the running period of Jupiter dasa, Venus bhukthi and Rahu anthara, since I have failed during Saturn sookshma, I thought I should proceed further for the appropriate sookshma period from among the remaining sookshma period lords---

Next in the list of sookshma lords, Mercury as a fruitful significator is available from 12/8/2016 to 1 /9/2016. Mercury signifies 11 at its star (RAHU) level and 3 and 11 at its sub (VENUS) level. So Mercury as S/L should give before 1 Sep 2016. But, since it has been observed that the release of the magazine is taking place mostly after the first week of every month, I think even if I can go for Mercury sookshma period, it will not give.

Next S/L is Kethu from 1/9/2016 to 9/9/2016. Kethu cannot be taken as it is not in the list of fruitful significators.

Next is Venus S/L from 9/9/2016 to 4/10/2016. Venus is in the list of fruitful significators. Venus signifies 3 and 11 at both levels.

Moon will be transiting on 9/Sep/2016 Friday on Mercury star Venus sub and sub sub from 9:34:34 A.M to 13:59:56 hours and I feel it should materialize on or after 9 Sep 2016.

Question 1. Can I ever become an actor? If yes, then when?
Number. 8 (out of 249).
Date of Judgment: 30-10-2014, Thursday; Time of Judgment: 10.12.46 PM IST
Place of Judgment. 23° N 00', 72° E 36'; Aynamsha 23^0.58'.26"; Dasa days: 365.25

Hints
1)If the cuspal sub lord of the 5th cusp be the significator of 5th (art), 6th (efficiency in work), 10th (business/job/reputation), and connected with Mercury (art of presentation), Venus (art, creativity), one can get success as a cinema actor.
2)If the significator of 6th and 10th be connected with 5th, then during their joint period one gets success as a cinema actor.

Cuspal Sub Lord
5th Cusp. (Cancer 27^0.10'.50"): The sub lord of the 5th cusp is Jupiter. Jupiter is in the star of Mercury and in its own sub. Jupiter is occupant of 5, owner of 9-10-12. Star lord Mercury is occupant of 6, owner of 3-4-6. Hence 5th cusp sub lord Jupiter is the significator of 5-6 and 10th, and connected with Mercury (art of presentation). Thus, success as a cinema actor is promised.

Significators of 6 & 10 are Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu and Ketu, all nine planets.

Significators of 5 are Moon, Mars, Jupiter, Saturn, Rahu (Rep Mercury) and Ketu (Rep Mars and Jupiter).

Common significators from both the above significators and RPs are: Moon, Mars, Jupiter, Saturn, Rahu (Rep Mercury) and Ketu (Rep Mars and Jupiter).

Joint period

Now you are running Sun dasa up to 07-11-2017 and Sun is not among the common significators.

Next dasa will be Moon, and Moon is also not among the common significators. This dasa will be up to 07-11-2027. But, Moon is not among the ruling planets.

My opinion: I don't see any chance of becoming an actor. But, yes, as 5th sub lord indicates a positive cusp, you are good in acting.

Outcome: Prediction come correct, She was started study in higher education in Australia.

Case
Horaray no. : 95/249
Female: Miss Kamla
Judgement date,time and place: 15 April 2016, 14:37.12 ,
Gopalpura , Jaipur ,Rajasthan
Query: When will I be reinstated in service?

Background:
Native is a government officer and she was suspended 2 years ago. She asked the question in April 2016.

Hints:
If the 10th cusp signifies 2, 6, 10 and 11, then reinstatement is sure during the DBA of the significators of 2, 6, 10 and 11, provided there are no exceptions.

Present case
Analysis of the 10th cusp: Saturn is the sub lord of the 10th cusp. It occupies 4 and owns 6 and 7. Saturn is in the star of Mercury and sub of Sun. Mercury occupies 9 and owns 11 and 2. Sun occupies 8 and owns 1. Thus, the 10th cusp is connected with 2,6 and 11. There is a sure chance of reinstatement despite delays because of Punarphoo in RP as stated further.

Common significators among the significators of 2,6,10 and 11 and the RPs are Ketu, Rahu, Moon, Jupiter, Venus and Saturn.

Running Dasha
Saturn (24.11.97 to 24.11.16). Dasa nath is a common effective significator. Reinstatement is promised before 24.11.16.

Bhukti nath is Jupiter (running between 13.5.14 and 24.11.16). Jupiter is also a common effective significator.

Running Antara is Moon (running between 27.2.16 and 15.5.16) which is left out because of Punarphoo effect in the RPs despite Moon being a common significator. Next antara is that of Mars (which runs between 15.5.16 and 8.7.16). This, too, is left out because it is not a common significator. The Next antra is that of Rahu (from 8.7.16 until 24.11.16). Rahu is a common effective significator. We can conclude that reinstatement is promised during Rahu Antara.

Prediction came true. I learnt from the native that her reinstatement order had been received today on 23rd September 2016.

Advance Analysis for finding Sookshma period:
As in the present case we see that the antara of Rahu is for approximately for 4 months, I tried to find the effective Sookshma. Rahu antara consists of the following
Sookshmas:
Rahu Sookshma (8.7.16 to 28.7.16)
Jupiter Sookshma (28.7.16 to 16.8.16)
Saturn Sookshma (16.8.16 to 7.9.16)
Mercury Sookshma (7.9.16 to 26.9.16)
Ketu Sookshma (26.9.16 to 5.10 16)

Rahu, Jupiter and Saturn are planets that have already been selected as Dasha, Bhukti and Antara lords. Next is Mercury which is not a common significator. However, her reinstatement order was issued on 23.9.16. If I follow the same procedure and method, as I follow in other cases, then Ketu Sookshma was appropriate and it is next in the list commencing after 3 days. But after practicing, I realised that finding Sookshma is still a subject of research. Most astrologers seek the help of transits in arriving at this. But there are no hard and fast rules for this in the “divine” science, so continuing to practice is the only way, and sharing true experiences, that will help us to uncover the secret for finding the exact date of any event and the use of Sun’s transit.

Thanks to my respected first teacher Shri Kanak sir who continues to guide in conducting real research.

One of my relatives asked me to cast the birth chart of his daughter in K.P. Method by furnishing the following particulars:-
Date of Birth = 31-07-1986;
Time of Birth = 08-45-00 AM;
Place of Birth= Hyderabad.
Lagna = Simha; Birth Star=Uttarashada;

I sat before the Laptop for erecting the natal chart of my relative's daughter with the help of K.P.Astro 4.1 of Mr. Rangarajan Krishanamurthy of Chennai exactly at 09-29-00 AM on 12-08-2016 at my residence in Kurnool. Immediately the chart is erected for the given birth particulars and it is also attached.
Lagna falls in Leo sign (22-41-51=Sun/Venus/Saturn/Venus).
Moon falls in Taurus sign (11-18-49=Venus/Moon/Mars/Jupiter) in Rohini Star.
Lagna is tallied. OK.
But the birth star arrived at does not tally with the given birth star. Given birth star is Uttarashada, whereas the birth star reflected in the chart is Rohini.

Then an idea flashed in my mind about the involvement of Ruling Planets to rectify it.

Ruling Planets are as follows:-
RP. Date=12-08-2016; Friday; RP. Time=09-29-00 AM; RP. Place=KURNOOL (AP);
Lagna falls in Virgo (14-34-22=Mercury/Moon/Jupiter/Mercury)
Moon falls in in Scorpio (11-18-30=Mars/Saturn/Moon/Rahu)
Daylord is Venus.
RP chart (TIME CHART) is also enclosed.
I have taken only the following 5 Ruling Planets as said by our Guruji Late KSK ji. (Strength-wise serially):-

1. Lagna Star lord =Moon;
2. Lagna Sign lord=Mercury;
3. Moon Star lord=Saturn;
4. Moon Sign lord=Mars; and

Day lord = Venus

NOTE:- When the lagna is tallied, we need not worry about the change of date and month of the birth as there will not be any change . So we have to change the year only for checking Jupiter's position.

Our Guruji said that to arrive at the matters/events to happen within a few hours we have to do it by moving the Lagna ; within a few days by moving Moon; within months by moving Sun; and in years by moving Jupiter.

With the help of the above Ruling Planets, I want to check up the position of Jupiter. Jupiter is in Aquarius sign in the erected chart as per the details furnished by the native. Its sign lord is Saturn which has appeared among the Ruling Planets as Moon Star lord. But the birth star has not tallied.

NOTE:- Saturn is not only the sign lord of Aquarius but also of Capricorn sign. Therefore, Jupiter should be placed in Capricorn sign.
If Jupiter is placed in Capricorn, then the year of birth has to be changed to 1985. Then alone Jupiter will appear in Capricorn sign. If the chart is erected by changing the year of birth (31-07-1985, 08-45 AM; Hyderabad), the birth star will be reflected correctly as Uttarashadha -3 and the Lagna as Leo. (Uttarashadha star-2, 3, 4 quarters + Sravana star complete 4 quarters + Dhanishta star 1,2 quarters are reflected in Capricorn Sign). Based on these assumptions, the natal chart is erected for 31-07-1985 instead of 1986 (which is also attached).

After arriving at Uttarashadha-3 as the birth star, I immediately phoned the father of this girl and informed him that the year of birth is not 1986 but should be 1985. Then he accepted his fault in giving the birth particulars in a hasty mood. He also asked me to pardon him for his shortcoming. I then told him not to take it seriously, for to err is human.

Thus the natal chart is correctly erected with the help of Ruling Planets which is propounded by our late Sri KSK ji. This is nothing but the efficacy of the Ruling Planets. So we must be grateful and thankful to our Guruji.

Question 1: After a long break, I am in the process of job search now to pursue my career. I would like to know when I will get the job? And how successful I will be in my career?

Hints
If the cuspal sub lord of the 6th or 10th be the significator of 2, 6 or 10 service or earning is promised during the joint period of the significators of 2, 6 and 10.

Cuspal Sub lord

6th Cusp. (Gemini 08^0.58'.07"): The sub lord of the 6th is Jupiter. Jupiter is in the star of Ketu and sub of Mercury. Jupiter is occupant of 12, owner of 3-12. Star lord Ketu is occupant of 11. Ketu represents Mars. Mars is occupant of 10, owner of 4-11. No planet in the stars of Mars and Mars is CSL of 11. Sub lord Mercury is occupant of 7, owner of 6-9. 6th sub lord signifies 11-10-4 and connected with 12-3-7-6-9. Thus job is sure.

10th cusp. (Libra 14^0.47'.23"): The sub lord of the 10th cusp is Ketu. Ketu is in the star of Saturn and sub of Venus. Ketu is occupant of 11. Ketu represents Mars. Mars is occupant of 10, owner of 4-11. No planet in the stars of Mars and Mars is CSL of 11. Star lord Saturn is occupant of 10, owner of 1-2. Sub lord Venus is occupant of 7, owner of 5-10. No planet in the stars of Venus and Venus is CSL of 4. Thus 10th sub lord Ketu signifies 10-1-2, and is connected with 11-10-4-7-5. So there is a chance for getting a job.

Joint Period
At the time of judgment, you are running Jupiter dasa up to 11-03-2030. Running joint period is Jupiter-Jupiter-Mars up to 03-01-2016.

Dasa-Bhukti lord Jupiter is in the star of Ketu and sub of Mercury. Jupiter is occupant of 12, owner of 3-12. Star lord Ketu is occupant of 11. Ketu represents Mars. Mars is occupant of 10, owner of 4-11. No planet in the stars of Mars and Mars is CSL of 11. Sub lord Mercury is occupant of 7, owner of 6-9. Dasa-Bhukti lord Jupiter signifies 11-10-4-11, connected with 12-3-7-6-9. Thus job is sure.

Running antra is Mars and it ends on 03-01-2016, within a few days. Thus, I check next antra of Rahu from 03-01-2016 to 29-04-2016.

Running antra is Rahu, which ends on 26-07-2015. Thus, I go for next antara of Jupiter, from 26-07-2015 to 04-12-2015.
Antra lord Rahu is in the star and sub of Moon. Rahu is occupant of 5. Rahu is conjoined with Moon, hence represents Moon. Moon is occupant of 5, owner of 7. Star and sub lord Moon is occupant of 5, owner of 7. Antra lord Rahu does not indicate 2-6-10. Thus, there is no chance of getting a Job during this period.
This is the last Antra, and the bhukti changes to Saturn.
First Saturn bhukti-Saturn antra from 29-04-2016 to 23-09-2016.

Questions & Answers

Question 1: Rotation of the Horary Chart

I am regularly going through your KPEzine.
I am continuously and interestingly following your QUESTION AND ANSWERS.

I am sorry to comment that your answers are some times confusing me as different answers are given to the for the same question discussed at different times.

For Example:
Question No:3 in KPEzine, February 2011, your answer is:
" In such a case with strong urge of querent and astrologer, it is reasonable to proceed the analysis by just considering the 5th house as the lagna of the child ".

Question No:1 in KPEzine March 2012. Your answer is:
" No rotation of the KP horary could be tried, if the querent is very keen to know the result of the closed relatives like daughter or son.

One of my client came to me and asked for the marriage of his son (first issue) and daughter (second issue) and given two different horary nos.

IN view of above, which option should I consider?
1. straight away take the nos. and draw the charts for analysis,
OR
2. Take 5th house as lagna for eldest one (in this case-son) for the no. given and take 7th house as lagna for second issue(in this case-daughter)for the no. given
I request your advise.

Answer 1:
The answers depend on the specific questions. In your case it is advisable to take the second option.

Rotation of Horary Chart
In general as written in the article “Rotation of the KP Horary Chart” in KP-Ezine Nov. 2012 issue, a KP horary chart is for the person who gives the hoary number. (KP Reader VI, pp 89, 253, 269-270). If the query is for someone else other than the horary number giver, the KP horary chart is rotated in the KP Reader VI (pp 160, 174, 213, 257, 259-260, 309), based on the relation between the querent and the person in question.

This practice of chart rotation is followed by , Chandrakant R. Bhatt (Prashna Jyotish, Chart no. 1, 2, 3, 39, 52, 53, 54, 55 and 56), M.P. Shanmugam (Astro secrets and Krishna-murti Padhdhati, Part I, p 260), K.P. Kuppu Ganapathi (KPE-zine Feb 2007 issue), Astro secrets & Krishnamurti Padhdhati, Part II, p 215), K. Subramaniam (Medical Astrology for All, p 224), K. Hariharan (How to Judge Longevity, pp 35, 97), Dr. Arastu Prabhakar (New Dimensions of K.P. Astrology - Horary, example 29), T. Rajendra Kumar (KP & Astrology Year Book 2010, pp 59, 60, 61; 2012, p 58) etc.
The same chart rotation is done in the Western horary by William Lilly (Christian Astrology p 127), Ivy Goldstein-Jacobson (Simplified Horary Astrology, p 75), Anthony Louis (Horary

Astrology Plain & Simple, pp 15, 41, 124), Deborah Houlding (Learning Horary Astrology) etc.

No Rotation of Horary Chart

There is a view of no rotation of the KP horary chart in the circumstances below:

1) The astrologer would like to know the result for his own interest. For example, "Will PM Indira Gandhi win the parliamentary elections?" (Chandrakant. R. Bhatt: Prashna Jyotish, Chart 42)
2) There is no need to rotate the chart as the horary number is meant for the person about whom query is put for, reflecting the anxiety of the querent for his near-dear (like daughter or son). (Dr. K.R. Kar: K.P. & Astrology Year Book 2003, p 66)

Bottom Line

Generally it is to rotate the horary chart if the query is for someone else other than the horary number giver. In the case of astrologer's own interest or if the querent is very keen to know the result of the closed relatives like daughter or son, no rotation of chart may be tried up to the preference or experience of astrologer.

Question 2: Field of Horary

I am a learner of KP System.
Some astrologers is of the opinion that HORARY is to be used for temporary issues like, school admission, train coming etc and not for permanent issues like marriage etc.,
I request for your opinion in this regard.

Answer 2:

Generally horary is resorted for those who have no horoscope or who doubt the correctness of their horoscopes. Horary can answer all questions and clear all doubts. (KP Reader VI, p 15) But horary is not the substitute of natal horoscope. Horary cannot give what is not promised in the natal chart.

Question 3: Golden Rule in KP

"Once you posted a question about the planet in it's own star and no planet in its star, planet in it's own star and other planets in it's star" .

I could not find this. If you have this post on your Timeline then please reshare that post. Will you help me in this regard??

You responded to the question of partha ji by posting this answer..
I asked partha ji, hope he will reply.
Meanwhile, I ask you to share that post if you can.

Answer 3:

Important Rule: If there is no planet in the stars of a planet, that planet is the strong significator of houses for which it is the cuspal sub lord.

A planet with no planet in its stars has not only positional status but also is the strong significator of the houses under its sub lordship because there is no planet in the star level to give its result.

The validity of this useful rule is tested by practicing KP astrologers like PS Rao, Vikari Ramamurthi, Kuppu Ganapathi, R. Mukunda Rajan, Kanak Bosmia etc.

This rule is the same as the Golden Rule in KP: If a planet is a cuspal sublord of any house and is untenanted, it becomes the strong significator of that house. . " X cusp sublord is Rahu. No planet is in the star of Rau. Therefore Rahu is a strong significator of the X house, even though he occupies the IX ... (Astro secrets & KP Part II, p 197)

Other possibilities related to this rule:

a. If the planet is not the cuspal sub lord of any house, it will have only positional status, i.e. it will be the strong significator of the house occupied by that planet.
b. A planet in its own stars having no planet in its stars can have positional status but cannot be the strong significator of the houses under its sub lordship because that planet has to give the result of own in the star level.
c. A planet in its own stars also having any other planet(s) in its stars can have neither positional status nor the role of strong significator of the house(s) under its cuspal sub lordship because that planet has to give the results of own and other planet(s) in the star level.

Reference

The only reference available is explanation of the following same chart in the KP Redear III in the 1971 edition and new addition as given under:

"3rd, 7th and 9th cusps fall in the sub of Saturn. Hence Saturn is very prominent. Saturn rules Pyshyam, Anusham and Utharapa thra. Only Saturn is Anusham. Hence take Saturn too as take Saturn too as a very strong significator" (for foreign going) (KP Reader III, 1971 Edition, Practical Part p 151)

"Please note that Saturn is the sublord of 3rd and 9th cusp and no planet is tenanted in his star except himself. So as I mentioned in the beginning of the article, Saturn has emerged as a strong significator in the above case(for foreign going), by owning the sub of relevant cusps and not from analysis of bhavas." (KP Reader III, New Edition, p 316)

Question 4: Correct casting of Donald Trump's Chart

Astrdata bank uses EDT h4w (is daylight saving time) and PVR author of J Hora also used TZ 4 hrs while predicting on face book as per information to list. You are stating 5 hour west. TZ should be confirmed to arrive at correct chart.

Donald Trump: 14/Jun/1946, Friday, 10:54 AM DST, TZ hr 5 west, Jamaica, New York, USA, 40n41, 73w48, KP New Ayanamsa: 23° 1' 10", Asc. Leo 06:56:52, Mercury Dasa bal.2 Y, 3 M, 23 D, calculated by KPAstro 4.1.

*With the data you write here, I get Lagna of Trump at 18*48' Leo and not 6* 57' Leo as you say. Something wrong somewhere. Or One hour correction is to be applied?*

Answer 4:

http://www.astro.com/astro-databank/Trump,_Donald

Name	Trump, Donald	Gender: M
Birthname	Donald John Trump	
born on	14 June 1946 at 10:54 (= 10:54 AM)	
Place	Jamaica, New York, 40n41, 73w48	
Timezone	EDT h4w (is daylight saving time)	
Data source	BC/BR in hand	Rodden Rating **AA** Collector: Rodden
Astrology data	☉ ♊ 22°56' ☽ ♐ 21°12 **Asc.** ♌ 29°58'	

Time Zone is hr 5 west minus DST 1 hr = net TZ hr 4 west is as shown in the above link. Also as shown in the above link, sayana Asc. Leo 29:58 minus KP ayanamsa 28:02 = nirayana Asc, Leo 6:56.

The main reason for getting the incorrect Lagna is that two things are wrong in using JHora 8.0.
Firstly JHora 8.0 doesn't adjust the Day Light Saving time (DST) like in KPAstro 4.1. (So the DST adjusted TZ 4 hr should be entered in place of 5 hr which appears in the data entry.)
Secondly when "Jamaica, New York" entered, it shows Jamestown, New York, with different Lat & Lon.
That is why the wrong Lagna 14 Le 48' 29.66" is got.

JHora 8.0
Natal Chart: Donald Trump
Date: June 14, 1946
Time: 10:54:00
Time Zone: 5:00:00 (West of GMT)
Place: 79 W 14' 08", 42 N 05' 49"
Jamestown, New York, USA
Ayanamsa: 23-00-45.13 (KP)
Sidereal Time: 4:06:25
Lagna - 14 Le 48' 29.66"
Sun - - 29 Ta 57' 57.77"
Moon - 28 Sc 41' 25.79"

2. It's still inaccurate Lagna 3 Le 09' 05.09" after adjusting TZ to 4hr because Jamestown automatically appears for Jamaica in the data entry. .

JHora 8.0
Natal Chart: Donald Trump
Date: June 14, 1946
Time: 10:54:00
Time Zone: 4:00:00 (West of GMT)
Place: 79 W 14' 08", 42 N 05' 49"
Jamestown, New York, USA

Ayanamsa: 23-00-45.12

Sun - 29 Ta 55' 34.55"
Moon -28 Sc 11' 46.46"
Mars - PiK 3 Le 46' 26.69"
3. Now old JHora 7.0 provides Lat & Long for Jamaica and after adjusting TZ to 4.0 hr, the correct Lagna 6 Le 56' 41.39" is got as given by KPAstro 4.1.

JHora 7.0

Ayanamsa: 23-01-10.66

Book Review
KP & Astrology 2015

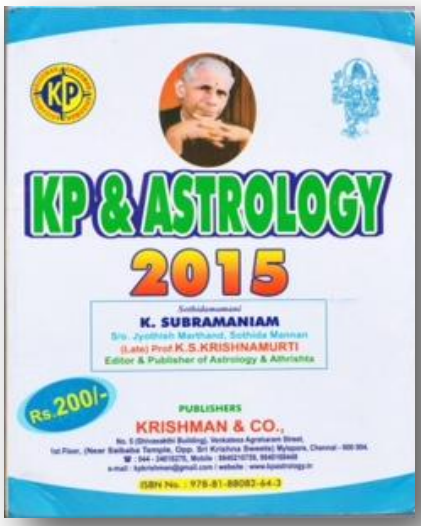
KP & Astrology 2015
Editor K. Subramaniam, Krishman & Co., 257 pages



This year book is for last year but I could order it recently. So it is presented here for record. In the Guruji K.S.K's article, it is mentioned, "As the significators are many, beneficial significators are to be selected, rejecting the useless ones. To select the beneficial significators, there are two methods and both are to be scrutinized.

A. Note the ruling planets at the time of judgment;
B. Note the sub lord of signifcators. If the sub lord is one of the significators, then the planet deposited in such a sub is beneficial, otherwise not."

In the article "Cuspal sub lord diverts Dasa lord", it is just considering of the planet, its star lord, sub lord and up to 4th step- sub's star lord in the way of K.M. Subramaniam's "Sublord Speaks". It is not the way we have learnt "Cuspal sub lord diverts Dasa lord" from the Astro secrets book.

In the article "K.P. astrology produces computer professionals.", the following rules are tested on the 20 charts of computer professionals.

Rule 1:
A. 3rd/5th cuspal sub lord (CSL) should signify 4,9,11.
B. 3rd/5th CSL should be connected well to Ketu and Mercury.
Rule 2:
A. 10th /6th CSL should signify 3,4,5 and 9.
B. 10th /6th CSL should be well connected to Ketu and Mercury.
Rule 3:
Amatyakaraka planet should be well connected to educational houses (4,9,11), computer educational houses (3,5), professional houses (2,6,10) and the computer planets (Ketu and Mercury).
Rule 4:

Dasamaarudha or Rajiyaarudha Lagna lord should be well connected to 4,9,11; 3,5; 2,6,10 and also to Ketu and Mercury.

Hints
If the cuspal sub lord of 3rd house happens to be (in the star of the occupant or owner) Saturn, the rumor is false. If it is Mars, then it is mischievous. If it is Jupiter, it is true. And, if the lord happens to be a planet connected with Saturn in any manner, the report is false; but if connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3rd. (Libra 01^0.00'.02"): The sub lord of the 3rd cusp is Mercury. Mercury is in the star of Mars and sub of Saturn. Here 3rd cusp sub lord is connected with Mars and Saturn, hence, the rumor/message is false.

My opinion: Recently, what you have learnt about your birth chart reading, and nadi reading as well, are only false.
Outcome: Prediction comes correct.

Transfer of job - A developing story

By: Sumanadasa Namarathna
(Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace
No.22/1, Udugampola Road, Marapola, Veyangoda,
SRI LANKA Email: sumana1946@gmail.com

A married lady, known to me, attached to working on a respectable post in the government sector, asked me to check her horoscope to see whether there was any planetary chance to have a transfer from her present service station in the near future as she had applied for a transfer. Her birth details are as below.

Name: Female, Date: Tuesday, 29/Jan/1974, Time: 08:08:00 AM SID: 16:31:17, Place: Kurunegala Teaching Hospital, North Western, Sri Lanka, Lat: 07:28:00 N, Lon: 80:21:00 E, Ayanamsa: 23° 24' 18", Lagna: Aquaries , Star: Rewathie, Pada 1, Bal. Dasa: Mercury 14 Y, 03 M, 27 D, (SW used KPAstro 4.1)

The following KP rules have been examined and it was concluded that she does have a chance for a transfer of service station.

1. *For transfer judge houses 3, 9 & 12, this includes change of residence also. (KP Reader- 2005 Edition, Page 378)*
2. *Profession - 3, 9, 12 indicate changes. (Ibid Page 347)*
3. *10th cuspal sub lord's signification of 3, 9, 12 or 3, 10, 12; during the DBAS signifying 3, 9, 12 or 3, 10, 12. (KP House Grouping Part 01 by Sri Tin Win ji)*
4. *If the cuspal sub lord of 3 or 12 be the significator of 3 or 12 and connected with 10, the native, if in service, will get transferred from the present place to another place, during the joint period of the significators of 3, 10 & 12. (Nakshatra Chintamani, Sri C.R.Bhatt, page 79)*

3rd Cusp - Sub lord of the 3rd cusp is Mars. It owns 3 & 10 and occupies the 3rd cusp which falls in its own sign, Aries. Mars is in the star of Venus and in the sub of Jupiter. Venus is the lord of 4 & 9, and in extremely close to the 12th cusp. Sub lord Jupiter is the lord of 2 & 11, and is posited in the 12th house. So the 3rd cuspal sub lord Mars is a significator of 3, 9, 10 & 12.

12th Cusp - Sub Lord of 12th is Moon, and it owns 6 (Service). It is in the star of Mercury lord of 5 & 8 placed in 12. Moon is in the sub of Kethu conjoined with Saturn, the lord of 12. Also, Kethu represents Mercury in 12. So the 12th cusp sub lord Moon is a significator of 12.

10th Cusp - Jupiter is the sub lord of the 10th, and is the lord of 2 & 11 posited in the 12th. It is in the star of Mars and in its own sub. Star lord Mars is the lord of 3 & 10 and is tenanted in the 3rd cusp. Thus, 10th cuspal sub lord is a significator of 3, 10 & 12.

Since all the KP rules for transfer of service agree with the relevant indicators of the natal chart, I informed the lady accordingly.

Now let's see the meaning of TRANSFER. It is moving from one place to another place. That is why, Sri KSK ji has opined and stated that the "transfer" is *"which include change of residence"* in his KP Reader 3.

What is RESIDENCE? It is the place where a family lives, and the family may comprise of the husband, wife, children, and sometimes parents too. So, my logic is that "Transfer" of a job is not only a change of place of work or residence, but includes vast meanings contained within the word 'transfer'. Being an Astrologer attached to KP, with an astrological angle, I narrate the definition for the word "transfer" with categorize as follows:

When a person is getting a job transfer:-

1. If the person is already far away from home for the job, transfer is only a change of place.
2. If the person is getting transferred from outstation to his/her residential area, the transfer causes reunion with the family.
3. If the person is married, and has children and a spouse who is also working there, it is a separation from the family.
4. If the person and his/her children have to change the previous living place as a result of the transfer, it is a separation from partner, and separation from father or mother for children.
5. If the person has no children, and spouse is still working there, the transfer is separation from the spouse.
6. If the person is single and living with father and mother, it is a separation from father and mother.
7. If the whole family is moving as a result of the transfer, it is a change of residence.

Any of the above reasons, should be indicated in the chart under study, as well as in the charts of family members regarding the matter of TRANSFER.

In my case, discussed above, only the lady concerned is to get transferred, while her spouse is working in their residential area, and also her two children are attending school there. Hence, this transfer should go under category "3" above.

As per the rule given by Sri Tin Win ji in his House Grouping Part 1, the sub lord of the 2nd cusp should be a significator of 1 & 12 for separation from the family. In the chart under discussion, the 2nd cuspal sub lord is Jupiter+ the lord of 2 & 11 and posited in the 12th, in its own sub. Its star lord, Mars, signifies neither 1 nor 12. Hence, I decided that this is not a separation from family. While I was studying this chart and the incident, the lady on hearing her positive results regarding transfer, called and asked me a question like this. Sir, I want to my children to get admission into a high level college in the town where I have expectations to be. So, can I take my two children, too, to my new place if I get the transfer? Then I asked " what about your husband?" She said, "He is working here and not willing to get a transfer". Then I checked her chart again for separation from children. For separation from children, the 5th cuspal sub lord should be a significator of 4 & 12. If this rule is not indicated in the chart, she can take her children. The 5th sub lord of the chart is Mercury. It is the lord of 5 & 9 in 12, in the star of Mars, and in the sub of Saturn. Mars is the lord of 3 & 9 and positioned in the 9th. Sub lord Saturn is the lord of 12 & 1, and is in the 4th cusp. Hence, Mercury is a significator of 4 & 12, and separation from children is indicated. Thus, she will not be able to take her children with her to the new place. But, fructification of the rule for the matter depends only on the agreement of the Dasa lord as per KP. At the time of this discussion, Sun Maha Dasa is in force and running from May 26, 2015 to May 26, 2021. Sun is not, in any way, connected with house 4. Hence, what the rule has indicated, is negated, and she should be able to take her children with her. So, I had to say "Yes" for the second question.

Meanwhile, the first child's results of the Scholarship Examination for a Higher School were released, and he gained a very high place in the examination. He qualified to enter into a high school for higher education. At the same time, she got the letter of transfer w.e.f. Feb. 07, 2016 to the place which she wanted to go to. She took her elder son to the new place,

admitted him into a college, and continued her work in the new place. Now, astrologically, separation from the family is in operation.

In September 2016, she could take her second son too and admitted him into a nearby school in proximity with her new residence. Astrologically, this incident shows,
(a) Separation of husband and wife
(b) Separation from father of children
(c) Separation from the children of the father.

Let's check the DBAS running on the date of her transfer.
Date of Transfer : 2016.02.07 : DBAS Su – Mo- Ve – Ve

Sun : The Sun, a natural significator of profession, is the lord of 7 placed in 12 in the star of Moon, and in the sub of Jupiter. Star Lord Moon is lord of 6 posited in 2. Sub Lord Jupiter is the lord of 2 & 11.

Moon : The Moon is lord of 6 and posited in 2, in the star of Mercury, and in the sub of Kethu. Star Lord Mercury is the lord of 5 & 8 placed in 12. Sub Lord Kethu is in 4th and conjoined with 12th lord Saturn. Also, Kethu represents Mercury which is placed in 12th house.

Venus : Venus is the lord of 4 & 9 placed in 11, close to the cusp of 12. It is in the star of Sun in 12 that is the sub lord of 6 (job) and in the sub of Mercury in 12.

Hence, the DBAS agree with rules relating to transfer of Job.

At the same time, another KP rule was in operation behind the scene. See the highlighted cusp numbers above. All the DBAS, Sun, Moon and Venus, were signifying 6 & 12, completing the rule for Separation from the Partner (in this case it is the husband).

As the case is so important to study, I had to discuss with the lady for more information about her married life and got some important days of her life like marriage, and other birth details of the family members, as well as some unhealthy situations of the married life, that can be well evidenced to certify the efficacy of the KP rules propounded by Sri KSK ji.

My pranams with bow down head to Sri KSK ji and my KP Guru Sri Tin Win ji.

Prediction of Hillary Clinton's victory over Donald Trump has not been wavered

By: Tin Win

Email: tw853@yahoo.com

Despite twists and turns including new FBI emails probe, further release of Wikileaks, the astrological prediction of Clinton's victory over Trump has not been wavered.

The major astrological reasons are as follows:
Firstly, as said in the short prediction note "KP or Lahiri ayanamsa for Donald Trump's horoscope?" in the last month issue of this magazine, as soon as Jupiter maha dasa starts for Trump according to the KP ayanamsa the now-infamous "Access Hollywood" tape was released on October 7, 2016, and subsequent sexual assault claims have followed.

Accordingly Trump will lose the presidential election as the running Dasa- Bhukti- Antra lord Jupiter on the presidential election day, November 8, 2016, is the significator of losing houses 4,5,9,12, which are not favorable for his victory.

Ju: 2, 5-9, is in the star of Ma:12,4, and in sub of Ra:10, Conj Su+:10,1,2, Aspt Ju:2,5,9, Sgl Ve+:11,10,6+,12+.

Secondly, according to the tested Hillary Clinton's birth time 8:00 PM, hr 6 west, Oct. 26, 1947, Chicago, IL, USA, running dasa sequence Mo-Ju-Ra-Ra on presidential election day is signifying houses 3 (ability), 6 (winning over opponent), 10 (power) and 11 (gain, fulfillment of desire), which are favorable for her victory, facing troubles and disappointments of 8th house now and then.

Mo+:10,3,+12 is in the star of Sa:3,9-10, and in sub of Me:6,1-2-5. Ju:6,7-8-11 is in the star of Sa:3,9-10, and in sub of Ke+:6,7,8,11,3,12,2+. Ra:12,6,7-8-11,5,6+ is in the star of Su:5-4, and in sub of Ju:6,7-8-11.

Success in C A examinations

By: Gunti Nagaraju KP astrologer
M.com CAIIB, Retired Bank officer
12-13-668/5/2, Second floor, Nagarjuna Nagar,
Tarnaka, Secunderabad- 500 017;
Tel: 040-27172206; 9490752371
Email: gunti.nagaraju@gmail.com

On 9 May 2016 during the morning hours, my friend Mr P. C. from Visakapatnam telephoned and requested me to inform him astrologically about the outcome of the C.A. examination results of his daughter who had appeared in the month of April 2016.
Immediately, I erected a time chart the same day at 08-43-41 a. m @ Secunderabad – Telangana, and the chart is attached.
What do the K.P rules say in this regard?

1. If the sub lord of the 4th cusp is the significator of 4, 9 and 11, then success in examinations is promised.
2. Sub lord of the 11th cusp, when connected with the houses under consideration – 4th and 9th houses - the results will be positive.
3. Mars, Mercury and Jupiter promise success when they are connected with 4, 9 and 11 houses.
4. For failure in examinations –connections of 4th / 11th with negative houses 3rd and 8th are to be considered.

Chart analysis: First, let me check whether the event is promised
11th cusp sub lord is Sun. It is the lord of 4- relevant house for education- posited in 11th . Sun is in Venus star –lord of 5 and 12 placed in 11th. Sun is in Mercury sub, lord of Lagna placed in the 11th cusp.
Thus, the 11th cusp sub lord, Sun, signifies 4, 11, 12 at its star level, and 1 and 11 at its sub lord level. This assures success. But, since the star lord of the sub lord- Venus is also connected with the 12th, it indicates partly failure too.
Since Sun is placed in Mercury sub, it indicates duality. Therefore, the loss of papers may be restricted to two in number.
Accordingly, I informed the same to my friend the same day.

Facts of the case: On 19 July 2016, I received a phone call from my friend stating that the CA examination results of his daughter were announced on 18 July 2016, and that she had failed in two papers only.
Though I felt bad about the negative news regarding his daughter's failure, the predicted outcome gave me confidence for my approach. I sincerely ascribe this credit to the K.P system and its founder, wizard of astrology, Sri KSK. My sincere respects to Sri KSK and to Sri Kanak ji our editor.

Will Hillary Clinton Win the US election that will be held on 8 November 2016?

By: Arvind Gupta
Australia
EMail: guptaa@unhcr.org

Background:

I had written an analysis of Donald Trump's natal chart in the September 2015 issue of the KP Ezine and had concluded that he would not be able to win the elections in 2016. A number of KP stalwarts have also written analyses through both natal charts or through horary charts taking the question from all angles. Some asked if Hillary Clinton would win the elections. Others asked if Donald Trump would win the elections. Consistently, however, each analysis has come to the same conclusion i.e. Donald Trump would lose the elections and that Hillary Clinton would win.

Academically, for all of us KP practitioners, the manner in which analysis is conducted, especially in using the horary approach, has been questioned by many KP practitioners themselves. The main issue revolves around how to analyse the chances of an individual's success when there are multiple contestants. While many stalwarts have concluded that when then question relates to the success of a single candidate, all others may be put into one group. This reduces the number of contestants, at least notionally, to two. Therefore, the contest is considered between two "groups", where the concerned candidate is treated as one of the two "groups". Others insist that it is not possible to make such an analysis as each candidate has to be examined separately.

I am inclined to the view that among multiple contestants the question really is whether, relative to the whole group, the particular individual, about whose victory we wish to know, we could still analyse the situation as being a contest between two contestants. That is to say, the concerned individual is treated, notionally, as one group and all the others are treated as the second group. Then the issue of victory becomes one of a contest between two "persons/groups" rather than being one of an individual pitched against a multiple number of contestants, each being subject to a separate analysis.

This approach may be examined by KP practitioners. For the time being, however, the question is academic. We are now watching a contest between only two individuals. It is a critical juncture in the race to the White House as only weeks remain for the elections which will take place on the 8th of November 2016. We may, therefore, proceed to analyse the contest as between these two individuals alone.

The three national debates that have so far taken place have been interesting in as much as the resulting polls have not been very convincing in favour of any candidate. In the nature of public polls, dramatic changes may still occur at the last minute. Although, Hillary Clinton is shown as leading these polls, the margin is not a big one and, historically, the situation has changed at the last minute. Will the same happen now? Or, are the polls indicating the true position between the two candidates?

I have now asked a question: Will Hillary Clinton win the election that is taking place on 8 November 2016?

The horary chart has been prepared for 21 October 2016, at Canberra (Australia); Lat: 35:17:00S and Lon: 149:08:00E. The time of query was 05:47:14 PM. Ayanamsa (KP) is 24°

0' 5". The horary chart is given below. The horary number (6 out of 249) has been generated at random by the computer. It was taken, however, after praying to the almighty.

The Rule:

There are many different ways to analyse competitions. Elections are nothing else but a contest between people seeking public office. The present analysis uses the approach taken by Shri Kanak Bosmia. The rule is as follows:

If the Sub lord of the 10th signifies 3, 10 or 11, the individual emerges victorious in elections.

Let us, therefore, look at how this horary chart indicates all these links for both candidates. As the question is asked in terms of whether Hillary Clinton would win, the Lagna of this chart represents her. The 7th house, being opposite to the Lagna, consequently, represents Donald Trump.

For Hillary Clinton:

The 10th SL is Venus who is placed in 8 and rules 2-7; it is in the Star of Saturn placed in 8 and rules 10-11. It is in the Sub of Venus.

Thus, the 10th SL signifies 8, 10 and 11, and is connected with 2, 8, and 7. The main negative signification here is that of the 2nd bhava. However, out of the three relevant bhavas, the 10th SL signifies 10 and 11. The appearance of the 8th shows that it will be very hard and quite disturbing untill the bitter end.

The 11th SL is Saturn posited in 8 and rules 10-11. It is in the Star of Mercury placed in 6 and rules 3-6. It is in the Sub of Ketu+ posited in 11. Ketu is not a SL for any of the bhavas.

Thus, the 11th SL signifies 3 and is connected with 10 and 11. Here, again, the only negative connection is that of the 8th bhava, and reinforces the reading of the 10th SL's significations.

Now rotating the chart to the 7th to denote Donald Trump:

The 10th SL is Venus posited in 2 and rules 1-8. It is in the Star of Saturn in 2 and rules 4 -5. It is in the Sub of Venus.

Thus, the 10th SL signifies 2, and also negative houses 4 and 5. It is connected with negative houses 2 and 8.

The signification of the 10th house is, clearly, stronger for Hillary.

The 11th SL is Mercury placed in 12 and rules 9-12. It is in the Star of Mars posited in 3 and rules 2-7. It is in the Sub of Saturn posited in 2 and rules 4-5.

Here, the 11th SL signifies 3 along with 2, and is connected with 2,4,5,9 and 12. While the 11th SL signifies the 3rd, its own sub lord negates the signification by signifying the 2nd bhava. Additionally, the other negative bhavas are 4,5, 9 (which negates the 10th), and 12 (for general loss).

The signification of the 11th SL for Hillary is much stronger than that for Trump.

The DBAS on 8th November 2016 will be Dasa of Rahu, Bhukti of Ketu, Antara of Saturn, and Sookshma of Mars.

For Hillary Clinton:

Dasa lord Rahu is in 5 (representing Sun+ in 6 and rules 5. It is not the SL for any bhava), and Saturn in 8 and rules 10-11. Rahu is in the Star of Venus in 8 and rules 2-7. It is in the Sub of Sun+ in 6 and rules 5. It is not the SL for any bhava.

Thus, Dasa lord signifies 2 and 8, and is connected with 10 and 11. While the signification of the Dasa lord at Star level is 2 and 8, the Sub lord clearly connects 10 and 11.

Bhukti lord Ketu+ is in 11. It is not the Sub lord for any bhavas. It represents Saturn in 8 and rules 10-11. Ketu is in the Star of Rahu in 5. Rahu represents Sun+ in 6 and rules 5 (it is not the
sub lord for any bhavas), and Saturn in 8 and rules 10-11. Ketu is in the sub of Venus in 8 and rules 2-7.

Thus, Bhukti lord Ketu signifies 5,6,8,10 and 11, and is connected with 2,7,8, 10 and 11. The significations of 10 and 11 are supported by the Sub signifying 10 and 11 as well. Once again, the 8th shows that it will keep Hillary Clinton tense, and it may tell upon her health as well.

Antara lord Saturn is placed in 8 and rules 10-11. It is in the Star of Mercury in 6 and rules 3-6. It is in the Sub of Ketu+ in 11. Ketu is not a SL for any of the bhavas.

Thus, the Antara lord Saturn signifies 3 and is connected with 10 and 11. Here, again, the only negative connection is that of the 8th bhava, and reinforces the reading of the 10th SL's significations.

The Sookshma lord, Mars, is in 9 and rules 1-8. It is in the Star of Venus in 8 and rules 2-7. It is in the Sub of Saturn in 8 and rules 10-11.

Thus, Sookshma lord Mars signifies 2,7 and 8, and is connected with 1,8,9, 10 and 11. While the 2nd is being signified at Star level, the all-powerful sub signifies 10 and 11 along with 8.

All the Dasa lords are favourable to Hillary Clinton.

For Donald Trump:

Dasa lord Rahu is in 11 (representing Sun+ in 12 and rules 11. It is not the sub lord for any bhava), and Saturn in 2 and rules 4-5. Rahu is in the Star of Venus in 2 and rules 1-8. It is in the Sub of Ketu+ in 5 (it is not the sub lord of any bhava). Ketu represents Saturn in 2 and rules 4-5.

Thus, Dasa lord Rahu signifies 2 and 8, and is connected with 2,4,5,11 and 12. These significations are very clear. None of the relevant bhavas are signified by the Dasa lord, i.e. 3 or 10. On the contrary, the negative bhava, i.e. 2nd, is signified at both Star and sub levels.

None of the other dasas can give what the Dasa lord does not allow, or positively denies. Thus, there is no point in assessing the other dasa lords. However, out of academic interest, let us also look at the Bhukti, Antara and Sookshma running on the 8th of November 2016.

Bhukti lord Ketu+ is in 5 (it is not the sub lord for any bhava). Ketu represents Saturn in 2 and rules 4-5. Ketu is in the Star of Rahu in 11 representing Sun+ in 12 and rules 11 (Sun is
not the sub lord of any bhava), and Saturn in 2 and rules 4-5. Ketu is in the Sub of Venus in 2 and rules 1-8.

Thus, Bhukti lord Ketu signifies 2,4,5,11 and 12, and is connected with 1,2,4,5 and 8. None of the relevant bhavas is signified, i.e. 3 and 10. On the contrary the houses of loss are clearly signified, i.e. 2,5,8 and 12. Therefore, even the Bhukti lord negates any chances of success for Trump.

Antara lord Saturn is in 2 and rules 4-5. It is in the Star of Mercury in 12 and rules 9-12. It is in the Sub of Ketu+ in 5 (it is not the sub lord for any bhava). Ketu represents Saturn in 2 and rules 4-5.

Antara lord Saturn, therefore, signifies 9 and 12, and is connected with 2,4, and 5. Please note, again, the relevant bhavas are not signified i.e. 3,10 or 11. On the contrary, all the negative bhavas are signified, i.e. 2,4,5,9 (negating 10th) and 12th (house of loss).

Sookshma lord Mars is in 3 and rules 2-7. It is in the Star of Venus in 2 and rules 1-8. It is in the Sub of Saturn in 2 and rules 4-5.

Sookshma lord signifies 1,2 and 8, and is connected with 2,3,4 and 5. There is no signification, at Star level, of the relevant houses. The 3rd bhava appears only at the Sub lord level, and not at the level of the sub lord of the sub lord. On the contrary, all the negative houses are signified, i.e. 2,3,4 and 5.

Conclusion:

On the basis of the above analysis, and after examining the DBAS running on the day of the elections (i.e. 8th November 2016) for both, Hillary and Trump, it is clear that Hillary Clinton will win the elections. She will however, remain in suspense, tense and may even fall ill untill the results are announced (due to the consistent signification of the 8th bhava).

Running dasa:
Mars dasa is running up to 15/7/2022.
Ma (3, 3-8), in the star of Me (12, 1-10), in the sub of Me (12, 1-10).
Mars signifies 12, 1 and is also in the RPs.
Saturn aspect on Moon by 7th aspect. Hence I left currant Rahu bhukti and select next Jupiter.
Ju+ (12, 4-7, [1, 5]), in the star of Su (11, 12), in the sub of Sa (3, 5-6).
Jupiter signifies 12, 1, 6 and is also in the RPs.
For Antra we have first Jupiter, next Saturn, not in RP, next is Mercury, so I select Mercury Antra.
Me (12, 1-10), in the star of Su (11, 12), in the sub of Sa (3, 5-6).
Mercury signifies 12, 1, 6 and is also in the RPs.
It is clear that she will not be exonerated of the charges of treason.

My opinion:
Dt.8/4/2017 to 26/5/2017 Kannada actress and former MP from Mandya Ramya will be tried in a case for treason, and she will not go free.

Hints
If the cuspal sub lord of the 5th cusp be the significator of 5th (art), 6th (efficiency in work), 10th (business/job/reputation), and connected with Mercury (art of presentation), Venus (art, creativity), one can get success as a cinema actor.

If the significator of 6th and 10th be connected with 5th, then during their joint period one gets success as a cinema actor.

Cuspal Sub Lord
5th Cusp (Libra 14^0.33'.01"): The sub lord of the 5th cusp is Ketu. Ketu is in the star and sub of Mercury. Ketu is occupant of 10. No planet is in the stars of Ketu, and Ketu is the CSL of 5. Ketu is conjoined with Mars and Venus. Mars is occupant of 9, owner of 6-11. Venus is occupant of 9, owner of 5-12. Star and sub lord Mercury is occupant of 7, owner of 1 -4. Hence, 5th cusp sub lord Ketu is the significator of 1-4-7 and connected with 10-5-9-6-11-12. It is also connected with Venus and Mercury (art of presentation). Thus, success as a cinema actor is promised.

Significators of 6 & 10 are Sun, Mars, Venus, Jupiter and Ketu.

Significators of the 5th are Moon, Saturn, Sun, Mercury, Venus, Rahu (Rep. Mercury) and Ketu (Rep. Mars and Venus).

Common significators from both the above are: Sun, Venus and Ketu.

Joint period
Now you are running Venus dasa up to 07-11-2017 and the joint period is Venus-Saturn up to 28-02-2016.
Dasa lord is among the common significators, but Bhukit lord is not in the list of common significators. The next bhukti will be Mercury up to 30-12-2018 which is also not among the common significators.

Hints (Higher study):
If the cuspal sub lord of the 5th (9th is higher study and going abroad for higher study is 9th from 9th which is the 5th) be the significator of 9, 12, then going abroad for higher study is promised during the joint period of the significators of 3, 9, 12.

Dasa lord Venus is in the star of Jupiter and sub of Moon. Venus is occupant of 9, owner of 5-12. Star lord Jupiter is occupant of 2, owner of 7-10. Sub lord Moon is occupant of 7, owner of 2. Dasa lord signifies 2-7-10 and is connected with 9-5-12-7-2. Hence going abroad for higher study is promised.

Bhukti lord Saturn is in its own star and the sub of Sun. Saturn is occupant of 5, owner of 8-9. Sub lord Sun is occupant of 8, owner of 3. Bhukti lord Saturn signifies 5-8-9 and is connected with 8-3. Hence, going abroad for higher study is promised.

My opinion: I don't see any chance to become an actor, but higher study abroad is certain.

Outcome: She is abroad now for higher study.

Query: Will my daughter get admission in desired college in September 2016?
Date, Time and Place of judgement: 26th July 2016, 3.46.16 PM, Gopalpura, Jaipur, Rajasthan

Hints:
Admission for higher education may be assessed from the 4th cusp. If the 4th cusp signifies 4, 9 and 11, then admission in college or university for higher education is certain. Readers are suggested to take separate horary numbers for each desired college if the native or his relative has applied for a number of colleges or universities.

Classical KP Practitioners generally rotate the Lagna in a horary chart if the query is made for the some other person. I do not rotate Lagna if the querent has an acute curiosity, then it plays a magical role itself in horary astrology to know the answer, especially in the case of parents and children. For example, in this case, the mother asked for her daughter. So there was no need to rotate this horary chart to the 5th cusp as Lagna, which is what some astrologers would do.

Analysis of 4th cusp:
Sublord of the 4th cusp is Moon. Moon is in the star of Ketu and sub of Venus. There is no planet in the star of Moon. Moon occupies 1 and owns 5. Moon is connected with 2 and 4. Ketu is posited in the 12th. Ketu represents Mars that casts its 4th aspect upon it. Mars occupies 8 and owns 2 and 9. The sub, Venus, occupies 5 and owns 3 and 8.Thus, the 4th cusp is signifying 4 and 9. This means that admission is assured in a college or educational institution for higher education.

Significator Planets of 4, 9 and 11

Here, I would like to draw attention of readers to the fact that the number and ruling planets are subject to the individual practice of Astrologers. Some astrologers take 7 ruling planets, as I have selected in this example. Some take only 5 ruling planets i.e. Ascendant and Moon sign lords and star lords, as well as the Day lord. Some take only 3 RPs i.e. the Ascendant Star lord, sub lord and Moon star lord. Some leave out the ruling planets which are in the star of a Retrograde Planet. We all know that Rahu and Ketu are considered as ruling planets when they represent the planet which is already in the list of ruling planets. Interestingly, at the time of judgement, whichever method comes to the mind of an astrologer, he or she takes that method for his or her analysis. RPs are themselves symbols of divine direction, and the selection of RPs are also directed by the subconscious mind or intuition of an astrologer. That is why we call the subject a divine science.

Running Dasha Analysis:
Dashanath Ketu :(30.1.2015-30.1.2022)
Although Ketu is among the common planets, Dashanath represents Mars which is a common planet. Ketu is in the star and sub of Jupiter. Ketu is occupies 12. Ketu is aspected by Mars, occupant of 8, owner of 2-9. Jupiter occupies 6 and owns 1 and 10. There is a remote possibility of admission in a desired college because Jupiter is not signifying 4, 9 and 11 at all. But Ketu, being a node and representative of Mars, will work and admission is assured in a college or university for higher education as dasha is signifying 9.

Running Bhukti is of Venus from 28-6-15 to 28-8-16. Venus cannot be selected despite it being among the common significators because the native is expecting to get information from September 2016 onwards. So, the next Bhukti is checked.
Next Bhukti is that of Sun from 28-8-16 to 3-1-17. Sun is not among the common significator planets for 4, 9 and 11. So it will be left. The next Bhukti is that of Moon up to 4-8-2017 and Moon is also not a common planet. In conclusion, I predicted that, after September 2016, there was no chance of admission in a desired college for which this horary chart is drawn.

Outcome: Prediction came right.

Cross check: I also tried to cross check it from the 11th cusp. If the 11th cusp signifies 1 and 11, then fulfilment of desire is possible. In this case, the 11th cusp is signifying 1, 4, 6 and 10 through its sub, star and sub Jupiter and Sun respectively. This means that it is not connected with 11. The signification of 1 shows only that work will be done (efforts made) but not in the desired manner as wished. I wonder on the magic of horary and RPs in KP.

I am thankful to Sh Kanak Sir for inspiring students like me to do regular research to find more and more.

When will I receive my pens by courier parcel from Rajahmundry?

This is the horary question which sprung to my mind on 09 August 2016 at about 12.45.00 pm. I took the horary number 125 which was obtained at random from my astrology book. I thought I should work out immediately and so erected a horary chart at 12-54-04 pm. The chart is attached. Horary details are---DOJ-9-8-2016 / TOJ- 12-54-04 P.M @ SECUNDERABAD.

Ruling Planets are Asc.=Venus-Jupiter-Moon

Rasi= Venus -Rahu-Rahu/ Day Lord-Mars.

1—Rahu, one of the RPs, represents Jupiter and Mercury as it is conjoined with these planets and Saturn by aspect.

2—Kethu represents Saturn as it is in the sign of Saturn and Mars by its 4th aspect.

So, the effective ruling planets are---Venus-Jupiter-Rahu-Kthu-Mercury.

Coordinates for judgment and K.P. rules for the event---

*2nd house speaks of the articles that are of movable nature. I have to check the 2nd house since the articles to be received by courier are fountain pens. The items are considered to be movable ones.

*3rd house speaks about "anything" that has to reach us by undertaking travel.

*4th house speaks of the place or destination (like home or office or place of stay) where the courier will be delivered or received by the querent.

*11th house is to be judged to know whether the desire will be fulfilled or not.

*The promise for receiving the items is to be validated by examining the 3rd and 11th cusps. Whether the event is promised or not?

Rules for checking the promise of an event---

1. As per the chart, 11th cusp sub lord is Kethu. Kethu is aspected by Jupiter and, therefore, represents Jupiter who is the star lord of the Lagna among the ruling planets. So, Yes, it is promised.

2. 11th cusp sub lord is Kethu. Kethu is in the 5th house. Kethu is in Rahu star in the 11th house and Mars sub, lord of 3, 7 and 8 placed in the 2nd. Thus, Kethu signifies 11 and 3. This indicates that the event is promised.

Now that there is promise of the event, I have to check as to when I will receive the courier parcel.

The timing for "receiving the item" (event) should be seen from the significators of 2, 3, 4 and 11 houses.

Analysis as per the chart

2nd cusp sub lord is Moon placed in 1st cusp. Moon is in Rahu star and Rahu sub. Rahu is placed in the 11th cusp. Rahu represents Mercury- lord of 10 and 12 in 11th, Venus, lord of 1, 2, and 9, is placed in 11th and Jupiter, lord of 4 and 6 is placed in the 12th .h

From the above it is clear that 2nd cusp sub lord Moon signifies 11 and 2 at all levels.

11th cusp sub lord is Kethu placed in 5th. Kethu is in Rahu star placed in 11th and sub lord Mars lord of 3, 7 and 8 is placed in the 2nd house.

4th cusp sub lord is Rahu placed in the 11th house. Rahu signifies 11 at star level (Venus) and 4 and 11 at its sub lord level (Rahu).

Timing of the event

Significators of 2, 3, 4 and 11, and the conjoined period of these significators.

2nd house=Mars, Saturn, Ven, Merc, Rahu,

4th house=Jup/ 11th house =Sun, Merc, Rahu, Kethu, Venus, Sun and Jupiter.

Ruling planets at the time of judgment—
Asc=Venus-Jupiter-Moon/ Rasi=Venus-Rahu-Rahu/ Day lord= Mars.
Rahu represents- Merc-Jup-Venus-Saturn./ Kethu represents-Sat-
So, the effective ruling planets are—Mercury- Rahu- Saturn-Jupiter-Venus.
Common fruitful significators are---Rahu-Kethu-Saturn-Mercury-Venus-Moon-Jupiter.
Dasa analysis---
Under Rahu dasa, Rahu bhukthi is from 20-Oct-2015 to 03-7-2018.
Rahu is among the common fruitful significators, and signifies 11 at star level and 4 and 11 at sub lord level.
The period of Antara lord Saturn runs from 26/7/2016 to 29/12/2016/. Saturn is among the fruitful significators and signifies 2 at its star level and 4 and 11 at its sub lord level.
Sun transits in Sun sign on Venus star from 31/8 to 13/9.
The period of Sookshma lord Mercury runs from 20/8/2016 to 11/9/2016. It is among the common fruitful significators and signifies 2 and 11 at its star level and 2, 4 and 11 at its sub lord level.
Now that the sookshma period has been arrived at, I have to fix the date with the help of Moon's transit.
I have failed in predicting the specific date. (Predicted between 05th to 8th Sept).
Facts of the case—the parcel was received on 3rd Sept 2016 @06-00-00 pm when Moon was transiting in Virgo sign- Merc-Moon-Rahu-Rahu.
From the above it has become clear that the event fructifies during the most effective period of the ruling planets and fruitful significators only, but not in the period of the tempters.
Thanks to K.P. astrology wizard Sri KSK and to his theory of sub lord and ruling planets. I also thank Sri Kanak Kumar ji for his continued support by accepting my articles.

US doubts Russia's claim it killed ISIS spokesman
By Merieme Arif, Holly Yan and Jim Sciutto, CNN
Updated 2337 GMT (0737 HKT) August 31, 2016

(CNN)Russia said one of its airstrikes in Syria killed ISIS spokesman Mohammad al-Adnani -- a claim that a US official called preposterous.

On Wednesday, Russia's Ministry of Defense announced it killed the terror leader on the ministry's official Facebook page. It said Adnani was one of up to 40 ISIS militants killed by a Russian bomber in Aleppo province.

But a US defense official slammed Russia's assertion.

"It would be laughable but for the very real humanitarian suffering Russia has inflicted," the defense official said Wednesday. "We stand by the statement we made yesterday. We conducted a strike that targeted al-Adnani. We are assessing the results of that strike."

That attack was carried out by a US drone, two US defense officials told CNN on Wednesday.

On Tuesday, ISIS announced Adnani's death in a rare public statement. His death marks the highest-profile killing yet of an ISIS member.

A key deputy to ISIS leader Abu Bakr al-Baghdadi, he was floated to be his successor should anything happen to Baghdadi.

A statement from ISIS' Amaq news agency on Tuesday said Adnani died while inspecting military operations in the area of Aleppo. ISIS has not revealed his cause of death and said it was "determined to seek revenge" for the killing.

"After a journey filled with sacrifice and fight against non-believers, the Syrian Gallant knight, Abu Mohammed al-Adnani, joined the convoy of martyr leaders," ISIS said.

"To the filthy and coward nonbelievers and to the holders of the Christ emblem, we bring the good news, which will keep them awake, that a new generation in the Islamic State ... that loves death more than life ... this generation will only grow steadfast on the path to Jihad, stay determined to seek revenge and be violent toward them."

'Significant blow'
Pentagon press secretary Peter Cook said Tuesday that while the results of the US-led coalition's airstrike against Adnani were not clear, his "removal from the battlefield would mark another significant blow to ISIS."
Who was ISIS leader Mohammad al-Adnani? 02:32
"Al-Adnani has served as principal architect of ISIS' external operations and as ISIS' chief spokesman. He has coordinated the movement of ISIS fighters, directly encouraged lone-wolf attacks on civilians and members of the military and actively recruited new ISIS members. The U.S. military will continue to prioritize and relentlessly target ISIS leaders and external plotters in order to defend our homeland, our allies and our partners, while we continue to gather momentum in destroying ISIL's parent tumor in Iraq and Syria and combat its metastases around the world.
More than a spokesman
As spokesman, Adnani was the group's most prominent face, the first to announce the ISIS caliphate even before Baghdadi did.
But he was much more than a spokesman, CNN terrorism analyst Paul Cruickshank said.
Adnani was well-known for ordering operatives to attack countries participating in the coalition against ISIS. Western intelligence believes he had command responsibility for the November 2015 Paris attacks.

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars, then it is mischievous. If it is Jupiter, it is true. And, if the lord happens to be a planet connected with Saturn in any manner, the report is false; but if connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3rd. (Sagittarius $04^0.14'.37"$): The sub lord of the 3rd cusp is Moon. Moon is in the star of Venus and sub of Venus. Here 3rd sub lord Moon is aspected by Saturn, but is not connected with Jupiter, hence the news is false.

My opinion: Yes, this is message is false.

Questions & Answers

Question 1: House Grouping for 4th House

In Astro Secrets, Part-III by Sri K. SUBRAMANIAM, Second Edition 2005 – 06, page no 44 , it is printed as below:

IV CUSP

1. Discharge from hospital : - Houses II, IV and XI sub lord of the IVth cusp.

2. Construction of house : Houses IV, XI and XII sub lord of the IV cusp.

Sir, I could not understand the above statement. Please help me in this regard.

Answer 1:

1. For discharge from hospital: -- The sub lord of the 4th cusp, which indicates ones residential area, should be connected with the significators of the 2nd, 4th, and 11th houses. One will be discharged from hospital during the dasa -bhukti-and antra of significators of the 2nd , 4th , and 11th houses.

2. For construction of house - - The sub lord of the 4th cusp should be the significator of the 4th for building a house to live, the 11th to get fulfillment of one's desire, and the 12th for investment. Construction or purchase of a building will happen during the dasa -bhukti -and antra of significators of the 4th, 11th and 12th houses.

Question 2: KP Significators

I have purchased the book " PRASHNA JYOTISH "., AND GOING THROUGH THE ARTICLES OF KPEZINE REGULARLY.

Significator are mentioned as " in the star of occupant or owner " in the book as well as in some articles in KPEzine.

For signification of the event to be promised, most of the time Mr. Kanak Bosmia refers in his articles that significator " in the star of occupant or owner ".

This indicates A and D significators only out of A,B, C and D significators.
Can we consider significators A and D only out of A,B,C,D?

As I understand that significators A,B,C, D is the list of priority.
So,preference is given to A and D significators.

As I understand A is most powerful, then B, then C and lastly D.
But here preference is given to A and D only, i.e. in the star of occupant -- A and owner -- D.

I am totally confused by this.
I request for your advice on this.

Answer 2:
All the A,B,C,D significators from the KP significator table are to be considered.
Preference is given to the A and D significators because of the important role of the planet's star lord.

Question 3: Choice of Fruitful Significators
I request you for the clarification of the following:

Is it necessary to select the dasa, bhukti and antra lords from the common significators between ruling planets and significators of the concerned houses?

Can we select the dasa , bhukti and antra lords other than common significators, if the planet and sub lord is signifying the concerned houses?

Answer 3:
Finding the common significators with the help of ruling planes is used by many KP astrologers.

Without using the ruling planets, the DBAS lords can be chosen by their signification of any of the required houses at any level of planet, its star and sub levels.

In this regard, here are selection methods of fruitful significators:
1) Significators of planets with no planets in their stars, which are the strongest significators of houses under consideration by sub lordship to them (same as in the Golden Rule: to take the planets which are posited in the sub of significators whose constellations are not tenanted.);
2) Significators whose sub lords are the significators of houses under consideration;
3) Significators which are the cuspal sub lords of houses under consideration;
4) Significators appearing many times amongst significators.

Question 4: Promise of Marriage
I am enclosing a chart, born on July 28, 1987, for your opinion on marriage.

Here 7CSL Saturn signifies 7 and 11 houses. so marriage is promised.
But the sub lord of Sa, Venus is not at all signifying any marriage house.
Then can we say, even though marriage is promised, marriage may not be celebrated, as sub lord is final for deciding the event.

For the promise of marriage, I am of the opinion that 7th csl should signify either 2 or 7 or 11 house.

But some are of the opinion that 7th CSL should signify 7th house is a must other than 2 and 11 houses and also 5 and 8 supporting houses for marriage.

I request for your kind opinion on this subject.

Answer 4:
As long as the 7th cuspal sub lord (CSL) signifies any of marriage houses 2,7, 11 at any level of planet, its star and sub lords, marriage is promised.

In this case 7th CSL Saturn is in house 4, lord of houses 6-7-8, in the star of Mercury in house 11, l/o houses 3-11, and in sub of Venus in house12, l/o house 4, the strong significator of 8 by cuspal sub lordship having no planet in its stars.

Since the 7th CSL Saturn signifies 7, 11, marriage is promised. Here the sub Venus' signification of negative houses 8,12 indicates possible difficulties in marriage.

Promise of marriage does not guarantee the celebration of marriage, which can be materialized during the joint dasa period (DBAS) of significators of houses 2,7,11. In considering whether a dasa period lord is a fruitful significator for marriage, the sub lord will be the deciding factor.

Question 5 : Denial of Marriage
I refer to your articles IN NAVARATNAMALA-2, " KP FOR BEGINNERS PART-7 ", page:64, under sub heading 7.

I have enclosed the chart for the birth details given. Here the 7 CSL is Venus.
No planet is in its star. So Venus is the strong significator for which houses it is the cuspal sub lord.
Venus is the cuspal sub lord for 2,5,7, 8 and 11 houses. So Venus is a strong significator for those houses.
That is, Venus is the 7th CSL, signifying 2,5,7 and 11 houses, so marriage is promised.
As sub lord of Venus, Moon , is not signifying any marriage houses, marriage could not take place.
So, can we say that, marriage is promised by 7CSL, but could not takes place because of sub lord is not signifying the marriage houses.

Aspect of Saturn on 7th house is another in this horoscope.
So, what is our conclusion?
Denial of marriage is due to Saturn aspect on 7th house or due to sub lord of 7CSL.

Answer 5:
If the 7th CSL does not signify any of marriage houses 2,7,11 at any level of the planet, its star and sub, marriage denied as mentioned in the *NAVARATNAMALA-2, " KP FOR BEGINNERS PART-7 ", page 64, under sub heading 7.* .

Quote:
7. .. *"If Sani has no connection with houses 2,7 and 11 but only throws its aspect, this portends denial and even disappointment."* is found working in the chart given below.
8. *Chart 1*: Male, 24 October 1964. 15.12 PM IST, 18N32, 73E52, New KPA (2003) 23:16:32, Asc Aq 14:16:06, Moon Dasa balance 1Y:8M:8D (attached). Saturn in 1st house throws aspect on 7th house by Hindu aspect but Saturn does not signify any of 2,7,11 marriage giving houses, i.e. Saturn is in 12, lord of 1,12 and in the star of Mars in 6, lord of 3,10. Moreover, 7th cusp sub-lord Venus is in the deciding sub-lord of Moon, which is in 4, lord of 6. Thus marriage is denied as per KP.
Unquote

In the given chart, 12/Jan/1987, 11:35:00 PM, HYDERABAD, ANDHRA PRADESH, India –

7th CSL Mercury is in 4, l/o 1,10, in the star of Sun in 4,l/o 12, and sub of Moon in 9, l/o 11.
Since 7th CSL Mercury signifies 11 at the sub level, marriage is promised.

So Kanak says that in this case if we use 4 fold significator table, we don't get answer, but if you try with 6 fold significator table, we will get answer. There is nothing wrong to sue 6 fold table. If we use planet A is in the star of B, and sub of C means 6 fold not 4 fold.

6 fold significator table

Planet	A	B	C	D	E	F
Mercury	9	4	4	11	12	1-10

Here it is to note the double role of the sub as the decider (whether the matter signified by the planet and it star will fructify or not) as well as significator. If the 6 fold significator table is used directly, there will be no deciding role for the sub, especially in choosing the fruitful significators without using the ruling planets. That is why the 6 fold signifcator table was deleted in the 6 volumes of KP Readers although it was mentioned in the 1965 KP two volumes.

Question 6: Significators of DBAS Lords
In predicting the time of event, like marriage:
Some KP astrologers are of the opinion that marriage will take place in the dasa which signifies 7th house. It is a must. Similarly with bhukti.

Some are of the opinion that marriage will takes place in the dasa and bhukti, at least one should signify 7th house.

Another opinion is that all DBAS lords should signify at least one house out of the house grouping, say for marriage 2,7, or 11.

I am totally confused.
I request for your valuable suggestion/ opinion.

In KP system, dasa lord is prime minister, bhukti lord is minister, antara lord is deputy minister and sukshma lord is state mininter etc.
Then, for marriage to takes place in a dasa - Is it not necessasary that the DASA lords should signify 7th house?. Without prime ministers permission, other ministers cannot act on their own.

Some are of the opinion that either dasa lord or bhukti lord should signigy 7th house for marriage to take place in that D/B/A/S.

Some more are of the opinion that in D/B/A/S, any one can signify the house grouping, for marriage, 2, 7 and 11, and in total all the 4 lords should signify at least one house for the event to take place in that D/B/A/S.

For example ,if dasa lord signify 11th house and antara lord signify 7th house , bhukti lord signify 2nd house and sukshma lord signify 2nd house, then marriage will take place in that D/B/A/S.

Then this will not follow the rule of KP as Dasa lord is Prime minister Etc.,

I request you for your valuable advice on this .

Answer 6:
In choice of timing of event, the fruitful DBAS are chosen by using the ruling planets or the sub as said in the choice of fruitful significators, and more weight is given to dasa first, bhukti second.

Name: Female
Question: Will I be able to get admission in desired program and course in Australia? Or I will have to compromise in both.
Number: 249 (out of 249)
Date of Judgment: 28-03-2015, Saturday; Time of Judgment: 11-28-03 AM IST
Place of Judgment: Kankariya-Ahmedabad Long/Lat: 23° N 0', 72° E 36'.
Ayanamsha: 23^0.58'.46" Dasa Days: 365.25

Hints (Higher study):
If the cuspal sub lord of the 5th (9th is higher study, and going abroad for higher study is 9th from the 9th which is the 5th) be the significator of 9, 12 going abroad for higher study is promised during the joint period of the significators of 3, 9, 12.

Cuspal sub lord

Cusp 5th (Cancer 17^0.35'.58"): The sub lord of 5th is Mercury. Mercury is in the star of Jupiter and sub of Mars. Mercury is occupant of 12, owner of 4-7. Star lord Jupiter is occupant of 5, owner of 1-10. Sub lord Mars is occupant of 1, owner of 8-9. No planet is in the stars of Mars, and Mars is CSL of 12. Thus the 5th cusp sub lord, Mercury, signifies 5-1-10 and is connected with 4-7-12-1-8-9. Hence, going abroad for higher study is promised.

Here you have asked about a desired program and college. Thus, checking of the 11th sub lord is a must.

Cusp 11th (Capricorn 17^0.35'.58"): The sub lord of 11th is Saturn. Saturn is in the star of Saturn and sub of Sun. Saturn is occupant of 8, owner of 11-12. Sub lord Sun is occupant of 12, owner of 6. Thus, the 11th cusp sub lord, Saturn, signifies 8-11-12 and is connected with 8-11-12-6.

My opinion: The 5th sub lord indicates higher study abroad. But the 11th (fulfill of desire) does not signify 9 (higher study). On the contrary, it indicates the 8th. Thus, I don't think you will get admission in a program or college as per your choice. You will have to compromise.

Outcome: She did not get admission this year. After one year, she got admission, meaning in the next term and not in the same term that she asked for.

Transfer of job - A developing story (II)

By: Sumanadasa Namarathna
(Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace
No.22/1, Udugampola Road, Marapola, Veyangoda,
SRI LANKA Email: sumana1946@gmail.com

In my previous article on this topic, (Transfer of Job - A developing Story Part I that appeared in the November 2016 Issue of KPEzine), I discussed and proved the KP rule for separation between husband and wife, by hidden planetary behaviors which came out of a KP rule relating to transfer of job. As per the story, the two children, too, have been separated from their father, and also the husband had to separate from his wife. Although these types of separations are frequent when a job transfer is involved, the family members involved in this issue are different from the nature of such general separation owing to a job transfer.

Let's see the chart of the husband.
Name: Male, Date: Friday, 27/Jul/1973, Time: 08:45:00 PM SID: 17:02:22, Place: Ampara, North Eastern, Sri Lanka, Lat: 07:18:00 N, Lon: 81:41:00 E, Ayanamsa: 23° 23' 52", Lagna: Aquaries , Star: Aridra, Pada 2, Bal. Dasa: Rahu 12 Y, 02 M, 00 D, (SW used KPAstro 4.1)

The sub lord of the 7 cusp is Rahu who is placed in 10, in the star of Kethu in 4, and in the sub of Mercury. Rahu is a depositor of cusp 10 (12th to 11, loosing the permanent tie of friendship with partner), in the sign Sagittarius (A Dual sign) and as per the rules of Nodes, Rahu represents its aspecting planets Saturn, Moon and Mercury from the sign Gemini, a well known nasty sign for separation. Also, Kalathrakaraka Venus+ aspects from the 6th cusp (untying the legal bondage), that is also under the co-rulers of Kethu and Saturn the lord of 12 & 1 (separation) in 4 (losing the lovable affairs). Mercury, the Sub lord of Rahu, being the sub lord for 3 (away from home/family), 6 (separation), 9 (being 3rd to 7 - partner going away from residence to be separated /second marriage) and 12 (separation), is in the star of Jupiter (R), lord of 2 and 11 posited in 11, but associating the 12th cusp by a close orbit. Mercury is in the sub of Moon the lord of 6th in 4 as discussed above. Thus, the KP rule No. 1 below, for Multi Marriage has been satisfied.

For the benefit of the newbies of the KP system, I wish to lengthen this story by discussing two other tested rules for assessing multi marriage, and for separation or divorce, propounded by Sri Kanak Bosmia ji, the editor of this KPEZine, under the guidance of Late Sri Raichur ji, a prominent KP Scholar, and Sri Tin Win ji, known as a walking Encyclopedia of KP.

The assumptions are: Gemini (Mithuna), Sagittarius, Pisces (Meena) are Dual signs (for this study); MERC, JUP (Budha and Guru) owning these signs are considered as DUAL Planets (for these guidelines only).

Hindu Aspects (Vedic aspects) with no orbs, i.e. Sign to Sign are considered.
While finding or checking significators of houses within these parameters, the rules are:
RULE-1: MORE THAN ONE marriage is indicated if BOTH the following conditions are satisfied simultaneously:
(i) The sub-lord of the 7th cusp OR its Star lord is deposited in a dual sign (Gemini, Sagittarius, Pisces), OR if the sub-lord of the 7th cusp is Mercury/Jupiter;
And
(ii) The sub-lord of the 7th cusp is also a significator of either of the houses 2 or 11 or both.

If any of the above two conditions is not satisfied, then second marriage is denied.

RULE - 2: Second marriage is indicated if the sub-lord of the 2nd cusp is also a significator of either of the houses 7 or 11.

RULE - 3: As per Kanak ji :THE ASSUMPTION IS THAT THE 2ND WIFE IS CONSIDERED AS THE YOUNGER SISTER OF THE FIRST, then second marriage is indicated if the sub lord of the 9th cusp is a significator of either of the houses 2 or 9 or 11.

Rule -1: above has already been satisfied (see the explanation of 7th cusp sub lord above).
Rule -2: The second cuspal sub lord is also Rahu and the same results come out.
Rule - 3: 9th Cuspal sub lord is Mercury, as discussed above under Rahu, has completed its significations for multi marriage, being posited in the star of Jupiter, who owns 2 & 11.
It is crystal clearl that a separation or divorce is in operation as said by Sri KSK ji in his Reader IV titled Marriage, Married Life and children.

"The 12th house to the houses 2, 7 and 11 are all detrimental for smooth, pleasant family life with wife. ... If the significators of 2, 7 or 11 happen to be the significators of 1, 6 and 10, then separation will surely happen and then it may lead to divorce... If separation is caused by wife running away ..., then in one's horoscope, the signifiator of 7 will also be the significator of 6 and 9. If the person does not like the wife and goes away, then we have to judge the houses 3 and 12." - Page 192

Significators of 2, 7 & 11 and their significations for 1, 6, 10
Siagnificators of 2: Jupiter (6), Mercury (10), Mars (10) and Saturn (1, 10)
Significators of 7: Sun+ (1)
Significators of 11: Jupiter, Mercury (as above)
Thus all the significators of the marriage houses concerned are signifying detrimental houses for marriage.

Date of transfer vs running DBAS of husband
At the time of the transfer of the wife, the husband was running Saturn, Rahu, Jupiter and Mars respectively being DBAS. On that Day, MD Saturn was transiting in the 10th of his natal chart in the star of Mercury posited in 11, a significator of 12 & 8 in the transfer chart, and sub lord of 3, 6, 9 & 12 in the natal chart.
Bukthi lord Rahu, being the 7th cuspal sub lord of his natal chart, was transiting through the 7th house in the star of Sun placed in 12.
Anthara Lord, Jupiter, was also transiting through the 7th house in the star of Sun placed in 12.
Shookshama lord, Mars, was transiting in the 9th cusp in the star of Mercury posited in 11, that is in the star of Sun in 12.
Thus, all the DBAS were connected with the 12th for separation at the time of his wife's transfer.
What will happen in future?

Querist- On 27 May my daughter, Mrs Krishna, from Solihul (U.K), asks "when will I get a house for rent?"
On 27 may 2016, I have erected a time chart @16-39-39 hours at Secunderabad---
Ascendant=VENUS-RAHU-KETHU.
Rasi=SAT-MOON-SAT.
Day Lord=VENUS.
Rahu represents—JUP, SUN, AND SAT. / Kethu represents—MARS, JUP AND SAT.
So, ruling planets are=VENUS (2)-SAT (2)-MOON-RAHU- KETHU.

1) Saturn represents more than one year period.
2) Jupiter represents within one year period.
3) Sun represents one month period.
4) Moon represents day and date.
5) Lagna represents time in hours and minutes.

1) First let me check whether the event is promised—if the 11th cusp sub lord signifies 11th or any one of the relevant houses of the matter in question, the event is promised.

As per the time chart – the 11th cusp sub lord is Moon. Moon is the lord of 10 placed in the 4th and signifies 4 at both levels. The 4th is one of the relevant houses regarding the matter in question.
So the event is promised.

2) *Saturn Transit*—Saturn is transiting in Mars sign and is conjoined with Mars. Kethu, which is a ruling planet, represents Mars. So, Saturn should give the result before it leaves Mars sign, Scorpio.
3) *Jupiter transit*—Jupiter is transiting in Sun's sign with Rahu. Rahu, which is an RP, represents Sun and Jupiter, whom we will, therefore, deem to be among the RPs. So, Jupiter should give the result before it leaves the Sign of Sun. The available stars in Sun's sign, Leo, are-Kethu star-Makha; Venus star-Pubba; and Sun star-Uttara. Presently, Jupiter is transiting in Venus star up to 24 July 2016. Venus is in the RPs and is strongly reflected twice. So, Jupiter should give the event before it finishes its transit in Venus star that is before 24 July 2016.
So Sun should also give the result during this period only that is before 24 July 2016.
4) *Sun transit*—presently, Sun is transiting in Venus sign in Moon star from 25/7 to 8/6. Both, Venus and Moon, are in the ruling planets.

Out of the Ruling planets I am now left with SAT, RAHU AND KETHU.

5) Day and date are arrived at either by using sub sub lord's movement of the Sun, or by Moon transit also.

I preferred to use the sub sub lord's movement of the Sun's transit—

Sun transit will give the result when it transits in Saturn, Rahu and/ or Kethu subs and sub subs as ruling planets at some level in some form or the other.

Now let me see the Sun transit----

All the planets will be reflected as RPS on 04/6/2016 on the said longitude in Venus sign. So, the event date would be 04-June 2016.

Facts of the case---Mrs Krishna has informed me over the phone that she has shifted her erstwhile house at Solihul- U.K after finalizing the rental agreement on 04 June 2016.

Question. Can I get promotion and get administrative position?
Number. 36 (out of 249).
Date of Judgment: 09-04-2016; Saturday; Time of Judgment: 11:28:18 AM IST
Place of Judgment. Kankariya-Ahmedabad; Long/Lat: 23° N 00', 72° E 36'.
Aynamsha 23^0.59'.38"; Dasa Days: 365.25

Hints
If the cuspal sub lord of the 11th be the significator of 2, 6 or 10, 11 promotion in service is promised during the joint period of the significators of 2, 6 and 10, 11.

Cuspal sub lord
Cusp 11th (Pisces 09^0.27'.31"): The sub lord of the 11th is Venus. Venus is in the star of Saturn and sub Sun. Venus is occupant of 11, owner of 1-6. Star lord Saturn is occupant of 7, owner of 9-10. Sub lord Sun is occupant of 11, owner of 4. Thus, the 11th sub lord, Venus, is significator of 7-9-10 and is connected with 11-1-6-4. Hence, indications of 6-10-11 give you promotion.

Ruling planet:
At the time of judgment ruling planet are as under.

	Day lord	Sign Lord	Star Lord	Sub Lord
Day: Saturday	Saturn			
Ascendant: Gemini 15^0.40'.04"		Mercury	Rahu	Venus
Moon: Aries 21^0.03'.14"		Mars	Venus	Jupiter

Ketu is aspected by Mars, hence represents Mars. The ruling planets are Saturn, Mercury, Venus, Mars, Jupiter, Rahu and Ketu.

Joint Period
At the time of judgment running Dasa of Venus continues till 11-09-2024. Joint period running is Venus-Jupiter-Venus till 13-08-2016.

We have discussed about dasa-Antra lord Venus above. Venus is also in the RPs and appears twice therein.

Bhukti lord Jupiter is in the star of Venus and in its own sub. Jupiter is occupant of 4, owner of 8-11. Star lord Venus is occupant of 11, owner of 1-6. Sub lord is also Jupiter. Thus, bhukti lord, Jupiter, is significator of 11-1-6 and is connected with 4-8-11. Hence, bhukti lord Jupiter indicates 6-11, thus assuring promotion. Jupiter is in the RPs also.

My opinion: Promotion is sure before 13-08-2016.

Outcome: Prediction comes correct.

Native : Shilpa
DOB: 23rd December 1990, 11.40 am, Kota, Rajasthan
Query: Marriage
Date, Time and Place of judgement: March, 31st 2015, 10.03.51 am, Gopalpura, Jaipur, Rajasthan

Hints: If 7th cusp is signifying 2, 7 and 11 through its star lord and sublord then marriage is sure during the DBAs of 2, 7 and 11.

Analysis of 7th cusp: Sublord of 7th cusp is Saturn .Saturn is in the star of Sun and sub of Rahu. Saturn occupies 11 and owns 1 and 12. Sun is posited in 10 and occupies 7. Rahu represents Saturn. Thus, the 7th cusp is signifying 7 and 11. This means that marriage is certain.

Significator Planets of 2, 7 and 11

Cusp	Planet in occupant's star	occupant	Planet in Owner's star	House owner
2	_	_	_	Mars
7	_	_	Mars, Saturn, Rahu	Sun
11	Venus ,Ketu, Moon	Venus, Saturn, Rahu	_	Jupiter

Significator planets are Sun, Jupiter, Ketu, Rahu, Moon, Venus, Mars and Saturn.

Ruling Planets on 31st March 2015 at 10.03.51am
Ascendant sign lord: Venus
Ascendant star lord: Moon
Moon Sign lord: Moon
Moon Star lord: Mercury
Day lord: Mars
Rahu is representing Mercury and Mercury is in the RPs. So Rahu is also a RP.
Common significator planets among ruling planets and significators of 2, 7 and 11, are Mars, Moon, Rahu and Venus.

Running Dasha Analysis;
Dashanath Saturn: (15.10.2013 to 15.10.32)
Although Saturn is not a common planet, yet we can see its star and sub significations because Dasha will go up to 15-01-2032 which is too long. 7th cusp sublord is also Saturn. Basic common sense says that native's marriage will take place before that. At the time of prediction, the age of the native is 24 years and 4 months.

Marriage Age of a Native

and Sookshma will be done. We have to see some check points for this. We also need to know the method for selection between two or more Bhuktis and Antaras from amng the common planets that vote for the materialisation of the event of marriage. Of course, intuition of an astrologer is also required. But, intuition is also based on some logical clues. However, sometimes and quite interestingly, an event occurs during the period of a non-significator planet. It's a matter for research whether transit or anything else plays a role in that. In that case a tentative marriage age of native may be taken as check point to see that. Average of age of 7th cusp sublord and its star lord planets is the age of marriage of the native. By an unknown reference, ages of the planets are as under:

Sun-25years, Moon-25 years, Mars-24 years, Mercury-32 years (or 18 years according to a different opinion), Jupiter-22 years, Venus-28 years to 34 years, Saturn-26 years or 32 years, Ketu-32 years, and Rahu-26 years. Some references give 28 years for Rahu and Ketu. Although I do not use these regularly, they have been useful in finding, instantly, a past date of marriage in a birth chart, if 7th cusp is signifying marriage, to check the correctness of a birth chart. Again, however, this is a matter for research. Readers are free to use this notion and draw their own conclusions in regard to its authenticity and utility.
In a case where the sublord of the 7th cusp is Saturn (its age being taken as 26 years), and the star lord is sun (its age being taken as 25 years), then the average age of both is 25.5 years. The native may get married at this age. The age of the native at the time of judgement is approx. 24.5year. Approx. one year later, we can see the relevant Bhukti and Antara when she attains the age of 25.5 years. As per general rules and principals of astrology, if the marriage is late, then some period of 6 months may be added .We do not need not to go in to details .This may be used only to gain a rough idea in order to cross check DBA i.e. during 2016.
Running Bhukti is of Saturn from15-10-13 to 18-10-16. Bhukti of Saturn cannot be selected because it is already selected and also not a common significator. Next Bhukti is that of Mercury from 18-10 -16 to 28-6-19. Marriage is certain during this period because the anticipated age of marriage, worked out to be 25.5 years, lies in this span of period. But Mercury is neither a significator nor a common planet.
I rechecked the next bhukti which is of ketu. Ketu, too, is not a common significator planet. So, instead of telling the client that there is no chance of marriage in the coming 3 or 4 years, I advised her parents to wait till she attains the age of 25 years and 6 months, and thereafter, God may shower his grace for materialising the marriage of their daughter.

Outcome: Actual date of marriage is 24th November 2016, during Antara of Venus (15-11-16 to 8-12-16). I observed that despite the bhukti being that of a non-significator planet, her marriage was solemnised. A lot of research needs to be conducted to figure out, in such type of examples or cases, what factors play a role in causing the occurrence of an event.
I am thankful to Sh. Kanak Sir for inspiring students like me to do regular research to find more and more.

Note from Editor Kanak Bosmia:
In this case you use 5 RP, but you need to use 7, as I observed in Book Prashna Jyotish, in many case C.R. Bhatt mention we have no control on dasa, but if you check with 7 RP you found answer of this question.
7 RP are as under

Recovery from illness

This was the question which arose suddenly in my mind on 2 Sep 2016 and without any hesitation I opened my astrology book lying on my table, opened and took page no.105 as a horary number. I erected the chart without any time lapse at 13-40-24 hours at my place – Secunderabad. The chart is attached.

Since the horary question is raised by me without any body's instance, I have not rotated the chart for my friend's house.

1. 11th house speaks of my desire/wish and its fulfillment:
11th lord, Mercury, is in retrograde motion. It is conjoined with 8th lord Jupiter in the same degrees of orb, and Venus lord of 10 with in 5 degrees of orb.
Mercury is in Sun's star, lord of 1 and 12 conjoined with Rahu – a first class malefic. It is in Saturn sub, lord of 6th in 3rd.
Thus, Mercury indicates 11 and 12 at its star level and 6 and 7 at its sub lord level. So, I feel that except the 11th all the other three bhavas and the planets clearly indicate unfavorable results only.
11th cusp sub lord is Sun and it signifies 3-negative to 4th coming home, 10- to experience the past karma and one of the terminal houses, and 12- loss of life, indicate all negative houses and, therefore, I thought that the result would also be negative.

2. Moon, the significator of my mind, is placed in the 12th with malefics Rahu and Sun is the lord of 12, a malefic house, indicating loss. It is also aspected by Saturn lord of 6th-a malefic. Moon is in Sun's star lord of lagna- a malefic, and is in the sub of Moon lord of 12th in the 12th cusp.
The horary question was raised in my mind at such a crucial time when my friend Mr Rao had been admitted to the hospital in USA by his children on 2nd Sep 2016 for acute problem of breathlessness, and doctors were making all necessary efforts to save him.

So, from this it has become clear to me that the result will not be favorable for me.

3. Even if I have to consider the chart from my friend's angle, his lagna house (11th), I have to look for the 3rd, which is the 5th to 11th house.
3rd cusp sub lord is Sun the lord of 1, 3 and 7, signifies 1 at its star-Venus- level.
What K.P. Rules say in Medical astrology?
Now let me analyze an important group of houses which speak of the position of the life of the Native, and they are 2-7 and 12 and badhaka house. 2 and 7 are maraka houses and 12 is the house Of death /moksha /end of life.

The significators of 2-7 and12 houses are as follows:

(A) 2nd house significators are-MERCURY-MARS- SATURN.

Mercury is the lord 2 and 11 and is in the 1st (2- maraka and 1 -native).

The star lord MARS is lord of 4 (terminal house) and 9 (badhaka house for Leo lagna) in 3rd (negative to 4th – coming home).

Sub lord Saturn is the lord of 6 and 7 is in 3rd with Mars –badhaka sthana adhipathi.

All the three lords clearly signify 2-maraka, 4-terminal house, 3- negative to 4th- coming home, 6- disease, and 7- treatment by doctors, 9- badhaka house, and 12- final emancipation.

(B) 7th house significators are-SATURN-JUPITER- SUN.

Saturn is already discussed above.
The Star lord, Jupiter, is the lord of 5 and 8 is in the lagna cusp.

The sub lord is Sun, who is the lord of lagna and is in the 12th cusp.

Thus all three lords signify 1- native, 3- negative to 4th - coming home, 10- to experience the past karma, and 12- hospitalization and final emancipation, and at its sub level 12- final emancipation.

(C) 12th cusp significators are- MOON- SUN- MOON.

Moon, the SGL and SBL, is the lord of 12th and is in 12.

The star lord Sun is the lord of lagna who is posited in the 12th cusp.

All three lords clearly signify 1 and 12.

(D) The significators of the 9th house-Badhaka house for Leo lagna— are MARS- SUN- RAHU.

The Sign lord, MARS, is the lord of 4 (terminal house) and 9 (badhaka house for Leo lagna) placed in 3rd (negative to 4th – coming home).

The Star lord, SUN, is the lord of lagna and is in the 12th cusp with Rahu.

The Sub lord Rahu is in the 12th. Rahu signifies 1, 3, 10, 12 at its star (Venus) lord level, and 1, 3, 6,7,12 at its sub lord Rahu level.

From the above analysis of the important group of houses i.e. 2-7-12, it has become clear that the hope for my friend to come back safely from hospital looks very bleak.

SIGNIFICATORS OF 2ND HOUSE=MARS-MERCURY/ 7TH HOUSE= SATURN AND 12TH HOUSE= MOON-MERC-JUP-VENUS- KETHU- SUN – RAHU. (KETHU represents =Sun-moon-sat-mars) and (RAHU represents =sun-moon-sat and Sun and Moon are closely conjoined with Rahu).

RULING planets @TOJ=JUP-KETHU-VENU (2)-SUN (2) -MOON-SAT-RAHU.
Common fruitful significators= JUP-KETHU-RAHU-SUN-VEN-MOON-SAT.

The dasa lord SUN is up to MAY 2022. It signifies 1,3,10 12 @ STL and 12 @SBL.

The bhukthi lord MOON is from 22/8/2016 TO 21/2/2017. It signifies 1 and 12.

The antara lord, which is also sookshma lord, Rahu (signifies12) and is in CFS. The period runs from 17/9/2016 to 14/10/2016. Rahu is in CFS and signifies 1, 3, 10, 12 at STL and 1, 3, 7 and 12 at SBL.

SUN transits in Virgo sign –whose lord, Merc. is the significator of 12, in Sun's star (Rahu antara lord is conjoined with SUN) from 17/9 to 27/9.

Rahu sookshma is from 17/9/2016 to 21/9/2016.

So, I thought that the end is likely to come between 17/9/2016 to 21./9/2016.

Facts of the case—I got a mail from his daughter in USA stating that Mr. Rao passed away on 19-09 -2016 at 17-30-00 hours (USA timings) at Mary lands hospital USA.

Question: Whether I will pass or not C.A. Exam which is during date 9 to 16 November 2015?
Name: R. kumar Sindhi
Date of Birth: 13th December 1990, Time of Birth: 01: 45 P.M.
Place of Birth: Jodhpur (Rajasthan) Lat: 26°: 16': 00" N, Long: 73°: 07': 00" E
Ayanamsa: 23°: 38': 26"

Hint: If the cuspal sub lord of 4th is the significator of 4 (study), 9 (higher degree) and 11 (fulfillment of desire), then there will be assurance of positive result in the DBAS of 4, 9 and 11.

Cuspal Sub Lord
4th cusp (Gemini 14°:17':01"): The sub lord of the 4th is Mercury. Mercury is in the star of Venus and in the sub of Jupiter. Mercury is occupant of 10 and owner of 4 and 7. Star lord Venus is occupant of 9 and owner of 3 and 8. Sub lord Jupiter is occupant of 5 and owner of 1 and 10. There is no planet in the stars of Jupiter, and Jupiter is sub lord of 12 also. The sub lord of the 4th Mercury is the significator of 1, 3, 4, 5, 7, 8, 9, 10 and 12. Here 4 and 9 are signified. So there is assurance of a positive result.

Selling of lands

By: VSN. Murthy, (K.P. Astro Consultant)

#404, Teja Garden Apartments, Prakashnagar,
KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

On 06-03-2014, an old client came to me and asked the following question about selling of her lands and she gave a horary number 188/249. Immediately, I worked it out astrologically as follows:-
Question: - I want to sell my landed property. Whether it will be fulfilled or not? If so, When?
Horary Number: - 188/249; DOJ: - 06-03-2014; Thursday; TOJ: - 11-48-25 AM; POJ: - Kurnool, (AP);

Hints: - Landed property is indicated by the 4th house counted from Lagna. The 3rd house is the 12th to the 4th house. Lagna indicates the querent. One who purchases the landed property is shown by the 7th house. Houses 10 and 5 are, respectively, 4th (Landed Property) and 11th (fulfillment of his desire) counted from 7th house. Therefore selling away ones property is shown by the houses 3, 5, & 10 counted from the Lagna of the consultant.

Sincerity of the querent can be judged from the position of Moon. In this horary chart, Moon is the occupant of 4th having no planets in her stars. So Moon is a strong significator for 4th house (Landed property). From this we can understand that Moon clearly reflects the mind of the querent.

According to Late Sri. Vaikari Ramamurthy ji, the Lagna Cusp sublord also indicates the nature of the query in horary chart. In this horary chart, the Lagna cuspal sublord, Rahu, is conjoined with Mars (lord of 4 & 11) and Mars aspects the 4th house (Landed Property).

Whether the sale of Land is promised or not can be seen from the following Krishnamurthy Paddhathi Rule:-

You want to sell away your property. Anyone with whom you deal is shown by the 7th house. Whether he will be able to purchase your property or not is to be seen from the 4th cusp counted from 7th, i.e. 10th cusp counted from Lagna.
Judge whether the sublord of the 10th cusp is either retrograde or deposited in the constellation whose lord is retrograde. If the sublord is retrograde wait. If the lord of the constellation in which sublord is deposited, is retrograde, then you will not be able to sell the property. If they are in direct motion and if this sublord is also a significator of either 3rd or 10th house, then you can and will sell.

The 10th cusp is Libra 09-41-27 (Vensu/Rahu/Jupiter):- 10th cuspal sublord Jupiter:

(1) is retrograde. (Jupiter will become direct on 07-03-2014. So the matter will fructify after 07th March 2014).
(2) is deposited in the constellation of Rahu whose lord is not retrograde, and
(3) is also the significator of 3 and 5.
10th CSL Jupiter (6-1, 3, and 12) is in the star of Rahu (10) and in the sub of Venus (1-5, 10).

The matter will fructify during the period of the significators of 3-5-10.

Significators – House View of 3-5-10 is as follows:-

H.No.	Planets in the stars of bhava occupant.	Planets in the bhava	Planets in the star of bhava lord.	Bhava lord.
3	.....	.....	Sun, Saturn	Jupiter.

Ruling Planets at the time of judgment are as follows :-(DOJ:-06-03-2014; TOJ:-11-48-25; POJ:-Kurnool)
Lagna Star lord: - Moon.
Lagna Sign lord:-Venus.
Moon Star lord: - Venus.
Moon Sign lord: - Mars.
Day lord: - Jupiter.

Note:- Rahu is conjoined with Mars and is also aspected by Jupiter. Both these two planets are among the Ruling Planets as Moon sign lord and Day lord respectively. Ketu is conjoined with Moon and aspected by Mars. Both these planets are in the Ruling Planets as Lagna Star lord and as Moon Sign lord respectively. So both the nodes (Rahu & Ketu) should be included in the list of RPs. Then the total Ruling Planets are Moon, Venus, Mars, Jupiter, Rahu and Ketu.

Common planets: -
Moon, Venus, Jupiter, Rahu and Ketu.

At the time of judgment, the querent is running Venus dasa/Mercury bhukthi/Rahu anthra.

Venus is among the common planets. But Mercury is not in the list of common planets. So we can ignore Mercury bhukthi in Venus Dasa. The next bhukthi in Venus dasa is that of Ketu which starts from 01-02-2015 to 30-03-2016. Ketu is among the common planets. So we can select KETU as bhukthi lord in Venus Dasa.

After Ketu, Venus will come as per VMD. We have already selected Venus as Dasa lord. So proceed further for selecting anthra lord. Next after Venus is Sun. Sun is not in the list of common planets. So, ignore him.

Next after Sun is Moon. Moon is among the common planets. So Moon should be selected as Anthra lord. Therefore, the matter will fructify during the period of Venus Dasa/Ketu Bhukthi/Moon Anthra which operates between 28-05-2015 and 03-07-2015.

Thus, I have predicted that the querent will definitely sell her lands during the period of Venus/ Ketu/Moon.

Actual fact: - She took an amount of Rs.50,000/- (fifty thousands) as a token advance on 31-05-2015. She sold her lands and finalized the sale completely after receiving the full amount of Rs. 29,50,000/-(twenty nine lacks fifty thousand rupees). All the lands were registered in the name of the purchaser on Tuesday, 02-06-2015.

Question 1: She is into cleaning business and takes contract of store cleaning and washing stores, buildings etc. Generally, she keeps experiencing problems in getting payments from her customers, but of late, since about 5/6 months, her big payment of about 14 lacs is stuck and her customer is delaying on various grounds and she is forced to take loans from her friends/card company, and is paying heavy interest....when will she get her payment?

Date of birth: 18/03/1980, Tuesday; Time of birth: 05:42:12 AM IST
Place of Birth: Fazilka-Punjab: Lon/Lat: 30° N 24', 74° E 02'.
Aynamsha $23^0.29'.26"$ Dasa Days: 365.25

Hint:
Any money received means your bank position improves, and this is indicated by the 2nd house. As it is given by another, to that extend it is a loss to him, the giver. As it is due, which need not be returned, it is in full a profit.

If the 8th sub lord be the significator (in the star of the occupant or owner) of 2, 6, 11 then, getting the due amount is promised during the joint period of the significators of 2, 6, 11.

Cuspal Sub Lord:

8th Cusp (Virgo $23^0.11'.41"$): The sub lord of the 8th cusp is Sun. Sun is in the star and sub of Saturn. Sun is occupant of 1, owner of 7. Star and sub lord Saturn is occupant of 7, owner of 1-12. Thus, 8th cusp sub lord Sun is the significator of 1-7-12 and is connected with 1-7-12. 8th sub lord does not indicate 2-6-11 at all. Thus, getting dues back is not promised.

My opinion: 8th sub lord does not indicate getting dues back.
Outcome: As per telephone conversation , she did not get dues till date (30-09-2016)

A Horoscope with All Nine Planets Signifying 12th House

By: Tin Win

Email: tw853@yahoo.com

For the following birth chart, all KP predictions regarding marriage have been failed. The native, a research minded KP astrologer thinks that it is not a problem of KP system but astrologers because we are still human beings.
But any way it would be a great help if you would check and tell me whether there is a possibility for a marriage in following chart and if so when?
Male, Monday, 30/Aug/1971, 07:03 AM, GMT + 5:30 hr, SID: 05:23:04, Lat: 07:02 N, Lon: 79:55 E, KP New Ayanamsa: 23° 22' 16", Star: Jyeshta, Pada 3, Bal. Dasa: Mercury 8 Y, 2 M, 11 D

Marriage
7th cuspal sub lord (CSL) Venus+:12,3-10, CSL of 7,11; in star Ketu:11, aspt by Jupiter+:3,5-8, CSL of 6,12 and Saturn:9,6-7, Sgl Moon:3,12, indicating promise of marriage (7,11) with delay and difficulties (6,8,10,12),

In addition, for delay of marriage in this chart, Punarphoo (Saturn-Moon in opposition) and Saturn's aspect on 7th cusp are found.

Possible hope for marriage is during Moon Dasa- Saturn Bhukti (11 Feb 2017 to 12 Sept 2018).
Moon:3,12; in star Mercury:12,2-11; in sub Mars+:5,4-9, CSL of 9;
Saturn:9,6-7; in star Moon:3,12; in sub Rahu+:5, conj Mars+:5,4-9, Sgl Saturn:9,6-7;
Good luck!
Is Foreign Settlement Possible?
A. Natal Analysis
12th cuspal sub lord (CSL) Jupiter+:3,5-8, CSL of 6,12 is in star and sub of Saturn:9,6-7, signifying all required houses 3,9,12 for foreign going.

1st CSL Sun+;12,1, CSL of 1,5,9; in star Ketu: 11, aspt by Saturn: 9,6-7 and Jupiter+:3,5-8, CSL of 6,12, sign lord Moon:3,12 in sub Mercury:12,2-11, signifying 3,9-12.
Significators for 3rd, 9th and 12th houses
3rd: Mo, Ma, Ju, Ve, Sa, Ra
9th : Me, Ju, Sa
12th :Su, Mo, Ma, Me, (Ju), Ve, Sa, Ra, Ke

Since both 1st and 12th CSLs signify houses 3,9,12 and 3,9,12th significators are related to each other, foreign settlement is promised.
But it may not be beneficial abroad since 11th is missing and 5, 8, 12th appear in the 12th CSL's signification.
Good luck!
It is an interesting chart with all nine planets signifying 12th house. Even for a married couple the 12th signification indicates separation or divorce, forever 12th signification may give hard time for marriage.
Also check here one very good research done by Mr. Tin Win in this group titled "A SURVEY OF 100 CHARTS OF FOREIGN SETTLEMENT".

In this series of articles, I am going to show you how the KP rules are binding and connecting each other like a chain in a human life. As Astrologers we are used to closing the chapter and finalizing the matter, when we come to a conclusion, in connection with the request of the client or querist. But to fill the sack of knowledge, we must go beyond the limit of the conclusion of a particular issue and to pick and note the other connecting junctures of the native throughout the analysis, when and if there is any sign of pattern of the planets that may help to find out more issues of the particular native.

Today, I am going to discuss two charts of the children of the subject native by applying the KP rules for separation from father, as a result of their mother's job transfer and allowing the readers to imagine the final outcome of these chart analyses.

Birth details of the two children

1) Name: Elder son, Male, Date: Saturday, 05/Feb/2005, Time: 08:12:00 PM. SID: 04:36:42, Place: Kurunegala Teaching Hospital, North Western, Sri Lanka, Lat: 07:28:00 N, Lon: 80:21:00 E, Ayanamsa: 23° 50' 17", Lagna: Leo, Star: Moola, Pada 2, Bal. Dasa: Kethu 03 Y, 10 M, 14 D, (SW used KPAstro 4.1)
2) Name: Younger son, Male, Date: Sunday, 11/Nov/2007, Time: 11:04:00 PM, SID: 02:19:56, Place: Polonnaruwa Hospital, North Central, Sri Lanka, Lat: 07:56:00 N, Lon: 81:00:00 E, Ayanamsa: 23° 52' 36", Lagna: Cancer, Star: Anuradha, Pada 4, Bal. Dasa: Saturn 03 Y, 03 M, 10 D, (SW used KPAstro 4.1)

Before I make any comment on these two charts, I wish to bring to the notice of the readers, the KP rules for Nodes, since Rahu and Kethu are playing great roles in these two charts, by connecting to the 9th Sub lord.

Rahu and Kethu don't own any houses as all the twelve houses are distributed among the seven planets. But some sages have allotted certain signs as owned by the Nodes; certain signs as their exaltation ones; and the opposite signs as their debilitation signs. But, they themselves don't agree with each other. For prediction, one can offer correct results without taking into consideration their ownerships or exaltation etc. In KP, no aspects at all are assigned for Rahu and Kethu.

According to the various KP literature, including the KP 6 Readers, whether Rahu/Ketu are PLANETs or STAR LORDs or SUB LORDs, results of the following are taken depending on their relevance to the matter under consideration.

1. The House occupied by them
2. The Planet(s) conjoined with them
3. Their Star lord
4. The Planet(s) aspecting them
5. The Lord of Sign occupied by them

Keeping these rules relating to Nodes in mind let's go through the above charts to see whether there is sufficient evidence to show compliance of the KP rule for separation from father.

KP rule for separation from father

If the 9th cuspal sub lord is a significator of the 8th and 12th, separation from father is indicated.

Chart o1 - Elder Son

The 9th cuspal sub lord of this chart is Moon. It is the owner of 12, located in 4, in conjunction with Mars, the lord of Pitrusthana as well as Mathrustahana. Mars aspects the

+ These planets do not have any planets in their stars.

8th house. Kethu and Rahu+ are present as the Star and Sub lord of Moon, respectively. Also, the above said Mars presents as the star lord of Kethu by making him a significator for the 8th house. Kethu is aspected by none and it is in 2. As per the rules for Nodes, Kethu represents (a) its sign lord Venus+, and (b) its star lord Mars. Venus+, with no planets in its stars, is the lord of 3 and 10, in the star of Sun, and in its own sub and, it is opposite the 12th. The Sun, by being the the star lord of Venus+, is in the star of Moon and aspects 8 and 12. Hence, Moon happens to be a significator of 8 & 12 by way of its star lord Kethu. Moreover, Saturn and Rahu are in the sub of Venus+. Saturn, being in the star of Jupiter, is a significator of the 8th cusp and is connected with the 12th cusp by being the Star lord of the 12th cusp. Rahu, the sub lord of Moon, is deposited in the 8th house, in the star of Kethu as explained above, and in the sub of Venus, that is opposite the 12th (by house to house in the Vedic system).
Accordingly, the 9th csuspal sub lord is a significator of the 8th and 12th, and the KP rule for separation from father is satisfied.

Chart o2 - Younger Son

The Moon appears as the Lagna Lord, Lagna Sub Lord, and the 9th cusp Sub Lord in the chart of this child. Moon is located in the 5th, in the sign Scorpio, owned by Mars that is deposited in the 12th house. Moon is in the star of Saturn, the lord of 7 & 8 tenanted in the 2nd house with an aspect to the 8th house. The Sub Lord of Moon is Rahu, located in the 8th cusp, Aquarius sign, owned by star lord Saturn. Rahu is in its own star and in the sub of Jupiter. Jupiter is the lord of 6 & 9 and is posited in the 5th house, in the star of Mercury, and in the sub of Saturn. Mercury is the lord of 3 & 12 and placed in the 3rd cusp. Rahu being a Node is neither conjoined with nor aspected by any planet and represents Saturn, its sign lord, i.e. the star lord of Moon as discussed above.
Thus, the 9th Cuspal Sub Lord of the younger son is a significator of the 8th and 12th, satisfying the KP rule for separation from father.
Transition analysis of the DBAS on the dates of departures of children from the father's place.

1) The Elder son came to his mother, on 2016.02.08 separating from his father. On that day he was under Venus+ Dasa, Mars Bukthi, Moon Anthar and Mercury Sookshama dasa. Maha Dasa lord Venus+, with no planets in its stars, though not a strong direct significator for 8 or 12, has played a great role in the chart, acquiring the significations of the planets in its sub ie Rahu and Saturn. On the day of his departure, Venus was transiting in the 5th house, Sagittarius, with an aspect from 8th lord Jupiter. Venus is in its own star and Mercury Sub, that is, the Shookasma dasa lord. Sub lord Mercury is the lord of 2 and 11 in 5th and in the star of Sun, and in the sub of Mars. Sun, also the Lagna Lord, is in 6th conjoined with Moon, the Anthar lord. Moon is the lord of 12th and aspects 8th. The sub Mars, that is the Bukthi lord, is in the star of Jupiter the lord of 8th and was transiting in 3 (away from home). Thus, DBAS were in mutual connection with each other and significators of 8, 12.
2) The younger son departed away from his father on 2016.09.26, when Mercury, Venus, Saturn and Rahu were operating as DBAS respectively. Dasa Lord Mercury, being the lord of 12 (separation) & 3 (away from home), was transiting in the 2nd house in the star of Bukthi lord Venus, and in the sub of Saturn. Venus is the lord of 4, 11 and is in 3, and aspects 12 while transiting over Rahu's (Sukshma lord's) star. Sub lord Saturn is lord of 7 & 8 and is in 4, and was transiting in the star and sub of Mercury (Dasa Lord), a significator of 2, 3 & 12. Saturn aspects Rahu. It is the Sukshama lord at time of depature. Rahu is in Lagna cusp in the sign Leo, where Maha Dasa lord Mercury is placed. Rahu is in the star of Venus, the Bukthi lord, and in the Sub of Mars. Mars is in Kethu Star and in its own sub. Kethu is a connecting node for Saturn, a significator of 8 and 12. Furthermore, Rahu represents Mercury (Maha Dasa Lord), Saturn (Anthar Lord), Venus (Bukthi Lord) and Sun. As such, all the DBAS were mutually connected with each other with their significations of 8 and 12 for separation.

According to the horoscopes discussed so far, including that of the wife, husband/father looks destined to be separated from wife and his children, and according to known facts of

the family background, I conclude that the husband will apply for a divorce in due course. Hence, this will not be the final episode of this story and it will be developed further.

Horary analysis through KPsystem. This is the horary question raised in my mind on 05 Dec 2016 at 11-35-00 a.m. Immediately, I erected a horary chart with a horary number 17 choosing it from my astrology book lying on my table, at 11-36-02 a. m on 05 Dec 2016 at my residence Secundrabad. The chart is attached.

What KP rules are applicable on the matters of disease, cure and survival or death?

1. If 6th cusp sub lord signifies 6 or 8 or 12 it indicates sickness, danger and hospitalization of the native in question, during the conjoined period of the significators of 6, 8 and 12.

As per the chart—6th cusp sub lord is Mercury which clearly signifies 6, 8 at star level and 6 and 12 at its sub level. This confirms that she is in the hospital for treatment of a disease that is turning out to be dangerous.

2. If the 5th cusp sub lord signifies 5 and 11 it indicate sure after-treatment.

As per the chart 5th cusp sub lord which is also Mercury signifies 3-negative to 4th –home coming, 6-disease, 8-seriousnes and danger, 11- badhaka house for Mesha lagna at its star level, and 6 and 12 at its sub level. This clearly indicates all negative significations for her recovery and coming home safely.

3. If the 6th cusp sub lord signifies badhaka sthana (11 for chara rasi, 9 for sthira rasis, and 7 for common signs), and maraka sthanas (2 and 7), the native in question succumbs to the disease, provided her/his longevity is not further promised.

As per the chart 6th cusp sub lord Mercury signifies 11-badhaka sthana, 12- loss to the native and emancipation, along with 8 –danger to her life.

All the above indications clearly show that this native has no chances for recovery and for survival.

When is the question? During the conjoined period of significators of

2 and 7 –maraka sthanas, 8- danger to the life, 11- badhaka sthana, 12- loss to the life of the native.

2nd house- RAHU-VENUS/

7TH HOUSE= RAHU-VENUS/

8TH HOUSE=VENUS-SUN-SAT-MERC-MOON-JUP-MARS/

11TH HOUSE=MERC-KETHU-SAT/

12TH HOUSE= JUP.

Ruling planets at the time of judgment----Saturn (2)-Mars (3)-Venus- Moon.

At the time judgment the period running is – MARS DL X MARS BL X VENUS AL X MERCURY SL.

The dasa lord and bhukthi lord is Mars who is in the RPs and is the significator of the 8th. Mars signifies 8 at its star level and 7, 8 and 11 at its sub level. So mars as dasa lord is Ok.

The antara lord, Venus, is in the RPs. Its running period is 14/11/2016 to 08/12/2016. Venus signifies 2, 7, 8 at star level and 8 and 11 at its sub level. Su is transiting in Mars sign- dasa lord, in Mercury lord (significator of 6, 8 and 12) from 3/12 to 16/1 agrees.

The sookshma lord, Mercury, is in the RPs, and the running period is from 3/12/2016 to 7/12/2016 is ok. Mercury signifies 6 and 11 at star level and 6 and 1 at its sub level.

Moon is transiting on 5/12/2016 and on date-in Saturn sign (in RPs) and signfcator, in Mars star from 10.29 am, Saturn sub, Saturn sub sub after 18:55:51 hours to 22:52:43 hours.

So, I thought that the news of her demise may be announced after 11.00 p.m on the night

Question: : I have been undergoing emotional turmoil from people whom I trust as very close friends - it happened in July 2012 and I am yet to come out of it and now suddenly from another guy who was a subordinate to me and very close from 2011. Suddenly he says my phone calls and messages are a disturbance to him and the reason he says are without any logic. Last 5 days I have been mentally suffering a turmoil I never experienced in my life till date and which can't be described in words as I have done no wrong and always have been his best well-wisher. My question to you - will that guy have a change of mind and become normal towards me as before, if so by when?

Number: 11 (out of 249).
Date of Judgment: 27-01-2015, Tuesday; Time of Judgment: 11:22:31 PM IST
Place of Judgment: Kankariya-Ahmedabad-Gujarat; Long/Lat: 23° N 00', 72° E 36, Aynamsha 23^0.58'.38"

Hints:
If the cuspal sub lord of the 11th be the significator (in the star of the occupant or owner) of 1-5-11, relations with friends will be good during the joint period of the significators of 1-5-11.

If the cuspal sub lord of the 11th be the significator (in the star of the occupant or owner) of 6-8-12, relations with friends will not be good during the joint period of the significators of 6 -8-12.

Cuspal analysis:

Cusp 11th (Aquarius 02^0.44'.36"): The sub lord of the 11th cusp is Venus. Venus is in the star of Mars and sub of Sun. Venus is occupant of 11, owner of 2-7. Star lord Mars is occupant of 11, owner of 1-8. Sub lord Sun is occupant of 10, owner of 5. No planet is in the stars of Sun, and Sun is CSL of 1. Thus 11th sub lord Venus is the significator of 1-8-11, and is connected with 2-7-11-10-5-1. Hence, you will be successful in maintaining good relations with your friend. However, at same time, it indicates the 8th too. Thus, the relations will not remain as good as before.

Ruling Planets:

Day. Tuesday	Mars	—	—	—
Asc. Pisces 28°.21'.06"	—	Jupiter	Mercury	Saturn
Moon. Aries 13°.32'.23"	—	Mars	Venus	Venus

Rahu is aspected by Mars, thus represents Mars. Ketu is aspected by Jupiter, thus represents Jupiter. The ruling planets are Mars, Jupiter, Mercury, Saturn, Venus, Rahu and Ketu.

Joint period:
At the time of judgment running dasa is of Venus up to 05-10-2034. Joint period at the time of judgment is Venus-Venus up to 04-02-2018.

Dasa and bhukti lord is Venus, and we have discussed Venus above. Venus is in the RPs.

Antra lord is Venus up to 26-04-2015. We have Venus appearing in the RPs twice, and we have taken it as dasa and bhukti lord. Thus, I will now select the next Sun from 26-04-2015 to 26-06-2015. Sun is not in the RPs. Therefore, I go with the next Moon. But, Moon is also not in the RPs. The next is Mars from 05-10-2015 to 15-12-2015.

Mars is in the star of Rahu and sub of Sun. Mars is occupant of 11, owner of 1-8. Star lord Rahu is occupant of 6. Rahu is aspected by Mars. Mars is occupant of 11, owner of 1-8. Sub lord Sun is occupant of 10, owner of 5. No planet is in the star of Sun, and Sun is the CSL of 1. Thus, antra lord Mars signifies 6-11-1-8 and is connected with 11-1-8-10-5-1. Hence, you will be successful in maintaining good relations with your friend but, at same time, it indicates 6-8 as well. Therefore, the relations will not remain as good as previously.

My opinion: You will be successful in maintaining relations with your friend but they will not be as good as previously. This will manifest during 05-10-2015 to 15-12-2015.

Late. Sanjay Gandhi ji's birth time is rectified by me using the guidelines written by *Sri. Kanakkumar B. Bosmiah ji in his book "EASY WAY TO LEARN KP—BIRTH TIME RECTIFICATION"*. It is as follows:-

One of my best astrological friends named MK. Viswanath authored a book. Its name is "EDUCATION AND SUBLORD SYSTEM". In it, the birth particulars of Late Sanjay Gandhi are given as
14-12-1946 at 9-27 AM, New Delhi. But it is rectified by him as 9-25-47 AM. For rectification of birth time, the date, time and place of judgment which are taken by him are as follows:-
Date of judgment:- 06-12-2013; Time of judgment:-4-17 PM; Place of judgment:-Hyderabad.

Lagna:-Venus/Sun/Rahu/Mercury;
Moon:-Saturn/Sun/Venus/Moon;
Daylord:-Venus.

NOTE:-

(1)There is no Punarphoo yoga in this RP chart.
(2)Rahu is conjoined with Saturn who is in Moon 4 RPs and it is in the sub of Saturn who is in total 9 RPs. So it should be included in Moon RPs.
(3) Ketu is not qualified for the including in Moon RPs.

Therefore, the total Moon RPs are Saturn, Sun, Venus, Moon and Rahu.

We have Saturn, Sun, Venus, Moon and Rahu as Moon RPs. As Rahu is found in Moon's RPs, it is selected as lagna sublord.

We have Saturn, Sun, Venus, Moon and Rahu as Moon RPs. Venus, Sun and Moon have appeared as Sub-Sublords of Rahu sub. As per VMD, Venus is to be selected. But, Moon is selected as Sub-Sublord of lagna because 09-24-52 AM range is nearer to the given birth time.

Location: NEW DELHI, DELHI, India

Transition Information for Lagna

09:25:22 AM Sa Su Ra Mo Ve
09:25:28 AM Sa Su Ra Mo Su
09:25:30 AM Sa Su Ra Ma Ma

We have Saturn, Sun, Venus, Moon and Rahu as Moon RPs. Sun, Rahu, and Moon have

already been selected as star, sub and sub-sublords of lagna as shown above. Now Venus should be selected as lagna Sub-Sub-Sublord as it will be nearer the given birth time.

Location: NEW DELHI, DELHI, India
Date: 14/Dec/1946
Start Time: 09:25:22 AM *End Time:* 09:25:28 AM

Transition Information for Lagna

09:25:26 AM Sa Su Ra Mo Ve Sa
09:25:27 AM Sa Su Ra Mo Ve Me
09:25:28 AM Sa Su Ra Mo Su Ma

We have Saturn, Sun, Venus, Moon and Rahu as Moon RPs. We have already selected Sun, Rahu, Moon and Venus as star, sub, Sub-sub, Sub-Sub-Sub of lagna. Now the remaining planet is Saturn. Therefore, it should be selected as Lagna Sub-Sub-Sub-Sublord, and it will be very near the given birth time.

So, the astrologically corrected birth time is 09-25-26 AM

Thus, as shown above, I have got the rectified birth time of Sanjay Gandhi is 09-25-26 AM where as my astrological friend and the author of "EDUCATION AND SUBLORD SYSTEM" (MK. Viswanath) has got the rectified birth time is 09-25-47 AM. (Slight difference in seconds only).

Verification of past events:-

On 23rd September, 1974, Sanjay Gandhi and Menaka Gandhi were married at the house of an old friend of the family, Mohammad Yunus.
Moon Dasa = 08-05-1973 to 08-05-1983.
Mars Bhukthi = 08-05-1974 to 07-10-1974.
Moon Anthra = 20-09-1974 to 07-10-1974.
Rahu Sookshma = 22-09-1974 to 29-10-1974.

7th CSL Mars+ (12-4, 7) is in the star of Ketu (11), and in the sub of Moon (8-7). So marriage is promised to this native.

Dasa lord Moon (8-7) is in the star of Ketu (11), and in the sub of Mercury (10-6, 9).
Bhukthi Lord Mars (12-4, 7) is in the star of Ketu (11), and in the sub of Moon (8-7).
Anthra lord Moon (8-7) is in the star of Ketu (11), and in the sub of Mercury (10-6, 9).
Sookshma lord Rahu (5) is in the star of Moon (8-7) and in the sub of Mercury (10-6, 9).
Rahu does not have any planets in its stars, and it holds the cuspal sublordship of the 11th cusp. So, it is a self-strong significator for the 11th cusp.

"Maneka and Sanjay first met each other in 1973 at a cocktail party given by her uncle Major-General Kapur to celebrate their son Veenu Kapur's forthcoming marriage. As Sanjay was Veenu's school friend, he was present to meet his destined love. Those days he was engaged in trying to make a career in an automobile industry. Maneka was then 17 years old, a fine featured beautiful lady who had even won a college beauty contest and modelled for a firm of towel manufacturers. It was love at first sight. They spent that evening talking to each other. The two agreed to meet the next day. The first meeting made them glue together often again. Since Sanjay was shy of being in the public, they usually met either in her house or in the Prime Minister's house. In 1974, Sanjay had to undergo a hernia operation. After attending college in the morning, Maneka spent her afternoons and evenings with her fiancé in the private ward of the All India Institute of Medical Sciences. A few weeks after their discharge the families decide to tie the nuptial knot. The wedding was typical Indian style; Indira welcomed her daughter in law, with great wide arms with all the costliest gifts. However the mother-in -law and the daughter-in-law relationship grew sour after few years. Maneka Gandhi was forced to live a life away from the family, with her son although their marriage life was great canvass of love, it did not last long as Sanjay died in an air crash in June, 1980".

KP Rule for Love marriage:- If the sublord of the 5th cusp is deposited in the constellation of a planet who is the significator of the houses 7 and 11, then materialization of the love affair is promised.

In this natal chart, 5th CSL Rahu is in the constellation of Moon. Moon is lord of the 7th, and

is in the star of Ketu which is in 11. Thus, 5th CSL Rahu, through Moon, signifies 7 and 11. 5th CSL Rahu is in the star of Moon, and the 7th CSL, Mars, is in the sub of Moon. Thus both Rahu, (5th sub) and Mars (7th sub) are well connected through Moon (7th lord). So, the marriage of Sanjay and Menaka is a love marriage.

On 23-06-1980, Sanjay died instantly from head wounds in an air-crash near Safdarjung Airport in New Delhi.
Moon Dasa = 08-05-1973 to 08-05-1983.
Merc Bhukthi= 08-05-1979 to 07-08-1980.
Saturn Anthra=16-05-1980 to 07-08-1980.
Venus Sookshma= 15-06-1980 to 29-06-1980.

Ascendant is Capricorn Sign (fixed sign). So the 11th is badhaka. 2 & 7 are Marakas; 12 is Moksha; 10 is exit from world; 4 is end of everything. 8 is danger;

Dasa lord Moon (8-7) is in the star of Ketu (11), and in the sub of Mercury (10-6, 9).
Bhukthi lord Mercury (10-6, 9) is in the star of Saturn (7-1, 2), and in the sub of Venus (10-5, 10).
Anthra lord Saturn (7-1, 2) is in the star of Saturn (7-1, 2), and in the sub of Jupiter (10-3, 12). Sookshma lord Venus (10-5, 10) is in the star of Jupiter (10-3, 12), and in the sub of Mercury (10-6, 9).

His father Feroz Gandhi died on 08-09-1960.
Venus Dasa = 08-05-1947 to 08-05-1967.
Saturn Bhukthi = 08-05-1960 to 08-05-1963.
Mercury Anthra =07-09-1960 to 18-02-1961.
Mercury Sookshma=07-09-1960 to 30-09-1960.

Note:- Father is signified by the 9th. So, consider Virgo (Dual sign) as Lagna of his father. 7th is badhaka as well as maraca; 2nd is also maraca; 12th is Moksha; 10th is exit from world; 4th is end of everything; 8th is danger;
Dasa lord Venus (2-2, 9) is in the star of Jupiter (2-4, 7), and in the sub of Mercury (2-1, 10).
Bhukthi lord Saturn (11-5, 6) is in the star of Saturn (11-5, 6) and in the sub of Jupiter (2-4, 7).
Anthra lord and Sookshma lord Mercury (2-1, 10) is in the star of Saturn (11-5, 6) and in the sub of Venus (2-2, 9).

His Grand-father Nehru (Mother's father) died on 27-05-1964.
Venus Dasa = 08-05-1947 to 08-05-1967.
Mercury Bhukthi = 08-05-1963 to 08-05-1966.
Sun Anthra = 21-05-1964 to 12-07-1964.
Moon Sookshma = 24-05-1964 to 28-05-1964.

Note:- 4th is mother; mother's father is 4th to 9th which is the 12th, and which falls in Sagittarius sign (dual sign). Therefore, 7th is badhaka as well as maraca; 2nd is also maraca; 12th is Moksha; 10th is exit from world; 4th is end of everything; 8th is danger;

Dasa lord Venus (11-6, 11) is in the star of Jupiter (11-1, 4) and in the sub of Mercury (11-7, 10).
Bhukthi lord Mercury (11-7, 10) is in the star of Saturn (8-2, 3) and in the sub of Venus (11-6, 11).
Anthra lord Sun (12-9) is in the star of Mercury (11-7, 10) and in the sub of Saturn (8-2, 3).
Sookshma lord Moon (9-8) is in the star of Ketu (12) and in the sub of Mercury (11-7, 10).

Ketu represents Sun (12-9), Mars (1-5, 12), and Mercury (11-7, 10).

Thus as shown above all the four past events are verified and the rectified birth time is, therefore, OK.

Let us analyze the EVANESCENCE OF HIGHER EDUCATION to this native.

4th house indicates Primary Education (Lower education) to say in detail regular attendance in School and High School or Collegiate studies.
9th house denotes Higher Education such as M.A. M.Sc., Ph.D, Research and invention, fortune and progress etc.
11th house shows one's hopes, wishes and aspirations and their realization. It also governs success in all undertakings.
6th house denotes success in examinations; competitions, litigations, etc.
7th house indicates competitors.
3rd, 5th, 8th are detrimental houses for education.

"One to have higher education, sublord of the 4th should be well connected to houses 4-9-11 and with no connection at all to houses 8-12. At the same time, the 4th sublord should not be subject to aspect from Saturn and Mars. If the 4th sublord is either Saturn or Mars, and aspected by Saturn and Mars, then no harm about it, but should not be connected to houses 4-9-11. Jupiter should aspect by 5th or 9th aspect and not by 7th aspect. When all these conditions are met, one will have the higher education of the highest order, the native emerging as an authority on the subject whatever it may be. The 4th sublord and planet level connection, to 4th house alone, will give an education upto intermediate level only. When connected to 9th house higher education is offered again, when we talk of education the 4th sublord and the 9th sublord, at one and the same time should be connected to houses 4-9-11. Ninth Sublord when connected to 9-11 and no connection to 4, or 4th sublord signifying 4-9 houses and no connection to 11th, or if the 4th sublord signifying houses 4-11 and no connection to 9th, under such circumstances one can never have the higher education. The native in pursuit of higher education will not reach the goal."--- (Astro Secrets –Part I. authored by Late M.P.Shanumugham).

In the natal chart of Sanjay Gandhi, the 4th CSL Mars+ is in the star of Ketu and in the sub of Moon.
Mars is in 11 but it is very near and close to the 12th cusp and the lord of 4 & 11. Star lord Ketu is the occupant of 11. Ketu is conjoined with Sun (11-8) and Mercury (10-6, 9).Ketu is in Scorpio a watery sign and in the star of Mercury which is also in watery sign (Scorpio). Sublord Moon is occupant of 8 and is the lord of 7. Thus, 4th CSL Mars signifies himself 4 & 11, and also 9th is signified by Mercury (as it is lord of 9) as it is represented by Ketu; But, Sun and Ketu are in the star of Mercury. Hence Mercury is a weak significator for the 9th. Sun and Ketu are capable of giving the 9th house results better than Mercury. (Star lord is stronger than Planet). Thus, 4th CSL Mars signifies only 4 & 11 without 9. In addition, Jupiter's 7th aspect is there on the 4th. It is not good. Under such circumstances this native cannot have higher education.

9th CSL Saturn (7-1, 2) is in its own star and in the sub of Jupiter (10-3, 12). Here 4-9-11 are not seen. So, Saturn is not capable of giving higher education to this native.

11th CSL Rahu (5) is in the star of Moon (8-7) and in the sub of Mercury (10-6, 9). Here 9th is signified through Mercury as it is a weak significator for 9th without 4-11. That is why the 11th CSL Rahu is also unable to offer higher education to this native.

Note:-

(1) Vidya Karaka (Prime Significator of Education) is Mercury. When he is posited in watery signs, it is not good for educational matters.
(2) If Saturn is not a significator of any one of the educational houses(4-9-11), but only throws its aspect; this portends denial and even disappointment.

In the natal chart of Sanjay, (1) Mercury is posited in Scorpio which is a watery (Mute) sign. (2) Saturn (7-1, 2) is in its own star (7-1, 2) and in the sub of Jupiter (10-3, 12). Here Saturn is not a significator for any one of the houses 4-9-11. But Saturn sights 9th and 4th with his 3rd and 10th special aspects. So it is confirmed that, astrologically, this native is not eligible for getting higher education as explained above.

It is clearly understood from the above astrological analysis that Mars and Mercury who are signifying 4 & 9 are weak to offer higher education.

One can complete his/her Matriculation/10th Class/S.S.C. at the age of 15. At the age of 17, he/she can complete Intermediate.

This native was running Venus Dasa/Saturn Bhukthi (at the age of 15) from 08-03-1960 to 08-03-1963.

Dasa lord Venus (10-5, 10) is in the star of Jupiter (10-3, 12) and in the sub of Mercury (10 -6, 9). It can be seen that there is no signification of 4-9-11 at Planet (Venus) level, Star (Jupiter) level. But a weak signification of 9 (higher education) at Sub (Mercury) level can be seen. (It is already explained about Mercury in the above paras).

Note:- When Dasa lord is not capable of giving higher education, the other period lords, (such as bhukthi lord, anthra lord and Sookshmalords) cannot offer any favourable results.

After completion of Venus Dasa, Sun Dasa starts from 08-05-1967 to 08-05-1973. Sun (11-8) is in the star of Mercury (10-6, 9) and in the sub of Saturn (7-1, 2). Thus to some extent Sun signifies 11 at planet level and 9 at star level. It is to be noted that all the three planets (Sun, Mercury and Saturn) are placed in watery signs which is not good for education. Therefore, Sun is also not favourable for giving higher education. Moon is close to the 8th cusp which is a negation of the 9th (higher education). Thus, appropriate Venus Dasa itself broke the education of this native.

Application for transfer of stocks

"when will my application for transfer of stocks and shares (from the existing stock broking company) submitted is transferred to my bank demat account?"

This is the horary question that arose in my mind on 17 Nov 2016 at 07-04-00 a. m with a horary number 25 at the spur of that moment .Instantaneously, I erected a horary chart @ 07-04-16 a. m. The chart is attached.

1. First let me check whether the event will materialize or not----
As per Gulbarga theory –if the sub lord of the horary number furnished by the querent is also either the star lord of the Ascendant or star of the Moon among the R.Ps – the answer is yes.

As per the chart, the sub lord of the horary number 25 is Saturn. Saturn is the star lord of the Asc in R.Ps. So YES is the answer.

2. To know whether there will be any delay in fructification of the event or not----
As per Sri K Subramanyam's rule stated in his reader no.6 page no.130—"take the horary number and divide it by 12 – if the reminder is—

A) 0-2-6-& 11—no delay
B) 1-3-7& 9- delay
C) 4-5-8 & 10-negative or no.

As per the horary chart, the number is 25, and when it is divided by 12 the reminder comes to 01 which, as per the rule above, shows that there will be some delay in the fructification of the event which, in this case, is transfer of the shares.

This could also be confirmed by the fact that 11th cusp sub lord itself is Saturn which also aspects the lagna causing delay.

With this background let me check up whether, and when, the stock and shares will be transferred.

As per Sri Kanak Ji's rule-"if the 3rd cusp sub lord signifies 3 or 9 or 11 the event of transfer of stocks will take place during the conjoined period of the significators of 3, 9 and 11 houses."

Analysis of the chart—3rd cusp sub lord is Mercury. It is the lord of 2, 3 and 6 placed in the 7th cusp in conjunction with Saturn. Mercury is in the star of Saturn, lord of 10 and 11 placed in the 7th, and in the sub of Mars, lord of 7th in 9th.

Thus Mercury signifies 3 and 11 at its star level and 9 at its sub level. So, the event is promised but with some delay.

Now, when is the question---?

RULING PLANETS AT TOJ—17-11-2016 @ 07-04-16 A.M @ SECUNDRABAD. -----
ASC=MERC-SAT-VENUS
RASI=MERC-MARS-MOON
DAYLORD= JUP.

NOTE-
RAHU is aspected by Mars by its 8th aspect, and by Saturn by its 10th aspect. So Rahu is also added as R.P.

SO R.PS ARE= MARS-VEN-MOON-SAT-JUP-MERC-RAHU.

COMMON FRUITFUL SIGNIFICATORS ARE = MARS-SAT-MERC-VENUS- JUP-MOON.

Dasa lord Mars is CFS and runs up to 12-1-2017. Mars signifies 9 at star level and sub level also. So it is O.K.

Bhukthi lord Moon is in CFS and runs from 12-06-2016 to 12-01-2017. Moon signifies 9 at star level. So it is O.K.

Under Moon bhukthi available antara periods are---

Kethu antara is from 14-11-2016 to 26-11-2016. as we found late result, I left Ketu Antra).
Venus antara is from 26-11-2016 to 01-01-2017. Venus is a significator and a CFS too. So Venus is O.K. As such, Venus antara should give the result before 01-01-2017.

Sun transits in Mars sign (Scorpio) in Saturn star from 20/11 to 03/12. Mars Sgl is the significator of 9th at both STL & SBL. And, Saturn (3 and 11 significator) STL is conjoined with Moon B/L in Scorpio sign signifying 9th should give the result.

Venus sookshma is from 26-11-2016 to 02-12-2016.

Moon will be transiting in Libra (Venus—A/L) sign in Mars star (D/L) on 26/11-both are already take from CFS.
Moon will be transiting in Libra sign (Venus-A/L) in Moon star (B/L) on 27/11—both are already taken from CFS.
Moon will be transiting in Libra sign (A/L &S/L) in Jupiter star (significator of 9th) on 28/11.

So I thought that the event of the shares being transferred is expected to take place on 28/11 when it transits in Saturn sub.

This is judged on 17th Nov itself and waiting for the outcome.
Facts of the case— (received message on 29-11-2016 @ 4-00-00 p.m). The transfer of shares took place on 29-11-2016 at 4-00-00 p.m during Venus antara when sun was transiting in Mars sign (Scorpio) in Sat star-- Sat sub—Sat sub sub.

I express my salutations to great astrologer Sri KSK and his findings. My thanks will certainly be extended to Sri Kanak Ji for his unstinted support in writing and subscribing articles to our magazine.

Questions & Answers

By: Tin Win

Email: tw853@yahoo.com

Question 1: What went wrong in predictions of the US presidential election, astrology or astrologers?

Contrary to all our analyses and predictions, Trump has won the US elections. This victory of Trump has confounded many political pundits and, for us, it has confounded us KP astrologers as well.

I believe, in keeping with principles of truth and the absolute principles of our founding guruji, KSK, we must acknowledge that we went entirely wrong in our predictions. At least I would like to put on record the failure of my own analyses (both in October 2015 based on Trumps natal chart, and the most recent in November 2016 based on the horary method).

Every prediction that goes wrong deserves a second look. I would like to urge all our KP readers and contributors, especially those of us who made bold analysis in this case (and which was the right thing to do if we claim our guruji's system to be scientific), to re-examine our analyses. From a learning perspective, this will help us all understand as to why we went wrong. There are many questions that I can think of:

1. *Did we use the correct principles and rules?*
2. *Was the birth time of Trump that we have used correct?*
3. *In making our horary analyses, did we suffer from a hidden bias in favour of Hillary and against Trump that clouded our judgement and obstructed our objectivity?*
4. *Or simply, that this is a case which is exceptional in the history of astrological analyses?*

I would appreciate if you would publish this email in the next KPEzine for December 2016. With this email, I wish to highlight the fact that we as KP practitioners should not hesitate to accept failure when, on the other hand, we are so ready to accept our successes. I would urge all KP practitioners to undertake a self-reflection and see where our errors lie.

I hope you will agree with me in this regard. If we want to make the science of KP astrology solid, we must not hesitate to acknowledge failure and look for the correct answers.

Answer 1:

1. Not astrology principles and rules but astrologers may be wrong.
2. The birth time of Trump that we have used is the most accurate "AA" rated birth time:

Name	Trump, Donald	Gender: M
Birthname	Donald John Trump	
born on	14 June 1946 at 10:54 (= 10:54 AM)	
Place	Jamaica, New York, 40n41, 73w48	
Timezone	EDT h4w (is daylight saving time)	
Data source	BC/BR in hand	Rodden Rating AA Collector: Rodden
Astrology data	☉ ♊ 22°56' ☽ ♐ 21°12 Asc. ♌ 29°58'	

3. It has been observed in election prediction articles that horary election predictions can give contradictory results by using the same astrological rules depending on astrologer, time and place.
4. This does not seem an exceptional case.
Our failure may lie in misunderstanding of the crucial role played by tricky Rahu in Trump's winning the presidential nomination at the end of Rahu Dasa and the presidential election at the beginning of Jupiter Dasa. His 10th cuspal sub lord for wining power is also Jupiter. Here we can say sub lord (Rahu) speaks.

Ra:10,1,2,5.9,11,6+,12+ is in star Ma:12-4, and sub Ju:2,5-9.
Ju: 2,5-9, is in star Ma:12,4, and in sub Ra:10,1,2,5.9,11,6+,12+ .

The problem with Hillary's chart is that three birth times are circulating, and the 8th house signification caused more harm than expected.
The bottom line is "It is a fact that 100% correct prediction cannot be given with the literature available and with the knowledge that we may gain by studying them alone." (KP Reader II, p 46)

Question 2: Fruitful dasa period lords

In Question and Answers of KPEzine-Nov 2016, Question No: 6,
For marriage, first importance is to be given for dasa lord and next importance is for Bhkti Lord.
Suppose Dasa lord signify 11, and bhuki lord signify 2, then, is marriage is possible in the above dasa -bhukti lords period?.

Answer 2:
Marriage is possible in the above dasa -bhukti period.

Question 3: Signification in Sri R. C. Bhatt's KP books
I am reading NAKSHATRA CHINTAMANI by .

In this book, in solved examples, at some places , he has taken only the signification of star lord only (Page: 73). Here , considered only signification of star lord. Signification of sub lord is not considered.
Star lord of Venus - Sun
Sub lord - Rahu,
Rahu as sub lord signifies- 2,5,6,7,8,9,10 and 11.
4th house is not at all there.

In some examples he has considered SUB LORD also.

In some examples ha has considered only A & C significators out of A, B, C and D signinificators telling that these are strong significators (Page: 94).

Is it OK?.
For your valuable suggestions , Sir.

Answer 3:
In Sri C.R. Bhatt's KP books, the signification of planet (cuspal sub lord or dasa period lord) is consistently considered at three levels of planet, its star and sub by occupation and ownership. The signification by the star lord is called "signified" and given more importance and the signification by the star lord and sub lord is called "connected".

Question 4: Fruitful significators
Sir, It is a common practice that, during timing of events, arrive at the significators of required houses and the ruling
planets, and note down the common (fruitful) planets for judging Dasa/Bhukti etc. At times the dasa/bhukti periods are
considered which are not amongst the common planets. But either they appear in significators list and in RPs. Some times
the running period of planet is operating which is neither in significators or in RPs, but at sub level signifies the relevant
houses. Would you please throw your expertise on the subject.

Answer 4:
In the article "Lottery and luck – by Late Prof. K.S.K., K.P. & Astrology 2015, page 62), it is mentioned, "As the significators are many, beneficial significators are to be selected, rejecting the useless ones. To select the beneficial significators, there are two methods and

both are to be scrutinized.

A. Note the ruling planets at the time of judgment;
B. Note the sub lord of signifcators. If the sub lord is one of the significators, then the planet deposited in such a sub is beneficial, otherwise not."

In practice of using ruling planets the common significators among the concerned significators and ruling planets are usually selected.

Here are selection methods of fruitful significators without using ruling planets:
1) Significators of planets with no planets in their stars, which are the strongest significators of houses under consideration by sub lordship to them (same as in Golden Rule: to take the planets which are posited in the sub of significators whose constellations are not tenanted.);
2) Significators whose sub lords are the significators of houses under consideration;
3) Significators which are the cuspal sub lords of houses under consideration;
4) Significators appearing many times amongst significators.

Question 5:

Every single soul born is of his own destiny and karma. One cannot change or direct or dictate the other including
his/her spouse. He/She is a separate entity. With this dictum of logic and principle of KP, how is that it is possible to
read the events from one person in respect of his relatives. Would you please evaluate on this issue.

Answer 5:

Reading one's relatives from the native's horoscope does not mean that their fate depends on the native's fortune but it is an analysis from the concerned house, for instance 5th house for first child, 7th for spouse, 9th for father. . .

The Only Complete Compendium on KP Astrology
by Bibhash Choudhary
Educreation Publishing, New Delhi, 2015

This is a KP book but the following idea of "*determining the Ascendant first*" is not KP practice in six KP Readers or Sri CR Bhatt's KP books.
"The primary responsibility of an astrologer shall be to judge the strength of the Ascendant lord at the very beginning of the judgment and then to use the same in knowing the quantum of effects/results of the other houses under consideration.
If the Ascendant lord is weak, then the native/querent will not achieve better results for the other houses under consideration, even if the other houses support the matter through sub level."
This is the idea of cuspal interlinks, KB by Baskaran and KCIL by Khullar.
Any reputable KP astrologer has not yet been found always determining the Lagna first, including Sri M.P. Shanmugam who has introduced the strength of Lagna (Astro Secrets & Krishnamurti Padhdhati, Part 1, Krishman & Co., 2003)

Contents

A Case Study - Muhurat for the Commissioning of Sri Lanka's first Coal Power Plant

A news item of https://en.wikipedia.org/wiki/Lakvijaya_Power_Station//*The Lakvijaya Power Station (also known as the Norocholai Power Station, after its location) is the largest power station in Sri Lanka. The power station is in Norocholai, Puttalam, on the southern end of the Kalpitiya Peninsula. Construction of the facility began on 11 May 2006, with the first unit commissioning on 22 March 2011. The first 300-megawatt phase was completed and ceremonially commissioned by President Mahinda Rajapaksa on 22 March 2011 at 18:27 local time, with the presence of Minister of Energy Champika Ranawaka, deputy Minister of Energy Premalal Jayasekara. The former minister of Energy John Seneviratne could not attend as he was injured in a traffic accident on the way to the ceremony.*//This power plant, which was announced as the country's largest profitable entity, was beset with many faults and shut downs since its inception. According to the media, a large fire broke out on 24 Oct. 2010, while under construction. On 22 July 2012, the power station ceased operation due to a leak in one of the thousands of tubes carrying water between the boilers. On 08 august 2012, a tripping of the power line from the power station caused the station to cease its operations. On 29 Jan. 2013, the generated capacity exceeded its designed level, causing a complete shutdown. An Island wide power outage occurred on 13 March 2016, which caused the power plant to fail. The latest failure occurred on 15 Oct 2016, which resulted in power cuts for up to 90 minutes Island wide. Due to these continuous breakdowns of this power station, people, including the media, have got used to calling it as "Always break down Norochcholai".If a native gets unwell frequently, as Astrologers we analyze his birth chart to see if there are any physical handicaps, owing to afflictions of planets, preventing the native from enjoying the life he desires. Likewise, if any organization or institute is breaking its service every now and then, there should be some misfortune written in its birth. What is BIRTH? In connection with human beings, birth is the starting time of his life. But, no one can change or alter the time of birth of a person, even if birth is assisted by caesarian operation. The time of birth depends on the previous Karma of the native. But, in the case of the starting moment (Birth) of anything under the purview of a person or a nation, like marriage, starting studies, housing matters (Vasthu) or starting a business, organization, industry or institute, we can manage the time of its birth or starting time to obtain maximum benefits from it. It is called "Auspicious Time" or "Shubha Muhurat". Astrologically, the flow of good or evil of the so called matters, depend on the starting time or Muhurat. When studying the past issues of this power station, a point to ponder is the traffic accident suffered by a guest minister, who was on his way to the ceremonial opening of the power station. So, I guessed that there should be some inauspicious planetary pattern in the Zodiac on that particular day, and this effort is to see any existing inauspicious astrological issues at the time of starting or inauguration or commissioning of Norochcholai Power Plant of Sri Lanka. Before going through the muhurat, it is better to understand Electricity and its generation through Astrology. Uranus is the chief ruler of Electricity, Generators, Steam Engines and Gas Plants, etc. Electricity is the force of the Sun, reflected through Uranus. Since this power station uses Coal for boiling water, Saturn is also added to the list as the ruler of Coal.Construction of the power station began on the 11th of May, 2006. Since the exact starting time (Muhurat) is not available, the paths of planets have been observed as in the chart erected for midday, which is attached as "Lakwijaya Starting".

Observations

1) On that day, at 12 Noon, the Sun (Energy) was transiting in Aries (Fiery) sign,the lord of which is Mars placed in the 12th, Gemini (Air) sign. Sun is in the star of Venus in the 8th house (Accident, Break, Obstacles) in Pisces (Watery) sign, and in the sub of Kethu (obstructions) in Virgo (Earthy) sign, representing Mars (Eruption & 12, 10), Mercury+ (8, 12), Venus (8, 12), and Saturn (7, 8, 12). Generally, the planet of energy, Sun, is afflicted with these connections.

Furthermore, Sun being the planet of energy and combustion, is in the star of Venus, in a Watery sign indicating congelation, a depressing element of the energy. Sub lord Kethu is in Gemini, an

Earthy sign that represents condensation. Kethu is aspected by the above said Venus, and Sun is aspected by the Watery planet, Moon. Thus, Sun is ineffective in its natural action of making energy.

2) Uranus, the ruler of Electricity, Steam Engines and Gas Plants), is in the 8th house (Accident, Break, Obstacles) in the time chart, and indicated the element of suddenness in everything under Uranus. Uranus is in the star and sub of Jupiter(R), and also, Jupiter aspects Uranus. Jupiter(R) is the day lord among the ruling planets. But I don't consider Jupiter(R) as star or sub of Uranus in this chart, as the correct time is not known. But, aspect of Jupiter is remains unchanged. I have observed retrograded Jupiter in many of my studies in Medical Astrology published in this magazine, and found retrograded Jupiter (sometimes connected with Nodes) is not a benefic, even if it is a significator of life saving houses in a chart. In this study, too, I have no hesitation in declaring that this Retrograded Jupiter is a malefic in the time chart as well, obstructing the matters under the rule of Uranus.

3) The next important thing to be considered is the time duration taken to complete its construction. The first phase of this power station was declared opened on the 22nd March 2011. They have taken four years and ten months' time to complete the construction. This is impossible in modern times, even with the latest technology, not only in the construction/erecting, but for every field. So, this is an uncontrollable DELAY. In addition to the indications of obstruction, as mentioned in the above paragraphs, a delaying effect is very clearly indicated in this time chart through Moon and Saturn. In this time chart, Saturn is in the sign and sub of Moon. But, I don't consider the relationships of star or sub of these two planets for the reason given above. Whatever the time may have been, Saturn is tenanted in the house of Moon, Cancer, during the period, indicating Punarphoo Dosha, leading to this considerable delay in construction.
Hence, I concluded that the planetary transitions and their positions were not beneficial for starting such type of activity i.e. construction.

Analyzing the time chart of commissioning of the Power Station
Date: 22 March 2011
Time: 6.27 pm
Place: Norochcholai, Puttalam, North Western, Sri Lanka (08:01:00 N 79:43:00 E)

The main ambition of generating electricity is for the well-being of the country. However, the Government is selling electricity to its countrymen. Hence, this power station comes under the category of business. While all other mass power generating plants of Sri Lanka are using hydroelectric system or Fuel, Lakwijaya is using coal for the first time, and astrologically, it is a New Business. The opening, or starting time, called as "Muhurat", is the key factor for the success of any important occasion, to be free of obstructions. Although Sri KSK ji had not written anything of Muhurat, Sri Kanak Kumar Bosmia ji has filled the gap by publishing a book by the name of "KP Muhurat", using his own novel technique so that new comers to the field of KP, and established practicitioners alike, may gain a thorough knowledge of how to calculate and use Muhurat advantageously.
In Book on KP Muhurat, Sri Kanak Bosmia ji has given 5 rules to select a muhurat for starting a new business. These are given below:

1. Ascendant sub Lord should signify 1, 5, 9, 11 for the long life of the event. (If you select Sthir Swabhav Lagna (Fixed sign) do not consider the 9th
2. 10th sub Lord should signify 2, 10, 11
3. 11th Sub Lord should signify 2, 10, 11
4. Do not select Chara Lagna (Moveable Sign)
5. Dasa and Bukthi should signify 2, 6, 10, 11

Let's analyze the chart of Lakwijaya Opening chart, in accordance with the above hints.
1) The Ascendant sub lord, Venus, is the lord of 2 (Maraka) & 9 and is in 5. It is in the star of Mars, and in the sub of Mercury. Mars is lord of 3 and 8 (Obstacles), and tenanted in the 6th. Sub lord, Mercury, is the lord of Lagna and 10, and is in 7 (Maraka & Badhaka), in its own star, and in the sub of Rahu. Rahu signifies 3 and 9, and represents Jupiter. It is the lord of 4 & 7, tenanted in the same 7th. Thus, the Ascendant sub lord is a significator for the required houses i.e. 5, 9, and is not connected with the 11th, while signifying 2 & 7 (Maraka & badhaka).

2) The 10th sub lord is Jupiter who is the lord of 4 & 7 placed in 7 (Maraka & Badhaka), in the star of Mercury, and in the sub of Kethu. Star lord, Mercury, is the lord of 1 & 10 posited in 7 (M & B). Sub lord, Kethu, is in 9, in the star of Mars, and in the Sub of Venus. Mars, as discussed above, is a

significator for houses 7-6-4, 7-3, 8, and Sub Venus signifies houses 6-5-3, 8-2, 9. Thus, the 10th Sub lord, Jupiter, is not a significator for houses 2 & 11.

3) The 11th Sub lord is Venus, and as discussed above under the Lagna Sub Lord, and it is not a beneficial significator for the matter.

4) Selected Lagna for the opening is Virgo, a dual sign.

5) At the time of the opening of the power plant, Rahu Dasa was in operation with its four fold significations for 9 and 3. Rahu alone is in the 3rd, with no aspects by any planet, and represents Jupiter, the lord and occupant of 7th (Maraka). Jupiter is also the lord of 4 and is in the star of Mercury, and sub of Kethu. Star lord, Mercury, is the lord of 1 and 10 placed in 7 (Maraka). Sub lord, Kethu, is located in the 9th with its significations for houses 6-9-3, 8. Its sub lord is Venus as discussed above. Hence, the Dasa Lord is a significator only for 10 out of the required houses 2, 6, 10, 11
Bukthi Lord, at the opening, is Venus. It is a significator for houses 2, 6, 10 and not for 11th. In KP, Bhukti lord can't offer what the Dasa lord doesn't permit. Hence Dasa and Bukthi lords are not benefics for the matter under discussion.

Additionally, all the above pointers are connected with Maraka and/or Badhaka, and according to KP Muhurat of Sri Kanak Bosmia ji, the selected time for the opening is not a moment for the longterm successful and trouble free operation of the power house.

Mundane
Muhurat Lagna is Virgo. It is a common, negative, and barren sign, ruled by the inconstant Mercury. So, change is always desired. Mercury is tenanted in the 7th (Maraka), Pisces, another dual sign, and in its own star. Mercury is in close association with Jupiter, the lord of 7 (Maraka & Badhaka), and also the sub lord of 12th (financial losses, expenditure, decline, mishaps, break, and end). In mundane astrology, it is to be well noted that Pisces is the 12th sign of the natural Zodiac. Also, the 7th cusp is occupied by the Sun, lord of 12, in conjunction with Uranus (Electricity), indicating breakages every now and then. All these planets are opposite to the Lagna cusp and it is occupied by Saturn(R), the planet of Mandachara (slow mowing). When Saturn is in the first house of a mundane chart, there is loss of trade. This Saturn is in the star of Moon and indicates the presence of Punrphoo Dosha, as in the chart of starting. All enterprises started at this time face formidable obstacles and don't end successfully.

Conclusion
The time selected for starting, as well as opening, of this power station are not in accordance with the Astrological rules for the long –term successful and trouble free operation of the power house. Hence, I forecast, not only the authorities concerned, but the general public of Sri Lanka also will have to suffer with this breaking situation in future as well. As such, it is not surprising that it has begun to be called "Always Breakdown Norochcholai".

I am proud to present this article, referring to the book on KP Muhurat by Sri Kanak Bosmia ji, for the 10th anniversary of KPEZine, which circulates all over the world through his lucky hands.
My Pranams to Sri KSK ji and my KP Guru Sri Tin Win ji,
Who made me walk the road to gain this knowledge in KP.

At the time of judgment, Moon dasa is running up to 01-10-2022.

Dasa lord Moon is in the star of Saturn and sub of Rahu. Moon is occupant of 6, owner of 10. Star lord Saturn is occupant of 2, owner of 4-5. Sub lord Rahu is occupant of 12. Rahu conjoined with Sun-Mercury. Mercury is occupant of 11, owner of 9-12. Sun is occupant of 11, owner of 11. Thus dasa lord Moon is significator of 2-4-5 and connected with 6-10-12-11-9. Positive bhava are 2-6-10-11 and negative bhava are 4-5-9-12.

My opinion: Ascendant, 11^{th} sub lord and Dasa not indicate well, thus it is not good for you.

Outcome: All his project failed, as per his personal visited on 10-12-2016.

Greater Importance of RPs in KP

One of my friends came to my residence on 04-12-2016(Sunday) at about 12-51-00 PM. He wanted to know his correct birth lagna as there were some controversies about it. His birth lagna was said to be Virgo (Kanya) where as in some of his family records, it was mentioned as Leo(Simha). He fixed to know astrologically the correct one through me. Then immediately I called the Ruling Planets to guide me in this regard. The Ruling Planets chart which is erected with the help of K.P. Astro.4.1 is also hereunder shown:-

Ur[R] 26:49:10	II 02:12:45 Fo 20:01:14	III 02:35:19 IV 28:59:52	V 24:37:21

Lagna Star lord=Jupiter;
Lagna Sign lord =Sun;
Moon Star lord =Moon;
Moon Sign lord =Saturn;
Daylord = Sun.
Total Ruling Planets at the time of judgment are Jupiter, Sun, Moon, Saturn and Sun. Mercury is not at all seen in the Ruling Planets. Sun is appearing twice as Lagna Signlord and Day lord in Ruling Planets. So I told him that your birth lagna is only Leo. No doubt about it.

I was in opinion of putting him for one more test on Krishnamurthy Paddhathi, I asked him to say a number with in 249. Immediately he said 103. You see how planets will influence the minds of the querists! This number (103) also belongs to Leo Ascendant and Sun star (103 = Sun-Sun-Moon=from 27-20-00 to 28-26-40). In this number also Sun appeared twice. Then I boldly confirmed that his birth Lagna will be Leo not Virgo.

When will I get parcel?

A querent from Australia, who has arranged for some urgent medicines to be sent from India, and which were dispatched in the month of December 2016, but could not reach its destination in Australia was eager to know the position of the same. He asked me to check, astrologically, the receipt of medicines. I immediately made the chart on 11-1-2017 at 11:45 am Australia [Adelaide] time, and took:

The ruling planets of the moment:
Name of querent : Male
Date of judgment: 11-1-2017
Time of judgment: 12:15:58 AM
Place of judgment: Adelaide [Australia]

Judgment as per KP astrology
As per horary astrology, Sixth Reader, written by Sh K.S Krishnamurti ji, pages 132-133, medicines' reaching their destination means that one is to take 4th house and find out the Ruling Planets. If the sub lord of the 4th cusp, and its star lord, is not retrograde, and they are in direct motion, and are significators of 4 and 11 then, the medicines will reach their destination in the joint dasa period of the significators of 4 and 11.

Fulfillment of desire
Desire will be fulfilled if 11th cusp sub lord and its star lord are not retrograde on the day of judgment, are in direct motion, and are also significators of the concerned houses that is 4 and 11. The 11th cusp sub lord is Jupiter who is in 7 being the lord of 10 & 1. It is in the star of Mars placed in 12 being the lord of 2 & 9. It is in the sub of Saturn placed in 9 being the lord of 11 and 12. As Saturn has no planets deposited in its stars, Saturn becomes a strong significator of houses 4 and 10, being the cuspal sub lord of the 4th and 10th cusps. Hence, the 11th cusp sub lord signifies 4 and 11, which shows that the person's desire will be fulfilled

Analysis of cuspal sub lord
The 4th cuspal sub lord is Saturn placed in 9 being the lord of 11 & 12. Saturn has no planets in its stars and, thus, Saturn becomes a strong significator of houses 4 and 10 being the cuspal sub lord of houses 4 and 10. Further, Saturn is in the star of Mars placed in 12 being the lord of 2 and 9. It is in the Sub of Saturn which signifies houses 4, 11, 9, and 10 as explained above. Hence, the 4th cuspal sub lord signifies 4 and 11, which shows that the medicines will reach their destination.

Transit of Sun
As the event is likely to happen in a few days, I decided to move the position of Sun, which was going to enter from Sagittarius in to Capricorn sign on the 13/14-1-2017.
On 11-1-2017, Sun was transiting in Sagittarius sign, ruled by Jupiter. From 14-1-2017,

Sun will transit in Capricorn sign of Saturn. It will remain in Capricorn sign from 14-1-2017 to 12 Feb 2017. As Saturn is a RP, I selected Capricorn sign of Saturn for calculation of the date. In Capricorn, there are three stars: Sun, Moon and Mars.
As Sun comes first in the order, and Sun is a RP, I selected Sun as the star in Capricorn sign. Sun will transit in Capricorn sign and Sun star up to 24-1-2017, So, I told the querent that the medicines will reach their destination before 24-1-2017.
To pin point the exact timings, I decided to take the sub also.

Capricorn [Makaram]

SIGNLORD	STAR LORD	SUBLORD	D.M.S	D.M.S
Saturn	Sun	Rahu	0.00.00	1.13.0
		Jup	1.13.20	3.00.00
		Sat	3.00.00	5.6.40
		Merc	5.6.40	7.00.00
		Ketu	7.00.00	7.46.40
		Ven	7.46.40	10.00.00

After taking Saturn [sign] and Sun [star lord], I took Rahu as the sub lord because Rahu is also a Ruling Planet. It was observed that Sun was transiting in Capricorn sign of Saturn, and in the star of Sun, and the sub of Rahu on 14-1-2017. So, I intimated the querent that the medicines will be reaching by 14-1-2017 which was confirmed by the querent later.
My Parnam to our Guru ji SH K.S.Krishnamurti ji for this wonderful Padhdhati and thanks to Sh Kanak Bosmia for help and guidance.

Promotion in service: A study

By: G.Subramanian,

E-mail: gurusubra@yahoo.com

It is the experience of many astrologers that next to marriage, a good percentage of queries relate to matters of service. In the case of persons who are already in employment their main anxiety is to know about the prospects of promotion and when it will occur.

Everyone who is conversant with Krishnamurthi Padhdharhi is well aware that for questions relating to employment/service, the relevant houses to be scrutinized are as follows;
House No.2 -- Money matters, capacity and quantum one can earn, financial prosperity, bank position
House No.6 -- Job/service/day to day attendance
House No.10-- Profession/Occupation/Name and fame/Power and prestige
House No.11—Desires, hopes, ambitions and aspirations and their realization

It goes to the credit of Late Jothida Mannan Shri .K.S. Krishnamurthy to have formulated a set of clear cut rules with which an astrologer can tackle such questions without hesitation and with full confidence.

For finding out when a person will get promotion in his job, we have to analyse the houses 2,6,10 and 11. The reasons have already been explained in the earlier para. If the sublord of the 10th house or 6h house signifies 2,6,10 and 11, the native will surely earn his promotion and such promotion will take place when the significators of the above houses operate and also when transits agree.

I am herewith attaching the horoscope of a senior citizen who got a number of promotions during his career to illustrate the principles of K.P.
It may be observed from the chart that the significators for the relevant houses of promotion are as under:
2-Sun, Saturn

"Music is a higher revelation than all wisdom and philosophy. Music is the electrical soil in which the spirit lives, thinks and invents".— Ludwig Van Beethoven

Music is an art form whose medium is sound and silence. The common elements of music are pitch (which governs melody and harmony), rhythm (and its associated concepts tempo, meter, and articulation), dynamics, and the sonic qualities of timbre and texture. The word derives from Greek word mousike; "art of the Muses".

Classical music is the foundation for all sorts of light and film music.

I) WAHT K.P SYSTEM SAYS ON MUSIC (as per KP reader III of Sri K.S .Krishnamurthy)
